WEEKLY

PETER HEALED
A MAN

BIBLE VERSE

Through faith in the name of Jesus,
this man was healed.

Acts 3:16 (NLT)

BIBLE PASSAGES:

Acts 3

DRIVE TIME

If Peter and John had just given the man money, would his problems have gone away? Why not?

Money could've helped in a small way, but he needed to hear the gospel and know he could receive spiritual healing and forgiveness! Peter gave him something better.

The people at the temple were amazed at the man being healed. How do people see God at work in your life?

When we live for God, people notice! When we have a changed life and obey God, people want to know more and can see His love through our actions.

How does this story give glory to God?

The man who was healed praised God and gave Him the glory!! God is worthy of our praise because He alone can save and heal us.
