Post game comments by UCLA Coach Terry Donahue:

"First of all, The University of Iowa totally dominated the football game here today in every single phase. Coach Fry did a terrific job of preparing his team for this game. Obviously, I did not do as well because we lost."

"We were dominated on offense, kicking, and on defense. Our defense was good enough early in the game and played, in fact, pretty well. But then they simply had to stay on the field too long and just wore down."

"Iowa was just ~~xxx~~ tremendous today and we weren't very good."

"Obviously, when you play three consecutive games on the road at the beginning of the season you would prefer to play at least one of them at home. But to dwell on that and indicate it played some role in our loss would be to take away from the fine job by Iowa."

"The game was uphill for us from the opening drive."

"The touchdown that our offense gave up was certainly one of the turning points and then that kick-off that bounced off our players and was recovered by Iowa was a nail that just killed us."

"I don't think our runners got the blocking they need to gain ground, but you have to credit Iowa's defense for that."

"I don't remember ever being quite as ineffective in my coaching career as our offense was today. We tried it up the middle and were stopped. The same thing when we tried to go around the outside, and then when we tried to pass they (Iowa) sacked us."

Post game comments by Iowa Coach Hayden Fry:

"We've got the happiest group of players I ever saw. We've knocked off two of the top 10 teams in the last three games. How sweet it is! We played inspired football just like we did against Nebraska (two weeks ago). I never dreamed we could shut them down that much. The defense was just superb. We blocked and ran harder today than we have since I've been here."

"This was a bigger win than Nebraska. This was number 100 (in wins) for old John Hayden, and the team even gave me the game ball. Throughout the years, I've been blessed with great coaches and players and fans. I've never been a coach that wins all the time--one of 700 boys; I've never been in that league."

"It's pretigious to be a giant killer and to be in that league, be tw-and-one going into the Big Ten."

"When you beat UCLA in ping-pong or anything with that great program of theirs . . . it's great."

INJURY REPORT: Olejniczak broke his leg. Gales bruised his hand on the same play. Eddie Phillips is "battered." Fry said there were 4 four or five others that were "bruised and battered."

"I expect Bohannon to do a great job. He did a great job running the ball, but he made some mental ~~xxxxxx~~ mistakes that were costly."

"I've never seen Blatcher run so hard. Now, if he'll just take the cotton-pickin' ball with him. . . ."

Fry (continued)

"You didn't see the real Bohannon today. When Olejniczak was in the end zone, Bohannon babied the ball instead of just throwing it, and he got an interception. If he had just thrown it, we would have had a touchdown."

"I am proud of the coaches and players. Doesn't a week make a difference?"

"If we had made no mistakes, UCLA would not have been on the board in the first half. At halftime, we ~~waited~~ built confidence in the defense and told them they were doing a great job, but we ste the offense out real good."

"I am worried about Northwestern[^] after winning today. We may be overconfident. If we're favored against Northwestern, that's dangerous around here."
