

Google Pixel 10

Work, Reimagined

High-level overview

Introducing Pixel 10, the latest Pixel device for business that delivers a smart, secure, and productive mobile experience. Engineered by Google to bring the best of Gemini to you and your team. Aiming to bring a helpful and personal experience that improves productivity during the work day, Pixel 10 provides a mix between the latest specification and the value you expect from the Google Pixel line of devices.

AI-driven productivity to help with your work day

Gemini, your AI assistant for all the ways you use Pixel

Experience Google AI with Gemini built right in to Pixel 10.¹ From the helpful Gemini Nano supporting features like Call Notes² and the Recorder app on-device³, to the versatile Gemini app for help with content creation, ideation, and more, Pixel 10 helps you accomplish work, faster.¹

Do even more with Gemini Live

Now with Gemini Live you can talk with Gemini about anything you see, whether it's through your phone's screen or through its camera.^{4,5} Get help fixing a problem, explore a new environment, or discuss a photo, video, or document to get the information you need.

Connect to other apps and services directly in Gemini

Gemini seamlessly connects with other apps like Calendar, Maps, Gmail, Docs, Sheets, Slides, and Tasks.⁶ Pull schedules from Gmail, PDFs from Drive, and content from Docs into the Gemini app without switching apps. Now you can also ask Gemini to use multiple apps in a single prompt. For example, if you're looking for a list of marketing campaign ideas, you can ask Gemini for some ideas and then easily save them to a note directly on Google Keep.⁶

Proactive help where you need it with Magic Cue⁷

Magic Cue on Pixel 10 brings a new level of intelligence and helpfulness to Pixel devices.⁷ This powerful suite of privacy-first capabilities learns from your digital habits and anticipates your needs by offering proactive help just when you need it. Magic Cue securely stores your information on your device and leverages the combined capabilities of Tensor G5 and Gemini Nano to proactively offer helpful information and actions, reducing the need for users to switch between apps to find what they need.⁷

Stay productive throughout the day with an all-day battery⁸

Pixel 10 features a battery that helps outlast the day. This allows you to stay productive throughout the day without worrying about running out of power. With Extreme Battery Saver, Pixel 10 can last up to 100 hours on a single charge.⁸

Help keep your data safe, private, and secure

Robust security with the same security features from the Pixel 9 series⁹

The past four generations of Pixel have achieved the highest security rating in comparison to other phones, offering strong hardware and software protection for your sensitive data.⁹ Pixel 10 includes all the same great security features from the Pixel 9 series.

Stay up-to-date with 7 years of security & OS updates¹⁰

With Pixel, your phone keeps getting better over time with 7 years of OS and security updates, and new and upgraded features with Pixel Drops.¹⁰ This helps extend the usefulness of your device as we introduce new AI features & security updates helping to make your phone even more secure over time.

User privacy prioritized and work data protected with Work Profile

Keep your personal and work data separate and secure with Android Work Profile. Enjoy peace of mind knowing your privacy is protected. An updated Work Scheduler lets you control when your Work Profile is active for better work life balance.

More to love on Pixel 10

Latest Google Tensor G5 Processor

Experience lightning-fast performance and enhanced AI capabilities with the newest Google Tensor G5 processor. It's custom built for Google's advanced AI, an all-day battery life, high-quality photos and videos, and up to 60% more computing power.^{8, 11, 12}

New phone, new screen

An even brighter Actua display means you can see everything on Pixel 10 with more clarity, at up to 3000 total nits of brightness.¹³

More cameras for more uses

For the first time ever on a core Pixel model, Pixel 10 has an upgraded advanced triple rear camera system, now including a dedicated 5x telephoto lens and Super Res Zoom up to 20x.

Tech specs

Display and Dimensions¹⁴

- 6.3-inch Actua display¹⁵, 20:9 aspect ratio
- 1080 x 2424 pOLED at 422 PPI
- Smooth Display (60-120Hz)¹⁶
- Corning® Gorilla® Glass 2 cover glass
- Up to 2000 nits (HDR) and up to 3000 nits (peak brightness)¹⁷
- >2,000,000:1 contrast ratio
- HDR support
- Full 24-bit depth for 16 million colors
- 6.0 height x 2.8 width x 0.3 depth (inches)

Memory and Storage

- 12 GB RAM
- 128 GB¹⁸ / 256 GB¹⁸

Battery and Charging

- 24+ hour battery life⁸
- Up to 100-hour battery life with Extreme Battery Saver⁸
- Typical 4970 mAh (minimum 4835mAh)¹⁹
- Fast charging – up to 55% in about 30 minutes – using 30W USB-C® PPS charger or higher, sold separately²⁰
- Pixelsnap wireless charging (Qi2- certified) up to 15W²¹

Video

- Rear camera: 4K video recording at 24/30/60 FPS, 1080p video recording at 24/30/60 FPS, Super Res Zoom up to 20x²²
- Front camera: 4K video recording at 30/60 FPS
- Features include: Audio Magic Eraser, Macro Focus Video, 10-bit HDR video, Cinematic Blur, Cinematic Pan, Slo-mo video support up to 240 FPS, 4K timelapse with stabilization, Astrophotography timelapse, Night Sight timelapse, Optical image stabilization for video, Fused video stabilization, Cinematic Pan video stabilization (4K, 1080p), Locked video stabilization (4K, 1080p), Active video stabilization (1080p), Video formats: HEVC (H.265), AVC (H. 264), AV1, VP9

Media and Audio

- Stereo speakers
- 3 microphones
- Stereo recording, Speech enhancement, Wind noise reduction, Audio zoom

Security and Authentication

- VPN by Google at no extra cost²³
- End-to-end security designed by Google
- Multi-layer hardware security: Tensor security core, certified Titan M2 security chip, and Trusty (Trusted Execution Environment)
- 7 years of OS, security, and Pixel Drop updates²⁴
- Anti-malware and anti-phishing protection
- Spam protection in Google Phone and Messages
- Fingerprint Unlock, Face Unlock, Pattern, PIN, password

Processor

- Google Tensor G5
- Titan M2 security coprocessor

Sensors

- Proximity sensor
- Ambient light sensor
- Accelerometer
- Gyrometer
- Magnetometer
- Barometer

Camera

- Advanced triple rear camera system: 48 MP wide with Macro Focus | 13 MP ultrawide | 10.8 MP 5x telephoto lens | Super Res Zoom up to 20x²⁵ and optical quality at 0.6x, 1x, 5x, 10x²⁵
- Front camera: 10.5 MP Dual PD selfie camera with autofocus,²⁵ $f/2.2$ aperture, 95° ultrawide field of view²²
- Features include: Camera Coach, Add Me, Macro Focus, Night Sight, Astrophotography, Portrait Mode, Face Unblur, Long Exposure, Action Pan, Real Tone, Panorama, Auto Best Take, Top Shot, Frequent Faces, Auto Frame, Reimagine²⁶, Magic Eraser, Best Take, Portrait Light

Connectivity and Location

- Wi-Fi 6E (802.11ax) with 2.4GHz, 5GHz, 6GHz, 2x2 MIMO²⁷
- Bluetooth® v6 with antenna diversity for enhanced quality and connection

¹ Available on select devices, languages, and countries. Works with compatible accounts and some features may not be available based on corporate account settings. Internet connection required. Check responses for accuracy.

² Works on calls at least 30 seconds long. Not available in all languages or countries. Requires compatible Pixel phone. See [here](#) for more details.

³ Available on select devices, languages, and countries. Works with compatible accounts and some features may not be available based on corporate account settings. Check responses for accuracy.

⁴ Results may vary. Check responses for accuracy. Compatible with certain features and accounts. Internet connection required. Available in select countries, languages, and to users 18+.

⁵ Results for illustrative purposes and may vary. Check responses for accuracy. Compatible with certain features and accounts. Internet connection required. Available in select countries, languages, and to users 18+.

⁶ Internet connection required. Features may differ depending on subscription and account. Some apps require setup. Available on select devices, and in select countries and languages.

⁷ Available in select countries and languages. Available to 18+ users. Availability may vary by account and profile type.

⁸ Battery life depends upon many factors and usage of certain features will decrease battery life. Actual battery life may be lower. Over time, Pixel software will manage battery performance to help maintain battery health as your battery ages. See [g.co/pixel/battery-tests](#) and [g.co/pixel/batteryhealth](#) for details.

⁹ Based on third-party global research firm evaluating Pixel 6 through Pixel 9. Evaluations considered features that may not be available in all countries. See [goo.gle/mobilesecurity2021](#), [goo.gle/mobilesecurity2022](#), [goo.gle/mobilesecurity2023](#), and [goo.gle/mobilesecurity2024](#) for more information.

¹⁰ Pixel updates for 7 years from when the device first became available on the Google Store in the US. See [g.co/pixel/updates](#) for details.

¹¹ Compared to Pixel 9 phone series.

¹² Among phones commercially available for sale in markets where Pixel 10 is sold.

¹³ Compared to Pixel 9. Peak brightness measured at 5% on-pixel ratio.

¹⁴ Dimensions and weight vary by configuration and manufacturing process.

¹⁵ Screen has rounded corners. When measured diagonally as a rectangle, screen is 6.3 inches (160mm) for Pixel 10, 6.3 inches (161 mm) for Pixel 10 Pro, and 6.8 inches (171mm) for Pixel 10 Pro XL. Actual viewable area is less. Dimension may vary by configuration and manufacturing process.

¹⁶ Not available for all apps or content.

¹⁷ HDR brightness measured at 100% on-pixel ratio. Peak brightness measured at 5% on-pixel ratio.

¹⁸ Storage specifications refer to capacity before formatting. Actual formatted capacity will be less.

¹⁹ Estimate of typical capacity based upon testing and expected cell behavior.

²⁰ Wired charging rates are based upon use of the Google 45W USB-C® Charger plugged into a wall outlet. Actual results may be slower. Adapters sold separately. See [g.co/pixel/battery-tests](#) and [g.co/pixel/batteryhealth](#) for details.

²¹ Compatible with Pixel 10, Pixel 10 Pro, and Pixel 10 Pro Fold for charging rates of up to 15W, and a rate of up to 25W for Pixel 10 Pro XL. See [g.co/pixel/pixelsnap](#) for more details.

²² Not available for all cameras, apps, or modes.

²³ Restrictions apply. Some data is not transmitted through VPN. Not available in all countries. Use of VPN may increase data costs depending on your plan. See [g.co/pixel/vpn](#) for details.

²⁴ Will receive updates for 7 years from when the device first became available on the Google Store in the US. See [g.co/pixel/updates](#) for more information.

²⁵ Reflects megapixels for camera sensor. Camera image resolution output may be less when using default settings.

²⁶ Results may vary. Available to users 18+.

²⁷ 2.4GHz, 5GHz, and 6GHz available where permitted by local laws.
