Post game comments by Indiana Coach Lee Corso:

"First of all be certain to give all the credit in the world to Coach Fry and his staff and his team. They did just a great job.... just a tremendous job. Oh yes, and especially that No. 16 with his passing. They (Hawkeyes) literally blew us off the field with their offense in that first half.

"Yes, I was surprised with the polish Iowa showed with the new coach and new system. And that No. 16, (Quarterback Phil Suess) he was just unbelievable. I didn't think anyone could keep throwing as well as he was throwing in that first half. And that's one of the things I told our players at half time. I said we have to just play the percentages because a persons just can't physically continue throwing the ball as well as he did in that first half."

"I just can't say enough about the tremendous job Coach Fry and especially that No. 16 did out there today."

"We ~~had~~ got a little more of our composure back in the second half. They just blew us off the field in the ~~XXXX~~ first half and we stressed at halftime that our players just had to ~~XXXX~~ collect their composure."

"At half time, I told our players they had just two choices. I said we could go back out and embarrass ourselves or we g could go back out and pull off one of the greatest comebacks in recent years for Indiana. I guess our players made the right choice."

"That last play? (66-yard TD pass with about one minutes left in game) We got that one from Notre Dame. I went up to Notre Dame last summer, I think it was in June. I had studied that team and decided they were about the best at coming back. I went up there last summer, talked with two of their coaches and that pass play was the one I brought back with me for a situation just like the one out here today."

"We played a lot of guys in the first half, because we thought this would be a fourth quarter game. It always is in this stadium."

"We turned them ~~XXXXX~~ (Indiana defense) loose a little bit more in the second half, but we didn't make any other adjustments."

Post game comments by Iowa Head Coach Hayden Fry:

"I guess you felt like you saw two completely different ball games. It was like a nightmare. After executing so well during the first half, which was truly outstanding, ~~xxxxxxx~~ things just seem to fall apart."

"We had a lot to do with our defeat today. We simply did not execute well during the second half. We certainly have to improve. We had two good quarters out there. We just have to shoot for three.

"I'm not used to this. I can't remember another team coming from so far behind to defeat us."

"We just have to do a better job of coaching. I tried to be very honest (with the players after the game). When the kids don't do right, it's the coach's fault.

"I haven't lost faith in these guys at all. We had a perfect first half with the exeption of a couple of plays. In the second half, we just couldn't execute. I like to be nice to myself, but there's just nothing nice to say."

"After looking at the films, I'll be a lot smarter, and so will the players. We've got a big battle to fight. A defeat like this is hard to overcome."
