POSTGAME QUOTES

Nov. 8, 2014

TCF Bank Stadium

Iowa at Minnesota

Jerry Kill, Minnesota Head Coach

Opening statement...

"I just think the kids did all the things we asked them to do. The game comes down to execution and, for the most part, we executed really well. In the first series of the game, they hit three or four third downs, but then we buckled down and got after it. The biggest thing was that offensively, we really played well and were firing on all cylinders. Our offensive coach put a good game plan together and Mitch (Leidner) keeps getting better and better. We sprinkled (Chris) Streveler in there to take some hits off Mitch. That was a little bit more offensively like we were at Northern Illinois...When the quarterback plays well, you've got a great chance to win. Plus, we won the battle up front today and I'm so proud of both of those lines. We've had a makeshift offensive line all year, but they came to play today."

On the offense's first half...

"I think Matt (Limegrover) did a good job of keeping them off balance a little bit. You always do as much as your quarterback can do and today he had an outstanding game. He was reading all that stuff. I'll have to look at film, but I'll bet he didn't miss one or two reads. You're doing all that stuff and throwing the football and taking hits—I can't say enough about the job that kid did. The whole offense did what we asked them to do and they carried out the game plan."

On Maxx Williams...

"He is unreal. I've coached this game for 31 years and I've coached a lot of great players, but I have never seen anybody catch the ball like that kid does. If you get it close to him, he's going to find a way to catch it. He's unbelievable. "

On the Gophers' defense after allowing a touchdown on the opening drive 4:40...

"Our kids didn't panic. Our defensive coordinator is a sharp guy and he threw some things in there and you work your way into calling a game. The big thing is that everybody fit in the run game where they needed to be and I don't think they rushed for 100 yards. Defensively, we really dominated and we've worked hard on that going back to spring ball."

On winning the Floyd of Rosedale...

"The neat thing is for our fans that they get to take their picture with the Jug and now they get to take their picture with the Pig. It's great for our state and I know how important it is. I'm proud of our fans and I'm proud of the whole state."

"We knew they had a big defensive line and Iowa is always known to have a big defensive line. We knew going into it that we were going to have to hit them hard. We knew it was going to be a physical game and that it was about who's going to dominate the line of scrimmage. Knowing that they still are a big defensive line, you get that motivation and say, 'Hey, let's prove we're better.' You just go into the game and hit them as hard as you can and keep rolling with it."

On putting up 51 points against Iowa...

"It's just our game plan. Everyone just went out and played their game. We expect it to be a battle every game and it doesn't really matter. You go out and prepare, go out and play, and have fun."

On his impressive catches...

"Those kind of plays, you just have to kind of feel. Mitch (Leidner) threw the ball and I had to make a play and it happens so quick—you just try to get your feet down and go with it."

Louis Trinca-Pasat, RT

On Coach Ferentz's comments about Minnesota being the aggressors...

"It's a team loss. They executed and they won. It's as simple as that. They wanted it more than we did and it showed."

Mark Weisman, RB

On the game...

"We got beat in every facet of the game. We'll watch it on film to see exactly what we did wrong."

On if the Gophers were quicker, stronger and tougher than Iowa thought...

"We knew they were strong and tough up front. I just think we didn't execute at all. You know, that's on us. I give them credit. They came out ready to play and they obviously wanted it more out there."

Jake Rudock, QB

On the first drive...

"Yeah, that's unfortunately all we did well today. It just wasn't our day."

On what happened after the first drive...

"You know, I can't really put a finger on it. We just didn't play good football. We got what we deserved."
