=====FINAL SCORE=====

AKRON 21, IOWA HAWKEYES 57

=====

IOWA VS. AKRON GAMES NOTES

Iowa extended its streak of starting the game on offense to 30 consecutive games . . . Iowa's safety was the first recorded by the Hawkeyes since 10/10/98 in a win over Northwestern . . . Iowa scored 23 points in the first 6:50 of the game . . . Iowa improved its record in the month of August to 1-3 . . . Iowa had two running backs rush for over 100 yards, as Fred Russell had 170 and Jermelle Lewis rushed for 123. Both scored a pair of touchdowns.

Iowa's 37 points are the most points ever scored by Iowa in one quarter. The previous best, 35 points, was at Illinois in 1990.

Fred Russell scored his second career TD on a 44-yard run. He scored his first career TD in the season-opener last season against Kent State. The 44-yard run is a career-longest run from scrimmage for the junior. Russell finished the game with a career-high 170 rushing yards. His total against Akron (170) is more than he rushed for during the 2001 season (141 yards and one TD).

Kevin Worthy's 72-yard fumble return for a touchdown was the first time a Hawkeye accomplished the feat since Eric Thigpen returned a fumble 29-yards at Purdue (10/31/98). It was Iowa's first defensive touchdown since Chris Smith returned an interception 33 yards against Miami, OH (9/8/01). Worthy's return was also the second longest fumble return in Hawkeye history. Dayton Perry registered an 84-yard return against Purdue (10/22/60).

Maurice Brown caught his first touchdown pass when he recorded a 56-yard reception. It was just the fourth reception of his career, and his next reception resulted in a 36-yard touchdown.

PK Nate Kaeding set the Iowa record for consecutive PATs when he connected on seven against Akron. Kaeding now has 46, breaking the old mark of 42, which was set by Rob Houghtlin in 1986-87. Kaeding added a pair of field goals against Akron for a total of 13 points.

Sophomore Jermelle Lewis scored his first career touchdown on a one-yard run in the second quarter. He later added a second touchdown on a two-yard run on fourth down.

Iowa had two true freshman see action in the game. DB Jovon Johnson recorded his first career interception and WR Clinton Solomon had his first pass reception.

IOWA VS. AKRON COACHES QUOTES

IOWA COACH KIRK FERENTZ:

“We’re pleased to get the win today. We were ready to play at kickoff. We were excited to get numerous players on the field because it gives them game experience. There is a lot that we can take away from this game to help us learn and improve for the remainder of the season.”

On the running backs:

“Fred Russell played really well today. Fred is someone that we’ve been really excited about and he performed really well today. Jermelle Lewis, we’ve been talking about over the last two years. Today it was good for him to get out and actually perform on the field.”

On the offensive line:

“They were really ready to play today from kickoff. They played like a group and that’s what we expected them to do. They sense what each other is doing. It takes time for a group to develop that kind of cohesion and it looks like it’s to the point where we’re getting there.”

“Now we have to prepare for the Miami (OH) game. They’ve been hyping this game up for quite some time. It’s going to be a wild environment where we have to come prepared to play.”

AKRON COACH LEE OWENS:

“Yes, I was surprise that they scored as much as they did, but I wasn’t surprised that they came out ripping and roaring.

I take the blame for some of our poor tackling. In our preseason, I was so concerned about being ready and not having anyone hurt, that I think we didn’t do enough hard blocking and tackling. But that’s fundamental football and we can take care of that.

We did better in the second half with our fundamentals.

Yes, I think we could have done better in the second half with Charlie (Frye) in there, but he took some hard hits in the first half, and we also need to get some experience for Nick (Sparks).

No, this is not an unusual situation with our backup quarterback playing multiple positions. We need to have Nick touch the ball as many times as possible, as a quarterback or a receiver. That’s also what he wants.

Iowa has a couple of pretty good running backs. But we’ll see other good running backs the rest of the season. We just have to do better with our overall defense.”

IOWA VS. AKRON PLAYER QUOTES

Brad Banks

It feels pretty good to come out the first game and start out strong. We've got to work on some things, polish up some things. We have some weapons. We are going to try to use them throughout the year. We knew what we could do. We just wanted to come out and make sure we could play the part.

Kevin Worthy

The touchdown felt really good. It was my first touchdown as a college player. I saw the ball come out and I just grabbed it up. We wanted to go out and make sure everything was clean. We definitely have some things to work on. We just need to work on reading the plays and making the right hits.

Fred Russell

It's a relief to get out there and show people what I can do. I'm just pretty much doing the same thing that Aaron Greiving was doing last year. I just have to keep doing what I'm doing to win the number one job. Our line did a heck of a job today.
