

The Hawkeye Visions Endowment Program: Investing in a Winning Future is a 10-year campaign, with a \$25-million goal, which seeks to create permanently endowed scholarships for all starting positions for Iowa's athletic teams. The program currently includes approximately 100 fully-endowed scholarships, 50-partially endowed-scholarships, 25 scholarships which are in the development stages and 30 future scholarship gifts.

The following scholarships are fully-endowed awards which are currently dedicated to the Iowa softball program. These endowments of at least \$200,000 (sport) or \$400,000 (position) provide earnings to annually fund a full-ride softball scholarship (tuition, room, board, books and fees). Other sport scholarships, partial scholarships, awards being developed and/or planned are not included in this list.

"We are one of the few programs in the nation that have people interested in endowing scholarships for softball. We feel very honored to say this. Many schools have numerous scholarships provided for football and basketball, but Iowa has people who feel as strongly about softball. This is a unique circumstance. I am grateful to people such as Peg and John Slusher, Bill and Kay Pitlik, Don Heineking and members of the Polk County I-Club for thinking of us. It is wonderful to feel valued by your fans. We are at Iowa."

**-Head Coach Gayle Blevins**

### **John and Peg Slusher Softball Catcher's Scholarship**

In 1999, John and Peg Slusher funded the first fully-endowed position scholarship in women's athletics at Iowa. Two of the biggest fans the Hawkeyes have, the Slushers are regular fixtures in the stands at Pearl Field. They also have season tickets for football, men's and women's basketball, and wrestling. Both John and Peg are former employees of Rockwell Collins in Cedar Rapids.

### **Donald W. and Marilyn Heineking Softball Scholarship**

The Heineking Softball Scholarship was established in 2004, along with a baseball scholarship. Previously, the couple established scholarships in women's basketball, football, wrestling as well as a men's basketball manager's scholarship. Most recently, Don added scholarships in volleyball and men's track. Don is a 1958 UI business graduate and president of Security State Bank in Hubbard, Iowa. Don lives in Iowa City and is a member of the Presidents Club of the UI Foundation. Marilyn passed away in February of 2004.

**John and Peg Slusher with 2007 scholarship recipient, Emily Nichols.**

### **William and Kay Pitlik Softball Scholarship**

Bill and Kay Pitlik of Cedar Rapids, Iowa, established their endowed scholarship in 1996. Both are University of Iowa graduates, Kay in 1952 and Bill in 1953. The Pitliks are the former owners of the Pepsi-Cola Bottling Company in Cedar Rapids. They are avid Hawkeye fans and have also endowed scholarships in football, women's basketball and wrestling.

### **Polk County I-Club Scholarship**

The Polk County I-club established their first scholarship in 1998 for the University of Iowa football team. Then, in 2003, the club added a second endowed scholarship for the UI softball program. Selection preference will be give to current Hawkeye softball players from Polk County high schools.

# IOWA SOFTBALL

Why Iowa? .....

"I came to Iowa because I knew if I had the opportunity to work with Gayle I would be working with one of the best our sport has ever known. I wanted to be challenged and wanted to understand what made Iowa so good year after year. Gayle always gets so much more out of her players than anyone could ever imagine, which shapes these athletes to be strong, confident women when they leave our program. Even though I knew this would be a great career opportunity when I took the job, I never could have imagined the value of this experience until I lived it on a daily basis. I will forever be grateful for the opportunity that Iowa has afforded me."

**-Associate Head Coach Michelle Venturella**

"I am thankful for the opportunity Coach Blevins and the University of Iowa have given to me to be part of Hawkeye Softball. The rich tradition Coach Blevins has established here is truly special. Being a part of the Big Ten Conference, alongside the unique atmosphere created by the University of Iowa, provides a great place to compete for championships. It's an exciting time to be a part of Hawkeye Softball."

**-Pitching Coach Shane Bouman**

"The University of Iowa offers young women a wonderful environment to achieve excellence, both academically and athletically. Being a student-athlete within the Iowa softball program only enhances that opportunity. Coach Gayle Blevins has inspired and supported literally hundreds of young women to dream, and to become their own visions of success. At Iowa, parents can be assured that their daughters will receive outstanding coaching on the field, and outstanding leadership for life. My belief in this institution, in this program, and in Coach Blevins' ideals continues to inspire me as a long-time staff member who is closely involved."

**-22-Year Athletic Trainer Faye Thompson**

"I chose Iowa because I love the environment here. I could tell that the team and the coaches loved what they were doing here, and I knew that was something I wanted to be a part of."

**-Chelsey Carmody**  
**Freshman**  
**St. Louis, MO**

"Iowa provided a good experience for me being away from my family. On my recruiting trip, I fell in love with the campus and all the people surrounding the softball program. It was a good fit for me, and being able to play softball with the fans and the support that we all give each other on and off the field is an amazing feeling."

**-Brittany Weil**  
**Junior**  
**Garden Grove, CA**

"I chose Iowa because of the tradition of excellence on and off the field, the great coaching staff, and the close family environment the team and fans create. Being a Hawkeye pushes you to be the best you can be, athletically and academically, while making life-long friendships along the way."

## Hawkeyes Continue to Make Their Mark

"Iowa softball provided me with irreplaceable memories of team unity, determination, and victory. At the end of my career I only wished I could start the journey again... until I realized that I had. As I continue with my academic career and professional interests, each day I have the same opportunities for growth and achievement. Demonstrably, I am without uniform, spikes, and glove, but they are at my core, as well as the life lessons I learned on my journey at the University of Iowa. The most important lesson: once you join the family that is Iowa softball—you are a member always."

**-Erin McGee**

"It's hard to believe, but I still get emotional thinking about my years at Iowa. The decision to go to Iowa was an easy one. There was a commitment to excellence on the field and in the classroom. The success our teams enjoyed in those years was just the beginning. Everything I learned while playing at Iowa... teamwork, dedication and time management... I use in my professional and personal life today. I am so proud to see each Iowa team bring their own unique talent to the field while possessing the same character that defines Iowa: hardworking, committed and enthusiastic. Many programs claim to be a family, but Iowa softball is. Once a Hawkeye, always a Hawkeye."
