"If I were a high school player looking to go to lowa, I would take one step into that facility (Grant Field), and say 'Where do I sign?'. What a great facility. This place is state-of-the-art for college field hockey."

## BRENT STOVER (BIG TEN NETWORK)

Whether playing on the new Grant Field, or on the original facility that was introduced in 1989, opponents have usually left lowa City unhappy. The Hawkeyes own an overall home record of 145-48, a conference record of 62-27 at home and an 14-5 record in NCAA Tournament games played in Iowa City. Originally named the Hawkeye Field Hockey Field, the facility was renamed in honor of former University of Iowa Women's Athletics Director and founder of Iowa Field Hockey Dr. Christine Grant on Sept. 22, 1991. The new field was re-dedicated on Oct. 8, 2006. The Hawkeyes set a home attendance record Oct. 24, 1993 with 1,339 fans watching Iowa defeat No. 4 Penn State, 4-0. Iowa has gone undefeated on its home field in six separate seasons, including a 40-game home winning streak.

#### **LISA CELLUGGI** HEAD COACH | 2ND YEAR 16<sup>TH</sup> YEAR AT IOWA

Lisa Cellucci enters her 16th season as a member of the Hawkeye coaching staff in 2015, and her second as head coach. Cellucci, the all-time saves leader at Iowa, was a three-time All-American and a member of the U.S. National Team. In her 15 years at Iowa, the Hawkeyes have compiled a 180-114 record and have been consistently ranked in the NFHCA top 20.

This past season, Cellucci directed an lowa team that was ranked as high as seventh nationally -- lowa ended the season ranked 16th -- averaging more than three goals per game. Natalie Cafone and Stephanie Norlander earned NFHCA Division I All-American accolades under Cellucci's guidance to become the 86th and 87th Hawkeyes in program history to earn national distinction. Cafone, who earned All-America honors for the second straight season, led the Big Ten in goals and points, and ranked fourth and seventh nationally, respectively. Cafone's efforts earned her Big Ten Offensive Player of the Year and NFHCA West Region Player of the Year laurels. Norlander, a second team on ally in goals and points per game.

selection, finished 13th and 19th nationally in goals and points per game, respectively.

Cellucci previously worked as the recruiting coordinator, director of the Iowa Field Hockey Camp, and has primarily worked with the goalkeepers and the defense.

Hawkeye goalkeepers have enjoyed tremendous success during Cellucci's time with Iowa. In 2012, Cellucci was a crucial part of the Black and Gold's success as Iowa reached its 22nd NCAA Tournament in program history. Senior Kathleen McGraw earned first team All-Big Ten and second team All-America recognition under Cellucci's guidance. McGraw, who was selected as the Big Ten Defensive Player of the Week three times during the season, posted five shutouts in leading Iowa to a 14-7 record and its second-straight NCAA Tournament appearance. Her 1.58 goals against average ranked second in the Big Ten and 17th nationally. McGraw closed out her career with 336 saves, the fourth-most in school history.

In 2008, Cellucci was again a vital part of the Hawkeyes' success. She coached senior goalkeeper Lissa Munley to eight shutouts, including matches against three nationally ranked opponents. Cellucci helped Munley rank first in Big Ten shutouts, second in goals against average and third in save percentage. In addition, Iowa's goals against average ranked ninth-best in the country and helped lead Iowa to its third-straight Big Ten Tournament Championship, 20th NCAA Tournament appearance and 11th NCAA Final Four appearance.

Barb Weinberg, a 2005 graduate, became one of nation's top goalkeepers and went on to become a member of the USA National Team from 2005-2010. Under Cellucci's guidance Weinberg became a two-time All-American, three-time All-Big Ten selection and three-time All-Region pick.

As a student-athlete, Cellucci was one of the greatest goalkeepers ever to don the Black and Gold. During her four years with lowa, the Broomall, Pennsylvania, native was a three-time All-American, four-time All-Big Ten selection and four-time regional All-American.

Her sophomore campaign was even more impressive, when she went 18-3 and was first team All-Big Ten and a regional All-American, along with being second team NFHCA All-American.

During her senior campaign, Cellucci became lowa's all-time saves leader by stopping her 494th shot in a 5-3 win over Ball State. She ended her career with 592 saves.

A member of the U.S. National Team from 1999-2000, Cellucci has extensive experience with the U.S. program. She played on the 1998 U.S. Under-23 National Team and on the U.S. Under-18 National Team in 1994. "I chose to attend the University of Iowa because I felt that the school fits everything that I am looking for in a University. I like the idea of a big school and I love the campus. There are great opportunities for me to have success on the field and in the classroom. I am very excited and honored to get the chance to play field hockey at the University of Iowa, and I cannot wait to be a part of the tradition. ALEXANDRA PECORA- Junior - Marlton, N.J.

"I chose lowa for one simple reason -- I fell in love with it when I was in fifth grade and as I got older it became my dream school. I first met the coaching staff when they came to my area to coach a clinic. They were the best coaches I had ever met and really impressed me. Then I went to Grant Field for the Junior Olympics the summer before my ninth grade year and was blown away by how beautiful the city and campus were. The campus building were gorgeous and Grant Field was breathtaking. I feel Iowa has so much to offer me academically and athletically. In my mind, Iowa is leaps and bounds ahead. As I Iookec at other colleges, nothing could compare to the way I felt when I was in Iowa City. There is a very special feeling I get when I'm there -- it's home! Now that I'm committed, I feel that my life at Iowa will be the best that it could possibly be. I am excited to finally be a Hawkeye!" CHANDLER ACKERS- Junior - White Haven, Pa.

"Before I came to The University of Iowa, I had heard about how amazing it was. When I stepped on campus, I knew right away that this was the place for me. I saw first hand why everyone loves lowa. loved the tradition that this program has, the coaches, and the players. After my first visit I knew that I did not want to look anywhere else because it would be a waste of time. Iowa does a great job of making you feel wanted, and choosing to be a Hawkeye was one of the easiest decisions of my life." TAYLOR OMWEG - Sophomore - Yorktown, Va.

"I chose lowa because from the very first day I visited the campus, I knew it was a place I could fit in. I felt relaxed, and I knew it was somewhere I could grow as a student and as an athlete. The team made me feel welcome, and I had a lot of fun with them. I can't wait to play in the Big Ten Conference and even more importantly, to play as a Hawkeye!" STEPHANIE NORLANDER - Junior – North Vancouver, Canada

I chose to attend the University of Iowa because it seemed to fit all of my aspirations as a student and an athlete. Coming from a smaller high school, I wanted to be a part of something bigger in both the student enrollment and the campus size. I immediately loved all of the beautiful facilities lowa provides for athletes, and the generosity of the people, coaches, and former players that greeted me my first time on campus. I love the tradition lowa holds and felt connected with the school the second I stepped on campus.

go n e ols	In 2004, Michigan State reached the Final Four, making it the fourth consecutive year the Big Ten has sent a team to the Final Four. The league record for consecutive years in the National Semifinals is eight, when either Iowa or Northwestern reached the Final Four every year from 1983-1990.
nd. 1,	In 2001, the Big Ten ended the year with five of its seven teams ranked in the top 20 by the NFHCA. Both Michigan and Michigan State represented the conference in the Final Four. The Wolverines went on to become the second Big Ten School to win the National Championship. Iowa was the first in 1986.
ı, ıg	The Big Ten has been represented in the NCAA Final Four 23 times. The Hawkeyes lead the league with 11 Final Four appearences as a member of the Big Ten.
e	The Big Ten Conference began sponsoring field hockey in 1981 with a conference tournament, then began full league play in 1982.
nd.	From 1989-91, five conference teams competed in the Midwest Collegiate Field Hockey Conference along with the Northern Illinois Huskies. But when Penn State joined up with the Big Ten in 1991, the league resumed sponsoring a conference season.
	In conference play, each team plays each other once, with the season ending with the Big Ten Tournament. The site of the Big Ten Tournament is determined on a rotating basis. The 2014 championship will be hosted by the University of Michigan.
	In 2014, Maryland and Rutgers join the league, giving the Big Ten nine teams. Maryland has won eight national championships in school history.

The Big Ten Network is the first internationally distributed television network dedicated to covering one of America's premier collegiate conferences. Considered to be one of the most successful launches in cable television history, the Big Ten Network became the first network in cable or satellite television history to reach 30 million subscribers within its first 30 days on the air. With more than 350 live sports events, and virtually all of them in high definition, the Big Ten Network is the ultimate destination for Big Ten fans and alumni across the country.

The network is available up to an estimated 75 million households, and in all 50 states and Canada though agreements with more than 300 cable, satellite and telco affiliates. Customers of DIRECTV and DISH Network, have access to the network regardless of where they live, while Verizon and AT&T continue to roll out their FiOS and U-Verse services across the country. On cable, the network is available in 19 of the nation's 20 largest media markets. To get the channel number specific to your area and provider, visit btn.com.

The network operates 24 hours a day, 365 days a year, showcasing a wide array of classic-to-current sports and televising more Olympic sporting events and women's sports than has ever been aired on any other network.

The Hawkeyes have been televised 28 times over the last six seasons. Iowa appeared on BTN four times in 2013, eight times in 2012, four in 2011, three times by the network in 2009 and 2010 and six times in 2008. The Big Ten Tournament semifinals and finals are televised each year.

#### <mark>GARY BARTA</mark> ATHLETICS DIRECTOR

Gary Barta enters his 10th year as the director of athletics at the University of lowa riding momentum of recordsetting performances in every leg of the three-legged stool by which the lowa Hawkeyes approach each day: Win. Graduate. Do it Right.

A big picture view of the Ul's success in the "Win" category is provided by a review of the Hawkeyes'

performance in the annual Learfield Sports Directors' Cup competition. The Hawkeyes completed the 2014-15 season with 535.50 points – the most points the UI has ever accumulated in the history of the competition. That point total resulted in a 44th place finish, the third-best recorded by the UI and its best since the 2004-05 athletics year.

UI student-athletes continued to attack their work in the classroom – the "Graduate" leg of the Hawkeyes' three-legged stool – with the same intensity as they pursue their opponents in competition: lowa established a record for its NCAA Graduation Success Rate in 2014-15 while again achieving a perfect score in the NCAA's Annual Progress Report.

The "Do it Right" column was filled with successes as well. Under Barta's leadership, the Hawkeyes continued their significant service and contribution to the greater lowa City area community, took a leadership position in matters related to student-athlete welfare, and remained among the handful of intercollegiate athletics programs nationally that successfully operate in the black while also maintaining its status as 100 percent self-supporting.

lowa's success in competition was highlighted by another postseason appearance by the UI football program and deep postseason runs by the UI's wrestling, women's basketball, and men's gymnastics programs. The highlights include the following:

• The Iowa football team advanced to its 12th postseason bowl game under the leadership of Kirk Ferentz. Thirteen Hawkeyes were named All-Big Ten, including Brandon Scherff, who was named the Big Ten's Offensive Lineman of the Year,

The Barta family includes Connie, Madison, Gary and Luke.

 became lowa's 22nd consensus All-American, and fourth Outland Trophy winner.
 Lisa Bluder's women's basketball team advanced to the Sweet 16 of the NCAA Tournament for the first time under its longtime head coach during a brilliant 26win season – a mark that included an 18-0 record in games played on Mediacom Court in Carver-Hawkeye Arena – and its highest national ranking (11th) since the 1995-96 season. Iowa is one of 10 teams nationally that has appeared in the last eight NCAA Tournaments. Four Hawkeyes earned All-Big Ten honors, seven earned Academic All-Big Ten recognition, two garnered Academic All-America honors, and senior consensus All-American Samantha Logic became the second player in program history to be drafted in the first round of the WNBA Draft (10th selection, Atlanta Dream) and was the 12th to be drafted overall.

Tom Brands' lowa wrestling squad finished second at this year's NCAA
Tournament after sharing the Big Ten Conference tournament title and claiming another dual meet championship with a 9-0 record against conference opponents. The Hawkeyes had six wrestlers earn All-American status.
Fran McCaffery's men's basketball team registered the program's first NCAA
Tournament victory since 2001. The season also included a big road win at North Carolina during the nonconference portion of the schedule, in addition to a third-place finish in the Big Ten Conference. Three Hawkeyes earned All-Big Ten honors, including first-team selection Aaron White, who also became the second Hawkeye in two years to be selected in the annual NBA Draft.

• Rick Heller's baseball program burst onto the national stage when it raced to its first appearance in a top 25 since 1990 – the program was 20th in the final rankings, the first appearance in the final poll in school history. The Hawkeyes won 41 games – the second-most all-time -- en route to the program's first appearance in the NCAA Tournament in 25 years. Six Hawkeyes earned All-Big Ten honors, two Hawkeyes earned three All-America honors, and five players were selected in the 2015 Major League Baseball First-Year Player Draft.

• Under first-year head coach Tyler Stith, sophomore Carson Schaake became the third Big Ten individual champion in program history and the first since 1992. Stith guided lowa to its seventh straight NCAA Tournament appearance where the Hawkeyes finished a single stroke shy of advancing to the national championship. Two Hawkeyes earned All-Big Ten honors and three were named to the Division I PING All-Midwest Regional Team.

• Including Schaake of the Ul's men's golf team, lowa crowned eight Big Ten champions during the 2014-15 year: Dominic Patrick and Matt Hagan (men's tennis, indoor doubles), Babatunde Amosu (track and field, indoor, triple jump),

Becky Stoughton (swimming and diving, 1,650-yard freestyle), Aaron Mallett (track and field, outdoor 110-meter hurdles), Elexis Guster (track and field, outdoor, 400-meters), and Amosu (track and field, outdoor, triple jump).

• Larissa Libby's GymHawks used a season-high score at the 2015 Big Ten Conference Women's Gymnastics Championship to help secure the program's seventh NCAA Regional berth in the last eight seasons. The team's score of 196.500 is the highest achieved by lowa in conference championship action since 2004, and its fifth place team result is the program's best finish since 2010. A school record four gymnasts were named to the Big Ten All-Championship Team, four earned Academic All-Big Ten distinction, and senior Sydney Hoerr was named second team All-Big Ten.

• JD Reive's UI men's gymnastics squad made its second appearance in the NCAA championship in the last three seasons a grand one by upsetting fifth-ranked Illinois en route to a sixth-place national finish. The Hawkeyes were paced by junior Jack Boyle, who earned All-America honors on still rings, and season-high performances on the high bar and floor exercise. Eight Hawkeyes were named Academic All-Big Ten, and junior Doug Sullivan earned second team All-Big Ten honors.

• Joey Woody's debut season as head coach of the UI's men's and women's track and field teams resulted in four Big Ten titles and 11 All-America honors.

• Paced by a Big Ten champion and bolstered by eight record-setting performances at their conference championship meets, Marc Long's men's and women's swimming and diving teams closed their season by scoring points at their respective national championships.

• The 2014-15 year also marked the second straight season the lowa's women's soccer team advanced to the championship game of the Big Ten Tournament. The Hawkeyes finished with 14 wins in 2014, including seven in conference play, tying the most in a single season in program history.

lowa's "Wins" also occurred at the turnstiles, where the UI continued to lead the nation in attendance for home events of the Hawkeye wrestling program and be one of only eight programs in the country to rank in the Top 25 in attendance for football, women's basketball, and men's basketball. The UI also experienced sharp increases in spectator interest in baseball and volleyball in 2014-15.

The 2014-15 year opened with affirmation of lowa's long-time commitment to the "Graduate" leg of lowa's three-legged stool and the student-athlete experience at the UI: In October, the NCAA reported that lowa's student-athletes had set a record by posting a score of 89 percent "Graduation Success Rate" or "GSR." That mark was one point better than the previous year and seven points better than the national average.

The NCAA also noted the UI had posted a federal graduation rate of 78 percent, which was also a record and in addition was 12 points better than the national average and tops among

the three State of Iowa Board of Regents' institutions.

Last May, the NCAA reported that all 24 of lowa's sports programs were comfortably above Academic Progress Rate (APR) threshold. The NCAA also singled out the UI's volleyball, soccer, women's swimming and diving, and men's golf teams for ARP scores that ranked in the top 10 percent of their peer group. Of those four, volleyball, women's swimming and diving, and men's golf registered perfect scores of 1,000.

The 2014-15 college basketball season ended not only with the UI being one of a handful of institutions nationally which had both of its program participate in their national championship, but also with the UI being the only school in the country with multiple academic All-Americans: Samantha Logic and Ally Disterhoft in women's basketball and Mike Gesell in men's basketball. The Hawkeyes also boasted an academic All-Americans in football (senior RB Mark Weisman), in addition to 153 academic All-Big Ten selections across its 24 sports programs.

"Doing it Right" for Barta and the more than 225 staff of the UI Athletics Department is a charge that encompasses a long and varied list of responsibilities, including maintaining the department's status as one of a handful of intercollegiate athletics programs nationally that successfully operates its sports programs and auxiliary enterprises in a fiscally responsible manner, and without any institutional or taxpayer financial support. The UI provides a superior experience for the more than 650 talented student-athletes who participate in the program annually, and the more than million friends and fans of the Hawkeyes and the UI who attend athletics events on the UI campus, while being responsible and productive citizens of the greater lowa City and University of lowa community.

In 2015-16, Barta will be responsible for an annual operating budget that will exceed \$90 million, with 100 percent of the revenue side of that budget be generated by the UI Athletics Department. The majority of that revenue will come as a result of success in traditional revenue sources: Income as a result of membership in the Big Ten Conference (including television), sales of tickets to events on the UI campus, and donations to the National I-Club.

The latter has grown into a critical piece of the financial pie managed by Barta, as evidenced by back-to-back years of record-setting fundraising support exceeding \$28 million annually. That philanthropic support has been critical to the a long list of athletics facilities that have either been built or renovated during Barta's first nine years on campus.

The list includes construction of the recently-completed \$55 million home of Iowa's football program, the Stew and LeNore Hansen Football Performance Center, \$47 million revitalization of Carver-Hawkeye Arena, installation of a new videowall and video ribbon board at Kinnick Stadium, installation of a new video scoreboard and playing surface at Duane Banks Field, construction of a new indoor turf facility, renovation of the practice space inside the UI Fieldhouse used by the UI's women's and men's gymnastics teams, construction of

the Hoak Family Golf Facility, turf replacement at Grant Field, the home of lowa's nationally ranked field hockey program, and resurfacing of the Klotz Tennis Center, to name a few.

lowa's contributions to the greater lowa City community go far beyond the multi-million dollars of economic impact generated as a result of the staging of hundreds of regular season, postseason and special events annually. Barta and UI student-athletes, coaches, and staff are also active citizens, logging thousands of hours of community service and also spearheading efforts to support a wide variety of causes ranging from construction of the UI's new Children's Hospital to the UI's extremely successful Dance Marathon to Coaches vs. Cancer.

lowa's annual "Day of Caring" serves as the foundation upon which all these outreach activities rest. Now in its 20th year of existence, the Day of Caring happens each April and typically involves representatives of most, if not all, of lowa's sports programs who provide a wide variety of assistance to an equally wide variety of not-for-profit organizations that service the greater lowa City community.

"Doing it Right" also encompasses efforts aimed at improving the student-athlete experience. The UI Athletics Department invested more than \$1.7 million directly into food cost for its student-athletes in 2014-15 in response to NCAA legislation aimed at providing a higher quality student-athlete experience. In 2015-16, that commitment will continue and will be complemented by increases to the value of the scholarships awarded the UI's student-athletes as part of the NCAA's effort to fully address cost of attendance.

Providing the resources for the UI's student-athletes and coaches to be successful is a priority for Barta and his senior management team. That process includes state-of-the-art facilities, which is why Barta enters the 2015-16 year working closely with institutional leadership on the finalization of a comprehensive master plan for the facilities available to the Hawkeyes.

The plan will include a comprehensive review of the north grandstand of historic Kinnick Stadium; study of the feasibility of a student-athlete dormitory and dining facility of the west side of the UI campus; a comprehensive review of Carver-Hawkeye Arena including, specifically, the scoreboards and videowalls, the creation of a main entrance and "Wall of Honor" and other enhancements to the fan experience; Phase III of the revitalization of Duane Banks Field; a comprehensive review of Finkbine Golf Course and, specifically, the clubhouse; a comprehensive review of the Gerdin Athletics Learning Center; and, development of the "Hawkeye Campus" on the western edge of the UI campus, a project that could include new or renovated facilities for indoor and outdoor track and field, softball, volleyball, gymnastics, soccer, field hockey, and tennis.

Barta's involvement in the UI campus and the greater lowa City communities extends beyond his position as director of the UI's intercollegiate athletics programs. He is a member of the President's Cabinet, comprised of vice presidents and other campus leaders that provide counsel to the UI's president. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the lowa City and Coralville community in June 2008 and will be directly involved in positioning the UI for growth in the immediate and long-term future as the institution responds to the expectations of the residents of the state, members of the state legislature, and the State of lowa Board of Regents.

Barta also represents the UI and the Hawkeyes at the conference and national level as a member of the Rose Bowl Management Committee and the College Football Playoff Advisory Committee. During his tenure at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Barta remains active on the conference and NCAA level. He is involved in committee work with NCAA Football, the Division IA Athletic Directors Association, and is an ongoing participant in the National Association of Collegiate Directors of Athletics (NACDA).

Barta is also involved in a variety of community groups, including the United Way of Johnson and Washington Counties and the Partnership for Alcohol Safety, a joint effort between UI campus leaders and the city of lowa City.

Barta often suggests to his staff that "Hope is not a strategy," which is why the department has completed a comprehensive review and rewriting of the strategic plan for the UI Athletics Department and continues to work with the UI's leadership on a long-term financial plan. As the director of athletics at the University of Wyoming for three years, seven different Wyoming coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state funds.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several Washington athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by Washington, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams.

The roots of his development experience extend to his first two positions: director of development at his alma mater, North Dakota State University, and director of athletics development and external relations at the University of Northern Iowa.

Barta earned a bachelor of science degree in mass communication and broadcast journalism from North Dakota State in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985, and 1986.

Barta, and his wife, Connie, have a son, Luke (17) and a daughter, Madison (15). He was born Sept. 4, 1963, in Minneapolis.

#### **IOWA CONTINUES TO BUILD FOR SUCCESS**

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2014-15

Academically, the UI's federal graduation rate of 78 percent (for student-athletes who enrolled in the fall of 2007), meaning UI student-athletes have graduated at a rate of 70 percent or better in five of the last six years. That mark was eight points better than the UI student body and 12 points better than achieved by studentathletes nationally. For the sixth consecutive year, all 24 of lowa's teams exceeded the Academic Progress Rate (APR) benchmark and the program posted a record 89 percent in the NCAA's "Graduation Success Rate." That mark was one point better than last year's record-setting mark of 88 percent. It is the 10th time in 11 years of the GSR's existence that lowa's student-athletes scored 80 percent or better.

Seven UI teams scored a perfect 100 on their GSR: Men's basketball, field hockey, men's golf, women's golf, softball, men's tennis, women's tennis, and volleyball. All counted, the GSR for 18 of lowa's 24 teams was better than the national average among its peer sport group.

Athletically, Hawkeye teams enjoyed another outstanding year in 2014-15, as a significant number of lowa's 24 programs reached postseason play. lowa finished in 44th place in the 2014-15 Learfield Cup. The lowa football team played in the 2015 Tax Slayer Bowl, the UI men's basketball team advanced to the NCAA Tournament for the second year in a row, the women's basketball team competed in the NCAA Tournament for the eighth straight season and advanced to the Sweet 16, the wrestling team finished second at the NCAA Championships, the baseball team advanced to the NCAA Tournament for the first time since 1990, and the men's golf team advanced to the NCAA Tournament for the seventh consecutive year.

The second phase of the Duane Banks Field renovation was completed in 2015 when AstroTurf replaced the outfield grass and warning track. The infield was changed to the surface prior to the 2014 season meaning there is now zero dirt or natural grass at the Hawkeyes' home venue. Phase II renovations also included the installation of a state-of-the-art videoboard in left center field and a new padded wall on the outfield fence and down the foul lines. With the first two phases complete, Phase III calls for brand new stadium seating and a new press box to be constructed surrounding the existing playing field.

After completing phase I of the project for the UI football program in August, 2012 --- a new indoor practice facility --- the second phase was finished last fall. Phase Il includes construction of the new Iowa Football Operations Center, which includes new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important phase of the master facilities plan for Hawkeye football.

#### IOWA FOOTBALL

The lowa football team posted a 7-6 record in 2014, which included a berth in the 2015 TaxSlayer Bowl. The Hawkeyes placed fourth in the Big Ten's Legends Division.

#### **IOWA WOMEN'S BASKETBALL**

UI head coach Lisa Bluder guided the Hawkeye women's basketball team to their eighth-straight NCAA Tournament in 2014-15. The Hawkeyes advanced to the Sweet 16 following opening-round victories over American and Miami (Florida) in Iowa City, giving them a perfect 18-0 record at home. The Hawkeyes fell to Baylor in the Sweet 16 and finished 26-8 overall. Iowa is the only Big Ten team to appear in eight consecutive NCAA tournaments and one of 10 schools nationally. Guard Samantha Logic became the second Hawkeye in program history to be drafted in the first round of the WNBA Draft.

lowa was one of eight schools nationally to make a bowl game in football, advance to the men's and women's basketball NCAA Tournaments, and play in an NCAA Reaional in baseball.

#### **IOWA WOMEN'S SOCCER**

**IOWA WRESTLING** 

In Dave Dilanni's first season as head coach of the lowa soccer team, the Hawkeyes won 14 contests, their third and fourth postseason games in program history, while earning an appearance in the B1G Tournament Championship Game for a second consecutive season. Seniors Cloe Lacasse and Melanie Pickert became the first pair of Hawkeyes in program history to be named first-team All-Big Ten in the same season, and just the second and third Hawkeyes all-time to garner first-team recognition.

#### **IOWA MEN'S BASKETBALL**

Fifth-year head coach Fran McCaffery led lowa to its third-straight 20-win season and guided the team to the NCAA Tournament for the second year in a row. Iowa picked up its first NCAA Tournament victory since 2001 after defeating Davidson in the round of 64. Senior Aaron White earned first-team All-Big Ten recognition and became the second Hawkeye since 2007 to have his name called in the NBA Draft when he was selected by the Washington Wizards in the second round.

#### IOWA MEN'S GOLF

First-year head coach Tyler Stith led the Hawkeyes to their seventh-straight NCAA Regional appearance in 2015. Three student-athletes garnered all-region honors, including sophomores Carson Schaake and Raymond Knoll who were also named first and second-team All-Big Ten honorees. Schaake was crowned co-champion at the Big Ten Tournament, becoming just the third Hawkeye all-time and first since 1992 to accomplish the feat.

#### **IOWA BASEBALL**

lowa finished the 2015 season with a 41-18 overall record -- the second most wins in a single season in program history. The Hawkeyes advanced to their fourth NCAA Tournament (first since 1990), going 2-2 to post lowa's first NCAA Tournament win since 1972. lowa had a pair of student-athletes garner three All-America distinctions in addition to having a school-record six student-athletes earn All-Big Ten recognition in 2015. Iowa had five players selected in the 2015 MLB Draft.

The Hawkeyes finished the 2014-15 season with a Big Ten regular season title, a co-Big Ten championship, six All-Americans, and nine academic All-Big Ten honorees. The Hawkeyes owned an overall record of 17-1, won at least a share of the Big Ten regular season title for the seventh time in the last eight seasons, and took home an NCAA team trophy for the eighth straight season, the longest active streak in the country.

#### CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of lowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, lowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

lowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, lowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

lowa City is located in the heart of eastern lowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Kansas City, Minneapolis and Milwaukee.

*"lowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit.* 

There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake MacBride, north of town. This is an ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."

If there is a star in lowa, lowa City is it."

#### A CAMPUS ON THE MOVE

The University of Iowa campus caters to pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference.

### STUDENT-ORIENTED NIGHT LIFE

lowa's campus is set right in the city's downtown area, where you'll find dance clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

#### THE UNIVERSITY OF IOWA

### CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Just over 90 percent of Johnson County residents have graduated from high school, and in Iowa City nearly half of all residents have earned bachelor's degrees. In fact, census statistics indicate Johnson County is the 10th "smartest" county in the nation, based on percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community while enhancing the quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. Regardless of the specific career field, it's important to identify the college baseball program that places a high priority on academics and allows you to take full advantage of the tremendous educational opportunities available.

At the University of Iowa, student-athletes learn quickly that academic success is the highest priority.

### ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic deans and professors, assuring the student-athlete the best possible opportunities to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at lowa, academic personnel play a large role in the career of Hawkeye studentathletes. Beginning with the on-campus visits, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

### THE RUSSELL AND ANN GERDIN ATHLETIC LEARNING CENTER

The University of Iowa Russell and Ann Gerdin Athletic Learning Center opened in the fall of 2003. The Learning Center is a multi-level, 20,000-square foot facility, which provides one all-purpose area for the academic pursuits for Iowa's male and female student-athletes. The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for lowa's Academic Student Services staff and a display area to recognize the academic accomplishments of lowa's studentathletes.

#### GERDIN ATHLETIC LEARNING CENTER

When a student-athlete considers her future, she should consider prospects beyond field hockey. She should consider where she wants to be five, ten, fifteen years from today, and the best course of action for getting there. Also, she should decide early on to commit to excellence in every challenge undertaken.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of lowa undergraduates have gone on to become leaders in their chosen fields. They also pursued their academic studies as strongly as the lowa Hawkeyes go after a loose ball or rebound.

# THE HAWKEYE NICKNAME

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, The Last of the Mohicans, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of lowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval. Herky The Hawkeye

journalism at lowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized lowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the lowa mascot. Since that time, Herky has been a familiar figure at lowa athletics events.

#### IOWA TRADITIONS

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of
