## —2007 Season Outlook—

One word can describe Head Coach **Gayle Blevins'** feelings about the 2007 season - excitement. With 13 returning letterwinners and six returning starters, the 2007 Hawkeyes have the potential to make some serious noise during the season.

"Both the coaches and players are excited for the season to start," Blevins said. "This team is capable of accomplishing many goals throughout the year."

Blevins said the combination of youth and experience on the 2007 squad creates a high-energy team with a lot of potential.

"We return a ton of game experience and have a big chunk of our lineup returning," Blevins said. "We also have talented underclassmen who have a chance to be solid contributors. People might think we have a young team, but our youth is offset by our experience. We could do a lot of good things this season."

### Pitching

Sophomore **Brittany Weil** will lead the pitching staff after an impressive freshman campaign. The Garden Grove, CA, native was a third team all-Big Ten selection in 2006 and is already etching her name in the Hawkeye record books. Weil ranks second in single-season innings pitched and complete games, and third in games pitched and strikeouts. Additionally, she already is eighth on the career strikeout list.

"Brittany had a great freshman season," Blevins said.

"She will once again be a major contributor and has proven is equal to the task."

The Hawkeyes have three other pitchers on staff, including junior **Stephanie Ackerson**. Ackerson is listed as the starting first baseman, but has seven appearances in her first two seasons at Iowa.

"Steph has worked really hard, both pitching and at first base." Blevins said.

Two freshmen will also see time in the circle this season. **Katie Brown** was named Iowa's Class 3A Pitcher of the Year in 2004 and 2006, while **Amanda Zust** was the Class 4A Pitcher of the Year in 2006.

"Katie and Amanda offer totally different styles of pitching," Blevins said. "We have a larger staff and I think everyone will be able to fill roles. Our challenge will be to determine how best to utilize our entire staff. We are excited about the possibilities."

### Catching

The Hawkeye catching corp consists of senior **Sami Baugh** and junior **Emily Nichols**. Baugh has been a solid starter in her career and Blevins feels she will be even better in her senior campaign.

Nichols has also shared catching responsibilities but her defensive presence expanded to third base last season for the Hawkeyes. Blevins said Nichols, who is projected to spend a significant amount of time at third base in 2007, would be catching more if she wasn't needed at third base.

"We have two great catchers in Sami and Emily," Blevins said. "Sami does a good job communicating with our pitchers and we believe she will take her game to another level this year, which is our challenge for her. Emily is by far the most versatile athlete in our program, playing at three totally different positions. This year we need her to anchor third base, which is where we project her to be. At anytime, she could catch and provide us with what we need. We are very fortunate to have Sami and Emily."

### Infield

The Hawkeye infield is loaded with returning experience, despite being young. Coach Blevins returns three starting infielders from last year, although some are going through position changes.

Ackerson returns at first base after being named the team's Golden Glove award winner in 2006. She tallied an impressive .997 fielding percentage and started 54 of 61 games as a sophomore.

"Steph is very solid for us at first base," Blevins said. "Any-

time you can have someone with that high of fielding percentage for you at first base, your infield has confidence that plays are going to be made."

Freshman **Lindsey Digmann** will get the nod at second base. Digmann, who played shortstop in high school, was a three-time first team all-state selection and is having no trouble adapting to the position change.

Sophomore **Erin Riemersma** will move from second base to shortstop. Riemersma was a third team all-Big Ten pick last season and Blevins said she is already assuming the leadership position at shortstop.

"Erin really developed last season, both offensively and defensively," Blevins said. "She also brings a special type of energy to the field. Erin is a great competitor for us. She has already showed her leadership by helping Lindsey adjust to second base. Erin is a fun player to watch. Erin and Lindsey's speed will allow us to be quick up the middle."

## 2007 Season Outlook

Nichols will see the majority of time at third base after starting 42 contests at the hot corner last season. She led the team with 42 RBI and 14 doubles, and is one of Iowa's leaders at the plate.

"I'm impressed with how quickly Emily adjusted to third base," Blevins said. "She had never really played the position before last year and she has turned in to a solid glove for us at third. This comes as no surprise. Emily is a great athlete with many tools."

**Summer Downs** could also see some time at third, but will primarily be Iowa's designated player. Downs had a breakout conference season in 2006 and was a first team all-Big Ten honoree.

"Summer is such a good athlete," Blevins said. "We need to get runners on in front of Summer, because we know that she can put runs across the plate. Summer has a calm, determined approach to RBI situations."

Sophomore **Colleen McGlaughlin** could also play at third base along with left field. McGlaughlin was named the team's Most Improved Player in 2006 and has made big strides at the plate in the offseason.

"Colleen has the potential to be a dangerous weapon at the plate," Blevins said. "She is a smart hitter who makes pitchers work. Colleen demonstrates a great mental approach to hitting."

### Outfield

The Hawkeyes will have to replace two starters from last year's outfield, but return plenty of experience and add depth in 2007.

Senior **Mindy Heidgerken** returns in center field after starting every game last season. Heidgerken was a third team all-Big Ten selection and Blevins is looking for Heidgerken to lead the outfield in 2007.

"Mindy will be a major leader in the outfield this season," Blevins said. "She needs to take charge of the outfield for us and help the other outfielders evaluate situations. Mindy has worked hard at getting better physically as well. We need her to perform at a high level for us this season and she is more than capable of doing this."

Blevins has numerous options in left field. McGlaughlin, along with senior **Jenna Spratt** and sophomore **Rachel West** will vying for playing time in left field. Both McGlaughlin and Spratt offer different offensive and defensive strengths. West's role was reduced to pinch-running last season after she underwent shoulder surgery in the fall. Spratt has three years of experience roaming the outfield.

Right field looks to be handled by sophomore **Quinn Morelock**. Additional outfielders competing for playing time are sophomores **Lindsey Emery** and **Callie Adreon** along with freshman **Taylor Leichsenring**.

"We have numerous options in our outfield," Blevins said. "Preseason will allow us to see how far some people have come in their development and how well they play together. Additionally, we will always be looking at offensive contributors from our outfielders. Decisions regarding playing time will be based on a combination of these factors."

### Schedule

Iowa will play at least 29 games before returning to the friendly confines of Pearl Field.

The Hawkeyes open play at the Stetson Invitational before traveling to the

Littlewood Classic, hosted by Arizona State, who qualified for the College World Series last season. They will then travel to the Red and Black Tournament in Louisville and then return to the Buzz Classic in Atlanta, where they claimed the 2005 tournament title. Iowa set school records for home runs in a game (7) and total bases (36), while Emily Nichols shattered school records for home runs (3), RBI (8) and total bases (12) in a game at the 2005 Buzz Classic. Nichols was named the 2005 Buzz Classic Most Valuable Player.

Iowa then will make its annual spring break trip to California to compete in the National Invitational Softball Tournament in Sunnyvale, where they will face perennial power California, and the Capital Classic in Sacramento, before returning home on March 23 for the Hawkeye Classic.

The Big Ten will once again be loaded with talent. Northwestern returns the majority of its squad that advanced to the national championship series last season and Iowa will have to face the Wildcats in Evanston. Michigan also returns most of its squad that advanced to the super regional round of the NCAA Tournament.

"One of our goals this season is to start faster and to build off this start," Blevins said. "We need to be better prepared for our first games. We have some tough pre-conference opponents in Arizona State and California, and tournaments like the Buzz Classic will give us good matchups. We also have some tough road trips during the conference season and it's always a challenge to win on the road in the Big Ten. Being consistent in our approach will lead to success in 2007."

## — Head Coach Gayle Blevins

### Gayle Blevins

Head Coach  
20th Season  
University of Dayton, 1973

Head Coach Gayle Blevins is in her 20th season at the University of Iowa and her 27th season as a collegiate head coach. Blevins enters the 2007 season as the third winningest coach in

Division I history with a record of 1,099-508-5.

As a head coach, Blevins has led her teams to seven Women's College World Series appearances (four at Iowa), won eight Big Ten titles (five at Iowa) been named both the Big Ten and National Coach of the Year, and has been inducted into both the Indiana University and NFCA Hall of Fame. Blevins enters the 2007 season as the Big Ten's winningest coach with 469 conference wins.

Blevins became Iowa's head coach in 1987 and immediately produced success. Just two years after Blevins took over a struggling program at Iowa, the Hawkeyes secured their first-ever Big Ten Title and their first-ever NCAA Tournament appearance. The 1989 Hawkeyes finished the season ranked ninth in the nation, the first time an Iowa team had ever been nationally ranked.

Blevins built on that success and in 1990, the Hawkeyes won another Big Ten title and produced the school's first All-American in Diane Pohl.

The 1995 season proved to be an extraordinary one for Blevins and her Hawkeye squad. After receiving an at-large bid to the NCAA Tournament, the Hawkeyes became the nation's Cinderella story. Iowa advanced to its first NCAA Women's College World Series after defeating No. 8 Cal State Sacramento, 3-0, and twice beating No. 5 Fresno State (1-0 and 2-1 in nine innings). At the World Series, the Hawkeyes lost to No. 2 UCLA but rallied back to beat No. 9 Michigan, 9-7 in 14 innings and No. 3 Cal State Fullerton, 6-5 in nine innings. Unfortunately, the Hawkeyes fell short in their quest for a national championship, losing to UCLA in the national semifinals.

The 1996 Hawkeyes paved their way to a second-consecutive appearance in the Women's College World Series by winning the Midwest Regional held in Iowa City. The Hawkeyes finished third in the nation after losing to eventual national champion Arizona.

Indiana University Hall of Fame Inductee, Class of 2005

After a 52-9 record and a No. 5 national ranking, the 1997 Hawkeyes made its third-consecutive appearance at the Women's College World Series. During the regular season, Iowa marched through the Big Ten schedule with a perfect 22-0 record, marking the first and only time in conference history that a Big Ten team has completed the conference schedule undefeated.

Iowa returned to Oklahoma City and the Women's College World Series for the fourth time in school history in 2001. Blevins guided the Hawkeyes to a 49-14 record and a Big Ten Tournament Championship.

The 2002 season marked another milestone for Coach Blevins. While competing in the National Invitational Softball Tournament, Iowa defeated eventual NCAA Champion California to give Blevins her 900th career NCAA Division I victory. She was just the fourth coach to reach that mark in NCAA Division I history.

In 2003, Blevins coached the Hawkeyes to both the Big Ten Regular Season and Tournament Championships, the first time an Iowa team had captured both in the same season. She also took the Hawkeyes to the Lincoln, NE Regional Championship game.

Blevins eclipsed the 1,000 win mark during the 2004 season with a 9-1, six-inning victory over Coe College. With the historic win, Blevins became only the third Division I coach to reach 1,000 wins. The win was also her 700th at Iowa.

In 2005, Blevins led the Hawkeyes to their third 50-win season in school history and their sixth straight NCAA Tournament appearance, where they advanced to the Lincoln, NE NCAA Regional Championship game.

The Hawkeyes finished 2006 with a 39-22 overall record and were selected as a host site for the 2006 NCAA Regional tournament. It was the seventh time in school history that Iowa City was selected as a regional site, all under Blevins.

## Head Coach Gayle Blevins

Under her direction, Iowa has finished in the top three in the Big Ten Conference every year but one from 1989-2006 and in 1989, 1990, 1997, 2000 and 2003 her squads captured the Big Ten Conference title. A Blevins coached team has never finished lower than fifth in the conference.

Blevins was one of the first coaches in the country to effectively use the "slap style" hitting as an exciting offensive weapon. One of her student-athletes was the first-ever slapper chosen as a first team All-American in 1983. Blevins is one of the nations best at using the speed game.

Blevins came to the University of Iowa after a successful career at Indiana University, where she led the Hoosiers from 1980-87 and compiled an impressive 301-146 (.670) record. She led Indiana to the Women's College World Series three times where they finished third in 1986, fifth in 1983 and second in 1980, when the series was a part of the AIAW.

Blevins, a native of Dayton, Ohio, is a 1973 graduate of the University of Dayton. After graduating cum laude with a degree in health and physical education, she taught and coached at Dayton's Stebbins High School. Five years later she went on to Indiana University where she earned her master's degree in administration while serving as IU's assistant softball coach. She was named Indiana's head coach during the 1979-80 season. She moved to Iowa during the 1986-87 season and is only the third head softball coach in Hawkeye school history.
