IOWA MEN'S GOLF

After taking the reins of the University of Iowa men's golf program in 2007, head coach Mark Hankins has established the Hawkeye program at the national level, building a strong tradition and high standard in Iowa City. Iowa has advanced to NCAA Regionals the past four seasons, and has advanced to the NCAA Championship Finals three of the past four seasons.

With a talented returning lineup, the Hawkeyes will be looking to add to that tradition and legacy in the 2012-13 season.

"We want to be first class in every way, and if we do that, I think we can accomplish the goals and meet the standards that this program has come to expect," Hankins said. "Each year is new and different and my goal is to reach our individual potentials, which will dictate the level of our overall team success."

Iowa returns four letterwinners from last year's team that finished 22nd at the NCAA Championships at The Riviera Country Club. Hankins will have two full-time players from last season to rely on, an honorable mention All-American and a group of inexperienced, yet talented golfers.

The Hawkeyes graduated half of their roster last season, and Hankins will be looking to replace some excellent seniors from last year's lineup. Two of the best players in program history graduated last season (Chris Brant, Barrett Kelpin), leaving big shoes to fill. Kelpin had the second best stroke average in program history last season (72.04), while Brant had the ninth best (73.29). Both were All-Big Ten selections.

"It's never easy to replace three full-time players like Brad (George), Barrett and Chris," Hankins said. "All we can do is try to prepare the best we can. We have some young, talented guys. In golf, it's more about being consistent across the entire lineup."

The Hawkeyes will count on junior Steven Ihm and sophomore Ian Vandersee to be the anchors of the lineup. Both played in all five fall tournaments and all six spring events last season. With one additional year of maturity and growth, Ihm and Vandersee look to the season with high hopes.

Ihm will be the returning low stroke average player on the team. The Peosta, Iowa, native averaged 73.8 strokes per round last season, earning second team All-Big Ten honors. Ihm led the Hawkeyes at the Rod Myers Invitational (second place), U.S. Collegiate Championship (eight) and the LSU National Invitational (fifth). Ihm transferred to Iowa last season after leading Indian Hills to a Junior College national championship.

"Steven made a huge impact last year coming straight from being a JUCO national champion to being a full-time starter in our lineup," Hankins said. "He's been steady and consistent throughout the entire year, and that's what we're looking from him this season."

Vandersee earned a spot in the starting lineup for the first fall tournament last season, and he never relinquished that spot. The West Des Moines, Iowa, native had a 74.9 stroke average last season, and his final round 66 at the NCAA Regional helped advance Iowa to the NCAA Championships.

"Ian played his best golf at the end of last year, which is encouraging," Hankins said. "He's had a strong summer, and he has gained confidence in many ways. He will be a source of leadership on our team."

Sophomore Joseph Winslow made his mark in the final tournament of the season last year, tying for 13th at the NCAA Championships. Winslow fired a 215 (+2) en route to earning honorable mention All-America honors. Winslow played in five tournaments in the spring, securing a 75.13 stroke average. The Overland Park, Kan., native is the sixth All-American in program history.

"Joseph is a confident guy and a very positive person," Hankins. "His goal is to establish himself as a top collegiate player and is already a tone-setter on this team regarding his attitude."

Sophomore Brian Bullington will also be a source of experience for the team after competing at the Rod Myers Invitational in the fall, and at the Big Ten Match Play and Calaway Collegiate Match Play in the spring. The Frankfort, Ill., native had a 76.3 stroke average last season.

"He played some solid golf and gained good experience last season," Hankins said. "Competing in strong tournaments this summer, including the U.S. Amateur, has created confidence in his ability. We're looking for continued success from Brian this season."

Iowa will also be returning junior Ryan Marks. The Warrensburg, Mo., native competed at the Hawkeye - Great River Entertainment Invitational last season, carding a 224 (+8).

The Hawkeyes also have a trio of freshmen that will be in the mix. Voramate Aussarassakorn, Landon Kowalski and Nate Yankovich will all have the opportunity to contribute to the starting lineup.

Aussarassakorn, from Bangkok, Thailand, was the 65th ranked recruit of the 2012 class by AJGA's Polo Golf Rankings. Aussarassakorn earned four top-10 finishes out of five ASGA events during in the summer of 2011, and competed for the Thailand National Team last summer.

Kowalski is a freshman hailing from Buffalo Grove, Ill. He holds his high school's record for lowest season average and lowest round, and was an AJGA Midwest Junior Players champion in 2011.

Yankovich, from Blacklick, Ohio, was the 137th ranked recruit out of the 2012 class. He won the 2012 Ohio Junior Championships, firing rounds of 70 and 68 to win by four strokes. Yankovich also placed runner-up at the Central District Amateur this summer.

"We're excited about the guys we have coming into the program," Hankins said. "They're all talented players that are capable of stepping up, contributing and playing in tournaments this fall, and we're eager to see what these guys can accomplish."

The Hawkeyes will play the exact same fall schedule as the one they had last year. Iowa's 2011 fall schedule was ranked 15th toughest in the nation.

Iowa will start the season Sept. 9, playing in its sixth Golden Gopher Invitational. The two-day tournament will be held at the Spring Hill Golf Club in Wayzata, Minn., and will feature 15 teams from 11 conferences.

One week later, the Hawkeyes will host the Golfweek Conference Challenge at Spirit Hollow Golf Course in Burlington, Iowa. Spirit Hollow was ranked the No. 1 golf course in the state of Iowa in 2012. The Challenge will feature 15 teams from 15 different conferences and has become one of the elite Division I college golf tournaments in the country.

Iowa will be at the Rod Myers Invitational hosted by Duke from Oct. 13-14, before facing the toughest test of the fall season. The Hawkeyes will return to the U.S. Collegiate Championship Oct. 19-21 at the Golf Club of Georgia in Atlanta. The U.S. Collegiate Championship was ranked the second toughest invitational last fall season. The Hawkeyes close out the fall season at the Royal Oaks Intercollegiate in Dallas, Texas, from Oct. 29-30.

"Last year's schedule was challenging and set us up for a great spring season," Hankins said. "This year, we will look to improve in certain tournaments and continue to compete against the best around the country. It's a schedule we will be familiar with and that will help to prepare each individual on our team for personal success."

Iowa hosts the Black and Gold Alumni Match in Florida on Feb. 2, and will begin the spring season six days later with the Big Ten Match Play Championships in Bradenton, Fla. The Hawkeyes will look to defend its title at the Big Four Championships in Scottsdale, Ariz., on Feb. 16 against the state's three other NCAA Division I golf programs.

The spring schedule will be highlighted by the 20th annual Hawkeye - Great River Entertainment Invitational, hosted at Finkbine in Iowa City. The invitational is scheduled for April 13 and 14th. The Hawkeyes will then travel to the Boilermaker Invitational at the Pete Dye designed Kampen Course in West Lafayette, Ind.

This year's Big Ten Championships will be held at French Lick, Ind., at the French Lick Resort from April 26-28. The NCAA Regionals are scheduled for May 16-18, and the NCAA Championships run from May 28 through June 2 in Atlanta, Georgia.

"There's a lot of strong competition in front of us, and I'm excited to see how we handle that," Hankins said. "Our top goal is always to qualify for NCAA Regionals, Finals and place high in the Big Ten. It takes consistent work, discipline and trust in each other to reach these individual and team goals. Work that we are willing to put in."

Hankins will be assisted by former Hawkeye golfer Dan Holterhaus, who returns for his second season as assistant coach.

With two upperclassmen, compared to six underclassmen, on the roster, the Hawkeyes will face a demanding schedule with a more inexperienced team compared to recent years. Yet, the Hawkeyes have talent up and down the roster, and a core of proven players anchoring the lineup. With another chance to add to Iowa's growing reputation, the Hawkeyes approach the 2012-13 season with excitement.

"There is no magic to college golf, we need to out-prepare our opponents and work smartly to reach our potential," Hankins said. "As we continue to grow, we will rely on our depth and pointed preparation to keep us on track for the entire season and beyond."

IOWA MEN'S GOLF

Mark Hankins Sixth Year at Iowa Iowa State University (1993)

Entering his sixth season as head men's golf coach at the University of Iowa, Mark Hankins has established the Hawkeye program at the national level. Under Hankins' guidance, Iowa has advanced to NCAA competition the last four seasons.

Hankins, a native of Mt. Pleasant, Iowa, took over the Hawkeye program in 2007 after seven years as the head

coach at Michigan State.

The Hawkeyes finished the 2012 season as the highest ranked Big Ten team, earning a spot at No. 27 in the final rankings. Iowa had a number of highlights, including winning the Hawkeye-Great River Entertainment Invitational with an 840 (-24), which is the third lowest mark in program history. Iowa used a +1 over par final round (284) at the NCAA Regional to move up six spots and qualify to the NCAA Championships. Iowa went on to finish 22nd at the NCAA Championships. Iowa had an honorable mention All-American (Joseph Winslow), four PING-All Region honorees and three All-Big Ten award winners in 2012.

In five seasons at the helm of the program, Iowa has won eight tournament titles and advanced to NCAA Regionals four times under Hankins. Hankins has also coached three All-Americans, nine All-Big Ten selections, one Big Ten Player of the Year, five Academic All-Americans and 17 Academic All-Big Ten honorees at Iowa.

The Hawkeyes finished the 2011 season with the highest national ranking in school history (ninth). Of the five team tournament titles won in the 2010-11 season, Iowa won four consecutive titles in the fall. The Hawkeyes tied for 10th at the NCAA Championships, marking their highest finish since 1960.

In the 2011 season, Hankins coached two All-Americans, three All-Big Ten performers and three Academic All-Americans. Leading the charge was senior Vince India, recipient of Big Ten Player of the Year honors, third-team All-American and winner of the prestigious Les Bolstad Trophy.

The 2010 Hawkeyes finished the season ranked 36th in the nation and earned their best Big Ten finish (second) since 1992. Additionally, the Hawkeyes picked up their second tournament title in as many seasons with a win at the 2010 TaylorMade-adidas Hawkeye Invitational.

The Hawkeyes' climb in national rankings began in 2009 under Hankins. Iowa jumped from 155th to 54th during the season as it picked up its first tournament title since 2004 by winning the 2008 Landfall Tradition in Wilmington, NC. Furthermore, Hankins coached the Black and Gold to a fifth place finish at the 2009 Southeast Regionals and a 17th place finish at the NCAA Championships in Toledo, OH; marking the first time the Hawkeyes have qualified for the championships since 1995.

While at Michigan State, Hankins led the Spartans to 10 tournament titles, including two Big Ten Championships (2005 and 2007). In addition, he was voted Big Ten Coach of the Year twice by his peers (2005 and 2007). Hankins also guided Michigan State to five NCAA appearances in his seven years, including a 23rd place finish in the 2007 NCAA Division I National Championship.

Hankins' resume at Michigan State also includes 64 top-10 finishes, national top-25 rankings during three different seasons, including the fall 2004 season when his Spartan team was ranked seventh out of 290 Division I men's golf programs, 27 first team academic all-Big Ten selections, two academic All-Americans, two All-Americans, one Big Ten Player of the Year, one Big Ten Freshman of the Year and the first Big Ten Conference medalist in Michigan State men's golf history.

Hankins' coaching resume also includes a two-year stint as head coach at the University of Texas at Arlington. There, Hankins led the Mavericks to a top-25 ranking in 1998 and 1999 and led them to eight Division I collegiate tournament titles in two seasons, the most in Division I golf during that time.

Coach Mark Hankins and All-Big Ten selection Chris Brant at the 2012 NCAA Championships at the Riviera Country Club.

IOWA MEN'S GOLF

In addition, the Mavericks qualified for two-straight NCAA regional berths, one NCAA national qualifier, and captured the Southland Conference Championship in 1999.

Hankins worked a total of three years as an assistant coach for men and women, and associate head coach of the men's golf program at his alma mater, Iowa State University. From 1995-1997 he worked as associate head coach for the Cyclones.

During this time, Iowa State advanced to two NCAA regional berths and won three tournament titles. In his final season at Iowa State, the Cyclones broke every existing team record, including individual scoring average, tournament wins and NCAA Regional finish. His coaching experience also includes serving as head golf coach for the United States team that participated in the 2007 World University Games in Bangkok, Thailand.

In addition to coaching, Hankins has served as a professional at numerous country clubs and camps, including Ames Golf and Country Club, Cyclone Country Golf Camp, Cyclone Golf Academy, Des Moines Golf and Country Club and Iowa PGA Golf Academy. He is currently vice president of the Golf Coaches Association of America. During his playing career, Hankins earned all-Big Eight Conference

honors his senior season at Iowa State (1993). His personal best round of 66 set a Cyclone individual scoring record. A three-time academic all-Big Eight honoree (1988, 1991 and 1993), Hankins was also named an academic all-American as a senior. He earned a bachelor's degree in psychology in 1993 and an MBA in 1997 from Iowa State.

In addition to collegiate competition, Hankins has played on the Nike Tour, Golden State Tour, Tommy Armour Tour and participated in PGA Tour Qualifying.

Hankins said his expectations for the student-athletes who will compete for the UI under his direction will be to attain success both on the golf course and in the classroom.

"It's my responsibility to provide the platform for every member of our men's golf program to succeed athletically and academically. I want them to have a first-class experience and to graduate with a sense of pride about themselves and our university," he said.

"I am extremely excited by the support and enthusiasm the administration, alumni, and friends of the golf program have shown throughout my first four years at Iowa. Gary (Barta) has clearly made a commitment to winning championships in every sport, including men's golf, at the University of Iowa."

Dan Holterhaus Second Year at Iowa University of Iowa (2008)

Former Iowa men's golfer Dan Holterhaus enters his second year as an assistant coach at Iowa.

The Hawkeyes enjoyed a successful campaign in Holterhaus' first season with the program, advancing to the 2012 NCAA Championships. Iowa finished 22nd, and would finish the season as the highest ranked team in the Big Ten.

son as the highest ranked team in the Big Ten.

Iowa had a number of highlights in 2012 with Holterhaus' coaching, including winning the Hawkeye-Great River Invitational with an 840 (-24), which was the third lowest score in program history. The Hawkeyes had one All-American, four PING All-Region honorees, three All-Big Ten selections and three Academic All-Big Ten recipients in 2012.

Holterhaus was a member of the Hawkeye men's golf team from 2003-08. He was a two-time team captain and three-time Academic All-Big Ten honoree. Holterhaus served on the Iowa Student Athlete Advisory Committee from 2005-08 and was the Iowa men's golf team's Big Ten Sportsmanship Honoree twice. Holterhaus was a senior at Iowa during Hankins' first year as head coach.

The Cedar Rapids, Iowa, native played 106 career rounds as a Hawkeye and compiled a career stroke average of 75.3. He fired rounds of 68 on two occasions in his career. As a senior, Holterhaus tied for fifth at the Landfall Invitational and tied for 19th at the Big Ten Championships.

Holterhaus served as a Player Services Intern with the American Junior Golf Association in 2008. Since his time with the AJGA, he has held numerous roles in marketing, strategic planning and leadership. Holterhaus graduated from the University of Iowa in 2007 with a B.B.A. in marketing.

Holterhaus tees off at the National Invitational Tournament in Tuscon, Ariz., in 2008. Holterhaus fired a three-under final round to finish 21st overall.

— *Travel in Style* —

Whether it's on the road or in the air, the University of Iowa men's golf team travels in style. The UI men's golf team takes a Mercedes Benz "sprinter" van to any trip that is a driveable distance. The van features individual leather reclining captains chairs, a 30-inch flat-screen television with satellite cable, iPod music technology, individual desktops and Wi-Fi to keep the student-athletes up to speed in the classroom.

The Hawkeyes also have access to a private charter plane for trips during the season, allowing the team to skip the hassle of long airport lines and possible flight delays.

IOWA MEN'S GOLF

Chuck Zwiener Endowed Scholarship

Chuck Zwiener served as men's golf coach at the University of Iowa from 1958 through 1989, coaching the Hawkeyes for 32 years.

In his honor, family and friends established the Chuck Zwiener Scholarship in 1992, to be awarded each year to an outstanding member of the Iowa golf team.

Upon taking over the Iowa program in 1958, Zwiener immediately led his first three Hawkeye teams into NCAA postseason action. During his tenure, Zwiener placed six players on the PGA tour, one of which went on to become a two-time PGA club winner of the year. Sixteen of Zwiener's former players are now head PGA professionals at some of the finest golf courses in

the state of Iowa. He also led the Hawkeyes to 10 first division finishes in the Big Ten and eight Hawkeyes earned All-Big Ten honors.

For further information, or to make a gift to the Zwiener Scholarship Fund, contact the UI Foundation, 500 Alumni Center, Iowa City, IA 52242.

E.J. Liechty Endowed Scholarship

The E.J. Liechty Scholarship, for men's intercollegiate athletics, was established in 1995 by Ailene Liechty in memory of her husband, E.J. "Jack" Liechty. Since 1997, the annual scholarship has been awarded to a deserving student-athlete who is a member of the Iowa golf team.

Jack Liechty was a devoted supporter of the University of Iowa, especially in the areas of athletics and arts. He was known for his humor and his willingness to lend a helping hand.

Jack was a newspaperman all his life, entering the business in 1930 as the Iowa City circulation manager for the Des Moines Register. He joined the Iowa City Press-Citizen in 1934 as circulation manager, and went on to become president and publisher from 1962-1966. He was named president of Speidel

Newspapers, Inc., the parent company of the Press-Citizen, in 1966. Jack retired in 1972, although he continued to serve on the executive committee until 1977, when Speidel merged with Gannett Co., Inc., the nation's largest newspaper company.

Over the years, Jack contributed to many projects across the University of Iowa campus, and in 1983 he received the Distinguished Friend Award from the UI Alumni Association. Jack died in 1994 at the age of 85. His son, John Liechty, was a second team All-American in 1958 and three-time golf letter winner for head coaches Bucky O'Connor and Chuck Zwiener.

For further information, or to make a gift to the E.J. Liechty Scholarship Fund, contact the UI Foundation, P.O. Box 4550, Iowa City, IA 52242-4550.

IOWA MEN'S GOLF

Bucky O'Connor Endowed Scholarship

The Bucky O'Connor Endowed Scholarship fund now endows both a basketball and golf scholarship at the University of Iowa. Since 1994, the scholarship provides a full ride, tuition, room, board and books for a member of the Iowa golf team.

O'Connor coached the Iowa golf team from 1949-56, and had a dual meet record of 39-30-4. His 1954 team placed second in the Big Ten tournament, and 11th in the NCAA meet.

Also serving as Iowa's basketball coach from 1951-58, O'Connor directed his teams to a 108-54 record, including two Big Ten championships and two NCAA Final Four appearances.

O'Connor joined the Hawkeye staff in 1948 and coached the Hawkeyes until he was killed in an automobile accident in April, 1958.

For further information, or to make a gift to the O'Connor Scholarship Fund, contact the UI Foundation, 500 Alumni Center, Iowa City, IA 52242.

James Hoak Men's Golf Scholarship Fund

The James M. Hoak Scholarship is designated for deserving student-athletes on the UI men's golf team. Hoak is a 1940 graduate from the University of Iowa, former Des Moines businessman and currently resides in North Palm Beach, FL.

Long-time friend, Clark A. Johnson and Hoak's three sons, David A. Hoak (a 1968 UI business graduate), Jon S. Hoak and James M. Hoak Jr. made gift commitments to the UI Foundation to establish an endowed athletics scholarship fund in Hoak's name.

While at Iowa, James M. Hoak lettered in golf and roomed with UI football legend Nile Kinnick. Hoak attended the M.B.A. program at Harvard University in the early 1940's and after service in the Navy during World War II, joined the family business, the Wheeler Lumber Company, headquartered in Des Moines. He served as

the firm's president for more than 20 years before retiring in 1985. Hoak and his wife, Jane, a 1941 UI graduate, have been UI supporters and volunteers for many years, and are members of the Presidents Club, which recognizes the UI's most generous contributors.

"Jim graduated from the university nearly 68 years ago, and I left campus in 1953, but neither of us has ever lost his enthusiasm for the university, and for its mission of equipping students with the tools to succeed in life after college," said Johnson. "Jim's been so important to the university over the years, and I wanted to do something to honor his love for the U of I while he and his family could enjoy and participate in that recognition."

"The James Hoak Scholarship represents a real win-win for the UI athletics program," UI Athletics Director Gary Barta said. "The student-athletes who earn the Hoak Scholarship will have the distinction of knowing that their awards carry the name of one of our most loyal and generous graduates -- someone who knew Nile personally, and who represents the proud history and integrity of the UI athletics program."

IOWA MEN'S GOLF

The University of Iowa men's golf team finished the 2010-2011 season with the highest national ranking in school history. The Hawkeyes, ranked ninth out of 300 NCAA Division I teams in the country, also made their third-consecutive NCAA appearance under Head Coach Mark Hankins. Iowa's finish (T10th) at the NCAA Championships marks its best since 1960.

"I think Coach Hankins has a core group of kids who are really trying to accomplish something with their golf games. He won't accept any mediocrity and he's really after a national championship. It would be incredible to do that in the Midwest and I think that's really his ultimate goal; he wants to be the best in the country."

Gary Updedgraff -- 1978 Iowa Alum

"Being a member of the Iowa golf team, competing in the Big Ten and graduating from the University of Iowa has been absolutely critical to my success at all levels. It has been absolutely key in my development of a successful law practice. Friends and acquaintances that I developed at the U of I have followed me throughout my entire professional career."

**Jim Carney - 1970 Iowa Alum
Carney and Associates - Des Moines, IA**

"It's a great time to be a Hawkeye golfer. The recruiting has really picked up and these guys can play. We're starting to get guys from all over the place and Mark (Hankins) has done a phenomenal job. There are great facilities for a great program and these guys are ready to go."

Jason Price -- 1995-2000

"I've been in the golf business for almost 30 years now, as a head professional and director of golf in the Des Moines metro area and I'd have to say that the recognition of being an Iowa alum and on the golf team was such a positive influence in all of that. You meet people and make connections which are always positive as well."

Ross E. deBuhr -- 1977 Iowa Alum

"The best thing I ever did was choose to attend the University of Iowa. We had a great golf program and traveled all over the country. The University of Iowa is a great school and Iowa City is a great college town. Overall, it is a great place to go to school."

**Sean McCarty - 1995 Iowa Alum and 1995 All-American
Director of Golf - Brown Deer Golf Club**

"The years I was here were great. You get to travel all over the country and I still have life-long friends I still keep in touch with today, not only from Iowa but from other schools. It really paves the way, not only for golf but for business opportunities. It teaches you how to deal with other people and all sorts of different lifestyles. It really carries over to all different walks of life."

Bo Anderson --1999-2003

"I am very encouraged to hear about the work Mark Hankins is doing at the University of Iowa. He is very excited and interested in making the Iowa golf program the best it can be. He was able to bring Big Ten titles to Michigan State and I am confident he can do the same for Iowa."

**Lonnie Nielson - 1978 Iowa Alum
PGA and Champions Tour**

"We have a great home golf course in Finkbine that can challenge us every day. Iowa is also a top school academically which will help us after college. The people at Iowa and connections that you can make while here will last a lifetime."

**Dan Holterhaus - 2008 Iowa Alum
Current Assistant Coach**

IOWA MEN'S GOLF

The following are brief bios on several Hawkeye greats:

- Guy Boros -

Boros turned professional in 1986. He has played in 246 PGA Tour events in his career, recording 31 top-25 finishes. Boros is the son of golf hall-of-famer and two-time U.S. Open Champion Julius Boros, and in 1996 became the first son of a PGA Tour winner to win an individual Tour title in 45 years with

the Greater Vancouver Open Championship. Boros has recorded two top-25 finishes since 2009, bringing his career PGA earnings above \$1.6 million. In 1995, Boros had his best season, earning \$303,654 after four top-10 finishes. Boros earned a place on the PGA Tour in 1993, following four years on the Canadian Tour, two years on the Australasian Tour and one year on the NIKE Tour. Most recently, Boros shot nine-under par to finish tied for 55th at the Viking Classic in Madison, Miss. He currently ranks T29th in Putting Rating on the PGA Tour. Boros has also played in 231 events on the Nationwide Tour, netting \$575,244 in his career.

- Sean McCarty -

McCarty helped Iowa win the Big Ten Conference title and was named Big Ten Freshman of the Year in 1992. Sean was an All-American in 1995 along with the likes of Stewart Cink and Tiger Woods. He also competed in the 2003 U.S. Open at Olympia Fields.

McCarty was the Iowa Section PGA Player of the Year in 2007, 2008 and 2009 and is currently second in the 2011 chase. McCarty is now the head golf professional at Brown Deer Golf Course in Coralville, IA.

- Jack Rule -

In the late 1950's and the early 1960's Jack Rule had an incredible impact on Iowa golf. Jack, from Waterloo, won back-to-back Iowa Amateur titles in 1958 and 1959 just before the Amateur changed to a stroke play event in 1960. Jack also won the Waterloo Open Amateur Titles in 1958 and 1959. Jack continued his strong play into the next two years as he won titles at the Iowa Masters in 1960 and the Northwest Amateur in 1961. In his career, Jack won a total of five Iowa Major Titles. A highlight of Jack Rule's career was at the 1956 U.S. Junior Amateur Championship, where Rule ran into a guy named Jack Nicklaus in the semifinals. Rule was able to pull out the victory 1 up. He eventually lost in the finals but very few individuals can say that they toppled the "Bear". Besides a successful run at the Amateur level Jack tried his luck as a professional. Jack is one of four Iowans to have won on the PGA Tour including Jack Fleck, Zack Johnson, and Steve Spray. His victories include the 1963 St. Paul Open and the 1965 Oklahoma City Open. His best finish in a Major Championship was at the 1964 PGA Championship where he finished T-39. Jack also went back to Waterloo to win the Waterloo Open as a Professional in 1969 & 1974. He is now a very successful financial consultant in Denver, CO.

- Brad Klapprott -

Klapprott won the Big Ten title in 1992, becoming the second Hawkeye to ever do so. He played in a combined 51 Nationwide Tour Tournaments from 2000 to 2006, placing in the top 25 seven times including two top ten finishes. He tied for fifth at the 2006 Rex Hospital Open after carding all four rounds in the 60's. Klapprott played at the US Open Championship in 2001, the same year that he posted his highest Nationwide finish (T3 at the Buy.com Hershey Open). In May 2009, Klapprott fired a 13-under-par 59 in a mini-tour golf tournament at Black Bear Golf Club in Eustis, Fla., matching a feat that had only been accomplished three times on the PGA Tour. Klapprott currently lives with his wife and kids in Lakeland, Fla., and competes in mini-tour events.

- John Jacobs -

In 1939, John Jacobs began his illustrious amateur career by winning the Iowa Amateur just out of high school at only the age of 18. This would be the first of an amazing six titles at the Iowa Amateur. Jacobs won the next two Iowa Amateurs in 1940 and 1941 before the war interrupted his run. After his return Jacobs enrolled at Iowa and picked up right where he left off, winning the Big Ten Championship in 1946, the first Hawkeye to ever do so. That same summer Jacobs added his fourth State Amateur title. John added his last two State Amateur titles in 1948 and 1950. Besides his success in the State Amateur, Jacobs won four Northwest Amateur titles, and three Waterloo Open titles. Overall, Jacobs won 13 Iowa Major Titles.

- Gene Elliott -

Elliott was a four-year letterman at Iowa from 1981 to 1984 and was team captain his senior year. He turned pro after graduating from Iowa and began to work with David Leadbetter. He went on to play professional golf for five years. His highest finish on the PGA Tour was seventh at the FedEx St. Jude Classic in 1986. Elliott now owns his own business in West Des Moines, Iowa, and continues to play in amateur events. Elliott was inducted into the Iowa Golf Hall of Fame in 2011.

- John Liechty -

John Liechty of Marshalltown compiled an impressive list of accomplishments as an amateur player in Iowa. After a 1955 Iowa Junior Amateur victory, Liechty played his collegiate golf at the University of Iowa and was a three-time letter winner from 1957-59. In 1958, John was a second team All-American. After his college career, Liechty continued his strong play becoming the Iowa Amateur of the Year in 1960.

Over the next several years, Liechty won a total of 10 of Iowa's designated major championships. His victories included the Iowa Amateur (1964 & 1971), the Northwest Amateur (1960), the Central States Amateur (1960 & 1961), the Herman Sani Invitational (1964 & 1968), the Iowa Masters (1972 & 1973) and the Fort Dodge Amateur in 1966.

Liechty experienced success on the national level as well, winning the prestigious Broadmoor Invitational in 1963 and qualified for the 1960 & 1963 U.S. Amateurs. Liechty currently resides in Leawood, KS.

IOWA MEN'S GOLF

- Lonnie Nielsen -

Nielsen finished 12th at the 1976 NCAA Championships, earning All-American honors. He received All-Big Ten honors in 1975 and 1976. He has participated in 124 PGA Tour events, finishing in the top-25 14 times and top-10 twice. Nielsen has played in 14 Nationwide Tour events, recording

two top-25 finishes, including a third place finish. He currently plays on the Champions Tour where he has played in 178 events, finishing in the top-25 89 times and in the top-10 32 times. Nielsen posted nine top-10 finishes in 2008 and finished 11th on the money list (\$1,224,012), highlighting his career thus far.

He has competed in 46 Champions Tour events in the last three seasons, compiling 17 top-25 finishes, a tournament title at the 2009 Dick's Sporting Goods Open and nearly \$1 million in earnings. Nielsen has finished in the top-25 of the money standings three of the last five years and is currently ranked 67th in career money leaders. Nielsen finished 17th in the 2007 money earnings and 11th in 2008, where he compiled four top-five finishes. He tied for second twice (Ginn Championship Hammock Beach Resort and Commerce Back Championship) and fifth twice (Regions Charity Classic and Boeing Classic). In addition, he finished tied for seventh at the Bank of America Championship. Nielsen has earned over \$5 million on the Champions Tour throughout his career.

- J.D Turner -

John David Turner has had an incredible impact on the game of golf in Iowa. Not only has J.D. been a very active and successful player in the state, but he has distinguished himself as an outstanding teacher and promoter of the game of golf.

Turner's playing career totaled 10 Iowa Major titles and numerous other victories. Some of his wins include: five titles at the Iowa Open, two victories at the Herman Sani, and titles at the Northwest Amateur, Fort Dodge Amateur, and at the Tournament of Champions. Turner also won the PGA Section Championship in 1986 and was the winner of the PGA Section Senior Championship five different times in 1990, '92-'94 and 2000. His career also included two appearances at the U.S. Senior Open in 1992 and 1994, a Senior PGA Championship appearance in 1994, and an Iowa Senior Open title in 1992.

J.D.'s teaching career has also been widely recognized throughout the country. J.D. was named the Iowa Section PGA Teacher of the Year in 1986-1989 and Golf Magazine named him as one of the top 100 Golf instructors in the country from 1991-2011. His teaching career also included the creation of the TV show, J.D. Turner's Golf University, in 1983.

- Dave Rummells -

Rummells, a native of West Branch, IA, turned professional in 1981 and was inducted into the Iowa Golf Hall of Fame in 2011. He is currently competing on the PGA and Champions tours. After a two-year hiatus from the PGA Tour, Rummells returned to the circuit at the 2011 Vi-

king Classic. In the past three years, he has compiled a pair of top-25 finishes on the Champions Tour (The Cap Cana Championship and Boeing Classic) and earned nearly \$75,000. His best Champions Tour finish came in 2008 at the Regions Charity Classic where he finished tied for 20th. Dave has won two Nationwide tournaments, the 1996 NIKE South Carolina Classic and the 1997 NIKE Knoxville Open. The largest payout of his career was \$103,000 at the 1993 Buick Invitational of California where he finished second. Rummells has carded four 61's in PGA Tour events. Over his career, Rummells has earned \$1,909,430 on the PGA Tour, \$248,545 on the Nationwide Tour and \$114,576 on the Champions Tour.

Fourth Annual Hawkeye Golf

Alumni Challenge

Finkbine Golf Course

Sept, 21, 2012

"It's great for any program that can get something like this going. I think there's a lot of guys that wouldn't think twice about coming back next year. They'll want to come back to see all their old teammates, play a great golf course and see a good football game. It's a pretty good draw for former alums to get back here."

Adam Kaufman - Former Finkbine Head Professional

"This event is awesome because it gets harder and harder to get together the older you get. This event makes it easy to come back as a group. You really are a family, so hats off to Mark and everything he's done."

Bo Anderson - 2003 Iowa Alum

"It's a pretty neat deal they're putting together for us. Something like this is a great way to get together with all the other guys we used to play with and haven't seen since we graduated."

Sean McCarty - 1995 Iowa Alum

"It's a great experience for us. Mark Hankins has this program going in the right direction. Being able to be among friends and play some golf is invaluable to the guys who have graduated and are trying to remember what it was like when we played."

Jason Price - 2000 Iowa Alum

Finkbine Golf Course Home of the Hawkeyes

Located on the western edge of The University of Iowa campus, just walking distance from Kinnick Stadium, Carver-Hawkeye Arena and Hillcrest Residence Hall, is Finkbine Golf Course. Started in 1953 and opened in 1955, Finkbine remains a source of great pride and beauty as the home course for the Iowa Golf program.

The 7,280-yard, par-72 layout is prized by the University and Iowa City community alike. A tremendous test of golf, Finkbine was the site of the PGA Amana VIP Pro-Am for more than 20 years featuring the PGA's finest as well as national and local celebrities. In 1991 Finkbine also became the host of the Ben Hogan Tour – Hawkeye Open. Collegiately Finkbine has been the site for the 1992 and 2002 men's Big Ten Championships, the Hawkeye Intercollegiate and the Big Four Invitational.

Built among the rolling hills and elevation changes of Iowa City, Finkbine challenges golfers of every skill level. The Robert Bruce Harris design features sloped greens and sand bunkering on 17 of the 18 holes. The signature 13th hole is an island green surrounded by water offering multiple tee boxes and two greens.

In the fall of 2003, Finkbine renovated the entire golf course with the addition of bent grass fairways and newly grassed greens and tee complexes. The university maintains Finkbine's lush tees, fairways and greens with a state of the art irrigation system. The driving range and practice facility feature four practice greens, short game areas, sand bunkers and a two tier range.

The Iowa golf teams enjoy a dedicated 10,000 sq. foot practice green, two practice bunkers and two newly renovated bent grass practice tees. Offering unquestionable golf facility advantages, Finkbine Golf Course is indeed the proud home of the Hawkeyes.

Amana Colonies Golf Course

Amana Colonies Golf Course opened for play in 1989, and has been masterfully designed to preserve the natural features of the land. The 18-hole championship golf course winds through 300 acres of stately white oak trees and forests. The golf course features meandering streams, shining ponds and striking scenery that add to the aesthetic beauty and enjoyment of the game. The golf course also features lush bentgrass fairways, tees and greens, and strategically placed sand bunkers. Stretching to nearly 7,000 yards, Amana accommodates all skill levels with four sets of tees. Amana Colonies Golf Course is located in the historic Amana Colonies of east central Iowa. The course has been rated in the state's "Top Public Golf Courses" by Golf Digest from 1990-2002. Golf Magazine also rated Amana Colonies "Best Opened for Play" in the country in February, 1990. Since then, Amana Colonies has won numerous awards, most recently a "4 Star" rating in Golf Digest's 2002 listing of "Places to Play."

Cedar Rapids Country Club

Cedar Rapids Country Club was opened in 1904, and is designated as the only Donald Ross designed golf course in the state of Iowa. This 18-hole, par-71 lay-out includes 6700 yards of stunning bent grass fairways, tees, and greens brilliantly tucked along Indian Creek. The championship course features five tee boxes to accommodate golfers of all skill levels and is home to one of the most highly regarded private country clubs in the Midwest. In 1999, The Club underwent over \$5 million in renovations and currently offers top-notch services along with some of the region's best golf. Against its beautiful oak landscape, the Cedar Rapids Country Club lies on the east side of Cedar Rapids, just a short drive from Iowa City.

"CRCC is a premier golf course in Iowa. It's top notch conditions and tough layout make it a great test for our players."

Spirit Hollow Golf Course

The 18-hole "Spirit Hollow" course at the Spirit Hollow Golf Course facility was ranked the No. 1 golf course in the state of Iowa in 2012. With 7,360 yards of golf from the tips, this par 72 has a course rating of 73.1 with a slope rating of 134 on Bent grass.

Spirit Hollow opened in 2000 and was designed by Richard Jacobson (ASGCA). Spirit Hollow has played host to the 2007 U.S. Amateur qualifier, the 2009 Iowa Senior Amateur Championship, the 2010 U.S. Open Qualifier, the 2011 Iowa Match-Play Championship and the 2012 Iowa Amateur Championship. Spirit Hollow has also served as the host of the Golfweek Conference Challenge since 2010. This year's event, co-hosted by the University of Iowa, will be held Sept. 16-18.

"Spirit Hollow is a long and challenging golf course that incorporates fescue, water hazards, mature trees and natural topography to create a championship-level challenge for all golfers."

-Head Coach Mark Hankins

The Iowa golf team utilizes several on-campus facilities throughout the season. Opened in the summer of 2010, the University of Iowa Campus Recreation and Wellness Center (CRWC) offers 20,000 square feet of fitness space over three levels, a 52 1/2 foot climbing wall, leisure and diving pools, basketball/volleyball courts, locker rooms and more, all free to Iowa students. Additionally, Iowa men's golfers strength train at the newly renovated Carver-Hawkeye Arena and the Recreation Building. Strength and conditioning at Iowa is a competitive advantage.

“Numerous multi-purpose facilities allow our student-athletes a diverse strength and conditioning program.”

Gary Barta Director of Athletics

Now in his seventh year as director of athletics at the University of Iowa and his 26th year in athletic administration, Gary Barta manages an athletics program that continues to gain momentum in two key areas -- on the playing field and in the classroom -- while enhancing the infrastructure that will serve as the foundation for future successes.

Academically, the UI's federal graduation rate of 74 percent (for student-athletes who enrolled in 2004-05) ties the best ever posted by UI athletics. That mark was a 13-point increase over the previous year and was nine points above the national average; UI student-athletes will establish another record when the latest figures are released

in October. Last fall, the NCAA confirmed that all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark for the fourth straight year.

In figures released last fall, Iowa's score of 86 percent in the NCAA's "Graduation Success Rate" or GSR, also matched a school record. Five different women's teams at the UI posted perfect 100 GSR scores. Iowa's GSR in football (83), men's (73) and women's (100) basketball all ranked above the national average for their respective sports.

Athletically, Hawkeye teams enjoyed another outstanding year in 2011-12. A significant number of Iowa's 24 programs reached postseason play. The Iowa football team reached bowl eligibility for the 11th straight season and competing in a bowl game for the fourth straight year and 10th time in the last 11 seasons. The women's basketball program participated in the NCAA Tournament for a fifth straight season and men's basketball returned to postseason competition under second-year coach Fran McCaffery, recording an 84-75 win over Dayton in front of 13,190 re-energized fans in Carver-Hawkeye Arena.

The Hawkeye wrestling program, led by national champion Matt McDonough, made another run at a national title before placing third. The men's golf team placed 22nd nationally in its third appearance in the NCAA Championships in the last four seasons. Additionally, the UI men's track and field placed 23rd in the nation and the UI's men's swimming and diving program placed 26th at its national championship.

Iowa's field hockey team advanced to the NCAA Tournament and the Hawkeye softball team placed second in the Big Ten. Between the men's and women's track and field teams, 34 student-athletes competed at the NCAA Championships and 14 members of the UI men's and women's swimming and diving teams qualified for the Olympic Trials.

And, while the UI athletics department continues to earn high marks in integrity, academic excellence, and athletic performances, Barta also continues to oversee critical improvements and additions to the facilities used by the UI's talented student-athletes while maintaining a balanced and ever-growing operations budget that continues to be self-sustaining.

In addition to the competitive success the Hawkeyes recorded in 2011-12, the UI once again experienced tremendous success at the turnstiles. Iowa has sold every seat in historic Kinnick Stadium in each of the past two seasons, ranking 21st in national attendance both years. The UI will enter the 2012 home football season with all seven home games sold out once again and boasts waiting lists for not only season tickets, but also the premium seating options available inside the Paul W. Brechler Press Box.

Attendance at home games of the UI's men's basketball team has climbed more than 30 percent the last two seasons. Iowa's attendance of 13,190 for a first round NIT game in Carver-Hawkeye Arena ranked as the highest attended game of the 2012 tournament.

The UI wrestling team set another national attendance record by averaging 9,014 fans per home meet in 2011-12, leading the nation in attendance for the sixth straight year. The economic impact of the 2012 U.S. Olympic Wrestling Team Trials, hosted by the UI in Carver-Hawkeye Arena, exceeded \$5 million, according to survey results released by the Iowa City/Coralville Area Convention and Visitors Bureau.

Attendance at home games of the UI's women's basketball games also remained strong as the program once again ranked among national leaders in 2011-12. The UI also registered increases in attendance at home volleyball, soccer, field hockey, women's gymnastics, men's gymnastics, softball and baseball events.

Since 2006, the Hawkeyes have invested more than \$150 million in new and renovated athletic facilities. Upgrades include the restoration of historic Kinnick Stadium and Carver-Hawkeye Arena, as well as a new state-of-the-art aquatics center, a boathouse facility for the UI rowing program and an indoor and outdoor tennis complex. Another \$60 million worth of improvements are underway in the form of the two phase football training center project and an indoor golf performance facility.

In late summer 2011, the UI completed a \$47 million revitalization of Carver-Hawkeye Arena. That project included the construction of a practice facility for men's and women's basketball and volleyball, a 10,000-square-foot strength training and cardiovascular center, and an expansion to the Dan Gable

Wrestling Complex, in addition to new locker room and support facilities for men's and women's basketball, wrestling and volleyball programs, and office space for the majority of Iowa administrative and coaching staffs.

The Carver project included the installation of a statue of Gable at the facility's main entrance. That project was completed in time for the thousands of fans of the sport of wrestling to enjoy while attending the 2012 USA Wrestling Olympic Team Trials.

Phase I of a two-phase project for the UI football program was completed in August, 2012. Phase I includes the new indoor practice facility for Coach Kirk Ferentz' program that has competed on 10 bowl games over the past 11 seasons. Phase II includes construction of the new Iowa Football Operations Center, which will include new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important next phase of the master facilities plan for Hawkeye football. It will be constructed adjacent to the Ron and Margaret Kenyon Outdoor Practice Facility, immediately west of Kinnick Stadium and will be connected to the new indoor practice facility.

The 2010-11 season marked the first for the men's and women's swimming and diving teams in the UI's \$69 million Campus Recreation and Wellness Center. The Hawkeyes hosted the 2012 Big Ten Championships and the UI men's squad responded by earning its highest Big Ten finish in 15 seasons.

Another of the latest additions to the facilities available to the UI's student-athletes is the Varsity Golf Complex practice facility for the men's and women's golf programs. Located at the southern edge of the UI's award-winning Finkbine Golf Course, the facility is expected to be completed for use this winter. It will provide the Hawkeyes a state-of-the-art facility that offers the opportunity for year-round training and practice.

Barta's involvement in the UI campus community extends beyond intercollegiate athletics. He is a member of the President's Cabinet, comprised of vice presidents and other campus leaders, that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his first six years at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Nationally, Barta remains active in the Division IA Athletics Directors Association, the National Association of College Directors of Athletics, and currently serves on the NCAA Football Committee Board of Directors.

Barta often suggests to his staff that "Hope is not a strategy," which is why he is currently overseeing a comprehensive review of the strategic plan for the UI Athletics Department and has worked with the UI's leadership on a long-term financial plan.

Another favorite saying of his is, "Vision without resources is irrelevant." Over the course of his career he has been directly involved in raising hundreds of millions of dollars in support of intercollegiate athletics. This has remained a primary focus during his tenure at Iowa, where private support for the Hawkeyes continues to flourish despite a challenging economy.

Under Barta's leadership -- and thanks to a talented athletics development staff -- the UI has seen year-over-year improvement in annual giving in spite of the difficult economic environment. In addition, under Barta's direction, the UI generated more than \$20 million of philanthropic and corporate sponsorship support for the revitalization of Carver-Hawkeye Arena and has already surpassed that level of support for the current football projects.

The UI also generated the \$2 million in private support necessary to fully fund the Hawkeyes' new practice facility for its men's and women's golf programs.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams.

The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (14) and a daughter, Madison (12). He was born Sept. 4, 1963, in Minneapolis.

Hawkeyes Continue to Build for Success

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2011-12

Academically, the UI's federal graduation rate of 74 percent (for student-athletes who enrolled in 2004-05) ties the best ever posted by UI athletics. Iowa Wrestling

The Hawkeye wrestling team -- the national attendance leader in each of the last six seasons -- continued its dominance on the mat, finishing third at the NCAA Championships. Six Hawkeyes earned All-America accolades in 2012, including two-time national champion Matt McDonough. Iowa has claimed 23 national championships and 34 Big Ten titles in its 102-year history.

Iowa Football

Iowa football continued its stellar play, finishing in the upper division of the Big Ten for the 10th time in the last 11 years. The Hawkeyes reached bowl eligibility for the 11th straight season and competed in the postseason for the fourth straight year.

Iowa Women's Basketball

The women's basketball team won its final eight games of the regular season to finish tied for second in the Big Ten and earn an at-large bid into the NCAA Tournament. Head Coach Lisa Bluder has now led Iowa to five-straight NCAA Tournament appearances.

Iowa Men's Track & Field

The men's track and field team recorded a pair of top 25 finishes at the NCAA Indoor and Outdoor Championships. The Hawkeyes crowned four Big Ten champions and nine All-Americans, including Erik Sowinski, who placed second in the 800 meters at the NCAA Championships.

Iowa Men's Golf

Head coach Mark Hankins led the Hawkeyes to their third NCAA Championships appearance in the last four years. Iowa collected another top-25 national finish and multiple individuals earned honors throughout the season.

IOWA MEN'S GOLF

Iowa Men's Basketball

Second-year head coach Fran McCaffery led the Hawkeyes to 18 wins and an NIT bid a year ago. Iowa improved by seven wins from 2011 to 2012, as McCaffery continued to demonstrate his ability to rebuild programs and reenergize the fan base -- Iowa's attendance increased for the second straight year and ranked No. 31 nationally.

Iowa Swimming and Diving

The Iowa men's swimming and diving team posted its best finish in 17 years, placing fifth in the Big Ten and 26th at the NCAA Championships. The Hawkeye won a pair of Big Ten relay titles and five student-athletes went on to garner honorable mention All-America accolades. On the women's team, freshman Becky Stoughton became the first UI swimmer to earn Big Ten Freshman of the Year honors, and she was the first Hawkeye women's swimmer to earn All-America honors since 2005.

IOWA MEN'S GOLF

Since its inception in 1979, Athletics Student Services has evolved from a two-person, academic support service to a broad-based, nationally prominent student support operation. Its purpose is to offer academic and personal support services that will assist student-athletes in making timely progress toward their degrees while preparing to become tomorrow's leaders. Athletics Student Services focuses on four important areas – academic counseling and monitoring, educational and support programs, retention programs and compliance education and services – when working with student-athletes. Following are descriptions of some of the programs, services and opportunities available in those areas.

Gerdin Athletics Learning Center

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals. The Athletics Learning Center is a 20,000 square foot facility which provides a computer lab, study lounges, seminar and meeting places for all Hawkeye student-athletes. The Learning Center features an auditorium that converts into two classrooms, separate study rooms for under and upper-class student-athletes with 28 study carrels, a computer lab, tutorial rooms, the book loan repository, offices for Iowa's Student Services staff and a display area to recognize the academic and athletic accomplishments of Iowa's student-athletes.

Academic Counseling & Monitoring

Athletics coordinators work closely with student-athletes and their university-assigned advisors from the time they arrive on campus until the time they leave the university. Along with focusing on academic planning matters such as goal-setting, plans of study, choosing majors and degree requirements, athletics coordinators also help student-athletes understand NCAA, Big Ten and university academic policies. They also solicit feedback from instructors on academic progress made by student-athletes.

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals.

Compliance Education and Services

Athletics Student Services administers a comprehensive compliance program to ensure that all staff and student-athletes act in accordance with NCAA, Big Ten Conference and University of Iowa regulations. Staff members oversee and assist with the recruiting of prospective student-athletes. They monitor the continuing eligibility of student-athletes. They oversee and administer student-athlete financial aid. They conduct rules education programs for coaches, staff, student-athletes and boosters. They monitor staff and student-athlete behavior to ensure conformity with the NCAA, Big Ten Conference, University of Iowa and Athletic Department policies and rules.

Career Guidance & Development

Planning a meaningful career and a fulfilling life is an ongoing process of expanding and narrowing choices, beginning when student-athletes arrive on campus and continuing throughout their college career and lifetime. The professional staff works with other career development professionals on campus to offer individual consultation, career development seminars, workshops, referrals to other campus offices and special events like the Senior Recognition Banquet for graduating student-athletes.

Tutoring

Tutoring is available free of charge to all student-athletes. Tutors, who are graduate and professional students, current and former teachers, help with course content as well as study strategies and are available in virtually all general education program subjects.

IOWA MEN'S GOLF

Located near the Hillcrest, Slater, Quadrangle and Rienow residence halls, the Russell A. and Ann Gerdin Athletics Learning Center is easily accessible to Hawkeye student-athletes. Some of the facility's features include a large computer lab, areas for group and independent study, and meeting rooms.

Retention

Through the retention program student-athletes, who may need tailored academic assistance and structure, are identified and receive individualized learning plans to help them succeed. Such plans may include daily and weekly planning sessions with athletics coordinators and retention staff, tutoring, study groups, mainstreaming into on-campus services like the writing center, math labs and services for students with learning disabilities.

Minority Enrichment Program

This program offers a culturally supportive environment in which minority student-athletes develop friendships and a support network in the university. A core focus group of students and staff coordinate programs such as guest speakers, holiday celebrations, community service activities with the local neighborhood centers, events with Cultural Centers and networking with minority faculty, staff, professional and business leaders.

Educational Programs

A full menu of educational programs are offered to student-athletes to ensure their academic success and personal development as they grow from Today's Hawkeyes to Tomorrow's Leaders. Through collaboration with other University of Iowa student services offices, and in partnership with the NCAA CHAMPS/Life Skills Program, programs address such quality of life issues as alcohol safety, healthy lifestyles, tolerance and respect, career development, professional conduct and leadership development.

Transition Seminar

All new student-athletes attend an eight-week transition seminar during the fall semester that is geared toward helping them make the transition from high school to college successfully. Seminar topics include time management skills, learning and study strategies, the culture and rules of the university and Division I Big Ten intercollegiate athletics, and personal leadership and life skills concerning alcohol safety, healthy relationships and intimacy, diversity and inclusion, tolerance, values and character.

Leadership Development through Iowa SAAC

Through the Iowa SAAC (Student-Athlete Advisory Committee), student-athlete representatives selected by their coaches and teammates represent the interests and concerns of their teams to athletics administrators. They meet regularly to plan community service, personal development, career education and social programs advised and supported by Athletics Student Services staff. They are consulted about emerging department policies and NCAA proposed legislation. SAAC representatives learn about and participate in the athletics governance structure by serving on department advisory committees.

IOWA MEN'S GOLF

Continuing to set the standard in athletic training and Sports Medicine Service, The University of Iowa provides the student-athlete with exemplary medical care. UI Sports Medicine is a multidisciplinary healthcare team housed within the UI Sports Medicine Center, as part of University Hospitals & Clinics (UIHC), striving to provide exemplary everyday care for all student-athletes. The team consists of Athletic Training, Orthopedics, Primary Care, Physician Assistants, Radiology, Physical Therapy, and Nursing. In addition, Athletic Training Services connect student-athletes to UIHC resources and specialty areas. Iowa's staff of 12 full-time licensed athletic trainers and six graduate assistant licensed athletic trainers provide health care services within four athletic training rooms and other ancillary facilities, involving injury rehabilitation and prevention programs among other health care services. When injuries and illness occur Iowa's athletic trainers provide treatment and rehabilitation programs to facilitate appropriate return to participation.

Services from the UIHC, among the world's largest university-owned teaching hospitals, support the efforts of the athletic trainers and other specialty sports medicine staff. Located next to Kinnick Stadium, the hospital offers a cutting-edge environment where staff physicians, sports medicine fellows, sports physical therapists, and athletic trainers care for student-athletes and produce successful outcomes. Dedicated research and education result in outstanding care. In October 2009, the Institute for Orthopedics, Sports Medicine and Rehabilitation (IOSMR) opened to further enhance the care for student athletes. This new facility houses the UI Sports Medicine Center.

Athletic trainers form a team with orthopaedic and primary care physicians for every Hawkeye sport. Many of the physicians are fellowship trained in their specialty area and lecture locally, nationally, and around the world. In addition, each athlete has access to orthodontists, nutritionists, psychologists, and specialty physicians at the UIHC. Priority access to see physicians and other health care professionals provides expertise for comprehensive health care that returns the student-athlete to practice and competition promptly and safely.

The Carver-Hawkeye Athletic Training Room has excellent facilities to conduct evaluations, treatments, and rehabilitation for the student-athlete.

UI Sports Medicine Center

The UI Sports Medicine Center, part of the Institute for Orthopedics, Sports Medicine and Rehabilitation, is home to state-of-the-art clinical and rehabilitation facilities. The 26,000-square-foot building includes 16 examination rooms and four treatment rooms.

Almost 7,500 square feet is devoted to comprehensive rehabilitation services, including a hydrotherapy pool, custom orthotics, athletic shoe wear modification and bracing, training aids and rehabilitation accessories.

The proximity of surgical and medical clinics with rehabilitation facilities and comprehensive orthopaedic and prosthetic services underscores the center's multidisciplinary approach to sports medicine and allows patients to have all their needs met under one roof.

The Field House Athletic Training Room has excellent facilities to conduct evaluations, treatments, and rehabilitation for the student-athlete.

Hawkeye Tennis and Recreation Complex Athletic Training Room

The Hawkeye Tennis and Recreation Complex Athletic Training facility is used by women's soccer, men's and women's tennis and field hockey as an ancillary facility close to practice and competition fields. Within the Hawkeye Tennis and Recreation Complex is a functional athletic training private space with equipment to enhance treatment, rehabilitation, cardio-pulmonary, and strength performance. Equipment provided for the student-athletes includes: ellipticals, GameReady, treadmills, and bikes by Pre-Cor, strength equipment, and open space to conduct rehabilitation and prevention techniques. There are also traditional electrical stimulation, ultrasound, and moist heat treatment options.

Field House Athletic Training Room

The Field House athletic training room is used by the Hawkeye gymnastics and rowing teams, along with the spirit squad. It supports full-service athletic health care with ultrasound, whirlpools, hot and cold packs, electrical stimulation units, and a variety of rehabilitation equipment and devices. Unique optional equipment including the CYBEX 6000 (isokinetic exercise and testing device) is also available.

IOWA MEN'S GOLF

Carver-Hawkeye Arena Athletic Training Room

The Carver-Hawkeye Arena athletic training room is a modern athletic training facility used by men's and women's basketball, volleyball, wrestling, and men's and women's golf. Physician examination, treatment and rehabilitative therapy areas function as a clinic site for specialized care. Traditional therapies include whirlpools, hot and cold units, rehabilitation space with weights, therapy balls, plyometrics platforms, balance devices, and assorted Pre-Cor bikes and elliptical. Other therapeutic equipment available for the treatment of student-athletes include ultrasound, electrical stimulation, traction and external compression units.

Recreation Building Athletic Training Room

The Recreation Building athletic training room is used by the Hawkeye baseball, men's and women's cross country, men's and women's track and field, and softball teams. It supports health care with modalities (moist hot packs, ultrasound, electrical stimulation, Hivamat, and TENS), Hydroworx polar and thermal plunge pools with therapy jets and massage hoses to aid in self administration of deep tissue massage, cardiovascular equipment (LeMond independent pedal bike with Power Cranks, the Keiser Functional Trainer, Pre-Cor Ellipticals and Adaptive Motion Trainer), and a private physicians office.

The Recreation Building Athletic Training Room has excellent facilities to conduct evaluations, treatments, and rehabilitation for the student-athlete.

Beckwith Boathouse Athletic Training Room

The Beckwith Boathouse athletic training room serves the Hawkeye women's rowing team. This space has moist heat, electrical stimulation, and ultrasound modalities. Modest rehabilitation and reconditioning equipment are also present for limited onsite rehabilitation.

Campus Recreation and Wellness Center Athletic Training Room

The Campus Recreation and Wellness Center athletic training room serves the Hawkeye men's and women's swimming and diving teams. This space has moist heat, electrical stimulation, and ultrasound modalities. Modest rehabilitation and reconditioning equipment are also present for limited onsite rehabilitation.

The Hawkeye Strength Training Program

The University of Iowa Strength and Conditioning Department is committed to providing the ultimate training experience for each Hawkeye student-athlete. Our focus is the development of the complete student-athlete through the use of proven scientific methods for reducing the risk of injury, as well as maximizing each student-athletes' athletic potential. Equally as important, our staff will foster a culture of relationship building in which we will seek to enhance the intangible character traits required for each Hawkeye to reach his or her championship potential on and off the playing stage.

Strength & Conditioning Philosophy

The philosophy of this program consists of two components. The first is to continually develop a scientifically sound program that will maximize strength, power and explosiveness in order to allow the athlete to get the utmost out of their genetic potential, and to reduce the chance of injury. This will primarily be accomplished through the use of ground based free weight exercises and the progressive incorporation of functional movements and plyometrics. The second is to establish a culture which will develop the discipline, character and mental toughness within each student-athlete and team as a whole so that they are able to make sacrifices in their training, leave their comfort zone and develop a Championship ATTITUDE. This will encourage them to make the most out of every situation and opportunity given to them in athletics and academics, so that they might know what it is to be fully committed to something. When these two converge, they are not only able to reach their full potential; they become champions on and off the playing field.

An Exceptional Choice

Since 1847, The University of Iowa has distinguished itself as a leader among public universities. Today its programs in health, business, engineering, education, law, the arts, communications, and the sciences are known worldwide for their excellence and innovation.

Outstanding Academic Opportunities

Iowa offers degrees in 11 colleges: Business, Dentistry, Education, Engineering, Law, Liberal Arts and Sciences, Medicine, Nursing, Pharmacy, Public Health, and the Graduate College. Undergraduates can choose from more than 100 areas of study.

A Fun Place to Call Home

Iowa City is a classic university town where learning and creating truly matter. The city blends the vibrant university campus and the natural beauty of the Iowa River with nearby shopping, entertainment, and residential areas.

Commanding Resources

The university operates one of the largest research library systems in the country. Iowa equips its classrooms and laboratories with the latest in computer technology. Students benefit from this technology-rich environment coupled with the high personal attention of university faculty and staff. Visit the university's web site at www.uiowa.edu to learn about its multifaceted education, research and service programs.

More Than a Taste of the Arts

Although temporarily displaced from their buildings by a summer 2008 flood, Hancher Auditorium and the UI Museum of Art continue to offer performances, exhibits and special events in alternate venues. Premiere works of art are displayed in most university buildings and plazas throughout campus. Students may participate in theater, music, and dance groups.

Time and Space to Play

Every year about 90 percent of Iowa's students make use of the university's recreational facilities. Each season offers a full schedule of intramural and club sports, ranging from rugby, tennis, and golf to volleyball, soccer, and swimming. Individual workouts are a part of many students' daily routines. Students also make use of campus walking and running trails, bikeways, ski trails, golf courses, and canoe and sailboat rentals to relax and enjoy leisure time.

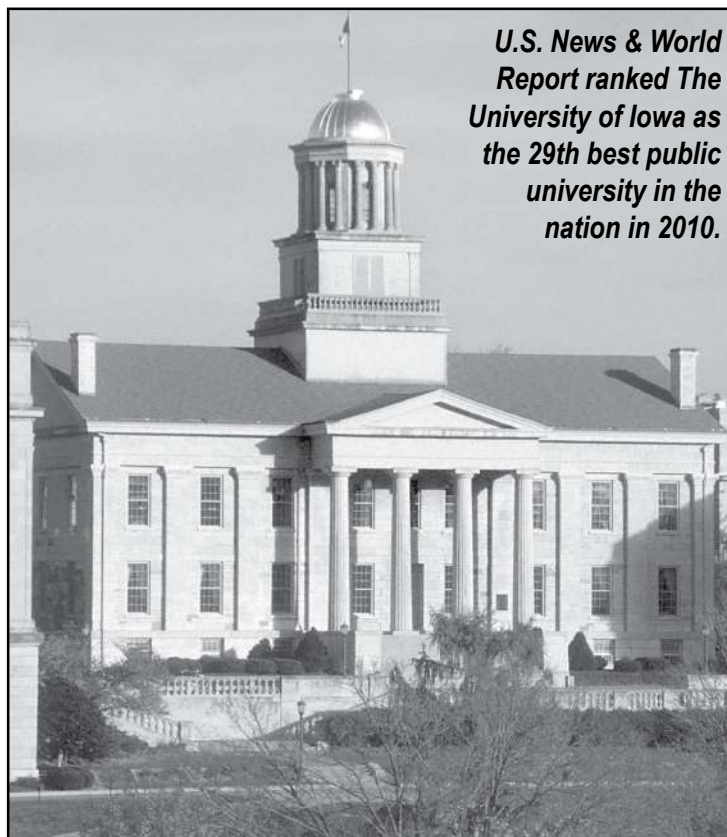

What Distinguishes an Iowa Education?

Success. Iowa's philosophy is that if students meet the entrance requirements, the university is going to do everything it can to help students to graduate. An Iowa degree spells success in the job market, giving students the skills to continue learning and growing throughout their careers.

Excellence. The faculty is stellar. Students are amazed not only at how much they know but at how enthused they are about sharing that knowledge and getting students excited about their subject.

Comfortable class sizes

Attending a large university does not necessarily mean having large class sizes. More than 30,000 students are enrolled at Iowa, but the UI has a student-to-faculty ratio of 15:1. Large lecture halls host a few of the most popular undergraduate courses, with several hundred students in attendance. However, most lectures are complemented by classroom discussions among smaller groups. Altogether, 92 percent of undergraduate classes have fewer than 50 students in them; 80 percent have fewer than 30 students. Less than 4 percent of undergraduate classes have more than 100 students in them.

U.S. News & World Report ranked The University of Iowa as the 29th best public university in the nation in 2010.

Consider Iowa's Advantages

- According to the Fiske Guide to Colleges, The University of Iowa is a "Best Buy" for an outstanding, affordable education.
- Iowa celebrates diversity—the university attracts students from 100 countries and all 50 U.S. states.
- Iowa's students and faculty have an enthusiasm for learning and for having fun.
- Iowa is part of the Big Ten Conference, sharing academic and athletic traditions among a group of America's leading universities.
- Iowa's faculty members not only offer a full range of academic offerings for students, they actively engage in innovative research projects within their specialty areas.
- Students can easily travel a half day by car to a number of large American cities, including Chicago, Minneapolis/St. Paul, Kansas City, St. Louis, and Omaha.
- Iowa City holds a cosmopolitan charm all its own as a gathering place for the world's writers, for world-renowned artists, and for noted visiting lecturers.
- The university's 400+ student organizations include fraternities, sororities, and many professional and cultural societies.
- The university's career and placement services match students with companies for internships and other professional experiences throughout their education.
- The university's graduates excel in their careers, often holding leadership positions within their professions and communities.

The Colleges

Most first-year students who enroll at The University of Iowa are admitted to either the College of Liberal Arts and Sciences or the College of Engineering. The General Education Program allows students to sample courses in more than 100 areas of study. At Iowa, students are required to take electives, major courses, and general education course work.

Liberal Arts & Sciences

Undergraduate Degrees Offered: Bachelor of Arts (BA) and Science (BS) in 58 major fields; Bachelor of Fine Arts (BFA) in Music (BM) and of Liberal Studies (BLS). **Admission:** First-year and transfer students are to meet the college's admissions requirements.

Engineering

Undergraduate Degrees Offered: Bachelor of Science in Engineering (BSE) in six majors- biomedical, chemical, civil, electrical, industrial, and mechanical engineering. **Admission:** Students must meet the college's high admissions requirements.

Business

Undergraduate Degrees Offered: Bachelor of Business Administration (BBA) in six majors: accounting, economics, finance, management, management information systems, and marketing. **Admission:** Usually requires two years of pre-business study in the College of Liberal Arts and Sciences. Details at tippie.uiowa.edu/prospective/.

Education

Iowa's Teacher Education Program transforms the way future teachers are taught. As the state's only teacher preparation program where students earn a degree in an academic subject and the nation's only program where students obtain a Teacher Leader Certificate, majors include elementary education and seven secondary education areas: art, English, foreign language, mathematics, music, science, and social studies. Forty-four graduate-level programs prepare students for careers as counselors, administrators, psychologists, student development professionals, testing specialists, and other fields at all levels of education. For more information, visit education.uiowa.edu/

Nursing

Undergraduate Degrees Offered: Bachelor of Science in Nursing (BSN). **Admission:** Students typically complete one year of prerequisite courses in the College of Liberal Arts and Sciences and apply for admission during the second semester of the first year. The College of Nursing has competitive admission.

Pharmacy

Professional Degree Offered: Doctor of Pharmacy (PharmD). **Admission:** Students must successfully complete required pre-pharmacy course work in the College of Liberal Arts and Sciences. These requirements may be met in two years but do not guarantee admission. Students must also take the Pharmacy College Admission Test (PCAT).

Graduate and Professional Degrees

Many student-athletes who have attended The University of Iowa and completed their undergraduate degrees continue their education at the University. Student-athletes who attend graduate or professional school must first complete course work toward a bachelor's degree in their field of study. The University also offers undergraduates the opportunity to participate in research and overseas study programs, as well as internships that will help prepare them for graduate school.

The Tippie School of Management's MBA program was recently ranked 20th best in the country by Forbes.

IOWA MEN'S GOLF

Housing

Each athletics team has its own rules regarding residence of incoming freshmen. Across the university, about 90 percent of freshmen choose to live on campus in one of the 10 residence halls. Most student-athletes live at least two years on campus.

The residence halls have full-service dining rooms, study lounges, laundry facilities, recreational facilities, vending, and bank machines. Each room has high-speed computer connections for e-mail and internet access, plus there are wireless networking hot spots in a variety of locations across campus. Iowa also offers wireless networking in 110 buildings and several outdoor areas, providing more than 2,000 access points across campus.

Safety

- 11:55 p.m. - 2:10 a.m.: Free SafeRide buses take students home Fridays and Saturdays during the fall and spring semesters.
- Public Safety offers Nite Ride, a safe means of late night transportation for women only. Nite Ride operates 10 p.m.-3 p.m. Thursday, Friday and Saturday.
- Special telephones with blue lights are stationed across campus with a direct link to the UI Department of Public Safety.
- University of Iowa Police personnel educate students on safety during summer orientation.
- The Rape Victim Advocacy Program cooperates with the UI Department of Public Safety and participates in Sexual Crime Awareness Week.

Cambus

There are six primary bus routes throughout the Iowa campus. The University Cambus provides over three million free rides to class and to the dorms for students each year. Some routes run seven days a week, and some run until 2:30 a.m. Cambus also operates a specialized transportation service for persons with disabilities.

Health Services

The University of Iowa provides the student-athlete with the most up-to-date and highest-quality medical care available. Students at Iowa can go to Student Health Service, which is open Monday through Friday. The service is supported by a fee paid by all full-time students. It offers students unlimited free office visits (there is a charge for other procedures done in the office, such as blood tests).

Skills Labs & Support

Many academic departments offer skills labs to help students improve skills necessary to succeed at Iowa, such as writing, speaking, math, science, and foreign language. Assistance with skills such as note-taking, time-management, and test-taking are available through resources such as the College Transition Seminar (a credit-bearing course offered through University College), University Counseling Services, and Athletic Student Services staff.

Libraries

The University of Iowa Libraries supports the academic achievement of all student-athletes with specialized courses, one-on-one consultations with librarians, 24/7 access to electronic resources through the web site (www.lib.uiowa.edu), and extended hours, which can accommodate complicated practice and travel schedules. UI Librarians help students find answers, whether they're on a web site, in a book, journal, government document, or database. Librarians also plan and teach students how to find, evaluate, and use information from a variety of sources--skills they will use throughout their lives.

Career Planning

Finding and pursuing a career takes careful planning. The Pomerantz Career Center is extremely valuable for student-athletes and can help identify skills that transfer from athletics to the workplace. The program suggests a timeline each student-athlete may follow throughout his or her stay at Iowa. The components of the program include:

- Individualized career advising
- Career education programs
- Summer job/internship opportunities
- Resume and cover letter development
- Preparing for life after college athletics

Computers

There are 26 Instructional Technology Centers all over the campus which are filled with over 1,000 computers. These facilities are open at least 50 hours a week. Some are open 24 hours. The Computer Demo Center provides information for students who want to purchase computers and software.

Cultural Centers

Four cultural centers on campus provide a welcoming setting where students from various cultures can find cultural, academic, and personal support services: the Latino and Native American Cultural Center, the Afro American Cultural Center, the Asian Pacific American Cultural Center, and the Lesbian,

IOWA MEN'S GOLF

Iowa City is a diverse, highly cosmopolitan community of 60,000 set in the natural scenic beauty of Iowa's rolling hills and woods along the tree-lined banks of the Iowa River. Iowa City has all the art galleries, ethnic foods, historic architecture and vibrant atmosphere of a much larger city, but with the compactness and friendly feeling of a small town.

As a place to live, Iowa City keeps winning awards and accolades. Named one of the 50 "Best Places to Live and Play" by National Geographic Adventure, Iowa City is ranked second among small metro areas for business and careers, and eighth among up and coming tech cities by Forbes. Money ranks Iowa City as the third-best place in the nation to retire, while Fortune lists it as the 21st-best "Place to Live and Launch". Largely as a result of the UI's pioneering leadership in creative writing, Iowa City has been designated America's first UNESCO "City of Literature."

Economically, businesses such as Rockwell Collins, American College Testing and Procter & Gamble help keep the city booming. In Coralville, a branch office of Geico Auto Insurance has provided many residents with employment opportunities.

Culturally, Iowa City is alive with concerts, art exhibits, readings, plays and art events of all kinds. Located on the University of Iowa campus, Hancher Auditorium is a nationally-known performance center that brings in the best of Broadway, classical and jazz music, dance and other performances. The University of Iowa Theatre Arts department also produces a full schedule of plays each year, featuring the work of student performers and directors. So whether you enjoy the arts as a spectator or as an outlet for your own creativity, Iowa City has the opportunities. For more than 70 years emerging writers have come to the Iowa Writers' Workshop, fostering and celebrating American literature.

Residents of Iowa City are not only economically and culturally enriched, they also take advantage of the numerous recreational facilities offered around town. The area's more than 30 parks provide opportunities for year-round activities including boating, hiking, swimming, fishing and skiing.

The city's greatest charm, however, remains the sincere friendliness of its citizens, the cosmopolitan atmosphere and the successful partnership built between the community and the university.

Old Capitol

One of the most recognizable sites in Iowa City is the gold dome of the Old Capitol which is situated in the heart of downtown. Built in 1840, it is Iowa City's most historic building. The Old Capitol was the site of the first governor inauguration as well as the first six Iowa General Assemblies. It is also where the state's Constitution was drafted. When the capital was moved to Des Moines in 1857, the Old Capitol was dedicated to The University of Iowa, becoming the first building owned by the University.

Coralville Lake

Just north of Iowa City is Coralville Lake, an outdoor recreational area that offers a variety of opportunities for the public. Coralville Lake offers picnic shelters, biking, hiking, fishing, boating, swimming, hunting, camping, snowmobiling, cross country skiing, golf and disc golf.

City Plaza

Located downtown and in walking distance of many of the University's dormitories is the City Plaza. It is a perfect place to sit outside and study or hang out with friends. During the fall, spring and summer months there are concerts and art festivals in the "Ped Mall".

Coral Ridge Mall

The Coral Ridge Mall is a 1.2-million-square-foot shopping center located just minutes from campus. The center combines a mix of over 120 specialty shops and strong anchor stores including Best Buy, Dillards, JC Penney, Sears, Target and Youngers. Coral Ridge also offers entertainment features such as an NHL-regulation-sized indoor ice arena, state-of-the-art 10-screen movie theatre and a large carousel along with a 1,000-seat food court with sit-down restaurants. Specialty stores include Abercrombie & Fitch, Barnes & Noble, Gap, Old Navy, Scheels All Sports and Pier 1 Imports.

Iowa City is located in eastern Iowa and is an easy trip to such cities as Des Moines (the capital of Iowa), Chicago, St. Louis, Kansas City, and Minneapolis. Also, Cedar Rapids, a city of more than 150,000, is just a short drive north of Iowa City. The Eastern Iowa Airport, which links residents to every major airport in the Midwest, nation and world, is only 20 minutes away.

IOWA MEN'S GOLF

The Hawkeye Nickname

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the *Fort Madison Patriot*, moved his paper to Burlington in 1843 and renamed it the *Burlington Hawkeye*. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.

Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized university life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.

School Colors

For 40 years Iowa was without school colors, but in 1887 a group of 50 seniors met on the steps of the Old Capitol to decide what are now the school official colors. They chose gold, the color of Iowa's vast corn fields and black, the color of the rich soil.

School Fight Song

The Iowa Fight Song was written in 1950 by Mason City, Iowa, native Meredith Willson. Best known as the creator of Broadway's *"The Music Man,"* Willson was awarded a 1963 University of Iowa Alumni Association Distinguished Service Award for "setting the spirit of Iowa to music." The lively cheer is sung hundreds of times during Iowa athletics events the year around.

The word is Fight, Fight, Fight for IOWA
Let every loyal Iowan sing;
The word is Fight, Fight, Fight for IOWA
Until the walls and rafters ring (Go Hawks!)
Come on and cheer, cheer, cheer for IOWA
Come on and cheer until you hear the final gun.
The word is Fight, Fight, Fight for IOWA
Until the game is won.
