

PREMIUM 4.1 SYSTEM

4 Core Wiring Schedule

Left + positive = White

Left - negative = Green

Right - negative = Black

Right + positive = Red

Switch LS4T's to 8 Ohm

The LS4T satellites are shipped in 70v line and for use in this 8 Ohm application need the tap dials under the rear cover turning to the 8 Ohm setting. The SGS Sub is already set to 8 Ohms.

Left & Right

1 x Sonance DSP2-150 MKIII Amplifier (SON-93543)

4 x Sonance LS4T Sat (SON-93369)

1 x SGS Sub (SON-93435)

4 x 9" Spike (SON-92924)
