Offices Coast to Coast
Our Knowledge is Your Best Insurance™

Most business owners would like the convenience of buying all their insurance from one source.

The unique database and internet connectivity of ISU Insurance Services provide our clients access to over 300 of the most aggressive and competitive insurance companies.

ISU Preferred Clients

What ISU does for Preferred Clients:

- Provide ongoing comprehensive exposure analyses and appropriate transfer of risk through proper insurance.
- Negotiate coverages and premiums rather than obtain quotes.
- Respond satisfactorily to all requests within 24 hours.
- Obtain lower costs through the interrelationship of employee benefits and workers' compensation insurance.
- Shop the market for the Best Value every year.
- Avoid costly workers' compensation claim and over-reserving.
- Lower benefit costs.
- Make available Human Resource and enrollment advice.
- Prepare an easy-to-understand summary of all policies.
- Provide claims reporting and settlement assistance.

Yes, convenience is important...

But so is knowing that you have the best value, feeling in control, and that you are dealing with a provider that has a high level of personal interest in you as well as the ability to deliver the strengths and resources necessary to get the job done.
