POST-GAME QUOTES

IOWA COACH HAYDEN FRY

"The score was so high. Our guys got their momentum going. I don't like anything like that. Northwestern doesn't need anything like that. I'm happy to win, but it's a little sad.

"We got 12 guys injured. When you get rolling, you seem to get people hurt.

"It was one of those crazy games where we just got rolling. Even the guys who never played all year couldn't seem to do anything wrong.

(re Michigan and Ohio State): "Certainly we're not in their class. We were supposed to beat Northwestern and we did.

(re Dennis Green): "I feel for Denny. I know what he's going through. He inherited this program and the other guy got fired, so he must not have had much. I thought his kids battled and kept trying. Our kids just got going."

NORTHWESTERN COACH DENNIS GREEN

"I'd say that was a pretty damn impressive football team. Iowa is one of the most physical teams in the conference. We knew Iowa was big and strong; they've done a lot of good recruiting over the last three years.

(re NU offense): "We're just going to have to start playing better. Maybe the use of different combinations will help. Some of the players are just not performing up to their potential.

(re NU defense): "The defense is not playing physically enough, and is missing too many tackles. Too many young guys who don't know anything about lifting weight are getting beat badly.

(re Villars, freshman QB): "Villars did some things right and also did some things wrong. He'll get better with playing time, which will help his passing. I think he can be an above-average passer in time.

(re 30-0 first quarter): "I have been in some worse situations than that. We have to develop the ability to come back. I would like to remind everybody that the score was 0-0 at the start."
