### QUOTING HEAD COACH CARLA BAKER

"I think as a team we are playing much better. We definitely have to start finishing our opportunities.

Coming into the games last weekend, our student athletes came prepared and I could see a look of determination on their faces. We need to continue to pay attention to the minor details.

We are excited to play Wisconsin. They have some good student athletes that are going to present a challenge. We have to be cautious of their midfield and look for Britta to have a big game for us. We need to capitalize on their freshman goalkeeper.

Minnesota is going to be a challenge. Their kids will be working hard to pick up a win. We need to stick to our game plan and it will be a matter of putting together the pieces of the puzzle.

We need to buckle down and make some plays."
