POST GAME COACH'S QUOTES

Dee andros of Oregon State --

" I don't know if Iowa is a great team, but it's certainly a better team than we played last year. They have a fine fullback in that Holmes -- they beat us at our own game, which is running the ball."

"Football is a game of execution and Iowa did well in that today. We didn't execute well, although I thought our defense played well most of the way."

"we had some depth problems. Our second string quarterback got hurt -- so we had to go with Hickey all the way."

"No, our team didn't play any better today than it did against Southern Cal. USC is one whale of a football team."

"Iowa did exactly what we expected them to do. We knew what they would do from the Ohio State films and worked on it all week. They didn't surprise us.

But they are a strong team and a quick team. As quick as last year, but stronger."

"Iowa will be a good football team. They have to be able to throw better and they have to get more versatile, but I'm sure they'll be a good football team before the season is over."

"That run by Harris hurt us. It was poor tackling by us and good running by him. We should have had him for a loss back there, but instead he gets a long touchdown."

"Iowa was definitely the better team today. They were a little more consistent than we were. We were still in there battling, but we just have to get better."

- - - - -

Iowa Coach Frank Lauterbur --

"I thought we played a much better game than last week in Columbus. The defense did a fine job and stopped Oregon State when they had to. There was really not a touchdown scored on our defense, and that's good in any game.

"An awful lot of credit has to go to our offensive line of Darling, Muller, Sims, Fetter, Clayton and White. Without them Holmes wouldn't have gone anywhere today. Frank is an excellent runner and I knew he was capable of a game like this. It's too bad it came as a senior and not sooner, but we'll take games like that anytime.

"Our pre-game plan ~~was~~ called for a lot of passing. But when we found our running game going so well we decided to stick with it. I'm glad we did.

"I think our poorest area in the game was punt coverage.

"There were a number of times I felt we could have broken the game open, but just didn't do it.

"Oregon State will win some ball games this year. The big surprise came when they gave us an unbalanced offensive line. But we adjusted to it very well.

"Our defensive pursuit was excellent today. So aside from a few mistakes and punt coverage, I'm satisfied, for a couple of minutes anyway."
