IOWA PLAYERS AND COACHES QUOTES

by Hayden Fry:

"It was just a super game. I have never seen a defense rise up on the goal line and sack the quarterback like that. They were very tough when they had to be."

"It was a great, great team victory. We have waited a full year to redeem ourselves. For a whole year I have talked about the Rose Bowl. They probably hate to hear me mention that."

about Tennessee: "We knew that they'd be great. They are a tremendous football team. I've never seen a team come back so hard."

about QB Chuck Long: "He was just great. And he is only a sophomore. He will only get better."

by DB Bobby Stoops:

"We didn't do anything different in the second half. You must respect the line and the speed that they have outside. You must just make adjustments and Tennessee did that in the second half."

"They caught the feel of our defense at halftime. It's a game of reactions and they did some good things at half. They really executed well in the second half."

by Chuck Long:

"I didn't pay any attention to the stats. In fact, I didn't find out about the record until after the game" (Iowa record for consecutive completions at 11)

"Everything we seemed to try worked out for us in the first half. Their secondary seemed to have problems with their assignments. But in the second half they came back strong and made it difficult for us to pass."

"This game is big for our entire offensive unit. It will give us confidence for next season."

by Ronnie Harmon:

"I couldn't be happier. My family was watching from back home. I never dreamed of scoring like this on national television."

"This game will certainly give me confidence going into next season. This was a great way to end the year."

by Dave Moxitz

(on tying Peach Bowl reception record at 8)

"It would have been nice to have gotten the record, but I'm happy to have caught as many passes as I did and tie the record."

TENNESSEE PLAYERS AND COACHES QUOTES

Coach Johnny Majors:

"The two plays at the end--third and two, fourth and two--were the most critical parts of the game. On the third down pass, we had an alternative running play, and we were going to pass or run according to what they gave us. We thought they gave us the pass, but it was deflected. On fourth down, we went with the counter option that we had scored with earlier. But Iowa had good penetration. There is such a thing as going to the well one time too many, but you also want to go with the things that get you there.

"It was a hard-fought game. I thought ~~from~~ going into the game that Iowa was superior to Wisconsin, the team we played in the Garden State Bowl last year. Iowa's kicking game made them better than Wisconsin, and Reggie Roby's punt at the end of the game certainly played a key role, as did Iowa's fine kick coverage.

"We were slow waking up in the first half, and Iowa did a heckuva job at that time against us. In the second half, we were much more cohesive, fought with more spirit and executed better. Our improved execution was the difference in our sharper second half play. We were rattled in the first half and made some mistakes that I thought were not typical of our team this season.

"I am not surprised Iowa passed on us so much. The passing game has hurt us most of the season."

TENNESSEE INJURY: WR Lenny Taylor (shoulder).

Quarterback ALAN COCKRELL: "Coming back out in the second half, we knew we had to start putting some things together and to sustain our drives. And we did what we set out to accomplish; we scored on our first three possessions of the second half. We've got to feel good about that, even though we didn't win. We felt our game plan in the first place would be good...we just needed some confidence and some punch in our execution. The running game worked really well for us, especially some of the option plays. That last option to Chuck (~~Eric~~Coleman) almost broke for a touchdown. If he's wearing a tearaway jersey, he's in the end zone. Overall, we were just one play ~~way~~ away from winning the game."

Wide Receiver WILLIE GAULT: "Defensively, they had a man covering the short routes and a man dropped back to cover the long stuff. That's the way they were playing me; they pretty much took away all of my opportunities...I only caught, what, one pass? (Regarding broken up pass play in end zone)"It was a real close play. The defensive back made a nice play; he timed it just right, I guess. If I had been the referee, I would have called it interference."

Fullback DOUG FURNAS: "There wasn't much said at halftime. We all knew what we had to do to get back into the game. We just weren't playing with much intensity when ~~was~~we got behind. We didn't change much in the game plan. It was ~~just~~just a matter of telling ourselves that we were just as good as they were. (Regarding last Tenn. offensive play) "I can't really take the blame for the guy sacking Alan, but I was supposed to block him. I just couldn't see where ~~Alan~~Alan was and when he stepped up into the pocket, that's where the man went. There ~~was~~was nothing I could do about that."
