Post game comments by Iowa State Coach Jim Walden:

"It's over. I'm not too sad. Now the game is behind us." There were just too many things for this team to overcome. We made too many mistakes to overcome. When you're up against a good team, and I think this (Iowa) is a good team, you just can't make that many mistakes and overcome everything else that happened on the field."

"The roughing the holder call turned out to be about as significant a play as there was in the game. I told him (the official) the call stunk. There's nothing else I can say or else I'll get in trouble. You'd have to lie awake at night dreaming up a call like that one. The officiating today got so one-sided it was silly."

"(Jeff) Shudak missing the field goal was another very big play."

"(Bob) Utter? I don't see how he could do any better. He's a proud and confident person at the age of 18."

"They (Iowa State players) had every reason to collapse and just didn't. I'm very proud of this team. There were just too many, many things for them to overcome today."

"I think Nick Bell played just a great game today. That catch he made was very important. He's bigger than all our guys on defense."

"The guy we probably missed most today, after all that had been said, is the one nobody had said anything about. That was Watkins (linebacker Dan Watkins)."

"I feel the same about Sherman Williams as I said about Utter. I don't see how he could have played any better. Both of those guys came up front and played lights out!"

Post game comments by Iowa Coach Haydeb Fry:

"Iowa State played extremely hard and never gave up. They're well coached. Bob Utter did an outstanding job. If he can keep up this level of performance, I think Iowa State will have a good season."

"I'm happy our offense scored 45 points against a good defense, but I'm less than happy with our defense. They played hard and hustled, but they were terrible."

"I thought Matt Rodgers made some fine decisions and Tony Stewart and Nick Bell both played excellent games. Nick ran as hard as any college player I've ever coached."

"We made some real crucial adjustments at halftime, just as we did last year against them. In the second half, we moved the ball well and that kept the ball out of their hands."

(On fumble return for TD) "I wasn't sure if Hartlieb pitched the ball to Tony Stewart or if he ran it. The linebacker did a great job of stripping the ball instead of making the tackle."

"Utter was throwing the ball so quick off three and a half yard drops that we never could get a pass rush. The thing that disturbs me is that we couldn't keep him in the pocket. He kept getting outside."

(On skirmish) "I have no idea what started it. I was disappointed that some of our players ran onto the field. I don't tolerate that type of thing."
