2016 U.S. Olympic Trials – Wrestling

April 8-10, 2016

The tournament procedures for the 2016 U.S. Olympic Trials – Wrestling will be posted at: <http://www.teamusa.org/USA-Wrestling/Team-USA/Team-Selection-Criteria>

Determining seeds for the 2016 U.S. Olympic Trials - Wrestling

- (1) Wrestlers will be seeded by a seeding committee. Majority vote is classified as the majority of the total number of voting representatives present in the meeting. If a majority vote can't be reached on a motion, then the vote will be taken down to the top 2 athletes receiving votes. All voting representatives will be required to vote as there will be no abstentions allowed.
- (2) The seeding committee shall consist of one coach or representative from each of the USAW registered clubs entered in the 2016 U.S. Olympic Team Trials – Wrestling, as well as two or more athlete representatives. Individuals who are not members of a club will be represented by a member of the seeding committee designated by the President of USA Wrestling.
- (3) National Team Head Coach will vote only in the case to break a tie.

Seeding Criteria

- a. A 2015 World Championship team member who qualifies the weight for the 2016 Olympics will automatically receive the #1 seed at the same weight category in which he qualified, with medalists earning an automatic berth to Part Two as explained below.
- b. Ranked criteria to be used when voting on seeds will be limited to the following:
 - i. Head to head within the last year. The “last year” is defined as the 2015 World Team Trials up to the 2016 U.S. Olympic Trials - Wrestling.
 1. If there is a split in matches, the last win determines the top seed.
 - ii. Common opponents within the last year as defined above.
 - iii. Medalist at a United World Wrestling (UWW) calendar event within the last year as defined above.
 - iv. Majority vote will decide the higher seed if there are multiple medalists.

Weight category with a 2015 World Championship medalist

1. Part One (Olympic Team Trials Tournament)

Part One will determine who will wrestle the 2015 World Championship medalist (the 2015 World Championship medalist earns a bye-out of Part One, provided he is competing in the same weight category in which he won his World Championship medal). The finals of Part One will be a single match unless there is a delay to Part Two, in which case Part One will be the best of three matches. (For information regarding a delay to Part Two, see below.)

2. Part Two (best of 3 match final wrestle-off)

The winner of Part One will face the 2015 World Championship medalist in a best of three matches.

Both Parts One and Two of the 2016 U.S. Olympic Trials – Wrestling will be held on the same day, except when a request for delay is granted for Part Two.

Request for Delay Due to Injury or Illness

- Only a 2015 World Championship medalist in an Olympic weight category who earned an automatic berth into the final wrestle-off can request a delay for competing in Part Two for medical reasons at least 48 hours prior to the scheduled weigh-in time (no request

for delay will be allowed, or granted, with less than 48 hours before weigh-in).

- The request must be submitted in writing to the Greco-Roman Sport Committee Chair for review, to include a written certification of the injury or illness from a USA Wrestling-approved medical doctor. USA Wrestling's approval of a medical doctor will not be unreasonably withheld.
- If a certified medical doctor's note is provided within the appropriate timeframe to support a 2015 World Championship medalist's request for a delay, the request for a delay in competition will be granted. If a delay is granted, the Greco-Roman National Coach with the two athletes involved shall determine the date for conducting Part Two of the 2016 U.S. Olympic Trials – Wrestling. If an agreement cannot be reached by the two athletes involved then the Greco-Roman Sport Committee will determine the date and place. The wrestle-off, or Part Two, must be held prior to the sport entry deadline of June 18, 2016.

The winner of Part Two shall be USA Wrestling's designee for the Olympic Games. However, if a delay was granted and if for any reason the 2015 World Championship medalist does not compete, or is not able to compete, in Part Two prior to the sport entry date of June 18, 2016, the winner of Part One shall be declared the winner of Part Two and will be USA Wrestling's designee for the 2016 Olympic Games.

If the winner of Part One does not compete, or is not able to compete, in Part Two (whether or not in the case of a granted delay), the 2015 World Championship medalist shall be declared the winner of Part Two and will be USA Wrestling's designee for the 2016 Olympic Games.

Weight category does not have a 2015 World Championship medalist

1. Part One (Olympic Team Trials Tournament)

The finalists of Part One will compete in a best of three matches to determine who will be USA Wrestling's designee for the 2016 Olympic Games.

Weight categories are not qualified into the 2016 Olympic Games prior to the 2016 U.S. Olympic Trials – Wrestling

All Olympic weight categories will be contested at the 2016 U.S. Olympic Trials – Wrestling, regardless of whether or not it has been qualified into the 2016 Olympic Games at that point. In this case, USA Wrestling would

have to qualify the weight category at one of the following World Olympic Games qualifying tournaments.

**World Olympic Games qualifying tournament – 3rd phase
April 2016 in Ulaanbaatar, Mongolia**

**World Olympic Games qualifying tournament – 4th phase
May 2016 in Istanbul, Turkey**

The winner of the 2016 U.S. Olympic Trials - Wrestling tournament will then compete in the qualifying event(s) listed above. If for any reason the Olympic Trials winner is unable to compete in the event(s) listed above, a replacement will be determined in accordance with 4.1.1. In any case, if the weight category is qualified via the event(s) listed above, the winner of the 2016 U.S. Olympic Trials – Wrestling will be USA Wrestling’s designee for the 2016 Olympics, regardless of who qualifies the weight category.

Further, the committee member should not otherwise influence other members of the committee in the nomination process. However, a committee member who recused him/herself, but who has relevant and necessary information with respect to athlete performance, for example a national team coach or

high performance director, may, if requested by the selection committee, provide such information to the committee so long as such information is provided in a fair and unbiased manner and the committee member who declared the conflict of interest does not vote toward the final decision.
