Post game comments by Central Michigan Coach Dick Flynn:

"Coming into this game, I was afraid of their (Iowa's) physical strength. I knew they had some great backs and a good offensive line. That's the heart and soul of a football team."

"They sure had a good set of running backs."

"We, overall, ran the ball pretty well. We didn't get the consistency we needed."

"(Tim) Dwight surprised us in the sense we didn't know him. But we expected Iowa to have good running backs. It's no secret we didn't tackle well today."

"When (the opposition) can run the football the way Iowa did today, your going to have trouble."

"Yes, there were a lot of players on Iowa's team that we didn't know anything about. It didn't make any difference which one started at quarterback, we had no chance to see either of them. Dwight and several other players we had no chance to see or know anything about."

"I think they (Iowa) had real good, just excellent speed....at running backs and at the defensive backs."

"For us we have to go back to the drawing board a little."

Post game comments by Iowa Coach Hayden Fry:

"Coach, how do you feel?" "Better."

"It was a wonderful victory and a great way to start the season. We need this game bad. I was pleased with every aspect of the game."

"I thought it was pretty obvious that we lack some depth defensively and have plenty of depth offensively."

"Central Michigan hung in as long as they could. They hung in and scored at the end of the game."

"It was good to be able to get out front and bring players in without any pressure on them."

"I am tickled to death for Tim Dwight and Tavian Banks."

"Driscoll did a real fine job. We came into the game not trying to throw the ball. Our priority was to establish a ground game. Driscoll and Sherman both have thrown well in practice so it was good to see them throw in a game."

"Did Tim Dwight play in the game? He was all over the field today."
