## DRIVE TIME

### Will we sometimes suffer in this life, even as believers?

*Yes, we may go through times of suffering. Jesus suffered for our sins. Suffering doesn't mean God is absent or angry or that we don't have enough faith. God always uses our suffering for good.*

### How is God with us when we go through a hard time?

*God is present through His Word, the Holy Spirit, and fellow believers who offer comfort and encouragement. In Jesus, God has promised to always be with us.*

### How can you be there for others who are suffering?

*Job's friends weren't much of a comfort to Job. We should offer prayer, love, truth, patience, Scripture, and practical help to those going through a hard time. We should remind those suffering around us of the hope found in Jesus.*
