Post game quotes from Glenn (Bo) Schembechler:

"The Hawks are much improved. I'd say they are twice as good as a year ago. The defense is better and the offense is improved too."

"Yes, Franklin is a good quarterback for us. He's strong and a good passer too. And Bob Thornbladh has given us good punch inside."

"For this game, we wanted to run the football and eliminate the mistakes we made last week."

"I'll tell you one thing about the game today. That crowd out there was so quite when we had the ball it scared me."

"Was I pleased about today. Yes, I'm pleased any time a day goes like this one did today."

"We played pretty well early, got a couple rather easy ones in the second half and that's about it."

"Our two toughest ones are coming up -- Purdue and Ohio State back to back. No, it doesn't really make any difference to me that Ohio State was beaten today. We have to win all the rest of our games anyway, so one loss for Ohio State doesn't really make that much difference to us right now."

"No, I'm not surprised that Michigan State upset Ohio State. Now ~~many~~ maybe those people will believe me. We beat them 10-0 and I said they were a fine team."

Comments from Frank Lauterbur:

"There's no doubt that Michigan has one of the finer teams in the country today. They're the kind of team that you can't make mistakes against...and we made way too many mistakes."

"Michigan is very strong and balanced defensively. They have a solid team that makes it hard to do anything."

"A lot of our mistakes were caused by youth, but there's nothing else to say on that matter except that they'll get better."

"Wellington did a fine job at tight end replacing Clayton who was injured early in the game."

"I thought Michigan adjusted to ~~the~~ our passing game very well in the second half."

"Butch Caldwell did some good things and some bad today. But I think he's getting better."

"Defensively I thought we played one of our poorer games of the year. We just weren't aggressive."

"To beat Michigan you have to control the ball...we sure didn't do that."

"Franklin is an excellent quarterback and really makes that team go. He does everything well just like the entire team."

"Michigan is a better offensive team than a year ago and I think Franklin may be the reason."
