LOCKER ROOM QUOTES -- IOWA AT NORTHWESTERN OCTOBER 13, 1973

FROM JOHN PONT

"The team was very charged up today. We came out alive and took it to them. We played a good football game. The execution for the first quarter and a half was tremendous." I think this was our best game all year, both offensively and defensively."

"I think this game, being a conference game, had something to do with the way we played. I would rather not believe that but I felt that we were ready for Ohio U. too. "

"We played both of our offensive ~~boxes~~ and defensive lines this afternoon. The Number Two's both ways played good football. That's the only way our kids will learn."

On the touchdown pass to McNamara, I had a gut feeling....about the rollout. I had been going inside all day so I took a chance."

"Our goal was to move off the ball because of their veering defense. We came out passing because their linebackers were blitzing. Defensively, we were attacking very hard."

FROM FRANK LAUTERBUR

"Northwestern played a fine first quarter and we played terribly. That's pretty much the story of the whole game. "

"We started Craig Johnson at tailback because of an excellent week at practice. One of our offensive linemen, Dan McCarney missed most of the game with what I just found out was a sprained ankle."

"We just didn't play good ball. And when you don't play good ball, you're not going to win. On our missed field goal, we had a breakdown in our front line that caused it to be blocked. This had to be one of the big points in the game."

"We had a few chances to get back in the game but couldn't take advantage of them. I thought Mitch Anderson threw exceptionally well today. The entire Northwestern team played a good game."

"Our early play was extremely disappointing to me. We just couldn't seem to get untracked. "

"I thought Johnson and Jim Jensen both ran very well for us today."
