Iowa Wrestling Sponsorships

Two of Iowa's key sponsors are Cliff Keen Athletic and ASICS. The Hawkeye staff is proud and thankful to be associated with these two organizations, who provide the best in wrestling gear.

Cliff Keen Athletic is a wrestling and officials wear company, dedicated to the advancement of athletics through innovative products and communications. Cliff Keen Athletic exemplifies the rich traditions of sport and the superior quality of athletic wear required for holding up to the rigors of competition. The company was founded by the legendary University of Michigan wrestling coach of the same name in 1958. Keen coached the 1948 U.S. Olympic team and invented the wrestling head guard.

In 1949, Mr. Kihachiro Onitsuka began his athletic footwear company (Onitsuka Co., Ltd.) by manufacturing basketball shoes out of his living room in Kobe, Japan. He chose the name ASICS for his company in 1977, based on a famous Latin phrase "Anima Sana In Corpore Sano", which when translated expresses the ancient ideal of "A Sound Mind in a Sound Body." Taking the acronym of this phrase, ASICS was founded on the belief that the best way to create a healthy and happy lifestyle is to promote total health and fitness. ASICS® products were introduced to the United States in 1977.

Terry Brands Associate Head Coach

Two-time World Champion and 2000 Olympic bronze medalist Terry Brands is in his 11th season on the University of Iowa staff. His twin brother, Tom, is the head coach of the Hawkeyes. Brands is in his second year as associate head coach at Iowa after serving two stints (2008-10 and 1992-2000) as an assistant coach.

During the last three seasons, Brands has helped Iowa to two NCAA and Big Ten team titles, crowning three NCAA champions, 18 All-Americans, six Big Ten champions and 24 academic all-Big Ten honorees. Iowa posted an unbeaten 62-0-1 dual record during those three seasons. The Hawkeyes will enter the 2011-12 season riding a 77-dual match unbeaten streak, which started during the 2007-08 season.

In the last three seasons, Iowa set school records for longest dual unbeaten (77) and winning streaks (69), longest dual road unbeaten (49) and winning streaks (44), most Carver-Hawkeye Arena victories (11) and most dual shutouts (8). Iowa also made another entry in the record books, setting the national collegiate dual meet attendance record of 15,955 when it hosted Iowa State Dec. 6, 2008, at Carver-Hawkeye Arena. The previous record of 15,646 was set Feb. 1, 2002, when Minnesota hosted Iowa at the Target Center in Minneapolis. The Hawkeyes won the Iowa State dual, 20-15.

Brands rejoined the Hawkeye staff in 2008 after a three-year stint (2005-08) as USA Wrestling's National Freestyle Resident Coach in Colorado Springs, Colo. During his tenure, Brands worked with 2008 U.S. Olympic freestyle gold medalist Henry Cejudo and 2006 World champion Bill Zaidick.

His previous collegiate coaching experience includes three years as head coach at the University of Tennessee-Chattanooga (2002-05), and as an assistant coach at Montana State-Northern (2001-02), the University of Nebraska (2000-01) and the University of Iowa (1992-2000). At Chattanooga, Brands led the Mocs to the 2005 Southern Conference title, while crowning three conference champions and two All-Americans. At Iowa, he helped the Hawkeyes win seven NCAA and Big Ten titles, while crowning 19 NCAA and 26 Big Ten champions. Iowa's dual record of 115-12-1 during his tenure included three undefeated seasons (14-0 in 1995, 17-0 in 1996 and 18-0 in 2000).

Brands was one of the nation's greatest freestyle wrestlers, winning World gold medals in 1993 in Toronto, Canada, and in 1995 in Atlanta, Ga., at 125.5 pounds (57 kg). As a member of the 1993 and 1995 U.S. World Teams, he was on the only two U.S. teams to win World Team Titles in freestyle. In 1993, he won his world title with Tom, who was the World champion at 136.5 pounds (62 kg). Terry and Tom were named 1993 USA Wrestling Athlete of the Year, 1993 John Smith Freestyle Wrestler of the Year and 1993 Amateur Wrestling News Man of the Year. The Brands brothers became the first U.S. brothers to win a World title during the same year.

Brands placed second at the 1996 U.S. Nationals and the 1996 Olympic Team Trials, falling just short of making the U.S. Olympic Team. He qualified for the 1997 and 1999 U.S. World Teams, but did not compete due to injury. In 2000, he made a comeback and won the U.S. Olympic Team Trials at 127.75 pounds (58 kg). He earned a bronze medal at the 2000 Olympic Games in Sydney, Australia.

A two-time World Cup champion (1994, 1995), Brands won a gold medal at the 1995 Pan American Games. He was a two-time silver medalist at the respected Yarygin Tournament in Krasnoyarsk, Russia. Brands won three U.S. Nationals titles, and was runner-up three times. He was inducted into the National Wrestling Hall of Fame in 2006.

Brands was a two-time NCAA champion, three-time All-American and three-time Big Ten champion for the Hawkeyes (1989-92) at 126 pounds. He ended his career at Iowa with a 137-7 record. He still ranks fourth in season wins (43 - 1990-91) and career record, fifth in career wins (137), sixth in career pins (48) and ninth in season pins (18 - 1990-91). He is one of 18 Hawkeyes to post an undefeated season record, going 35-0 in 1991-92.

IOWA WRESTLING

2011-2012

SEASON PREVIEW

Mark Ballweg

Grant Gambrall

Ethan Lofthouse

Tony Ramos

When you look around the University of Iowa wrestling program this season you'll notice some changes -- material changes, anyway. After spending the 2010-11 season training at the UI Field House, the wrestlers have returned home to a recently renovated Carver-Hawkeye Arena and Dan Gable Wrestling Complex.

The award winning facility now features an expanded training facility, new locker rooms, a student-athlete video room, a wrestling administrative suite, new athletic-training amenities, and an 11,000-square foot strength and conditioning room. The space has all the conveniences and comforts you'd expect from a facility following a \$47 million makeover.

Physically, the Iowa wrestling program has a shiny new home. It's big, and it's bright. It bears the name of one of the greatest coaches in the history of college athletics. But all the new space and fresh paint means little without the emotional commitment and mental toughness necessary for the 2011-12 Hawkeyes to earn the 24th NCAA team title in school history.

Since 1928, 51 Iowa student-athletes have combined to win 78 NCAA individual wrestling championships. Thirty-nine more will have that same opportunity in 2012. Seven returning Hawkeyes were 2011 NCAA qualifiers. Four of them earned All-America honors, including national runner-up Matt McDonough (125), second runner-up Grant Gambrall (184), and fourth-place finishers Montell Marion (141) and Derek St. John (157).

McDonough won his first Big Ten title and reached the national finals for the second time in as many seasons at 125 pounds during his sophomore campaign in 2011. The junior from Marion, Iowa, led the Hawkeyes with 14 falls, owns a 64-3 career record and is the only Hawkeye student-athlete in the wrestling room with a national championship to his credit (2010, 125 lbs).

Gambrall, a junior from Iowa City, Iowa, returns after posting a 25-8 record at 184 pounds last season. Following a fifth-place finish at the Big

Ten Tournament, Gambrall won six-of-seven matches at the NCAA Championships to capture third place. He also recorded a team-high eight major decisions as a sophomore.

Marion, a senior from Des Moines, Iowa, posted a 17-4 overall record last season, while placing fourth at 141 pounds at the NCAA Championships. The two-time All-American also placed second at the national tournament in 2010.

St. John, a sophomore from Parnell, Iowa, returns to the Hawkeye lineup at 157 pounds following an All-America freshman campaign. He placed fourth at the national tournament and earned a runner-up finish at the Big Ten Championships, while posting a 24-6 record and earning the team's Most Improved award.

Iowa's four returning All-Americans will be joined by NCAA qualifiers Tony Ramos (133), sophomore Ethan Lofthouse (174) and senior Blake Rasing (285). In his first season as a full-time starter, Rasing, a native of New Hampton, Iowa, was asked to fill the shoes of two-time defending Big Ten champion Dan Erikson. Rasing answered the call with an 18-7 overall record, including three straight wins at the conference tournament to capture Iowa's third straight Big Ten title at the heavyweight class.

Ramos, a sophomore from Carol Stream, Ill., recorded a 25-6 record in his rookie campaign. He went undefeated in dual competition, including an 8-0 mark in Big Ten duals, and won the 133-pound title at the Glen Brand Open. He placed third at the Big Ten Championships and earned an automatic bid to the NCAA Championships.

A native of Avon, Utah, Lofthouse placed third at 174 pounds at the Big Ten Championships and posted a 20-10 record while earning an automatic bid to the NCAA Championships.

Head coach Tom Brands and his staff will have a hungry group of competitors anxious to challenge Iowa's returning NCAA qualifiers and fill the holes left by graduated seniors Aaron Janssen and Luke Lofthouse. Lofthouse placed fifth at 197 pounds at the NCAA Championships

SEASON PREVIEW

2011-2012

and Janssen led Iowa with 28 wins while holding down the 165-pound position.

Brands will also need someone to grab ownership of the 149-pound weight class. Brothers Matt and Mark Ballweg filled the position last season, but Matt has graduated and Mark experienced better results wrestling at 141 pounds, where he owned a 15-3 record. A third Ballweg brother, Jacob, could factor into the equation. Jacob recorded a 19-2 record and won three tournament titles while competing unattached at 149 last season.

Sophomore Dylan Carew also returns with an eye at the 149 position. Carew opened last season as Iowa's 149 pound starter, but suffered an injury that sidelined him after an early 2-0 start to the season. Junior Jeret Chiri and senior Stew Gillmor will add experience to the 149 pound battle. Both competitors will also add depth at 157 pounds.

Redshirt freshman Nick Moore, sophomore Joe DuCharme, and redshirt freshmen Walt Gillmor and Michael Kelly are among the candidates to fill the 165-pound vacancy. The foursome combined for a 73-20 record and five tournament titles last season.

The 197-pound starting position will be a three-man race between senior Brodie Ambrose, redshirt freshman Jeremy Fahler and sophomore Tomas Lira. Ambrose did not compete last season, but posted a 10-0 mark while competing unattached at 197 in 2009-10. Lira and Fahler will have to move up a class from a year ago if they grab the 197-pound position. Lira posted a 13-7 mark at 184, while Fahler had a combined record of 14-12 at 174 and 184.

The list of returning Hawkeyes eager to rock the boat and surface as potential starters also includes seniors Tyler Clark (125/133), Tyler Halverson (149) and J.J. Krutsinger (125/133); junior Nate Moore (133); sophomores Nick Trizzino (133/141) and Vinnie Wagner (184); and redshirt freshmen Josh Dziewa (141), Mike Evans (174), Matt Gurule (125/133), Charlie Joseph (133), Ethan Owens (141/149) and Bobby Telford (285).

The Hawkeyes will also add eight newcomers to the mix. Freshmen Tom Flood (184), Brody Grothus (149), Josh Haug (184), Jake Kadel (149), Kris Klapprodt (174), Patrick Rhoads (465) and Joey Trizzino (149) combined for seven state championships and enter the Dan Gable Wrestling Complex with extensive experience on the national level. Junior transfer Aldon Isenberg is also expected to add depth at 133 pounds. The Fort Hays State transfer posted a 35-3 record in 2010-11.

The cream of the Hawkeyes 2011-12 crop will rise to the top of the depth chart at the annual wrestle-offs Nov. 10-12. Iowa opens the season Nov. 19 at the Lindenwood University Open before returning to Carver-Hawkeye Arena to host Baker, Cornell College and Iowa Central on Nov. 25 at the Iowa City Duals. The Hawkeyes open conference action hosting Illinois on Dec. 2 before consecutive duals against in-state rivals Iowa State (Dec. 4) and Northern Iowa (Dec. 8). The Hawkeyes then compete at the 49th annual Midlands tournament Dec. 29-30 before continuing Big Ten action at Indiana on Jan. 6.

Iowa has four home duals after the turn of the calendar. Dual opponents include Oklahoma State (Jan. 7), Northwestern (Jan. 15), Minnesota (Jan. 29) and Wisconsin (Feb. 5). January road duals include trips to Nebraska (Jan. 13), Ohio State (Jan. 20) and Penn State (Jan. 22).

Iowa then heads back to Ames, Iowa, for the first round of the Cliff Keen National Duals on Feb. 12. The national duals finals will be held at a site to be determined Feb. 19. The championship season continues into March when the Hawkeyes head to West Lafayette, Ind., for the Big Ten Championships on March 3-4. The season then peaks in St. Louis, Mo., on March 15-17 when the Hawkeyes aim for the 24th team title in school history.

Iowa Corn Cy-Hawk Series

The Cy-Hawk Series is in its eighth season in 2011-12, being sponsored for the first time by Iowa Corn. Iowa leads the series 4-3 in the in-state competition against Iowa State that began in 2004-05. Iowa captured the Cy-Hawk Series a year ago by a 15-11 margin.

Last season, Iowa captured victories in football, women's soccer, wrestling, women's basketball, women's swimming and diving and softball. ISU recorded wins in volleyball, men's and women's cross country and men's basketball. The women's gymnastics teams split.

Iowa captured the inaugural Cy-Hawk Series (13-8) in 2004-05 and won again in 2006-07 (13-8), 2008-09 (21-4) and 2010-11 (15-11). Iowa State won the competition in 2005-06 (13-8) and 2007-08 (18-9) and 2009-10 (16-11).

The 12-event series awards two points (except football, which is worth three) to the winning school in each head-to-head match-up between the two institutions. Additionally, two points are awarded to an institution if the graduation rate of its student-athletes is greater than the national average as reported each fall by the NCAA.

A commemorative Cy-Hawk Series Cup, which stands 31 inches tall and weighs 19 pounds, is displayed on the winning team's campus for an entire year after a victory. Replica cups are also presented as "traveling trophies" for individual victorious teams in the head-to-head competition.

This season's Iowa Corn Cy-Hawk Series schedule is listed below. All events are worth two points, except football, which is worth three points:

BIG TEN NETWORK

2011-2012

Headquartered in Chicago, BTN is the first internationally distributed television network dedicated to covering one of America's premier collegiate conferences. With more than 350 live sports events, and virtually all of them in high definition, BTN is the ultimate destination for Big Ten fans and alumni across the country. The network is on the air 24 hours a day, 365 days a year.

Where to Find Us

The network is available to an estimated 80 million households, through agreements with more than 300 cable, satellite and telco affiliates in all 50 states and Canada. That includes existing distribution agreements with each of the nation's 10 largest cable, satellite and telco providers (Comcast, DIRECTV, Dish Network, Time Warner Cable, Cox Communications, Charter Communications, Verizon FiOS, Bright House Networks and AT&T U-Verse).

Customers of DIRECTV and DISH Network have access to the network regardless of where they live, while Verizon and AT&T continue to roll out their FiOS and U-Verse services across the country. The network is available on cable in 19 of the nation's 20 largest media markets, including New York City, Chicago, Philadelphia, Dallas, San Francisco, Boston, Atlanta, Washington DC, Houston and many more. To get the channel number specific to your area and provider, visit www.bigtennetwork.com/channelfinder.

Cable subscribers inside the Big Ten states receive the network on either an expanded basic or digital basic level of service. Outside the Big Ten states, cable operators that carry the network make it available on a variety of packages.

BTN Programming

BTN is on the air 24 hours per day, 365 days a year. The network annually televises more than 350 live events and streams an additional 400+ events. Each year's schedule is comprised of approximately 40 football games, 105 regular season men's basketball games, Big Ten Men's Basketball Tournament games, 55 women's basketball games, Big Ten Women's Basketball Tournament games, hundreds of additional Olympic sports events and dozens of Big Ten championship events.

Every BTN football game telecast is surrounded by Big Ten Football Saturday, the network's pre-game, halftime and post-game show hosted by Dave Revsine and analysts Gerry DiNardo and Howard Griffith.

In addition to live events, the network also airs coaches' shows and classic games. Each campus also has the opportunity to produce original, campus programming highlighting various aspects of campus life and the qualities that make each university unique.

Some of BTN's streamed events are also televised on delay as part of the network's Student U initiative. Big Ten students on each campus produce and announce these events, offering a unique opportunity to gain real-world television experience.

Why the Network Was Created

BTN was created to provide the conference with more national exposure for Big Ten sports while enhancing its existing television agreements with its other television partners.

The conference wanted to control more fully the advertising environment in which its events were aired (the network accepts no alcohol or gambling advertising), dramatically increase exposure for women's sports and other NCAA sports that had not previously been widely televised and improve distribution for football and men's basketball games that were previously available only on a local or regional basis.

Considered to be one of the most successful launches in cable television history, BTN became the first network in cable or satellite television history to reach 30 million subscribers within its first 30 days on the air. BTN is a joint venture between subsidiaries of the Big Ten Conference and Fox Cable Networks.

BTN's Impact

The network has provided an additional revenue source at a time of continued decreases in state support. The network has also provided significant and additional exposure for all Big Ten men's and women's sports, some of which previously received little or no television exposure. It also helps with recruiting in all sports as the ability for parents to watch their children compete from anywhere across the country is a major selling point.

2011-2012

NCAA CHAMPIONSHIP SEASONS

No team has dominated collegiate wrestling like the University of Iowa Hawkeyes since the mid 1970s. Iowa captured nine straight NCAA titles from 1978-86 and has won 23 of the last 37. During that span Iowa boasts 240 All-Americans and 66 individual champions. Following are summaries of Iowa's 23 NCAA championship seasons.

1975

Iowa posted an undefeated dual season (17-0-1), set a school mark for wins and won its first NCAA title. The team had a school-record five All-Americans, national champs in Chuck Yagla and Dan Holm, and four dual shutouts.

1976

Iowa won its second straight NCAA title and captured 14 of 15 duals. A school-record three Hawkeyes (Brad Smith, Chuck Yagla and Chris Campbell) won NCAA titles. Yagla won his second straight title and was the meet's Outstanding Wrestler. Iowa won the title by almost 40 points and amassed a national record 123 1/4 points.

1978

The Hawkeyes started their nine-year string of national championships and were 15-1 in duals. Iowa's one-half point margin of victory at the NCAA meet gave the Hawkeyes their third title in four years. This team was the first in college history to win the national championship without an individual champion.

1979

Coach Dan Gable's first undefeated and untied (19-0-0) team included NCAA champs Bruce Kinseth and Randy Lewis. Kinseth, who had a school-record 23 pins, was named Outstanding Wrestler at the NCAA Meet. He pinned all four opponents at Big Tens and all five at nationals.

1980

Iowa won its third straight national title with a school-record eight all-Americans, including NCAA champions Randy Lewis (134) and Ed Banach (177). A 34-match dual winning streak was snapped by Cal-Poly, 27-12.

1981

The winningest team (21-1) in Iowa annals boasted nine All-Americans and seven Big Ten champs. Brothers Ed and Lou Banach won NCAA titles. The 10-man lineup had an overall record of 302-45-2. Iowa won the NCAA title by 29 1/2 points.

1982

Three NCAA champions – Barry Davis, Jim Zalesky and Pete Bush – paced the undefeated (16-0-1) national titlists. Davis set the Iowa season mark for wins with 46. The Hawkeyes had eight All-Americans and piled up a record 131 3/4 points at the NAAs.

1983

Iowa set a Big Ten record with nine league champs, compiled a 17-1 dual record and won a sixth consecutive NCAA crown. Iowa had nine All-Americans, a tournament record. Ed Banach won his third NCAA title in four years. Carver-Hawkeye Arena opened its doors with a 35-7 victory over Oklahoma.

1984

The Hawkeyes were 16-1 in duals and won both NCAA and Big Ten titles. Jim Zalesky, named Outstanding Wrestler at the NAAs, posted his second straight undefeated campaign and closed his career with 89 straight wins. Five Hawkeyes made the national championship match.

1985

Gable's second perfect season record (18-0-0) was accomplished with nine All-Americans and eight Big Ten champions. Davis, who won his third NCAA title, earned Outstanding Wrestler. For the second year in a row, five Hawkeyes wrestled in NCAA title matches.

1986

The Hawkeyes' record-tying ninth straight national team title was a record-shattering performance. Iowa set all-time NCAA records for points scored (158), margin of victory (73.25) and national champs (five)! Marty Kistler was the Hawkeyes' third straight NCAA Outstanding Wrestler award winner. Six wrestlers won at least 30 matches. The ninth straight NCAA championship tied the all-time record for consecutive titles.

1991

Iowa regained the national title that had eluded it since 1986, crowning nine All-Americans at the NCAA meet in Iowa City. Tom Brands (134) won his second straight title and was joined on the victory stand by Mark Reiland (167). Tom Brands ended the year with a perfect 45-0 record. Iowa's team total of 157 was just one shy of the NCAA record, set by Iowa in 1986. The Hawkeyes won their 18th straight Big Ten title.

1992

Gable's third perfect season (16-0-0) was accomplished by nine All-Americans, including NCAA champs Terry Brands, Tom Brands, and Troy Steiner. Tom Brands won his third consecutive NCAA title and was named Outstanding Wrestler. The Hawkeyes won their 19th straight Big Ten crown (6 champs) and second straight NCAA title. The Iowa-Iowa State dual meet (a 29-8 Iowa victory) drew an NCAA record 15,291 fans in Iowa City.

1993

Iowa rebounded from a midseason slump to win a third straight NCAA title and 20th consecutive Big Ten title. The Hawkeyes fell from the top of the Amateur Wrestling News poll with a 24-20 loss to Nebraska at the National Duals in Lincoln, NE, in late January, but regrouped to go 8-0 down the stretch. Seven Hawkeyes earned All-America honors, headlined by national champs Lincoln McClravy and Terry Steiner. Steiner was named Outstanding Wrestler at the NCAA Meet, and his brother Troy was selected Big Ten Athlete of the Year. Gable was named Big Ten Coach of the Year for the first time.

1995

The Hawkeyes won their 15th NCAA title and 22nd consecutive Big Ten title while posting an undefeated dual meet record (14-0). Nine Hawkeyes were named to the All-America team for the sixth time in school history. The All-Americans were Ray Brinzer, Mark Ironside, Jeff McGinness, Lincoln McClravy, Mike Mena, Matt Nerem, Joel Sharratt, Daryl Weber and Bill Zadick.

1996

Iowa finished its second consecutive dual meet season undefeated, posting a 17-0 record. The Hawkeyes won their 23rd consecutive Big Ten title and their 16th national title. Gable was named Big Ten Co-Coach of the Year and sophomore Mark Ironside was selected Big Ten Wrestler of the Year. Seniors Daryl Weber and Bill Zadick and sophomore Joe Williams all won their first NCAA titles. Seven Hawkeyes earned All-American honors, including Lee Fullhart, Ironside, Mike Mena, Mike Uker, Weber, Williams and Zadick.

1997

The Hawkeyes scored an NCAA record 170 team points en route to their 17th national title in Dan Gable's final season at Iowa head coach. Iowa crowned five national champions (Jessie Whitmer, Mark Ironside, Lincoln McClravy, Joe Williams and Lee Fullhart), and eight All-Americans. McClravy was named Outstanding Wrestler of the NCAA Championships. The Hawkeyes also won their 24th consecutive Big Ten title, and Ironside was named Big Ten Wrestler of the Year for the second consecutive year.

After an eight-year absence, the Hawkeyes regained the top spot on the NCAA Championship podium by winning the school's 21st national title. The team crowned two individual champions - senior Mark Perry (165) and sophomore Brent Metcalf (149) - and had seven All-Americans. Iowa won its 32nd Big Ten title and went 21-1 in dual competition and 8-0 in Big Ten duals. Head Coach Tom Brands was named Coach of the Year by the NWCA, *W.I.N. Magazine* and the Big Ten. Metcalf was named the Dan Hodge Trophy winner, the Jesse Owens Big Ten Male Athlete of the Year, Outstanding Wrestler at the NCAA and Big Ten Championships and Big Ten Wrestler of the Year.

2009

Despite crowning no individual champions, the Hawkeyes collected their second straight team title at the 2009 NCAA Championships in St. Louis, MO. Iowa scored 96.5 points, edging runner-up Ohio State by 4.5 points, to record its 22nd NCAA team title. It's the closest margin of victory since Iowa won the 1999

team title by two points. It also marks only the second time in school history the Hawkeyes have won the NCAA title without an individual champion. Iowa also accomplished that feat in 1978. The Hawkeyes had a total of five All-Americans in juniors Brent Metcalf (149-2nd), Daniel Dennis (133-7th), Ryan Morningstar (165-3rd), Phillip Keddy (184-4th) and Dan Erikson (Hwt.-4th). The Hawkeyes posted a perfect 24-0 dual meet record, going 8-0 in Big Ten duals, and won their 33rd Big Ten team title. Iowa also set the national collegiate dual meet attendance record of 15,955 when it hosted Iowa State at Carver-Hawkeye Arena.

2010

Iowa closed out the 2009-10 season on the winner's stand, bringing the Big Ten and NCAA team trophies back to Iowa City. Iowa won its 23rd NCAA and 34th Big Ten titles while crowning three NCAA champions, eight All-Americans and two Big Ten champions. The team was undefeated at 23-0 in dual competition, marking the 13th perfect season in school history. Iowa was also 11-0 at Carver-Hawkeye Arena and 8-0 in Big Ten duals, winning its third straight conference regular season title. Iowa won the 2009 Midlands and 2010 NWCA/Cliff Keen National Duals Division I team titles, ending the season on a 61 dual-match winning streak and shutting out eight opponents - both of which are school records. Seniors Brent Metcalf and Jay Borschel, and redshirt freshman Matt McDonough won individual NCAA titles, while seniors Daniel Dennis, Dan Erikson, Phillip Keddy and Ryan Morningstar, and sophomore Montell Marion each earned All-America honors. Borschel and Erikson were Iowa's two Big Ten champions. McDonough was named Big Ten Freshman of the Year, and Head Coach Tom Brands was named Big Ten Coach of the Year for the third straight season.

The Hawkeyes won their 23rd national team title at the 2010 NCAA Championships in Omaha, NE. Iowa scored 134.5 points while crowning three individual champions -- seniors Brent Metcalf (149) and Jay Borschel (174), and redshirt freshman Matt McDonough (125).

Dan Hodge Trophy

The Dan Hodge Trophy is presented annually to the nation's most dominant college wrestler. It is named for the undefeated, three-time NCAA champion from Oklahoma University in the mid 1950s. Hodge has the highest pinning percentage in collegiate history, and was known for his dominating style of wrestling. The award is co-sponsored by W.I.N. Magazine and the Dan Gable International Wrestling Institute and Museum in Waterloo, IA. The award was first presented in 1995. Former Hawkeye Mark Ironside won the award in 1998 and Hawkeye senior Brent Metcalf won it in 2008.

IOWA WRESTLING

2011-2012

SUCCESS OFF THE MAT

"Wrestling for Iowa and Coach Gable taught me significant life lessons, such as hard work, dedication and perseverance. In addition to these tenets, wrestling has instilled in me the ability to read people, whether it be on the mat or in the courtroom. The importance of this skill translates easily from the mat to all facets of the professional/business world. Beyond fulfilling my childhood dream of wrestling for Iowa, I will always be grateful for those life lessons and skills, which I use daily to continue my success off the mat."

Jeff Mc'Ginness

Attorney with Simmons Perrine

Three-time All-American, two-time NCAA Champion and NWCA all-academic team member, 1994 Big Ten Freshman of the Year, 1998 Big Ten Championships Outstanding Wrestler, Hawkeye letterwinner in 1994-96, 1998

"While at the University of Iowa I learned what it means to compete - to step onto the mat and wrestle not just to participate, but to wrestle to win. I learned what it means to be disciplined enough to train in such a way as to maximize the chances for victory. Now as a pastor I see people wrestling with life and death. People who are dealing with all the difficulties that come with life. My job is to equip people to run the race of life to win, not just to compete."

Brooks Simpson

Pastor of Grace Community Church in North Liberty, IA Big Ten Champion and All-American at 190 pounds in 1990, Hawkeye letterwinner from 1987-90

"To be successful in wrestling, you must have a strong desire, good work ethic and be surrounded by good people with similar goals. The Iowa wrestling room is the ideal setting for this success. The same principles apply to the business world. Without hard work and good people, you will have a tough time succeeding in the business world. The Iowa wrestling program gave me the background and contacts to be successful on and off the mat."

Mark Reiland

M.R.S. Appraisals L.C.

Head Wrestling Coach at Iowa City West H.S.

NCAA Champion at 167 pounds in 1991, two-time All-American, letterwinner from 1989-92

"My training to be an orthopedist and my current practice responsibilities are often quite demanding, both physically and mentally. The work ethic and discipline I learned participating in the Iowa wrestling program has helped me deal with these demands tremendously. In fact, I don't know any aspect of my life, including my roles as a husband and father, that has not benefited from the discipline I developed at Iowa."

Mark Mysnyk

Orthopedic Surgeon and Specialist

Hawkeye letterwinner in 1975-76, 78-79

"Success in athletics comes with planning, hard work and discipline. Iowa wrestling has been at the top because they work the hardest, they are disciplined and they plan to succeed. As a husband, a father and an investment representative, all of those traits help me to reach my goals on a daily basis. I am very grateful for the opportunities given to me in my years as a Hawkeye, and I am very happy that the tradition continues today."

Mark Sindlinger

Investment Representative with Edward Jones

Two-time All-American and two-time Big Ten Champion at heavyweight, letterwinner from 1985-88 with the wrestling team and 1983-86 with the football team, started at center for the Hawkeyes for three seasons (1984-86), two-time honorable mention all-Big Ten pick by UPI and AP in football

"Basically the price to wrestle at Iowa is everything you have to give, and nothing less. After graduating I have continued to strive for only the best in all my endeavors. This commitment and drive has allowed me as a person and my photography studio to become very successful. When a client hires me they know that they will get nothing but my greatest effort and it shows in the creativity and quality of work I produce."

Ben Shirk

Owner of Shirk Photography

All-American at 165 pounds in 2001, three-time academic all-Big Ten honoree, Hawkeye letterwinner in 1999-2002

IOWA WRESTLING

SUCCESS OFF THE MAT

2011-2012

"Iowa wrestling was and still is very beneficial to me. Before I wrestled at Iowa I was in awe of the program. When I wrestled there I lived it and was in awe of my coaches, teammates, fans and the amount of success that was accomplished. What I learned, and still use everyday of my life, is that a high level success has to come from the heart. Myself, teammates, and coaches were able to achieve the goals that we set out to conquer, not just from hard work and dedication, but from living for success and dying with failure. It wasn't just a sport, it was life. I owe great gratitude to Tom Brands and Dan Gable for making me successful on and off the mat and for who I am today. I look forward to watching and living many more successful years with Iowa Wrestling."

Mark Ironside

Owner of Ironside Apparel and Promotion

Four time All-American, two-time NCAA Champion, 10th wrestler in Big Ten history to win four conference titles, three-time Big Ten Wrestler of the Year, Hawkeye letterwinner in 1995-98

"The fact that I experienced wrestling for Coach Gable and the University of Iowa, will always be a dream come true for me. Coach Gable taught me what it takes to be successful in every facet of life. Life is a wrestling match. If you possess discipline, accountability, sacrifice, and a good work ethic, anything you put your mind to can be achieved. These are just a few of the wonderful attributes one can attain through the great sport of wrestling. The very sport I am fortunate enough to be coaching at Davenport Assumption. No matter how much time I put back into the sport of wrestling, I can never repay the sport for all the 'tools for life' it has provided me."

Pete Bush

Owner of McCarthy-Bush Development

Head Wrestling Coach at Davenport Assumption H.S.

NCAA Champion at 190 pounds in 1982, three-time Big Ten Champion, 1984 team co-captain, Hawkeye letterwinner in 1980-82, 1984

"I try and pass the lessons that were beneficial to me in my life to the athletes I now coach. Iowa wrestling gave me so many of those lessons. My time in Iowa was a dream come true and a tremendous experience for me that I will cherish forever. The Iowa wrestling program taught me so much about work ethic, dedication and the type of lifestyle that you have to live in order to succeed. The University of Iowa wrestling program has a passion for the sport of wrestling that is unmatched by any other. I am so grateful for the coaches, friends and people I met in Iowa City."

Jody Strittmatter

Co-Owner and Coach with Hawkeye teammate Eric Juergens (above right) of Young Guns Wrestling Youth Club; Assistant Wrestling Coach Coach at Pittsburgh-Johnstown University

Two-time All-American and Big Ten Champion at 125 pounds in 2000-01, Outstanding wrestler at 2000 Big Ten Championships, Hawkeye letterwinner in 2000-01

"Wrestling at the University of Iowa emphasized the importance of not only hard work, but work with a goal in mind as well as surrounding yourself with the right people. Having a goal to focus on gives a purpose to the time and effort put forth each day. Knowing you have people around you that have your best interest in mind and want you to succeed gives confidence that you can reach your goals and make the work more enjoyable. These are things that carry into all areas of life, not just sports."

Tyler Nixt

Senior Financial Analyst, UIHC

All-American at 174 pounds, four-time academic all-Big Ten honoree, CoSIDA academic All-American and NWCA all-academic team member, Hawkeye letterwinner from 2001-04

"The Iowa Wrestling System preaches and implements life's most important lessons: relentless preparation, unwavering confidence, execution under pressure, accountability, and above all, the strength to endeavor again in the face of adversity. Upon graduation from law school, I sat for the Iowa Bar Exam - a three day written examination - with the same rock solid confidence with which I entered the NCAA Wrestling Tournament. My experience at the University of Iowa has tempered me for life's ongoing challenges. I am a better attorney, husband, father and person for having passed through the doors of the Dan Gable Wrestling Complex."

ing passed through the doors of the Dan Gable Wrestling Complex."

Jessman Smith

Attorney, Frank Smith Law Office

Two-time All-American, 2003 Big Ten Champion at 184 pounds, four-time academic all-Big Ten honoree, NWCA all-academic team member, Hawkeye letterwinner in 2000-03

IOWA WRESTLING

2011-2012

ALL-TIME RESULTS

Head Coach Gary Kurdelmeier and Assistant Coach Dan Gable, both in their third years at Iowa, were optimistic at the beginning of the 1974-75 season, hoping to defend their Big Ten team title and post a winning dual season. The duo not only accomplished those goals, but added the first NCAA team title in school history and the school's ninth undefeated season (17-0-1) to their list of accomplishments. The Hawkeyes also set then-school records for most all-Americans (5) and most dual wins (17) in a season. Dan Holm and Chuck Yagla each won their first NCAA individual title.

IOWA WRESTLING

2011-2012

ALL-TIME RESULTS

The 1982-83 Hawkeyes set records for most Big Ten champions (9), largest victory margin at the Big Ten Championships (118.5), all-Americans (9), and largest point total (155) and victory margin (53) at the NCAA meet. Senior twin brothers Ed (190) and Lou Banach (Hwt.) won their second NCAA individual titles, making them only the second set of twins in NCAA Division I Wrestling Championships history to win individual titles in the same season two straight years.

IOWA WRESTLING

2011-2012

ALL-TIME RESULTS

Iowa celebrated Dan Gable's 10th season as head coach by winning its ninth consecutive national team title at the 1986 NCAA Championships held in Carver-Hawkeye Arena. It equaled the longest streak of national titles won by any school, in any sport, also held by the Yale golf team (1905-13) and the Southern Cal track team (1935-43). The Hawkeyes also set NCAA records for total points (158), victory margin (73.25) and number of national champions (5), and tied the record for most finalists (6).

IOWA WRESTLING

2011-2012

NATIONAL DUAL MEET ATTENDANCE

Iowa wrestling fans love their Hawkeyes, and have no problem coming out to show it. The Hawkeyes led the nation in home dual meet attendance last season, posting a season average of 8,209 fans per home dual, which is believed to be an NCAA record. Penn State was a distant second with a 5,456 season attendance average. The Hawkeyes also hosted the dual that drew the season's largest crowd when 11,895 watched Iowa beat Iowa State at Carver-Hawkeye Arena.

Iowa's ability to draw crowds on the road has helped 10 schools set dual attendance records. They are Minnesota (15,646 - 2002), Iowa State (14,507 - 1982), Penn State (11,245 - 1996), Northern Iowa (10,200 - 1976), North Dakota State (6,307 - 1992), Cal Davis (5,150 - 2005), Pennsylvania (5,109 - 2002), Wisconsin (4,800 - 1978), Cleveland State (3,620 - 1987) and Illinois (3,573 - 2005).

Iowa has been a part of the 48 of the top 49 largest recorded dual meet crowds, helping to set the national attendance record 11 times. Thirty-two of the top 49 match-ups were with intra-state rival Iowa State.

IOWA WRESTLING

CARVER-HAWKEYE ARENA

2011-2012

The renovated Dan Gable Wrestling Complex was a part of the \$47 million revitalization and expansion of Carver-Hawkeye Arena. The complex features an extended training space, a new locker room, new coaches locker room, student-athlete video center, and a new office suite.

Carver-Hawkeye Arena has been the home of Iowa wrestling since 1983. The \$18 million facility is one of the finest of its kind in the world. It seats 15,500 fans for a dual wrestling meet. The arena is named after the late Roy J. Carver, a long-time friend and contributor to the University. Carver had a love for Iowa athletics and a lifelong affection for wrestling. Carver died in 1981 at the age of 71.

Iowa's basketball and volleyball squads also compete in the bowl-shaped arena. The multi-purpose building has also been the site of banquets, concerts, exhibition shows and graduation ceremonies. Besides the main floor, where dual meets are staged, the arena boasts one of the best wrestling workout areas in the nation. The Dan Gable Wrestling Complex features three mats, a locker room, sauna, weight-lifting facilities and retractable bleachers.

The Board of Regents, State of Iowa approved the schematic design, project description, budget, and financing plan for a \$47 million addition and revitalization of the arena that was completed in 2011. The Carver-Hawkeye Arena – Addition and Renovation Project added a practice facility immediately north of the arena for use by the Hawkeye men and women's basketball and volleyball programs; renovation of the practice, fitness and weight-training facilities utilized by the wrestling program; renovation and expansion of other fitness and weight-training space in the arena utilized by the majority of Iowa's 24 sports; the renovation and expansion of locker rooms in the facility; and the renovation of existing and the creation of new office, meeting, and storage space for use by administrative and coaching staff of the Athletics Department. The project began in the fall of 2009 and the UI Department of Athletics moved back into the facility in July, 2011.

The revitalization of the arena also extends into spaces used by the general public on game days and nights. This includes renovation of select concessions and restroom facilities, and the creation of hospitality and meeting spaces. There are also club facilities for fans of the Hawkeyes who choose to participate in a variety of premium seating options similar to that which are available in the Paul W. Brechler Press Box at Kinnick Stadium.

The Hawkeyes have won 91 percent of their matches in the arena. Iowa's 188-18 all-time mark in the building includes a record 10 home triumphs during

the 1986 season. The Hawkeyes have recorded 19 undefeated seasons in Carver-Hawkeye, with the most recent (8-0) occurring in 2010-11. The first event held in the arena was a wrestling meet on January 3, 1983. Iowa beat Oklahoma 35-7. Iowa all-American Tim Riley won the first match contested in the arena.

On Dec. 6, 2008, Iowa set the NCAA wrestling dual meet attendance record when 15,955 fans saw the Hawkeyes defeat Iowa State, 20-15, in Carver-Hawkeye Arena.

In all, the Hawkeyes have hosted several conference and national tournaments. Three Big Ten (1983, 1994 and 2005) and four NCAA Championships (1986, 1991, 1995 and 2001) were held in Carver-Hawkeye Arena, with Iowa winning the team title five of the seven times. The total attendance figures for the 1995 (80,389), 2001 (79,477) and 1991 (70,163) NCAA Championships rank ninth, 11th and 15th, respectively among NCAA Wrestling Championships. Carver-Hawkeye Arena has also held the 1984 U.S. Olympic trials, the annual N.W.C.A. All-Star Wrestling Classic in 1993 and 1996, and the Cliff Keen/N.W.C.A. National Duals in 1998 and 1999.

The award winning facility will host the 2012 USA Wrestling Olympic Team Trials. All men's freestyle, women's freestyle, and Greco-Roman Olympic hopefuls will compete for a spot on Team USA at Carver-Hawkeye Arena April 21-22.

HAWKEYE VISIONS

The Hawkeye Visions Endowment Program is an on-going campaign which seeks to create the funding necessary to award endowed scholarships to all student-athletes. The UI athletic endowment is currently valued at \$38 million, and includes 124 fully endowed scholarships, 57 partially endowed scholarships, 25 scholarships that are in the development stages and approximately 35 future (gifts to be given via estate plans) scholarship gifts. The following scholarships are currently utilized by the University of Iowa wrestling program. These endowments provide annual earnings to help fund wrestling scholarship support (tuition, room, board, books and fees).

John and Ruth Beckman Wrestling Scholarship

The Beckman Wrestling Scholarship, along with similar scholarships for football and the Hawkeye Marching Band, was established in 1985 by the Beckmans. John worked for Hawkeye Castings, Inc. in Manchester, IA, and died in 1991. Ruth passed away in 2006.

John and Mary Ann Colloton Wrestling Scholarship

The Colloton Wrestling Scholarship, along with similar scholarships in football, men's basketball and women's basketball, was established in 1998 by a generous gift from longtime Hawkeye fans John and Mary Ann Colloton of Iowa City. John, with degrees from Loras College and the UI, was director of UI Hospitals and Clinics from 1971-93. He is the UI's Vice President Emeritus for Statewide Health Services and received a Distinguished Alumni Award from the UI in 1999. Mary Ann, a 1957 UI graduate, served as staff nurse at the UIHC from 1957-63, and is an active community volunteer.

Russ and Ann Gerdin Family Wrestling Scholarship

In 2008, Russ and Ann Gerdin extended their Hawkeye legacy with the largest athletic scholarship gift in University history: a \$5 million commitment to establish the Russ and Ann Gerdin Family Athletic Scholarship Fund. As part of that gift, the Gerdin Wrestling Scholarship was established. Russ Gerdin is the founder, and former president and chief executive officer of Coralville-based trucking company Heartland Express, Inc. At the UI, they have supported the Russell A. and Ann Gerdin Athletic Learning Center, the UI Athletics Hall of Fame and Visitors Center, the J. Hayden Fry Center for Prostate Cancer Research, athletic scholarships, and the renovation of Kinnick Stadium.

Donald W. and Marilyn Heineking Wrestling Scholarship

The Heineking Wrestling Scholarship was established in 2003. Since that time, additional Heineking scholarships have been established in women's basketball, volleyball, softball, baseball, football and men's track/cross country, along with a men's basketball manager's scholarship. Don is a 1958 UI business graduate and president of Security State Bank in Hubbard, IA. He is also a long-time supporter of Iowa athletics, member of the Johnson County I-Club Board of Directors and the National I-Club Board of Directors (honorary) and a member of the Iowa Scholarship Fund Board of Directors. Don lives in Iowa City and is a member of the Presidents Club of the UI Foundation. Marilyn passed away in February of 2004.

Robert G. and Annalee Jacoby Hockridge Wrestling Scholarship

The Hockridge Scholarship was established by Bettendorf natives, Robert (Bob) and Annalee Jacoby (Jake) Hockridge in 2004. Both Bob and Jake are members of the Presidents Club of the UI Foundation and have been loyal ticketholders and contributors since the early 1970s. Robert is a graduate of the UI with a degree in accounting. He was an executive vice president of finance at Brammer Manufacturing Company prior to his retirement in 1995. Jake received her degree in elementary education from the University of Northern Iowa.

Gary Kurdelmeier Wrestling Scholarship

The Gary Kurdelmeier Wrestling Scholarship was established by his family and friends as a tribute to the highly successful UI wrestler, coach and administrator following his death in 1998. Kurdelmeier graduated from the UI in 1959 where he was a Big Ten Champion, NCAA Champion and team captain for the Hawkeyes. He served as UI assistant wrestling coach from 1967-72 and then head coach from 1973-76. During his tenure, the Hawkeyes won three Big Ten Championships, two NCAA team titles and Kurdelmeier was named national coach of the year in 1975. He also secured the future of Iowa wrestling when he and former UI Athletic Director, Bump Elliott, hired Dan Gable as an assistant coach.

William and Kay Pitlik Wrestling Scholarship

Bill and Kay Pitlik of Cedar Rapids, IA, first created an endowed scholarship in 1998 to show their love for the Hawkeyes. Both graduated from UI, Kay in 1952 and Bill in 1953. The Pitliks owned and operated Pepsi-Cola Bottling Company for many years in Cedar Rapids. Kay is an avid Hawkeye fan, and prior to Bill's death in 2008, they also endowed scholarships in women's basketball, softball and two in football. Kay continues to support UI athletics very generously, in Bill's honor, including a naming gift to the wrestling area in the newly renovated Carver Hawkeye Arena.

John and Dorothy Sill Wrestling Scholarship

The John and Dorothy Sill Wrestling Scholarship was established in 1999 through a generous estate gift by the Sill family. John and Dorothy were both born and raised in small town Iowa. They were married in 1941 and managed a family farm until 1959. They later moved to Manchester, IA, where he was the manager of the Delaware County Mutual Insurance Association and opened his own insurance agency. They were very active in the community and proud supporters of the West Delaware and University of Iowa athletic teams. John passed away in 1989 and Dorothy in 1999.

Iowa Style Wrestling Scholarship

Gary and Camille Seamans established the Iowa Style Wrestling Scholarship in 2001. It is a tribute to the aggressive, determined and dominating style that Hawkeye wrestlers have exhibited since 1973 under head coaches Gary Kurdelmeier, Dan Gable, Jim Zalesky and Tom Brands. An Iowa City native, Gary received his B.S. in electrical engineering from the UI and enjoyed a successful career in the telecommunications industry, retiring as chairman and CEO of Westell Technologies in 1998. Camille is a native of Dekalb, IL, and is now retired. She was previously the director of human resources for the John D. and Catherine T. MacArthur Foundation of Chicago. In 1977, Gary received the UI Alumni Association's Distinguished Young Alumnus Award.

DIRECTOR OF ATHLETICS GARY BARTA

2011-2012

Gary Barta Director of Athletics

Gary Barta is in his sixth year as director of athletics at the University of Iowa – and his 25th year in athletics administration – riding a wave of momentum. Cause for that energy is the fact the Hawkeyes enjoyed record-setting performances in the classroom and on the playing field, the completion of the second-largest construction project in the history of intercollegiate athletics at the UI, and the breaking of ground on a new indoor practice facility for the Hawkeye football program.

With respect to the UI academic momentum, Barta expects the graduation rates for student-athletes

made public this fall to be among the highest ever achieved at the UI. Those numbers are also expected to compare favorably with the UI's Big Ten Conference and national peers in the high profile sports of football, and men's and women's basketball.

In May, the NCAA confirmed that all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark for the third straight year and honored a school-record four UI teams – men's cross country, softball, men's tennis and women's tennis – that ranked in the top 10 percent of their sport, based on their most-recent multi-year APR.

Competitively, the UI set a school record with 510 points scored in the 2011 Learfield Directors' Cup. This success was driven in great measure by another successful season for the UI football team – which won a record third straight bowl game, 27-24, over Missouri in the Insight Bowl; a third-place finish at the NCAA championships by Iowa's wrestling program; a fourth straight appearance in the NCAA postseason by the women's basketball program; strong performances by the UI's men's and women's track and field teams; and a school-record 10th place finish by the UI men's golf team.

The highlight of the UI's year in Big Ten Conference competition was the first league title in men's track and field in 44 years. Larry Wiecek's squad climbed to the top of the podium by dominating the final day of competition on the UI's Cretzmeier Track. An All-American distance runner as a student-athlete at the UI, Wiecek was named the Big Ten Track and Field Coach of the Year in recognition of his team's performance and for qualifying no fewer than 33 male and female student-athletes for postseason competition.

In addition to the competitive success the Hawkeyes recorded in 2010-11, the UI also experienced tremendous success at the turnstiles. Iowa entered the 2010 home football season with all seven home games sold out. The UI will do the same in 2011 and boasts waiting lists for not only season tickets to the home games of Kirk Ferentz's squad, but also the premium seating options available inside the Paul W. Brechler Press Box at Kinnick Stadium.

Attendance at home games of first-year men's basketball coach Fran McCaffery soared 23 percent – the fifth-highest increase by percentage in the country and the largest by a team that did not advance to postseason play. Attendance at women's basketball games increased by almost 60 percent. Iowa ended the year ranked 13th – the program's highest finish in more than a decade.

As always, success at the gate provides Barta the financial resources to meet the mandate of Iowa's institutional leadership: Operate the intercollegiate athletics program with integrity, with a commitment to academic excellence, and without any support from tax dollars, i.e. be "self-sustaining."

Inherent in Barta's charge is to provide the more than 650 student-athletes who compete in the 24 intercollegiate athletics programs at the UI the best opportunity for success, including training and competition facilities that compare favorably or exceed those offered by comparable institutions. The 2010-11 season marked the first for the men's and women's swimming and diving teams in the UI's \$69 million Campus Recreation and Wellness Center.

In late summer 2011, the UI completed a \$47 million revitalization of Carver-Hawkeye Arena. That project includes the construction of a practice facility for men's and women's basketball and volleyball, a 10,000-square-foot strength training and cardiovascular center, and an expansion to the Dan Gable Wrestling Complex, in addition to new locker room and support facilities for men's and women's basketball, wrestling and volleyball programs, and office space for the majority of Iowa administrative and coaching staffs.

The Carver project includes the installation of a statue of Gable at the facility's main entrance. That project will be completed in time for thousands of fans of the sport of wrestling

to enjoy when the UI stages the 2012 USA Wrestling Olympic Team Trials in April 2012 – an event that represents not only the UI's commitment to its nationally-respected wrestling program, but Barta's desire to strike partnerships when success would be mutually beneficial.

The UI Department of Athletics will break ground on Phase I of a two-phase project for the UI football program in late summer 2011. Phase I includes the construction of a new indoor practice facility; Phase II includes construction of all football operations areas including locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support, the project is an important next phase of the master facilities plan for Hawkeye football. It will be constructed adjacent to the Ron and Margaret Kenyon Outdoor Practice Facility and immediately west of Kinnick Stadium.

Barta has also received permission from the State of Iowa Board of Regents to construct a new practice facility for the men's and women's golf programs. The facility will be located on the southern edge of the UI's award-winning Finkbine Golf Course and will begin construction as soon as the funding required is secured from friends and fans of the Iowa Hawkeyes and the UI's golf programs.

Barta's involvement in the UI campus community extends beyond intercollegiate athletics. He is a member of the President's Cabinet comprised of vice presidents and other campus leaders that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his first five years at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Nationally, Barta remains active in the Division IA Athletics Directors Association, the National Association of College Directors of Athletics, and currently serves on the NCAA Football Committee Board of Directors.

Barta often suggests to his staff that "Hope is not a strategy," which is why he is currently overseeing a comprehensive review of the strategic plan for the UI Athletics Department and has worked with the UI's leadership on a long-term financial plan.

Another favorite saying of his is, "Vision without resources is irrelevant." Over the course of his career he has been directly involved in raising hundreds of millions of dollars in support of intercollegiate athletics. This has remained a primary focus during his tenure at Iowa, where private support for the Hawkeyes continues to flourish despite a challenging economy.

In recent years, the department has received a long list of commitments to assist in capital projects and scholarship support, including gifts of \$5 million each from long-time friends of the UI – Dale and Marilyn Howard, Bruce Rastetter and Richard O. Jacobson.

Under Barta's leadership – and thanks to a talented athletics development staff – the UI has seen year-over-year improvement in annual giving in spite of the difficult economic environment and has generated more than \$20 million of philanthropic and corporate sponsorship support for the Carver-Hawkeye Arena project.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff and coordinating the schedule for the Huskies men's basketball program. The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a bachelor of science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (13) and a daughter, Madison (11). He was born Sept. 4, 1963, in Minneapolis.

IOWA CITY COMMUNITY

Iowa City is a diverse, highly cosmopolitan community of 60,000 set in the natural scenic beauty of Iowa's rolling hills and woods along the tree-lined banks of the Iowa River. Iowa City has all the art galleries, ethnic foods, historic architecture and vibrant atmosphere of a much larger city, but with the compactness and friendly feeling of a small town.

As a place to live, Iowa City keeps winning awards and accolades. Named one of the 50 "Best Places to Live and Play" by National Geographic Adventure, Iowa City is ranked second among small metro areas for business and careers, and eighth among up and coming tech cities by Forbes. Money ranks Iowa City as the third-best place in the nation to retire, while Fortune lists it as the 21st-best "Place to Live and Launch". Largely as a result of the UI's pioneering leadership in creative writing, Iowa City has been designated America's first UNESCO "City of Literature."

Economically, businesses such as Rockwell Collins, American College Testing and Procter & Gamble help keep the city booming. In Coralville, a branch office of Geico Auto Insurance has provided many residents with employment opportunities.

Culturally, Iowa City is alive with concerts, art exhibits, readings, plays and art events of all kinds. Located on the University of Iowa campus, Hancher Auditorium is a nationally-known performance center that brings in the best of Broadway, classical and jazz music, dance and other performances. The University of Iowa Theatre Arts department also produces a full schedule of plays each year, featuring the work of student performers and directors. So whether you enjoy the arts as a spectator or as an outlet for your own creativity, Iowa City has the opportunities. For more than 70 years emerging writers have come to the Iowa Writers' Workshop, fostering and celebrating American literature.

Residents of Iowa City are not only economically and culturally enriched, they also take advantage of the numerous recreational facilities offered around town. The area's more than 30 parks provide opportunities for year-round activities including boating, hiking, swimming, fishing and skiing.

The city's greatest charm, however, remains the sincere friendliness of its citizens, the cosmopolitan atmosphere and the successful partnership built between the community and the university.

Old Capitol

One of the most recognizable sites in Iowa City is the gold dome of the Old Capitol which is situated in the heart of downtown. Built in 1840, it is Iowa City's most historic building. The Old Capitol was the site of the first governor inauguration as well as the first six Iowa General Assemblies. It is also where the state's Constitution was drafted. When the capital was moved to Des Moines in 1857, the Old Capitol was dedicated to The University of Iowa, becoming the first building owned by the University.

Coralville Lake

Just north of Iowa City is Coralville Lake, an outdoor recreational area that offers a variety of opportunities for the public. Coralville Lake offers picnic shelters, biking, hiking, fishing, boating, swimming, hunting, camping, snowmobiling, cross country skiing, golf and disc golf.

City Plaza

Located downtown and in walking distance of many of the University's dormitories is the City Plaza. It is a perfect place to sit outside and study or hang out with friends. During the fall, spring and summer months there are concerts and art festivals in the "Ped Mall".

Coral Ridge Mall

The Coral Ridge Mall is a 1.2-million-square-foot shopping center located just minutes from campus. The center combines a mix of over 120 specialty shops and strong anchor stores including Best Buy, Dillards, JC Penney, Sears, Target and Younkers. Coral Ridge also offers entertainment features such as an NHL-regulation-sized indoor ice arena, state-of-the-art 10-screen movie theatre and a large carousel along with a 1,000-seat food court with sit-down restaurants. Specialty stores include Abercrombie & Fitch, Barnes & Noble, Gap, Old Navy, Scheels All Sports and Pier 1 Imports.

Iowa City is located in eastern Iowa and is an easy trip to such cities as Des Moines (the capital of Iowa), Chicago, St. Louis, Kansas City, and Minneapolis. Also, Cedar Rapids, a city of more than 150,000, is just a short drive north of Iowa City. The Eastern Iowa Airport, which links residents to every major airport in the Midwest, nation and world, is only 20 minutes away.

HAWKEYE TRADITIONS

2011-2012

The Hawkeye Nickname

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the *Fort Madison Patriot*, moved his paper to Burlington in 1843 and renamed it the *Burlington Hawkeye*. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.

Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized university life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.

School Colors

For 40 years Iowa was without school colors, but in 1887 a group of 50 seniors met on the steps of the Old Capitol to decide what are now the school official colors. They chose gold, the color of Iowa's vast corn fields and black, the color of the rich soil.

School Fight Song

The Iowa Fight Song was written in 1950 by Mason City, Iowa, native Meredith Willson. Best known as the creator of Broadway's *"The Music Man,"* Willson was awarded a 1963 University of Iowa Alumni Association Distinguished Service Award for "setting the spirit of Iowa to music." The lively cheer is sung hundreds of times during Iowa athletics events the year around.

The word is Fight, Fight, Fight for IOWA
Let every loyal Iowan sing;
The word is Fight, Fight, Fight for IOWA
Until the walls and rafters ring (Go Hawks!)
Come on and cheer, cheer, cheer for IOWA
Come on and cheer until you hear the final gun.
The word is Fight, Fight, Fight for IOWA
Until the game is won.

HAWKEYE ATHLETICS - A TOTAL PROGRAM

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2010-11.

Sixty-four Hawkeyes earned all-conference accolades, while 44 were recognized as All-Americans. Hawkeye student-athletes excelled in the classroom as well with 172 earning Academic All-Big Ten laurels. Thirty-four Hawkeyes were honored by the Big Ten Conference with the Distinguished Scholar Award. The graduation rate of Iowa's student-athletes has improved in each of the past 10 years and has consistently ranked above the graduation rate of all UI students.

Iowa's men's cross country, men's and women's tennis, and softball teams were recognized by the NCAA for their high academic marks. The four teams earned Public Recognition Awards, based on their most recent multi-year Academic Progress Rates.

The UI closed the 2010-11 athletics year with a bang, establishing a school record in total points scored in the annual Learfield Sports Directors' Cup. The Hawkeyes accumulated 510 points in the competition that awards points based on each institution's finish in national championship competition in up to 20 total sports (10 women's and 10 men's).

The support of their efforts and attendance by Hawkeye fans ranks among the best across the country.

While the Hawkeyes compete with the best in the nation in a variety of sports, Iowa boasts some of the most impressive athletic facilities in the nation, operated by one of the most respected departments.

Several new projects have come to completion on the Iowa campus. Some of the latest additions to the UI campus include the completion of the new Campus Recreation and Wellness Center, which houses the swimming and diving teams, and the state-of-the-art \$7 million rowing boathouse. In addition to the brand new swimming and rowing facilities, the Roy G. Karro Athletics Hall of Fame and Visitors Center, the Russell and Ann Gerdin Athletic Learning Center and the Hawkeye Tennis and Recreation Center completed construction in recent years. Furthermore, the UI completed a \$47 million Carver-Hawkeye Arena renovation project in the summer of 2011.

The 2010 Iowa Hawkeye football team won its school-record third consecutive bowl game with a thrilling 27-24 come-from-behind victory over Missouri in the 2010 Insight Bowl.

Vince India helped lead the men's golf team to the NCAA Championships. He was recognized as the Big Ten Player of the Year and earned the Les Bolstad Trophy.

HAWKEYE ATHLETICS - A TOTAL PROGRAM

2011-2012

Kinnick Stadium received a major upgrade and renovation that was completed just prior to the 2006 season. The \$89 million project included the replacing of the south end zone stands and building of a four-level press box that houses 47 guest suites. New scoreboards, video walls, concession stands and rest rooms were also part of the project.

Iowa student-athletes have been recognized as All-Americans in their sport on 312 occasions during the past 19 years, including 44 this past season.

During the 2010-11 athletic year, the Hawkeyes continued their trend of success on the playing fields and in academic pursuits. Below are some examples of recent Hawkeye success.

The Hawkeye wrestling team continued its dominance on the mat, finishing third at the NCAA Championships. Iowa has claimed 23 national championships, including three in the last four years, and 34 Big Ten titles. Five Hawkeyes earned All-American accolades en route to the team's third place finish.

Iowa football continued its stellar play, finishing in the upper division of the Big Ten for the ninth time in the last 10 years. The Hawkeyes capped their season with a thrilling 27-24 come-from-behind victory over Missouri in the Insight Bowl. The win was Iowa's third straight bowl victory, a school record.

Iowa's field hockey team has won the Big Ten Tournament championship three of the last five years and finished third nationally, advancing all the way to the Final Four in 2008. A total of 41 Hawkeyes have garnered All-Big Ten accolades under head coach Tracey Griesbaum.

The women's basketball team had another outstanding season, finishing third in the league and advancing to the NCAA Tournament. Lisa Bluder, who is a three-time Big Ten Coach of the Year and two-time Regional Coach of the Year, coached Kachine Alexander and Jaime Printy to honorable mention All-America status. Alexander was also tabbed the Premier Player of the Year. Bluder has guided Iowa to eight first division finishes in her 11 years and has taken her program to eight NCAA Tournaments, including four straight.

The men's track and field team finished eighth in the nation at the indoor national championships and won the outdoor Big Ten title in 2011. Coach Larry Wieczorek was named Big Ten Coach of the Year, while numerous Hawkeyes earned all-league and All-America honors.

Head coach Mark Hankins continued to have his men's golfers play at a high level. The Hawkeyes advanced to the NCAA Championships for the second time in three years and tied for 10th nationally – a school-record finish. Vince India was named the Big Ten Player of the Year and earned the prestigious Les Bolstad Trophy, which goes to the male golfer with the lowest stroke average in the Big Ten.

The men's basketball team had its first season under head coach Fran McCaffery. Hawkeye fans flocked to Carver-Hawkeye Arena to watch the Black and Gold. Attendance increased 20 percent, which ranked fifth-best in the country.

The aforementioned list of team and individual accomplishments are just a sampling of the recent excellence achieved in Iowa City.

Whether it's the top-notch athletic or academic performances, the outstanding community and fan support, or the impressive facilities, it's easy to understand why Iowa fans everywhere truly believe, "It's great to be a Hawkeye."

The men's track and field team won the Big Ten Outdoor Championship and also finished eighth at the indoor NCAA championships.

ATHLETICS STUDENT SERVICES

Since its inception in 1979, Athletics Student Services has evolved from a two-person, academic support service to a broad-based, nationally prominent student support operation. Its purpose is to offer academic and personal support services that will assist student-athletes in making timely progress toward their degrees while preparing to become tomorrow's leaders. Athletics Student Services focuses on four important areas – academic counseling and monitoring, educational and support programs, retention programs and compliance education and services – when working with student-athletes. Following are descriptions of some of the programs, services and opportunities available in those areas.

Gerdin Athletics Learning Center

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals. The Athletics Learning Center is a 20,000 square foot facility which provides a computer lab, study lounges, seminar and meeting places for all Hawkeye student-athletes. The Learning Center features an auditorium that converts into two classrooms, separate study rooms for under and upper-class student-athletes with 28 study carrels, a computer lab, tutorial rooms, the book loan repository, offices for Iowa's Student Services staff and a display area to recognize the academic and athletic accomplishments of Iowa's student-athletes.

Academic Counseling & Monitoring

Athletics coordinators work closely with student-athletes and their university-assigned advisors from the time they arrive on campus until the time they leave the university. Along with focusing on academic planning matters such as goal-setting, plans of study, choosing majors and degree requirements, athletics coordinators also help student-athletes understand NCAA, Big Ten and university academic policies. They also solicit feedback from instructors on academic progress made by student-athletes.

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals.

Compliance Education and Services

Athletics Student Services administers a comprehensive compliance program to ensure that all staff and student-athletes act in accordance with NCAA, Big Ten Conference and University of Iowa regulations. Staff members oversee and assist with the recruiting of prospective student-athletes. They monitor the continuing eligibility of student-athletes. They oversee and administer student-athlete financial aid. They conduct rules education programs for coaches, staff, student-athletes and boosters. They monitor staff and student-athlete behavior to ensure conformity with the NCAA, Big Ten Conference, University of Iowa and Athletic Department policies and rules.

Career Guidance & Development

Planning a meaningful career and a fulfilling life is an ongoing process of expanding and narrowing choices, beginning when student-athletes arrive on campus and continuing throughout their college career and lifetime. The professional staff works with other career development professionals on campus to offer individual consultation, career development seminars, workshops, referrals to other campus offices and special events like the Senior Recognition Banquet for graduating student-athletes.

Tutoring

Tutoring is available free of charge to all student-athletes. Tutors, who are graduate and professional students, current and former teachers, help with course content as well as study strategies and are available in virtually all general education program subjects.

Retention

Through the retention program student-athletes, who may need tailored academic assistance and structure, are identified and receive individualized learning plans to help them succeed. Such plans may include daily and weekly planning sessions with athletics coordinators and retention staff, tutoring, study groups, mainstreaming into on-campus services like the writing center, math labs and services for students with learning disabilities.

Minority Enrichment Program

This program offers a culturally supportive environment in which minority student-athletes develop friendships and a support network in the university. A core focus group of students and staff coordinate programs such as guest speakers, holiday celebrations, community service activities with the local neighborhood centers, events with Cultural Centers and networking with minority faculty, staff, professional and business leaders.

Educational Programs

A full menu of educational programs are offered to student-athletes to ensure their academic success and personal development as they grow from Today's Hawkeyes to Tomorrow's Leaders. Through collaboration with other University of Iowa student services offices, and in partnership with the NCAA CHAMPS/Life Skills Program, programs address such quality of life issues as alcohol safety, healthy lifestyles, tolerance and respect, career development, professional conduct and leadership development.

Transition Seminar

All new student-athletes attend an eight-week transition seminar during the fall semester that is geared toward helping them make the transition from high school to college successfully. Seminar topics include time management skills, learning and study strategies, the culture and rules of the university and Division I Big Ten intercollegiate athletics, and personal leadership and life skills concerning alcohol safety, healthy relationships and intimacy, diversity and inclusion, tolerance, values and character.

Leadership Development through Iowa SAAC

Through the Iowa SAAC (Student-Athlete Advisory Committee), student-athlete representatives selected by their coaches and teammates represent the interests and concerns of their teams to athletics administrators. They meet regularly to plan community service, personal development, career education and social programs advised and supported by Athletics Student Services staff. They are consulted about emerging department policies and NCAA proposed legislation. SAAC representatives learn about and participate in the athletics governance structure by serving on department advisory committees.

The Russell A. and Ann Gerdin Athletics Learning Center includes a large computer lab (middle left), as well as areas for group and independent study (top and bottom left).

THE UNIVERSITY OF IOWA

An Exceptional Choice

Since 1847, The University of Iowa has distinguished itself as a leader among public universities. Today its programs in health, business, engineering, education, law, the arts, communications, and the sciences are known worldwide for their excellence and innovation.

Outstanding Academic Opportunities

Iowa offers degrees in 11 colleges: Business, Dentistry, Education, Engineering, Law, Liberal Arts and Sciences, Medicine, Nursing, Pharmacy, Public Health, and the Graduate College. Undergraduates can choose from more than 100 areas of study.

A Fun Place to Call Home

Iowa City is a classic university town where learning and creating truly matter. The city blends the vibrant university campus and the natural beauty of the Iowa River with nearby shopping, entertainment, and residential areas.

Commanding Resources

The university operates one of the largest research library systems in the country. Iowa equips its classrooms and laboratories with the latest in computer technology. Students benefit from this technology-rich environment coupled with the high personal attention of university faculty and staff. Visit the university's web site at www.uiowa.edu to learn about its multifaceted education, research and service programs.

More Than a Taste of the Arts

Although temporarily displaced from their buildings by a summer 2008 flood, Hancher Auditorium and the UI Museum of Art continue to offer performances, exhibits and special events in alternate venues. Premiere works of art are displayed in most university buildings and plazas throughout campus. Students may participate in theater, music, and dance groups.

Time and Space to Play

Every year about 90 percent of Iowa's students make use of the university's recreational facilities. Each season offers a full schedule of intramural and club sports, ranging from rugby, tennis, and golf to volleyball, soccer, and swimming. Individual workouts are a part of many students' daily routines. Students also make use of campus walking and running trails, bikeways, ski trails, golf courses, and canoe and sailboat rentals to relax and enjoy leisure time.

What Distinguishes an Iowa Education?

Success. Iowa's philosophy is that if students meet the entrance requirements, the university is going to do everything it can to help students to graduate. An Iowa degree spells success in the job market, giving students the skills to continue learning and growing throughout their careers.

Excellence. The faculty is stellar. Students are amazed not only at how much they know but at how enthused they are about sharing that knowledge and getting students excited about their subject.

Comfortable class sizes

Attending a large university does not necessarily mean having large class sizes. More than 30,000 students are enrolled at Iowa, but the UI has a student-to-faculty ratio of 15:1. Large lecture halls host a few of the most popular undergraduate courses, with several hundred students in attendance. However, most lectures are complemented by classroom discussions among smaller groups. Altogether, 92 percent of undergraduate classes have fewer than 50 students in them; 80 percent have fewer than 30 students. Less than

U.S. News & World Report ranked The University of Iowa as the 29th best public university in the nation in 2010.

Consider Iowa's Advantages

Housing

Each athletics team has its own rules regarding residence of incoming freshmen. Across the university, about 90 percent of freshmen choose to live on campus in one of the 10 residence halls. Most student-athletes live at least two years on campus.

The residence halls have full-service dining rooms, study lounges, laundry facilities, recreational facilities, vending, and bank machines. Each room has high-speed computer connections for e-mail and internet access, plus there are wireless networking hot spots in a variety of locations across campus. Iowa also offers wireless networking in 110 buildings and several outdoor areas, providing more than 2,000 access points across campus.

Safety

- 11:55 p.m. - 2:10 a.m.: Free SafeRide buses take students home Fridays and Saturdays during the fall and spring semesters.
- Public Safety offers Nite Ride, a safe means of late night transportation for women only. Nite Ride operates 10 p.m.-3 p.m. Thursday, Friday and Saturday.
- Special telephones with blue lights are stationed across campus with a direct link to the UI Department of Public Safety.
- University of Iowa Police personnel educate students on safety during summer orientation.
- The Rape Victim Advocacy Program cooperates with the UI Department of Public Safety and participates in Sexual Crime Awareness Week.

Cambus

There are six primary bus routes throughout the Iowa campus. The University Cambus provides over three million free rides to class and to the dorms for students each year. Some routes run seven days a week, and some run until 2:30 a.m. Cambus also operates a specialized transportation service for persons with disabilities.

Health Services

The University of Iowa provides the student-athlete with the most up-to-date and highest-quality medical care available. Students at Iowa can go to Student Health Service, which is open Monday through Friday. The service is supported by a fee paid by all full-time students. It offers students unlimited free office visits (there is a charge for other procedures done in the office, such as blood tests).

Skills Labs & Support

Many academic departments offer skills labs to help students improve skills necessary to succeed at Iowa, such as writing, speaking, math, science, and foreign language. Assistance with skills such as note-taking, time-management, and test-taking are available through resources such as the College Transition Seminar (a credit-bearing course offered through University College), University Counseling Services, and Athletic Student Services staff.

Libraries

The University of Iowa Libraries supports the academic achievement of all student-athletes with specialized courses, one-on-one consultations with librarians, 24/7 access to electronic resources through the web site (www.lib.uiowa.edu), and extended hours, which can accommodate complicated practice and travel schedules. UI Librarians help students find answers, whether they're on a web site, in a book, journal, government document, or database. Librarians also plan and teach students how to find, evaluate, and use information from a variety of sources--skills they will use throughout their lives.

Career Planning

Finding and pursuing a career takes careful planning. The Pomerantz Career Center is extremely valuable for student-athletes and can help identify skills that transfer from athletics to the workplace. The program suggests a timeline each student-athlete may follow throughout his or her stay at Iowa. The components of the program include:

- Individualized career advising
- Career education programs
- Summer job/internship opportunities
- Resume and cover letter development
- Preparing for life after college athletics

Computers

There are 26 Instructional Technology Centers all over the campus which are filled over 1,000 computers. These facilities are open at least 50 hours a week. Some are open 24 hours. The Computer Demo Center provides information for students who want to purchase computers and software.

Cultural Centers

Four cultural centers on campus provide a welcoming setting where students from various cultures can find cultural, academic, and personal support services: the Latino and Native American Cultural Center, the Afro American Cultural Center, the Asian Pacific American Cultural Center, and the Lesbian, Gay, Bisexual, and Transgender Resource and Education Center.
