Quotes From Iowa Coach Frank Lauterbar:

"A tie never replaces a win, but you've got to learn to walk before you can run. I was awfully proud of our boys today. They just never gave up.

"Our defense did a whole of a job today...Romero Harthorne, Les Washington Tye Dye, Bill Windauer and Dave Bryant were exceptional out there. And you know all but one of those are freshmen.

"Bobby Ousley had a pretty good day at quarterback. The important thing is that he showed a lot of poise and improvement.

"Michigan State has a heck of a defensive club. Altogether there was some real head knockin out there. That Van Pelt and Simpson are some athletes.

"The important thing about today is that we didn't lose. Our hitting and tackling was much improved over last week..

"Had this game been played on grass, it would have been terrible. The turf really made a game of it.

"Our biggest problem today was the same as in previous weeks... the inconsistency to move the ball on offense.

"But give our boys credit they came out to win today after being heavy underdogs and almost got the job done."

Quotes from Michigan State Duffy Daugherty:

"Our offense played badly. When you have all these penalties, it's really bad. I don't know what happened today.

"Our defense played very well. When you stop an opponent the way we stopped Iowa today, you should win by two or three touchdowns.

"On that roughing the kicker penalty. Our man partially blocked the punt, but it was from an angle that the official couldn't see it. When you get a piece of the ball like that then there is no such thing as fouling the kicker. But the official just couldn't see it.~~XXX~~

"I think having Niesen (starting quarterback) hurt early in the game hurt us quite a bit offensively.

"I felt good after lastweek's game. I sure don't today.

"We had eight fumbles and lost five of them. You can't win doing that, especially when you get all these penalties we got today.
