**Indiana Head Coach Tom Crean:**

“We were pleased with our players’ resiliency; we never got down mentally today at all. Whether they were up ten (first half) or thirteen at the sixteen minute mark at the second half.

Our guys continued to battle like we knew that we would have to because Iowa, with the way that they shoot and space the floor, and certainly with the way Cyrus Tate can play, proving today, obviously how good he is, we were going to have to play that way.”

**Iowa Head Coach Todd Lickliter :**

“I’ve been impressed with Indiana, the enthusiasm they played with and the spirit, and I think it goes without saying that Coach Tom Crean has done a lot there.

We are both in the early stages of trials and hard work, I’m only a year into it, but we have fairly young teams and a lot of times you could see that on the floor.

I give them a lot of credit because we stretched them there in the second half and they came right back at us. Then I need to give our guys credit for making some really big plays down the stretch.

We played good defensively. I thought the charge Jermaine Davis took was really big, Cyrus Tate on the glass, being able to switch out; they went at Matt because he had four fouls, and he played with great purpose with four fouls, but still has a lot of learning to do.”
