QUOTES FROM IOWA COACH FRANK LAUTERBUR:

(How would you compare Penn State with Michigan and UCLA?)

I'm not going to compare teams. Penn State has a fine club and executes very well.

(Penn State defense --- your impressions?)

I was ^{much} ~~very~~ impressed with Penn State's defense. It is mobile and tough. I was very impressed with ~~the~~ order.

(Penn State's defensive rush --- impressions?)

Very tough. We didn't use our outlets.

(Does Penn State deserve its national ranking?)

They well ^{deserve} ~~deserve~~ it. ~~They~~ They should be right up there.

(Compare this year's Penn State team to that you played last year)

They are better at this stage than they were ~~in~~ a year ago.

QUOTES FROM PENN STATE JOE PATERNO:

(Did weather effect play?)

We wanted to win and we won. ~~It was a tough game.~~ We hoped we're balanced and prepared for anything. The weather made it difficult ~~for~~ for both teams.

(Impressions of your defense)

First team ~~is~~ was very, very strong. They hit hard and had everything under control.

~~Impressions of your offense~~

(Blitz effect on Iowa)

In all fairness to Iowa's line our coverage was good ~~but~~ ^{and} there weren't many men ~~available~~ he could find. Our ~~coverage~~ coverage was good. On our line we have good athletes and you can't keep them out all the time. We didn't really get to the quarterback that fast.

(O'Neil, didn't play. Status?)

Things went well so we kept him out. If we had been in trouble we would have gone with him.

(Play of Buttle, O'Neill's replacement)

~~He~~ played very, very well.

He

(Is ^{OS} ~~there~~ a good team)

They adjusted well today, but you don't know how good you are until you've got to come from behind. Things have been easy for us so far.

~~Impressions of your offense~~

(Pass defense late in the game)

Except for the big one it was all right. We weren't aggressive, and we were weren't stunting them. We were playing a basic ~~defense~~ defense. On the long pass, ~~that~~ Iowa ~~did~~ made a great play. The ~~quarterback~~ quarterback scrambled and the receiver was originally covered, but ~~the~~ the defender --- a sophomore --- lost him. That's how your you're going to learn --- by playing.
