Before you Start

- 1 On your smartphone or tablet, download the Google Home app from the App Store (iOS devices) or the Google Play Store (Android devices).

- 2 A Google account is required to set up your Citation speaker (s) with Google Assistant built in. Create a new one if you don't have one yet.

 <https://account.google.com/signup>

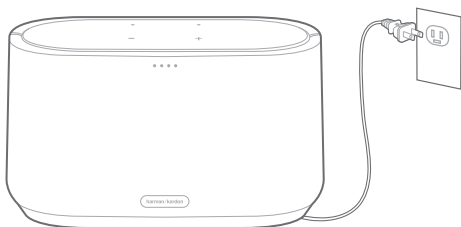

Create your Google Account

- 3 On your smartphone or tablet, enable the Bluetooth and location services (for Android devices only).

- 4 Plug in your Citation speaker.

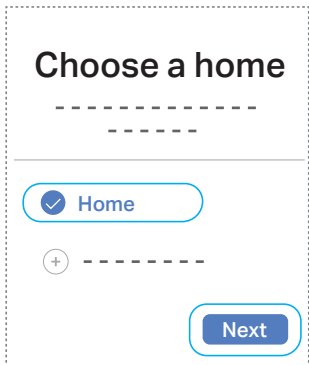

Set up your Citation

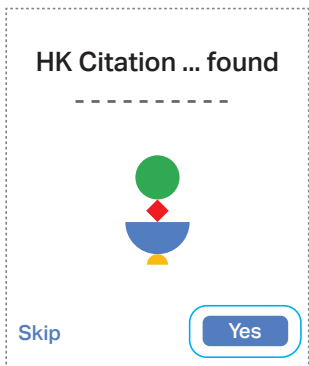

- 1 Run the Google Home app and tap **+ Add** > **+ Set up device** > **🏠 Set up new devices in your home**.

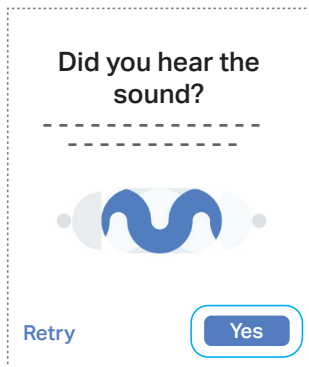

- 2 Tap the home you want to add your Citation to and tap **"Next"**.

- 3 The Google Home app will look for devices. Once your Citation speaker is found, tap **"Yes"** to connect. (*Your phone may disconnect from Wi-Fi during setup.)

- 4 A sound will be played on the device to make sure you are setting up the right device. When you hear the sound, tap **"Yes"**.

5

Tap **"Yes, I'm in"** to send anonymous data or tap **"No thanks"** to opt out.
