Post game comments by Michigan Coach Bo Schembechler:

"Yes, this means we're still in the race."

(Asked about the goal line fumble by Iowa in first quarter) "Yes, that's money in the bank. That's one reason why you never concede down there. You just keep playing tough and hitting hard."

"When you are a three-step punter and you're trying to kick away from a receiver, that means you take a little longer and kick from an angle, and...well.... That was not a planned play to block the punt. We just kept the ends coming."

"Their (Iowa) defense is pretty good and they did a good job against us."

"My opinion was that we would eventually get in there and get it tightened up. I just hoped we could get it done in time."

"I don't know why they (other teams) don't try to run on us. They just don't."

"No I wasn't comfortable with our lead. I never feel good with a lead. I'll tell you something about football--Don't ever feel secure."

(Iowa) is a young team and will be a good team. I wish them luck the rest of the way. We surely would like to have them beat Illinois."

"I think our defense played well today. They (Iowa) moved a couple of times there in the first half, but after that--until we had our second team in there later in the game--they didn't do much against us."

Post game comments by Iowa Coach Hayden Fry:

"We didn't play well enough to win today. The University of Michigan played a real fine game x today. We did get to play a lot of the youngsters."

"We just couldn't stop them. We tried everything in the book. Sometimes you have days like this."

"They just played super defense. They've got as good as chance, if not the best chance to win it all. They've got the conference's leading rusher and Carter too. Their defense is super too."

"We showed a lot of courage. We stayed tough and fought. We were defeated by a very fine football team. You can't beat teams making mistakes."

"Michigan got to a slow start, x but they were sixth in the preseason. We knew that we'd have to play a great game. I don't anticipate any letdown. We realize Michigan had a better team at this point. However, before the game we didn't know that."

"It really hurt us when we fumbled down close, especially because we are so young. There was a two-touchdown difference because of our mistakes."

About injuries: "Some real freak injuries out there.. We even got some lacerations on our hands." About George Millett: "Appears he broke the same two bones that Olejniczak last year."
