IOWA BASEBALL
HAWKEYES SET TO FACE I-CUBS IN EXHIBITION CONTEST

IOWA CITY – University of Iowa first-year head coach Jack Dahm announced earlier this week the Hawkeyes will have a new in-state rival on their 2004 schedule. The Hawkeyes and the Iowa Cubs, a triple-A affiliate of the Chicago Cubs, are scheduled to meet in a nine-inning contest April 7th at Sec Taylor Stadium in Des Moines, IA. The exhibition contest will begin at 7:05 p.m.

“This is going to be a great experience for our players. They’ll be able to compete against some former big league players and many future big league players. This opportunity will provide tremendous exposure for our program and we’re thankful towards the Iowa Cubs for this opportunity. We’re excited to play in Des Moines and hope everyone will be able to come out and see a good ballgame,” commented Dahm.
