

Harbour House is an art and wellbeing charity rooted in Kingsbridge, South Devon. Our work begins with people - creating opportunities for communities to come together through art, creativity and shared experiences that support wellbeing, connection and belonging. From exhibitions and performances to workshops and wellbeing sessions, we have worked together to create spaces where individuals can take part in ways that feel enriching: whether that's making, moving, reflecting, or simply being alongside others.

Ekleido Exhibition

Harbour House Ground Floor Gallery
Tues - Sat, 10am - 5pm

Ekleido is a choreographic duo formed by Hannah Ekholm and Faye Stoesser. Working across live performance and film, they create energetic and immersive works that bring together dance, electronic music, and visual art.

This exhibition presents a living archive of Ekleido's work, tracing the intersections between choreography, film, performance, and visual art.

Visitors are invited to take part in a free movement based activity within the gallery space.

2025/26 Impact Report

We're proud to share our second Impact Report, celebrating another year of creativity, connection, and community here at Harbour House.

From April 2025 to April 2026, we welcomed more than 42,205 visitors through our doors — whether for exhibitions, workshops, movement classes, community events, or simply a coffee and conversation in our café. Every visit helped support our mission to make art, creativity, movement, and wellbeing accessible to everyone in our community.

Year in Summary:

- Worked with 32 artists from across Devon and Cornwall
- Delivered 85 free workshops and events to 2,889 participants
- Hosted 1,702 movement classes with 13,386 attendances
- Welcomed 1,564 attendances across visual art classes
- Partnered with 10 local organisations including:
Kingsbridge Food Bank,
Learn Devon
National Health Service
- Offered free room hire to local groups supporting the community

This year also marked the second year of our engagement programme, which continues to grow through conversations, feedback, and collaboration with local people. From our exhibitions programme to our wellbeing offer, community voices remain at the centre of how Harbour House evolves.

We're incredibly grateful to our artists, facilitators, volunteers, partners, funders, supporters, and everyone who walked through our doors this year. Whether you attended a class, visited an exhibition, shared your experiences, or supported our work behind the scenes — thank you for being part of Harbour House.

This work continues to be made possible through support from Arts Council England, Henry Moore Foundation, and Kingsbridge Town Council, alongside the generosity of our wider community.

We invite you to explore the full report on our website, or pick up a copy from our gallery and celebrate everything we've achieved together over the past year.

There's still so much more to come!
