POST GAME COACHES' QUOTES - Iowa vs. Northwestern

Iowa: Frank Lauterbur--

"This just has to be the greatest feeling. There's nothing that can replace a victory.

"This is by far our best performance of the year. We just hung in there and for once played 60 minutes of football. This was entirely a team effort with as fine an individual efforts as I've seen in a long time.

"Fenney, Washington, Rollins, Nelson and many others came up with superb performances. And probably the best effort of the day was Bobby Ousley's. This boy is only a sophomore and started his first game ever. He did just a great job.

"Steve Fenney came up with just two great interceptions. That just typifies today's game...we came up with the big play when we had to.

"Northwestern is a fine team. The first quarter killed them just like it has us for so many times in the past. It sure feels good to be on the right side of the fence for a change.

"We never intended on running the sweep so much...but it worked so well we stuck with it. The main purpose for our using the sweep was to set up that end around reverse. But both worked pretty well. N.U. adjusted very well to our sweep in the second half...give them credit there.

"Craig and Lash are really great receivers...and Anderson is a great passer. Northwestern is going to win some games this year.

"We blitzed a lot more in the second half causing our pass coverage to be more wide open. But our changing backfield was responsible for those interceptions."

NORTHWESTERN: Alex Agase --

"You can't give away scores like we did and win. This is our most disappointing loss because we gave it away." I don't want to take anything away from Iowa, but we were very charitable today."

"Our team played very good defensively. Two of their scores were against the offense."

"Iowa didn't make many mistakes. I was especially impressed with Ousley on third down situations."

"The breaks will start coming our way. We'll get better and that is still our objective."

"Jim Trimble has a lot of guts. He has a bruised shoulder, but he plays with guts."
