Post game comments by Indiana Coach Lee Corso:

(Referring to KO return, fumble recovery, and pass interception in second quarter that led to three Iowa scores)... "That flurry put us out of the game, but our guys showed us something... they didn't quit. They hung in there."

"I was proud of our players today."

"That kick off return for the touchdown was just fine executive on Iowa's part. The runner did a good job and the blocking was very good."

"We did just what we wanted to do in the opening minutes of this game. We came in here knowing that Iowa was ranked second in the nation in defense. We wanted to establish that we could score... and we did."

"Iowa is explosive. In that one period in the second quarter, their explosiveness was sensational."

"I hope that a lot of Big 10 teams go to bowl games. We had our chance a couple years ago and really enjoyed it. Now it's someone else's turn. I don't think we are in the bowl picture right now unless we win our last six games in a row."

"I don't think there's a better receiver in America than Duane Gunn. But then, you (sportswriters) will have to decide that."

"No Gunn wasn't hurt. Just leg cramps. Neither was (Babe) Laufenberg hurt. Just banged up."

Post game comments by Iowa Coach Hayden Fry:

"I have mixed emotions about the football game. We did some things well, but we didn't play the full 60 minutes. If we cannot play well and still win, maybe we're turning things around. I have to give Indiana a lot of credit. I wasn't sure we would win until there were one or two minutes to go. . . . Don't get me wrong, but there's no backslapping going on in the dressing room. The big people (Michigan) are coming next week from up north."

"We have a surprise each game. This week it was Charlie Jones. I hope he can pull off the same thing (a catch for a touchdown) two or three more times. He's a track man. That was his first offensive play. We had worked all week with him, and we hoped he was ready. He did a great job, and Bohannon did a great job getting the ball to him. . . . Corso will die when he sees the game films. That's the same play he beat us with two years ago. He says he got the play from Notre Dame. I didn't. I got it from junior high school."

"Lou King came off after the second one (interception) and said, 'I made sure he (Jim Frazier) was behind me this time. (The Hawkeyes were penalized for an illegal forward pass the first time King intercepted and tried to hand it off.)'"

"We made some dumb mistakes throughout the ballgame. We're just lucky we got the victory. How can you do all the things we did and still score 42 points? We can't do that and beat people like Michigan. He (Duane Gunn) just flat ran by us. We had nobody out in the flat half the time for the screen pass. . . . It's a coach's nightmare to give up 28 points."

"The offensive line was good early but not consistent in the second half. I don't want to get to the point where I'm a cream puff, patting people on the back. I'm angry at Hayden Fry because I didn't do a good job of coaching today. Corso did a great job.
