FINAL SCORE IOWA 14 ILLINOIS 13

Post game comments by Illinois Coach Mike White:

"It was a painful experience. We have no excuses. You have to credit Iowa. They did a great job. They did what they had to do. Iowa made the crucial downs when they had to. Illinois didn't. It's that simple."

Asked if Iowa got some crucial breaks? "We have no excuses."

"What made that 3rd and 30 play work? You got me. I don't know. I don't really know how many yards they had to get, all I know is I was in shock when he went by me."

Iowa's final punt of the game that went 43 yards and rolled out inside the one foot line --
"It was a great punt, a great punt. That's kind of the way it went today."

"It was a real hard fought game. A fine game. We got one less point than they did. This game was a series of those 3rd down situations. They got 'em and we didn't."

"The Big Ten race? I think this is a very well balanced league. And that's why some people are confused about its strength. I think it's a great race."

"I don't really know if those trick plays had an effect on us in the final half. Sometimes those things cause you to freeze a little. I don't think so. I think Iowa just executed very well."

On the final three plays of the game -- "With 99 and 9/10ths yards to go, there was nothing much we could do."

Post game comments by Iowa Coach Hayden Fry:

"How 'bout them Hawks. Wasn't that fantastic. Illinois is something else; they are really good. Not as good as the Hawks--at least not today."

"I've got the most beautiful players in the world. They're not the best, but they just don't quit. I couldn't care if we didn't win a game the rest of the season. It's just a thrill to coach men like them. These guys are all great citizens."

"I'm not belittling Illinois. But we've been reading about Illinois going to the Rose Bowl all year. Somebody will always slip up on you."

"We conditioned our players that they may have some bad plays (because of the exotics). We said to just try to come back. We are believers. I think that Billy Graham could do good up here."

"I enjoyed the game...all the exotics and turn-arounds. Everything's positive right now. Be sure to give Illinois credit. They didn't fold their tents."

On the exotics: "We're just like bankers. We were just playing the percentages. We did have some exotics, but we needed them to keep them off balance. We have been saving those plays. Had them ready for Minnesota, but we didn't have to use them."

On the bowl scouts in the press box: "They didn't come to see us play."
