Post game comments by Iowa State Head Coach Donnie Duncan:

"This was a very physical game, there was no doubt about that. That physical aspect of the game was something that was expected, though."

"Individually and as a team we have to assess this game and move on~~l~~ of the rest of the season. I have not lost faith or confidence in this team. About the ~~INJURIES~~ injuries, ~~WE'LL~~ we'll just do what we have to do, go with the healthy players. That's all part of the game."

"I think there were many factors resulting in our inability to score more and do better offensively today. Iowa's defense played well and that was certainly a factor. John (Quarterback John Quinn) got most of the preparation time in practice during the past week and when he was injured and unable to play further, that was another factor. That takes nothing away from the job done by Walter (Grant)."

"Yes, this was my first Iowa State-Iowa game. It was very emotional and draining for ~~THE~~ the coaches and the players."

"Yes, I was surprised that Iowa was able to dominate us on the ground the way we did. We elected to kick off at the start of the game because I wanted to take advantage of the wind and I thought our defense could hold them ~~IN~~ (Hawkeyes)."

"I thought we played well against the pass, but....!"(referring to Iowa's ability to move the ball well on the ground.)

"Yes, it was a scary situation when I got out there on the field when he (Tackle Shamus McDonough) was injured, but he recognized me and he's going to be ~~OK~~ okay. His injuries are to the area of the shoulder and neck."

Post-game comments by Iowa Head Coach Hayden Fry:

"We've got a lot to smile about today. We were flirting with winning, but we hung in there and finally did it."

"We thought our best defense would be to keep the ball from them. The hitting was as ~~is~~ vicious as I've ever seen. We were trying to play ball control with the running game and throw enough passes to keep them honest. ISU did a ~~great~~ heckuva job. They're a great football team. We came to play today and played four full quarters--60 minutes."

"It's great to beat a team that's been to three straight bowl games and one that beat us 31 to nothing last year. Iowa should pull for ISU and ISU should pull for Iowa the rest of the way. Both teams are trying to bring national recognition to the state, and we should help each other recruit."

Commenting on Dennis Mosley's 229 yards: "He can run inside where it's dark now. He's a complete football player."

"Wait until we start playing for the big marbles. We got off dead center against a quality team."

Commenting on Jim Swift: "Swift can be an all-American as a blocker as well as a pass ~~box~~ receiver."

Commenting on the defense: "Didn't they do a good job?"
