# 2006 Season Outlook

HAWKEYES • IOWA HAWKEYES

Head Coach **Gayle Blevins** is expecting big things from her 2006 squad. With seven starters and 11 returning letterwinners from the 2005 team that ended the season with a 50-14 record, Blevins and the Hawkeyes have their sights set on Oklahoma City.

"We have improved in many aspects of the game since last season," Blevins said. "We have greater depth, we are better defensively and we have the potential to be a very good hitting team."

Blevins is excited about many different possibilities both on the field and in the batting order. The Hawkeyes have seven freshmen who could all make an impact.

"I'm really excited about the makeup of our team," Blevins said. "We have a lot of young players who gained experience last season along with a solid group of both freshmen and upperclassmen."

## PITCHERS

The Hawkeyes will have to replace Lisa Birocci, Iowa's all-time career strikeout leader, inside the circle. **Ali Arnold** returns for her senior season and is making her mark on the record books as well. She currently ranks sixth on the all-time strikeout list after compiling a 21-5 record with 209 K's last season. Arnold recorded her first career no-hitter against Rhode Island last season and is ready to lead the team inside the circle in 2006.

Freshman **Brittany Weil** will also see action for the Hawkeyes this season. Weil, from Garden Grove, CA, was the Orange County Player of Year and *L.A. Times* Pitcher of the Year. She also led her ASA team to back-to-back top 10 finishes at the ASA National Tournament.

"When you look at our graduating players from last season, we definitely took a hit in the pitching department," Blevins said. "The good thing is Ali returns as a seasoned pitcher. Ali and Brittany are a good combination and will be a great 1-2 punch."

## CATCHERS

Iowa returns both catchers from the 2005 team. Junior **Sami Baugh** and sophomore **Emily Nichols** split time behind the plate last season and the plan is to do the same in 2006. Baugh batted .271 with 21 RBI while Nichols enjoyed a breakout freshman campaign. She set the single-season home run record, blasting 16 home runs and tallied a team best 49 RBI. Nichols only needs 13 more home runs to become Iowa's all-time home run leader.

"It's nice to have options behind the plate," Blevins said. "Both Sami and Emily are solid both defensively and offensively. It's great to know we have the opportunity to use each one in different situations."

## INFIELD

The Hawkeye infield will see some changes along with some regulars in 2006. Iowa returns three players who all started at first base last year. Sophomore Steph Ackerson, senior **Brandi Sargent** and Nichols all saw time at first base in 2005.

"Steph, Brandi or Emily could start at first on any given day," Blevins said. "Steph has made tremendous strides since last season and both Brandi

and Emily are very solid players. Once again, it's nice to have options."

Freshman **Erin Riemersma** is the leading candidate at second base. Riemersma is a native of Orland Park, IL and was a *Chicago-Sun Times* all-area selection. Coach Blevins is excited about Riemersma's potential at second base.

"Erin is a very instinctive player," Blevins said. "She gives 100 percent all the time and has the ability to really spark our infield. She has the potential to be something special."

Hawkeye fans will see a familiar face at shortstop in 2006. Senior **Stacy May** returns as Iowa's leading offensive player from last season. May led the team with a .367 batting average, 73 hits and 48 runs scored. May is also the anchor of the Iowa infield and has started every game of her career.

"Stacy is definitely a leader for us," Blevins said. "She is a very smart hitter and a great defensive player. She really

solidifies our infield.”

Third base will see a couple new faces this year. Sophomore **Summer Downs** will make the move to third after starting the majority of 2005 at second base. Downs, who played third base in high school, batted .269 and led the team with 13 sacrifice hits. Freshman **Colleen McGlaughlin** could also see action at third base.

“We are very confident in what Summer can do at third,” Blevins said. “She has a solid glove and has good field awareness. Between her and Colleen, we should be strong at the corner.”

### **OUTFIELD**

The Hawkeye outfield is nearly limitless in potential. A total of 10 players could play outfield for Iowa in 2006.

Three players are competing for time in left field. Junior **Jenna Spratt** started 35 games last season in left field and finished the year with a .225 batting average. Junior **Emily Gerlick** returns after sitting out the 2005 season with a torn ACL. Gerlick moved to the outfield last season after being named third team all-Big Ten as an infielder in 2004. McGlaughlin could also see time in left field as well.

“We have three very capable players competing for playing time in left field,” Blevins said. “All three players have good instincts and we can utilize each one in different situations throughout the season.”

**Mindy Heidgerken** returns as Iowa’s starting center-fielder after a unanimous first team all-Big Ten selection in 2005. The junior led the team with a .421 batting average in conference play and stole 22 bases. Coach Blevins is looking forward to see how she has improved this season.

“Mindy is a very savvy player who knows and understands the game,” Blevins said. “She is a natural on the basepaths and has a great feel of what we are trying to accomplish. She puts tremendous pressure on the defense.”

**Kylie Murray** made a smooth transition from infield to outfield in 2005 and Blevins plans on keeping her in right field for her senior season. Murray ranked second in team batting average (.333) RBI (42). Freshman **Quinn Morelock**, who was Iowa’s Class 3A Player of the Year as a senior

in high school, could also see action in right field.

“Kylie and Quinn are both good outfielders,” Blevins said. “Kylie has really improved from last season and it will be nice that she has a year of outfield under her belt.”

Three other players, **Callie Adreon**, **Rachel West** and **Lindsey Emery**, are also candidates for the outfield. Coach Blevins is excited to have Adreon and West as pinch-running options. Both have great speed which is a Blevins trademark.

“Callie and Rachel have the potential to create things for us,” Blevins said.

### **SCHEDULE**

This could possibly be the toughest schedule Blevins has seen in her 19 years at Iowa. The Hawkeyes are scheduled to compete in seven non-conference tournaments and could possibly face ranked opponents in each one.

Iowa opens its season at the Diamond Fun and Sun Classic in Miami against reigning SEC champion Georgia. The Hawkeyes will compete in the Littlewood Classic, hosted by Arizona State and play the Sun Devils three times at their home park.

The NFCA Leadoff Classic is a new addition for the Hawkeyes this season, held in Columbus, GA. Three teams that qualified for the 2005 College World Series, including national champion Michigan, will join the Hawkeyes in Georgia. Iowa will face one of those College World Series teams in Tennessee along with Louisiana-Lafayette, who are the defending Sun Belt Conference champions.

Iowa will face California at the National Invitational Softball Tournament in San Jose and could face a number of other talented teams in the later rounds of the tournament.

The Big Ten race will be difficult as always. Michigan won the conference in 2005 en route to a national championship. Northwestern advanced to the super regional round of the NCAA Tournament as well.

“Our schedule is extremely difficult,” Blevins said. “We are playing some tough tournaments with high-level talent across the board. Playing tournaments like these will only help our team prepare for an even tougher Big Ten schedule.”

# Head Coach Gayle Blevins

HAWKEYES • IOWA HAWKEYES

Blevins eclipsed the 1,000 win mark during the 2004 season with a 9-1, six-inning victory over Coe College. With the historic win, Blevins became only the third Division I coach to reach 1,000 wins. The win was also her 700th at Iowa.

Last season, Blevins led the Hawkeyes to their third 50-win season in school history and their sixth straight NCAA Tournament appearance, where they advanced to the Lincoln, NE NCAA Regional Championship game.

Under her direction, Iowa has finished in the top three in the Big Ten Conference every year but one from 1989-2006 and in 1989, 1990, 1997, 2000 and 2003 her squads captured the Big Ten Conference title. A Blevins coached team has never finished lower than fifth in the conference.

Blevins was one of the first coaches in the country to effectively use the “slap style” hitting as an exciting offensive weapon. One of her student-athletes was the first-ever slapper chosen as a first team All-American in 1983. Blevins is one of the nations best at using the speed game.

Blevins came to the University of Iowa after a successful career at Indiana University, where she led the Hoosiers from 1980-87 and compiled an impressive 301-146 (.670) record. She led Indiana to the Women’s College World Series three times where they finished third in 1986, fifth in 1983 and second in 1980, when the series was a part of the AIAW.

Blevins, a native of Dayton, Ohio, is a 1973 graduate of the University of Dayton. After graduating cum laude with a degree in health and physical education, she taught and coached at Dayton’s Stebbins High School. Five years later she went on to Indiana University where she earned her master’s degree in administration while serving as IU’s assistant softball coach. She was named Indiana’s head coach during the 1979-80 season. She moved to Iowa during the 1986-87 season and is only the third head softball coach in Hawkeye school history.

# ENDOWED SCHOLARSHIPS

WKEYES • IOWA HAWKEYES • IOWA

The Hawkeye Visions Endowment Program: Investing in a Winning Future is a 10-year campaign, with a \$25-million goal, which seeks to create permanently endowed scholarships for all starting positions for Iowa's athletic teams. The program currently includes approximately 100 fully-endowed scholarships, 50-partially endowed-scholarships, 25 scholarships which are in the development stages and 30 future scholarship gifts.

The following scholarships are fully-endowed awards which are currently dedicated to the Iowa softball program. These endowments of at least \$200,000 (sport) or \$400,000 (position) provide earnings to annually fund a full-ride softball scholarship (tuition, room, board, books and fees). Other sport scholarships, partial scholarships, awards being developed and/or planned are not included in this list.

"We are one of the few programs in the nation that have people interested in endowing scholarships for softball. We feel very honored to say this. Many schools have numerous scholarships provided for football and basketball, but Iowa has people who feel as strongly about softball. This is a unique circumstance. I am grateful to people such as Peg and John Slusher, Bill and Kay Pitlik and Don Heineking for thinking of us. It is wonderful to feel valued by your fans. We are at Iowa."

**-Head Coach Gayle Blevins**

### John and Peg Slusher Catcher's Scholarship

In 1999, John and Peg Slusher funded the first fully-endowed position scholarship in women's athletics at Iowa. Two of the biggest fans the Hawkeyes have, the Slushers are regular fixtures in the stands at Pearl Field. They also have season tickets for football, men's and women's basketball, and wrestling. The Slusher's loyalty to all Iowa teams knows no bounds, as evidenced by the fact that they missed only one Bowl Game since the 1982 Rose Bowl, and once drove all night to get back from the NCAA Wrestling Championships in Oklahoma City to see the women's basketball team compete in the NCAA Tournament in Iowa City. Both John and Peg are former employees of Rockwell Collins in Cedar Rapids.

### William and Kay Pitlik Softball Scholarship

Bill and Kay Pitlik of Cedar Rapids, Iowa, established their endowed scholarship in 1996. Both are University of Iowa graduates, Kay in 1952 and Bill in 1953. The Pitliks are the former owners of the Pepsi-Cola Bottling Company in Cedar Rapids. They are avid Hawkeye fans and have also endowed scholarships in football, women's basketball and wrestling.

### Donald W. and Marilyn Heineking Softball Scholarship

The Heineking Softball Scholarship was established in 2004, along with a baseball scholarship. Previously, the couple established scholarships in women's basketball, football, wrestling as well as a men's basketball manager's scholarship. Most recently, Don added scholarships in volleyball and men's track. Don is a 1958 UI business graduate and president of Security State Bank in Hubbard, Iowa. He is also a long-time supporter of Iowa athletics, member of the Johnson County I-Club Board of Directors and a member of the Iowa Scholarship Fund Board of Directors.

Don lives in Iowa City and is a member of the Presidents Club of the UI Foundation. Marilyn passed away in February of 2004.

## WHY IOWA?

KEYES • IOWA HAWKEYES • IOWA HAWKEYES

"I came to Iowa because I knew if I had the opportunity to work with Gayle I would be working with one of the best our sport has ever known. I wanted to be challenged and wanted to understand what made Iowa so good year after year. Gayle always gets so much more out of her players than anyone could ever imagine, which shapes these athletes to be strong, confident women when they leave our program. Even though I knew this would be a great career opportunity when I took the job, I never could have imagined the value of this experience until I lived it on a daily basis. I will forever be grateful for the opportunity that Iowa has afforded me."

**-Associate Head Coach Michelle Venturella**

"I came to Iowa because I believed it would be one of the most challenging and rewarding professional experiences I could have. Gayle has built a program rich in tradition, integrity, passion and vision. To have the opportunity to work with one of the most successful coaches in the game, as well as a staff that is as dedicated and knowledgeable as Gayle and Michelle, is not only an honor, but an experience I value daily. I love being a part of a program that strives for excellence on the field, in the classroom and in our everyday lives. I have had the opportunity to play and coach against Iowa and I have admired the program from the outside. Now as an assistant coach, I could not be more proud to be a part of Iowa Softball tradition."

## WHY IOWA?

WKEYES • IOWA HAWKEYES • IOWA

"I choose to become a Hawkeye because of the tradition and excellence Iowa has always shown. I went to a camp when I was in high school and fell in love with the program and players. Whether it be on the field or in the class room, Iowa softball is one of the elite programs in the country. To me, being a Hawkeye means dedication, hard work, countless hours of behind the scenes training, excellence, and of course playing a game I love with the people I love and cherish. The coaches at Iowa are nothing less than spectacular and do everything they can to prepare us for not only softball, but life after our days on the field have concluded. Choosing Iowa was one of the best decisions I have ever made and everyday I am glad to be a Hawkeye."

The memories and friendships I have made by being a Hawkeye will be something that I never forget."

# Hawkeyes Continue to Make Their Mark

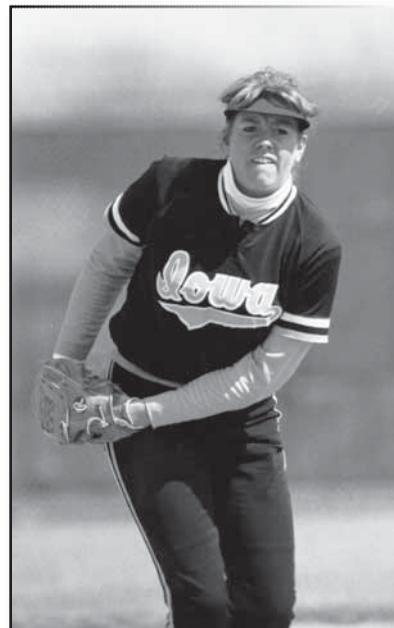

"Iowa softball provided me with irreplaceable memories of team unity, determination, and victory. At the end of my career I only wished I could start the journey again... until I realized that I had. As I continue with my academic career and professional interests, each day I have the same opportunities for growth and achievement. Demonstrably, I am without uniform, spikes, and glove, but they are at my core, as well as the life lessons I learned on my journey at the University of Iowa. The most important lesson: once you join the family that is Iowa softball—you are a member always."

"It's hard to believe, but I still get emotional thinking about my years at Iowa. The decision to go to Iowa was an easy one. There was a commitment to excellence on the field and in the classroom. The success our teams enjoyed in those years was just the beginning. Everything I learned while playing at Iowa... teamwork, dedication and time management... I use in my professional and personal life today. I am so proud to see each Iowa team bring their own unique talent to the field while possessing the same character that defines Iowa: hard-working, committed and enthusiastic. Many programs claim to be a family, but Iowa softball is. Once a Hawkeye, always a Hawkeye."

# ACADEMIC STUDENT SERVICES

HAWKEYES • IOWA HAWKEYES

Since its inception in 1979, Athletics Student Services has evolved from a two-person, academic support service to a broad-based, nationally prominent student support services operation. Its purpose is to assist student athletes to become tomorrow's leaders by offering academic and personal support services to assist them in making timely and satisfactory progress toward their degrees.

Athletic Student Services focuses on four important areas — academic counseling and monitoring, educational and support programs, retention programs and compliance services — when working with student-athletes. Following are descriptions of some of the programs, services and opportunities available to student-athletes in those areas.

## Athletics Learning Center

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in 2003 and gives all Iowa student-athletes a state of the art facility to help them with their educations.

The Athletics Learning Center is a multi-level, 20,000 square foot facility which will provide a computer center, study areas, classes and meeting places for all Hawkeye student-athletes. It features an auditorium that converts into two classrooms, separate study rooms for under and upper-class student-athletes that feature 28 study carrels, a computer lab, five tutorial rooms, the book loan repository, office space for Iowa's Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

**Academic Counseling & Monitoring**  
Athletics coordinators work closely with student-athletes and their university-assigned advisors from the time they arrive on campus until the time they leave the University. Along with focusing on academic planning matters such as goal-setting, plans of study, choosing majors and degree requirements, athletics coordinators also help student-athletes understand NCAA, Big Ten and University academic policies. They also solicit feedback from instructors on academic progress made by student-athletes.

## Retention

A full-time staff member directs the retention program, which identifies student-athletes who may need tailored academic assistance and structure, and implements individualized learning plans to help them succeed. Such plans may include daily and weekly planning sessions with athletics coordinators and retention staff, tutoring, study groups, mainstreaming into on-campus services like the writing center, math labs and services for students with learning disabilities.

## Transition Seminar

All new student-athletes attend an eight-week transition seminar during the fall semester that is geared toward helping them make the transition from high school to college successfully. Seminar topics include time management skills, learning and study strategies, the culture and rules of the university, and life skills concerning alcohol and other substances, relationships and intimacy, diversity, tolerance, values and character.

## Tutoring

Tutoring is available free of charge to all student-athletes. Tutors, who are post-graduates and teachers, help with course content as well as study strategies and are available in virtually all general education program subjects.

## CHAMPS/Life Skills

Life skills programs are conducted throughout the year with and for student athletes on quality of life issues critical to personal growth, such as personal accountability, responsible use and nonuse of alcohol, diversity and gambling.

## Minority Enrichment Program

This program offers a culturally supportive environment in which minority student-athletes have the opportunity to develop friendships and a support network in the university. A core focus group of students and staff coordinate programs such as guest speakers, holiday celebrations, community service activities with the local neighborhood centers, events with Cultural Centers and networking with minority faculty, staff, professional and business leaders.

## Career Guidance & Development

Planning a meaningful career and a fulfilling life is an ongoing process of expanding and narrowing choices, beginning when student-athletes arrive on campus and continuing throughout their college career and lifetime. The professional staff works with other career development professionals on campus to offer individual consultation, career development seminars, workshops, referrals to other campus offices and special events like the Senior Recognition Banquet for graduating student-athletes.

## Compare the Numbers

Iowa's student-athletes have outperformed the University's entire student population each year since the NCAA started requiring a report of student-athlete graduation rates.
