Post game coments by Arizona Coach Jim Young:

"Yes, this was our biggest win so far. We were ~~slightly~~ sloppy at times, but the team really came up with the big play when we needed it. It would have been mighty easy to fold out there this afternoon, especially early in the game. Yes, this was the first time we've been behind on the scorebeard all season so far. But we didn't fold. We came right back."

"That off sides call on our last touchdown (almost) drive really ruined a beautiful play. No, I didn't see any apple or apple core thrown on the field on that play. I ran out because I thought they weren't going to let us have our fourth down play."

"Iowa's Caldwell was impressive running with the ball. He did just an excellent job with the ball, I thought. Also the tailbacks, I don't know their names because Iowa was running them in and out, but the tailbacks did a good job of running today too. Iowa got us to chasing Caldwell and then he'd pop wne of those tailbacks at us."

"We try to keep the other teams off balance. We don't do it all the time, but every so often we like to run on a passing down and pass on a running down. It keeps the other team off balance."

"I'd say, yes, definately this was the toughest game we've had this year. The score shows that. Iowa is the toughest team we've played so far."

"I'm not sure what our passing statistics are, but we've been throwing more and throwing better each week. "

- - - - -

NOTES: Gorham of Arizona set a Kinnick Stadium record by kicking three field goals. Previous mark of two was held by several players.

Arizona converted 19 of 29 third or fourth down plays. Iowa 4 of 16.

- - - - -

Frank Lauterbur of Iowa:

"Hill did a great job on that last scoring drive of theirs. They executed very well all day and killed us on third down plays."

"I felt the turning point was when they had control of the ball for so long in the final quarter. But once again we hurt ourselves on fumbles. I felt there were a few times when we could have turned the game around only to lose the ball.

"Andre Jackson had trouble with a nerve in his neck again, so we kept him out. I thought Essy and Smith did a good job for us on defense. Jim Caldwell also had a real good day. along with Douthitt.

"We felt we could block some of their kicks. Caldwell did a good job of getting in there.

"Our running was going so well, that I didn't think we needed to pass. I think Butch did a good job today and an excellent job running. We had the breaks today but couldn't take advantage of them. Our kicking game was pretty good today.

"Arizona is a good offensive ball club. Hill is probably the best quarterback we've seen this season. Bell is an excellent receiver.
