POST-GAME COACHES' QUOTES: (Iowa vs. Indiana, Oct. 9, 1982)

INDIANA COACH LEE CORSO:

"It was a hell of a good football game. We played with a lot of heart, we played hard, and we came back and almost won it. The only difference was, the one team was about that short (two yards) from winning.

"I have a great deal of respect for the IU football team. We made some great individual plays. I was very proud of the way we played. We never gave up and we almost had it there at the end.

"We were trying to go to the corner of the end zone or to get him out of bounds (on last pass to McNabb).

"Babe played a great game with a busted up ankle. He had some magnificent plays and he showed a lot of character and courage.

"We didn't get the touchdowns inside the ten. I think we have to try and punch it across with the run when you get down there.

IOWA COACH HAYDEN FRY:

"It was a great win. It was as fine a team victory as I've ever been associated with. Our young team overcame mistakes with hustle.

"Indiana has a fine team, with many skilled people.

"If that last tackle (by Devon Mitchell on Scott McNabb) was not a fine tackle that big tight end falls across the goal line.

"On that last series I was doing two things, praying, and hoping coach Corso would foul it up. Those boys were on a roll.

"We single covered Gunn most of the time, but he's going to get open and Laufenberg is going to get him the ball.

"I didn't think they would go for the field goal (on the series after the blocked punt). I thought they'd fake the field goal.

We had so many guys wounded.

"I hesitate to say much about our defense because they keep surprising me."
