✓ Post game comments by Michigan State Coach Darryl Rogers:

"I think they (Iowa) controlled the line pretty well. They controlled the front of the game, especially in the second half."

"To tell you the truth, Iowa did exactly what we thought they would do. We knew we would have to keep their (Iowa's) offense off the field to win. We didn't do it. Iowa did an excellent job~~XXX~~ of mixing their plays on offense."

"I think Coach Fry uses a few more sets than we do and throws a few more people around more than we do, but yes, I guess you could say there are some similarities in our coaching styles."

"Everything I could say about why we finished the season with a 5-6 record would sound like an excuse, and I don't want to make any excuses."

About the gamble on fourth down and about an inch in Iowa's territory, "What we needed to do at that time was keep them (Iowa) off the field. I really thought we could pick up at least that half inch or so with a quarterback sneak. "

"I think they (Iowa) had good balance all year. Good offense and good defense. At times they appeared vulnerable to the pass, but we thought Iowa was a good, solid team."

"Yes, Byrd (Michigan State's Eugene Byrd) is one of the fastest. Not just on our team, but for the whole country. He has great speed."

✓ Post game comments by Iowa Coach Hayden Fry:

That was a big mountain to climb and our youngsters deserved to win today. I am really happy the way we ended the season and the way we did it.

On MSU's going for a first down early in second half -- "I don't think I would have done it the same way."

I think our guys were so fired up in the second half. I don't think it was what MSU did, it was what we did.

About seniors --

This was a real outstanding group of young men. They are going to leave here with a good feeling about playing Iowa football.

This whetted everyone's appetite. We'd have liked to have won more games but as it is it ended up on a high note.

We can do a sales job now (in regard to recruiting running backs) and get some good ones in here. We have something to sell now.
