WHAT THE COACHES SAID:

Bob DeMoss --- Purdue

"Boy, does that feel good!"

Asked if this was the best his defense has looked, DeMoss answered, "That's obvious, isn't it?"

"No, we didn't change anything at the half."

"Yes, we used the I formation more today, but I don't think that surprised them (Iowa) much. We will still continue to use the wishbone and variations of it in future games."

"We hurt ourselves offensively in the first half, Same as we've been doing in the first three games this season."

"Yes, Spellman (Jack) did a fine job today. He's been a journeyman player for us, but he has great desire. Yes, he's won a starting job, I'd say."

"Our offensive line did a fine job in the second half."

"We had great field position all day except for after the opening kick off in the second half."

"The middle of our defensive line did a good job of stopping Iowa's up the middle stuff. That had been their bread-and-butter, ~~XXXXXXXXXXXXXXXXXXXX~~
~~XXXX~~

~~XXXXXXXXXXXXXXXXXXXX~~ "Nick Cannone broke his collar bone on the kick off."

Asked, can he forget about those first three games this season and concentrate on the rest of the season, he answered, "Those first three teams we played were undefeated as of last night. I don't know yet what they've done today. Yes, ~~XXXX~~ we're going to forget about those first three games and look ahead."

IOWA COACH FRANK LAUTERBUR

"Their middle guards just did a fantastic job against us. They seemed to be everywhere. They took away our inside game almost entirely.

"Purdue just out physicalled us on the line. They've got the best defensive team we've met so far. They were bigger, they outrushed us, outmoved us, and beat us.

"Purdue was an excellent team today, the best 0-3 team I think I've seen. Their defense played an almost perfect game, the statistics bear that out. Harris and Holmes just didn't have a chance to get going today. Let's face it, their line took away alot of things we had hoped to do today. They (Purdue) were really fired up today.

"Kyle Skogman hurt his leg on about the second series of plays, I don't think it's serious, but that also took alot away from us today. Frank Sunderman was also injured on the punt in the last quarter.

"Everything concerning our punting game was terrible....the punting, the snapping and protection all looked bad. And they ~~loaded~~ loaded up on our punts more than they have in the past.

"The penalties hurt us today, It felt like we had more than in the first three games. The only bright spot I saw today was in the fact we were able to get a number of new faces in the lineup. I think we had five freshmen on offense at one time.

"But believe me, we're not as bad as we looked today. We'll come back."
