Post game comments by Nebraska Head Coach Tom Orsborne:

"I think we got a little strong as the game went along. I felt that we weren't even in it in the first half."

"Losing Steve McWhirter really hurt us, because we were think at the Linebacker spots to begin with. That left us with only two linebackers there that we really had confidence in. And with Iowa moving around so much, we needed mobility and experience in that spot."

"Iowa really played very well. We just didn't play very well today. Iowa played very well and deserved to win. This is one of the hardest losses for us since I've been here."

"By the end of the third quarter we had settled down and weren't doing so many crazy things."

"I was very disappointed in our defense in that Iowa was able to run right at us during the game."

"Roby (Reggie) did just a great job of punting for Iowa. We got no returns even though they were long punts."

"They (Iowa) out-played and out-coached us. Any time we lose a game it is my fault. If our players aren't good enough, then I should have done a better job recruiting. If our players don't perform well, then we should have done a better job of preparing them."

"I think we have better players, ~~than~~ overall, than Iowa does... I think."

Post game comments by Iowa Head Coach Hayden Fry:

"Wasn't that a great game? We worked our tails off the last two years, we played them fair and square, and it finally paid off. I couldn't be more proud of the team and coaches. This is the biggest win since I've been here (at Iowa). We kept the ball away from them and had great defense."

"Every guy on the ball club had great going against a quality opponent. We were not pretty doing it. We made one mistake on their end of the field, and they scored. The game ball went to Coach Brashier. The job the defense did against Nebraska was just super."

"We've been blown out before, but we've always come back and won. If you stay in this game long enough, the worm will turn. I'm happy with all of them (the members of the team). . . . We had no Marty Ball or J.C. Love-Jordan, but those little guys (Eddie Phillips and Norm Granger) stuck in there and beat them. . . . J.C. may be back next week but more probably against UCLA."

"We are in decent health going into the second game. We have some fellows with leg cramps, but that's about all. You have to show consistency winning (to be a winner). We showed a lot of character today. We made a lot of damn mistakes that we shouldn't be making. . . . This is just one game. We've got to keep our heads screwed on straight."
