IOWA WOMEN'S SOCCER

RECORD

The University of Iowa soccer team started the 2009 season with an 8-4 record, which tied the best start in school history, and finished 9-11. Iowa's seven wins at home tied the most the program had ever recorded. The Hawkeyes faced a tough schedule with eight opponents either being ranked or previously ranked when they faced Iowa.

INDIVIDUAL STANDOUTS

Iowa had a team full of talent. Three players pushed their way into the books, while a fourth player jumped spots on a record list. Goalkeeper Emily Moran recorded a career-high nine wins. Moran moved into three different Iowa records lists. Morgan Showalter broke into two more all-time record categories, (season individual game-winning goals, 3, and career assists, 14). Keli McLaughlin scored nine times for the Hawkeyes. The junior tied fellow teammate Alyssa Cosnek and former Iowa players Kate Walse and Beth Oldenburg for eighth on the season individual goals list. Cosnek, previously tied for fourth, moved into a four-way tie for second on the career game-winning goals list with seven.

BIG TEN LAURELS

The Black and Gold were honored four times with four different players honored in the Big Ten. Freshman Alyscha Mottershead earned the conference's Offensive and Freshman Player of the Week awards following Iowa's wins against Loyola-Chicago and Wisconsin-Milwaukee. McLaughlin was named co-Offensive Player of the Week the following week, marking the first time in Iowa history two players have earned the award in the same season. The Alsip, IL native recorded three of Iowa's five goals over Iowa State and Northern Iowa.

Emily Moran recorded a career-high nine wins during her sophomore campaign.

Freshman Jade Grimm was named to the Big Ten's all-Freshman team. Grimm played nearly every minute for Iowa as a part of a defense that recorded six shutouts in 10 games and held opponents scoreless for over 409-straight minutes.

Senior co-captain Heather Windsor was selected as Iowa's nominee for the Big Ten's sportsmanship award.

STATE SUPREMACY

The Hawkeyes have never lost to an in-state foe during Rainey's four year tenure. Iowa continued its streak last year, recording wins over Iowa State (2-0) and Northern Iowa (3-0) at home and defeated Drake on the road, 1-0. Iowa leads the all time series history against Drake (4-1) and Northern Iowa (6-0).

SENIOR CLASS STANDOUTS

The 2009 senior class had been a staple for Iowa's success in the previous four years. Iowa won 32 games in the last four years, compared to only 20 wins in the previous four years. Under their leadership, the program doubled the amount of wins against Big Ten opponents, and made two Big Ten tournament appearances.

"I really think the year is going to be remembered for how much better our team competed in the Big Ten. We tried to attack for a full 90 minutes," Rainey said. "Our seniors really showed great leadership in their four years here. I think they set a great example for the team to follow."

Keli McLaughlin was Iowa's leading scorer in 2009 with nine goals and one assist.

Head Coach Ron Rainey

IOWA WOMEN'S SOCCER

Ron Rainey

Head Coach
Fifth Season

Ron Rainey enters his fifth season as Head Coach of the Iowa Hawkeyes.

In 2009, Rainey guided the Hawkeyes to an 8-4 record to start the season, the best start in program history. In addition to a record-breaking

start, coach Rainey and the Hawkeyes posted seven wins at the Iowa Soccer Complex to tie the highest number of wins at home in a single season. Following the 9-11 season, Rainey has recorded 32 wins in his four years at Iowa, the most of any head coach in the program's 13 year history.

In 2008, Rainey coached the Hawkeyes to a record of 9-11-1, including a 7-5 record at home and a second-straight berth to the Big Ten Tournament. Rainey has continued his success with the rebuilding of Iowa Soccer as the nine wins were the most since 2002 and Iowa's seven home wins were a school record.

The rebuilding effort continued in 2007, Rainey's second season at the helm of the Hawkeyes. Rainey coached the Hawkeyes to a record of 8-8-4, the program's best record since 2001. Iowa also earned a trip to the Big Ten Conference tournament for the first time since 2001.

Rainey joined the Hawkeyes from Ball State University before the start of the 2006 season, where he served as the school's head coach since the program's inaugural season in 1999. Under his tutelage, the Cardinals posted a 70-52-17 record in seven seasons.

Ball State showed swift improvement under Rainey's guidance, and amassed a 62-25-14 record in his last five years. In 2001, he coached the third-year program to a 12-6-2 mark and was named Mid-American Conference Coach of the Year.

In 2005, Rainey guided Ball State to a 15-3-2 record and advanced to the Mid-American Conference Tournament for the fifth-consecutive year.

Before starting the program at Ball State, Rainey served as an assistant coach at the University of Iowa for the first two seasons of the Hawkeye program (1997-98). In Iowa's first year of varsity soccer, Rainey

The Rainey family (l-r): Wade (9), Ron, Sally (7), Mary (5), Margaret,

and the Hawkeyes were named the No. 1 first-year program by *Soccer Buzz Magazine*.

Prior to his stint with Iowa, Rainey was the head women's coach at Towson State University for one year, where his team was 10-7-2 and won the America East Tournament. He has also served as an assistant coach at the University of Cincinnati (1995-96), and head coach and sports information director at the University of Wisconsin-Parkside (1994-1995), where his first year team finished with a 10-6-2 record. Rainey was also the graduate assistant coach at Trenton State College (1992-94).

Outside the collegiate ranks, Rainey has served as a regional staff coach for the Region II Girls Olympic Development Program every summer since 1994. Currently, Rainey is the coach of Region II National team liaison. He received his United States Soccer Federation (USSF) "A" License in 1996. He has also written articles for leading soccer publications such as Soccer Coaching Magazine and presented at numerous coaching clinics around the Midwest. He has also served on the NCAA and NSCAA ranking committees.

Rainey graduated from Wilkes University in 1992 with degrees in Mathematics and English. He went on to get his Master of Education degree from Trenton State College in 1994.

As a player, Rainey was a two-time captain and team MVP for Wilkes University. In 1990, he was a second team National Soccer Coaches Association of America (NSCAA) all-region pick.

Rainey's wife Margaret earned her Masters degree in education at Iowa and played collegiate soccer at the University of Wisconsin. They have three children: Wade (9), Sally (7) and Mary (5).

IOWA WOMEN'S SOCCER

Shane Meridith Assistant Coach Second Season

Shane Meridith enters his second season as an assistant coach for the Hawkeyes.

He was hired in 2009 as the coach for the midfielders and forwards. He also coordinates recruiting and performs administrative duties.

Meridith spent the previous two seasons as an assistant at Miami of Ohio. He has prior experience with Rainey, as he was an assistant on Rainey's staff at Ball State from 2000-01. He also spent one year at Indiana University-Purdue University Indianapolis (IUPUI) during the 2003-04 season.

He was previously the head coach for the Carmel United Soccer Club (2002) and has worked as Director of Coaching at Cincinnati's (OH) Westside Soccer Club. In addition, Meridith was a longtime staff coach for the Indiana Youth Soccer Association (1994-2007) and serves as a Region II staff coach for the United States Youth Soccer Federation. He has a USSF National "A" License.

Meridith, a four-year letterwinner at Earlham (84-87), coached at his alma mater for six years leading the Quakers to a 53-56-5 record between 1994-2000. He was named North Coast Athletic Conference (NCAC) Coach of the Year in 1998 and served on the NSCAA Great Lakes Region and Coaches Ranking Committee.

He earned his bachelor's degree in education from Earlham (1989) and has completed coursework towards a master's degree in sports psychology from Ball State. Meridith and his wife, Darcey, have a daughter, Josie (8).

Ivan Sanchez Volunteer Coach Second Season

Ivan Sanchez enters his second season with the Iowa women's soccer team as a volunteer assistant coach.

Sanchez graduated from Southern Illinois University Carbondale in 2006 with a Bachelor's Degree in Finance and Management. He continued his education at SIUC, earning a Master's Degree in Sport Management in 2009. While at SIUC, Sanchez competed on the Saluki swim team. As an athlete, he was a Missouri Valley Conference Champion in both 2002 and 2004 in the 200 and 500 yard freestyle events. The four year letter winner was also an Olympic Trial Qualifier for Mexico in 2000, 2004 and 2008. Sanchez also competed on the SIUC men's club soccer team.

In addition to Ivan's established competitive career, he has also shared his knowledge of the sports through multiple coaching positions. He is currently an assistant coach for the Iowa City High boys swim team, a position he has held since 2009. Sanchez served in the same capacity for the Saluki Swim Club for ages 12-18 from 2008-2009 and the DuQuoin Indians Swimming Summer League in the summer of 2008. Between 2006 and 2009, he volunteered as an assistant coach for the Southern Illinois University Swim team.

Sanchez is engaged to Brianna Janssen, a PhD student at the University of Iowa in Second Language Acquisition.

Jaimel Johnson Assistant Coach First Season

Jaimel Johnson is in her first season as an assistant coach at the University of Iowa.

Johnson comes to Iowa with an extensive playing background. She was a four-year goalkeeper at the University of Tennessee from 2005-08 and collected numerous awards and honors during her time in Knoxville. Johnson was a NSCAA/adidas all-American and first team all-SEC pick in 2007. She was named to the Hermann Trophy (soccer's equivalent to the Heisman Trophy) Watch List in 2008 and was a nominee for the NCAA Woman of the Year Award in 2009.

Johnson, a two-time team captain at Tennessee, led the Volunteers to four-straight NCAA Tournament appearances. She also helped Tennessee claim two SEC titles in 2005 and 2008. Johnson was named MVP of the SEC Tournament in 2008.

While at Tennessee, Johnson earned numerous academic awards. She was a four-year member of the SEC Academic Honor Roll and was named to the SEC all-Academic team three times. In 2007, Johnson was an ESPN the Magazine Academic all-District IV selection.

Johnson has years of experience at the international level. She was in the U.S. National Team pool in 2003 (U-17), 2006 (U-19) and 2008 (U-23).

Johnson played professionally for the Chicago Red Stars in the WPS and was selected in the 2009 inaugural draft.

IOWA WOMEN'S SOCCER

The University of Iowa soccer team looks to continue its success from the last four seasons in 2010 under fifth year Head Coach **Ron Rainey**. The Hawkeyes started strong in 2009 with an 8-2 record in non-conference play hope to take that play through the end of the Big Ten season in 2010.

"I am very excited about this year," Rainey said. "I think we have another opportunity with returning players and some young ones to keep taking steps forward as far as how we want to play. We want the success in the non-conference and in the spring of 2010 to translate into Big Ten success in the fall of 2010. We didn't do as well as we wanted to in the Big Ten last year, and I think that is something we have talked about quite a bit. We were competitive, we were in close games, but we didn't get things done. We have to take the mentality we had in non-conference play where we were 8-2 against very good opponents that were ranked in the region and high in the RPI range nationally, and have that same attitude and confidence when we play in Big Ten games. There may be times in the Big Ten games where we have to manage games better and look to change things against opponents to keep them on their heels. Last year we didn't play with leads a lot, so this year scoring that first goal on the first opportunity is going to be very important for us. That sometimes changes the game as well playing with a one goal lead as opposed to playing behind one goal."

Captains for the 2010 season are **Mandy Heimann**, **Jenna Aleo** and **Kali Feiereisel**. The trio of seniors have been key components in the team's success during their years at Iowa. Combined, the three leaders have started in 117 matches and recorded minutes in 138 games as a dominate force in Iowa's back line. Aleo and Heimann started every game of the 2009 season as part of a Hawkeye defense that held opponents scoreless for over 409 minutes. Aleo was named the team's Most Valuable Player. Feiereisel protects the net, recording over 1,200 minutes in goal in three seasons. Although being slowed by injury during her sophomore campaign, the Libertyville, IL native has recorded 63 saves and five wins during her career.

The women's soccer program also welcomes a new face to the Hawkeye coaching staff, this season. **Jaimel Johnson** joins Rainey and second year assistant coach **Shane Meridith** as an assistant coach. Johnson, a University of Tennessee graduate, works with the goalkeepers. As an athlete, Johnson competed for the Volunteers as well as the U.S. National team in 2003 (U-17), 2006 (U-19) and 2008 (U-23) and the Chicago Red Stars.

"We are excited about Jaimel's addition to the University of Iowa, the Hawkeye athletic department and the soccer program," Rainey said. "Jaimel is a young coach who will push our goalkeep-

ers and brings incredible energy to our team. She emerged from a talented pool of candidates as someone who meets the needs of our program, and we cannot wait for her to get started."

Goalkeepers

Iowa has a trio of threats in goal this season in **Emily Moran**, **Kali Feiereisel** and **Stephanie Swanson**. Moran had a breakout season in 2009, recording 90 saves in 1,771 minutes while holding five teams scoreless. Feiereisel and Swanson both saw action last season against Northern Iowa.

"This year we have a lot of experience back," said Rainey. "**Emily Moran**, **Kali Feiereisel** and **Stephanie Swanson** have all played minutes in college games. Emily was our No. 1 keeper last year, but the summer is a time we want people competing to play for that spot. I feel we have some depth at this position, and now we really need those goalkeepers to step up and make big saves in practice and in games."

Moran broke into the record books after her sophomore campaign. With 14 career wins, Moran is tied for second with Gabe Mauren and Liz Hendel. She has also 164 career saves and recorded nine wins in 2009 to occupy the fourth and third spots in the respective categories.

Defenders

Iowa's defense made things difficult for its opponents last season, and with four returning starters and four players with experience returning, the 2010 season does not look to be any easier for Hawkeye foes. The sturdy defense recorded six shutouts and went 409 minutes over five games without allowing a goal.

Rachael Blaskesley and Mandy Heimann working to defend the goal.

IOWA WOMEN'S SOCCER

"The backs are another area where we have some experience, but we will mix in some new players," Rainey said. "**Jenna Aleo**, **Rachael Blakesley** and **Mandy Heimann** have started quite a bit. We also want to be flexible to see if there is anybody that can fill a role there to make for a good defensive presence."

Incoming freshmen **Alex Strang**, **Jess Yagla** and **Alex Melin** are also expected to be competitive in Iowa's defense this season.

"We feel like **Kat Lewis** and maybe **Alex Melin** and **Alex Strang**, as young players, may be getting time there and looking to compete in the back for us," said Rainey, "And we can put someone without a ton of experience back there because Jenna, Rachael and Mandy have a lot of experience."

Midfielders

With the loss of Jackie Kaeding and Alex Seydel, **Morgan Showalter** will be the leader in the midfield this season. The 2008 Big Ten all-Freshman selection and the 2009 Iowa Offensive Player of the Year is up to the challenge. Showalter has started every match of her career, and recorded six goals and five assists last season. **Sarah Langlas** will also be a leader for the Hawkeyes this season after recording minutes in each match last season while earning 12 starts.

"We are starting to get some players that are a little bit older and we also feel like we have some young players now," Rainey said. "**Sarah Langlas** and **Dana Dalrymple** are two players that might fill a role as a defensive midfielder and we are strong in the midfield with **Morgan Showalter** as an attacking midfielder. Some of the midfield competition will depend a little bit on whether we play with three in the midfield or four in the midfield. I think that will be a group that will allow us to keep possession of the ball and control tempo of games."

The junior duo will be joined by sophomores **Dana Dalrymple** and **Kat Lewis**. Dalrymple earned one start during her freshman season and saw action in 17 matches. The Cincinnati, OH native also recorded assists on Showalter and **Alyssa Cosnek** goals. Lewis wasted no time making an impact for the Hawkeyes last season. The Cedar Rapids, IA native scored her first career goal against Wisconsin-Milwaukee and found **Keli McLaughlin** for her first assist when Iowa faced Loyola-Chicago.

The Hawkeyes welcome **Allie Adam**, **Leah DeMoss**, **Katie Nasenbenny** and **Alex Melin** to the midfield force in 2010.

Sarah Langlas works to advance the Iowa attack in the midfield.

Forwards

The dominate duo in the attack is familiar this season. Senior **Keli McLaughlin** and junior **Alyssa Cosnek** are prominent strengths in Iowa's attacking third. McLaughlin was the leading scorer in 2009 with nine goals and two assists, while Cosnek found the net six times and assisted four goals. Dalrymple made an impact in Iowa's attack during her freshman campaign. Freshman **Ashley Catrell** has great examples to look to as an incoming forward for the Hawkeyes.

"For our forwards, we also have some experience back with some newcomers," Rainey said. "**Keli McLaughlin** and **Alyssa Cosnek** have been big point scorers for us in years past, and we really expect them to do well for us this year. **Dana Dalrymple** had an excellent freshman year and we want her to be even better her sophomore year. Then a player like **Ashley Catrell**, the Kansas state Player of the Year, we expect her to come in and be a great player as well."

WHY IOWA?

The university of Iowa is the TOTAL PACKAGE for me... it has a great, and rising soccer program with coaches and teammates who are very dedicated. The location is only three hours from my hometown, so my family can attend most of my games. The campus is gorgeous and the size of the student body was exactly what I was looking for.

- Favorite Vacation Spot: Ixtapa, Mexico
- Favorite Book: *The Polar Express*
- Hobbies: Drawing, writing, running
- Surprising Fact: I love old black and white movies!
- I Am Most Thankful For...: The close relationship I have with my parents.

IOWA WOMEN'S SOCCER

Amanda Martin

Senior
Forward
Lewis Center, OH

GETTING TO KNOW GABRIELLE

Nickname: Gabby

Favorite Soccer Players: Sergio Ramos and Fernando Torres

Favorite Soccer Team: Real Madrid

Favorite Food: Calamari

Favorite Movie: *Never Been Kissed*

Favorite TV Show: *Ugly Betty*

Favorite Musical Artists: Say Anything, Yelle

Favorite Vacation Spot: Amsterdam

Favorite Book: Harry Potter!

Hobbies: Playing sports, playing guitar, learning different languages and cultures.

Surprising Fact: I have moved 13 times.

I Am Most Thankful For...: The support of the people around me and the time and effort they put into me to ensure that I am the best I can be.

WHY IOWA?

I chose Iowa because of the people and the structure of the school. I have not encountered anyone that is not willing to help when there is a problem. The environment of the school allows me to know that I will grow immensely. Picking this school over any other was easy because of the homelike feeling given off by the coaches and teammates. I am positive that my game will be at its peak when I leave Iowa due to the dedication that the coaching staff has to the girls. That is probably my number one reason for becoming a Hawkeye.

IOWA WOMEN'S SOCCER

I Am Most Thankful For...: My family and friends, as they have always supported me through the countless soccer games in the blistering heat and the freezing cold. Also, God, for blessing me with such a passion and love for the game of soccer to carry me forth throughout my life.

WHY IOWA?

I chose Iowa because everything fit like a puzzle. At first I just had a bunch of pieces, but when I turned them all in the right direction the picture was IOWA. When I stepped on campus I immediately fell in love. Then meeting everyone, from the girls to the coaches and local Iowans, everyone was so nice, which made everything a breeze. I'm overly excited about my decision and can't wait to finally take field with the Hawkeyes!

IOWA WOMEN'S SOCCER

Dana Dalrymple

Sophomore
Defender/Midfielder
Cincinnati, OH

2009 as a Freshman... Saw first action in match against Missouri... earned first career assist on a Morgan Showalter goal against Missouri... found Alyssa Cosnek during the Wisconsin-Milwaukee win to record second assist of the season... played in 17 games, including first career start against Indiana... letterwinner.

High School... GETTING TO KNOW JADE

Nickname: Jade

Favorite Soccer Player: Mia Hamm

Favorite Soccer Team: Hawkeyes

Favorite Food: All Seafood

Favorite Movie: *Twilight*

Favorite TV Show: *One Tree Hill*

Favorite Musical Artists: Beyonce

Favorite Vacation Spot: San Diego

Surprising Fact: I have never been stung by a bee or broken anything.

I Am Most Thankful For...: My Family

WHY IOWA?

When looking at where I wanted to go on to school, I focused on three priorities. The first was to find a large school that offered an exceptional pre-med education combined with an opportunity to explore the medical field during the undergraduate years. The second was to find an environment that I would like to call home for the next 4-8 years. Coach Ron did an excellent job of helping me understand where the university ended and the city began. Last was to play for a coaching staff that I respected and could relate to. The coaching staff at Iowa was very easy to communicate with and having Ron as an assistant coach on the Region II ODP team gave me a chance to really get to know him as a coach and a person.

IOWA WOMEN'S SOCCER

Katherine Lewis

Sophomore
Defender/Midfielder
Cedar Rapids, IA

2009 as a Freshman... Saw first action in win over Montana... recorded first career assist against Loyola-Chicago when she found Keli McLaughlin from the 18-yard box... scored first career goal against Wisconsin-Milwaukee on a header from the six-yard box... competed in 17 games... letterwinner

High School... Part of a Kennedy (H.S.) team that won three-straight conference championships from 2006-08... team captain as a junior... two-time first team all-metro, all-conference selection... named first team all-state as a junior and to the second team as a sophomore... named to all-tournament team as a junior... played club soccer for Ankeny Soccer Club for two years... high school coach is Homer Screws... club soccer coach is Daryl Brazeau... high school teammate of freshmen Jade Grimm and Rachel Spellerberg.

Personal... Born August 30, 1990... parents are Norman and Stephanie Lewis... open major... four-year Honor Roll recipient.

LEWIS' CAREER STATISTICS

IOWA WOMEN'S SOCCER

The playing surface at the Iowa Soccer Complex is arguably the best in the Big Ten.

The Iowa Soccer Complex allows fans to watch matches from either the grandstands or hillsides around the complex.

Professional-style bench covers were added to the Iowa Soccer Complex for the 2010 season.

Iowa's practice facility is located next to the Iowa Soccer Complex. The practice facility includes a full-length field, bench covers and plenty of space for the Hawkeyes to train.

The Iowa Soccer Complex has been the home of Hawkeye Soccer for eight years. The complex is equipped with lights, grandstands and an enclosed press box. The field is also fenced in and contains a professional irrigation and drainage system. The home of the Hawkeyes is truly one of the best collegiate soccer facilities in the nation.

IOWA WOMEN'S SOCCER

The Hawkeyes broke in a new locker room during the 2006 season. Iowa's locker room is a part of the Hawkeye Tennis and Recreation Complex, located within walking distance to both the practice facility and the Iowa Soccer Complex. The Hawkeye locker room is equipped with spacious lockers and a lounge area complete with leather chairs and sofas.

IOWA WOMEN'S SOCCER

Gary Barta Director of Athletics

"Hope is not a strategy," is a common refrain of the University of Iowa's Gary Barta. So, as Barta enters his fifth year as the UI's director of intercollegiate athletics – and his 24th year in athletics administration – he does so diligently working a plan that contributed to historic success for the Iowa Hawkeyes in 2009-10 and is setting the stage for more of the same in the years ahead.

Competitively, two events stand alone at the top of the list of achievements by UI teams in 2009-10: Iowa's dominating victory

over Georgia Tech in the 2010 FedEx Orange Bowl and yet another national championship for the UI wrestling program.

The victory over the Yellow Jackets in Land Shark Stadium in Miami was Iowa's 11th of the college football season and its first in a Bowl Championship Series event since the Hawkeyes' victory over California in the 1959 Rose Bowl. It was the final chapter in a season that opened with a school-record nine straight victories by Kirk Ferentz's squad, a streak that electrified fans of the Hawkeyes and triggered another pilgrimage of fans of the team to their second BCS appearance under Ferentz.

Tom Brands' Iowa wrestling squad crowned three national champions and eight Hawkeyes earned all-America honors while leading the UI to its 23rd NCAA title in school history. The championship was the third straight under Brands and it came rather handily – Iowa finished 44.5 points ahead of its nearest competitor – and, as more often than not – after yet another Big Ten Conference championship.

As inspiring as the achievements of Iowa's football and wrestling teams were, they weren't the alone. Iowa's women's basketball team overcame a series of injuries to secure 20 victories, reach the championship game of the post-season Big Ten Tournament, and advance to NCAA Tournament play for the third straight year.

The Iowa men's golf team used a second place finish at the 2010 Big Ten Conference Championship to secure an at-large invitation to NCAA Regional play where it finished tied for sixth and just one stroke shy of its second straight appearance in the national championship.

First-year coach Katie Dougherty guided the UI's women's tennis team to its first NCAA post-season action since 2006. The squad was powered by the nationally-ranked doubles team of Merel Beelen and Sonja Molnar.

The Iowa baseball team won seven of its last eight regular season league games to advance to the Big Ten Tournament when the Hawkeyes marched to the championship game for the first time since the 1983 season.

The Iowa men's track and field team advanced 32 athletes to NCAA post-season competition after a fourth-place finish by the men's squad at the Big Ten Championships. That finish was the Hawkeyes' best since 2006 and was sparked by three individual champions.

Barta and the UI Athletics Department also enjoyed historic success out of competition including, most notably, significant improvements to the facilities used by the more than 700 student-athletes who represent the UI in intercollegiate athletics competition.

In September 2009, the University of Iowa and the UI Athletics Department dedicated the \$7 million P. Sue Beckwith, M.D. Boathouse, a 20,000-square-foot facility built right on the bank of the Iowa River off of Dubuque Street in Terrill Mill Park.

In November 2009, the UI broke ground on a multi-million dollar addition and renovation of Carver-Hawkeye Arena, the 28-year-old competitive home of the Hawkeye men's and women's basketball, wrestling and volleyball programs. The Carver-Hawkeye Arena Revitalization Project will greatly improve the practice, strength training, and conditioning facilities for a myriad of sports programs in addition to providing new office space for the vast majority of Iowa's administrative and coaching staffs in addition to new locker room and support facilities for Iowa's men's and women's basketball, wrestling and volleyball teams.

In fall 2010, Barta will join the campus community in celebrating the opening

of the \$69 million Campus Wellness and Recreation Center. The facility will provide unparalleled recreational opportunity for UI students, faculty and staff, and the greater Iowa City community in addition to being the new full-time home of the UI's men's and women's swimming and diving programs.

The UI also expects to break ground on an addition to the facilities used by the Iowa football program during the 2010-11 year. Funded entirely through private support, the project is an important next phase of the master facilities plan for Hawkeye football. The project will include the construction of a new indoor practice facility, upgraded and improved locker rooms, team rooms, strength and conditioning facilities, and spaces used for the day-to-day operation of the UI's football program. The construction of the Ron and Margaret Kenyon Outdoor Practice Facility – a facility envied by many collegiate programs and NFL franchises – and the \$89 million renovation of historic Kinnick Stadium were phases 1 and 2 of the master plan.

While Iowa continues to move the facilities it makes available to student-athletes forward, the UI's commitment to the academic piece of the student-athlete experience remains paramount – and successful.

According to information released annually by the NCAA, the graduation rate for student-athletes who enrolled at the University of Iowa in the fall of the 2002-03 academic year was 70 percent, six percentage points better than the national average and two points better than a year ago. The graduation rate for UI student-athletes was also four percentage points better than the rate for all UI students.

The football program at the UI – with a Graduation Success Rate of 74 – ranked second only to Cincinnati among the ten teams invited to participate in the five 2010 Bowl Championship Series events. Iowa also ranked third among the seven bowl-bound Big Ten Conference teams.

The UI's field hockey, softball and men's cross country teams were among the NCAA Division I intercollegiate athletics programs singled out by the NCAA for Academic Progress Reports (APR) in the top 10 percent of all teams in their specific sport. In fact, for the second straight year all 24 of Iowa's teams exceeded the NCAA's APR benchmark and compared favorably to their peers in the Big Ten and nationally.

Barta's involvement in the UI campus community extends well beyond intercollegiate athletics. He is a member of the cabinet comprised of vice presidents and other campus leaders that provides counsel to UI President Sally Mason.

Barta also represents the UI and the Hawkeyes at the conference and national level as well. During his first four years at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's post-season bowl game agreements that go into effect this college football season.

Nationally, Barta remains active in the Division IA Athletics Directors Association, the National Association of College Directors of Athletics, and currently serves on the NCAA Football Committee Board of Directors.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external affairs division, a task that included corporate sponsorship and radio contracts.

The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA national championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (12) and a daughter, Madison (10). He was born September 4, 1963, in Minneapolis, MN.

IOWA WOMEN'S SOCCER

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2009-10.

Thirty-seven Hawkeyes earned all-conference accolades, while 15 were recognized as all-Americans. Hawkeye student-athletes excelled in the classroom, as well with 178 earning academic all-Big Ten laurels. The graduation rate of Iowa's student-athletes has improved in each of the past 10 years and has consistently ranked above the graduation rate of all UI students.

Paced by its men's cross country and field hockey teams -- each with perfect APR scores of 1,000 for the second straight year -- all 24 of Iowa's intercollegiate athletics programs achieved at a rate that surpasses the national benchmark established by the NCAA. Iowa's men's tennis, women's golf, women's tennis and volleyball all ranked in the upper 90 percent of its peers.

The support of their efforts and attendance by Hawkeye fans ranks among the best across the country.

While the Hawkeyes compete with the best in the nation in a variety of sports, Iowa boasts some of the most impressive athletic facilities in the nation, operated by one of the most respected departments.

Several new projects are underway on the Iowa campus. Some of the latest additions to the UI campus include the completion of the new Campus Recreation and Wellness Center, which houses the swimming and diving teams, and the state-of-the-art \$7 rowing boathouse. In addition to the brand new swimming and rowing facilities, the Roy G. Karro Athletics Hall of Fame and Visitors Center, the Russell and Ann Gerdin Athletic Learning Center and the Hawkeye Tennis and Recreation Center completed construction in recent years. Furthermore, the UI is in the middle of a \$43 million Carver-Hawkeye Arena renovation project that is expected to be completed the summer of 2011.

The 2010 Iowa Hawkeye wrestling team won its 23rd NCAA championship along with its 34th Big Ten title. Iowa crowned eight all-Americans en route to its third-straight national and league championships.

Kinnick Stadium received a major upgrading and renovation that was completed just prior to the 2006 season. The \$89 million project included the replacing of the south end zone stands and building of a four-level press box that houses 47 guest suites. New scoreboards, video walls, concession stands

and new rest rooms were also part of the project.

Iowa athletes have been recognized as all-Americans in their sport on 268 occasions during the past 18 years, including 15 this past season.

The Iowa women's basketball team finished runner-up at the Big Ten Tournament and advanced to the second round of the NCAA Tournament last season.

IOWA WOMEN'S SOCCER

The Iowa football team boasted an 11-2 record a year ago, was ranked as high as fourth nationally, and recorded a dominating 24-14 Orange Bowl victory over Georgia Tech.

During the 2009-10 athletic year, the Hawkeyes continued their trend of success on the playing fields and in academic pursuits. Below are some examples of recent Hawkeye success.

The Hawkeye wrestling team continued its dominance on the mat claiming its 23rd and third-straight NCAA national championship and its 34th and third-straight Big Ten title. Ten Hawkeyes earned all-American laurels en route to the team championship. Tom Brands was tabbed Big Ten Coach of the Year, while Matt McDonough was honored as the league's top freshman.

Iowa football continued its stellar play, winning 11 of its 13 games in 2009, and earned a national ranking as high as fourth. The year culminated with a dominating 24-14 performance over Georgia Tech in the Orange Bowl. The return trip to Miami marked Iowa's sixth January bowl game in eight years. Kirk Ferentz was named Big Ten Coach of the Year, while Bryan Bulaga was honored as the conference's Offensive Lineman of the Year.

Iowa's field hockey team has won the Big Ten Tournament championship three of the last four years and finished third nationally, advancing all the way to the Final Four in 2008. A total of 39 Hawkeyes have garnered all-Big Ten accolades under Head Coach Tracey Griesbaum.

The Hawkeye baseball team surged last season, winning 11 of its last 14 games to finish third in the Big Ten and earn runner-up honors in the conference tournament. Three Hawkeyes and two incoming recruits were drafted in the Major League Draft following the season.

The women's basketball team had another outstanding season, finishing third in the league, earning runner-up honors at the Big Ten Tournament and advancing to the NCAA Second Round. Lisa Bluder, who was named Big Ten Coach of the Year for the third time, coached Kachine Alexander to honorable mention all-America status and Jamie Printy to Big Ten Freshman of the Year laurels.

Under first-year Head Coach Katie Dougherty, the women's tennis team ascended in the national rankings to 18th and earned a NCAA Tournament berth. Also, Iowa's doubles team of Sonja Molnar and Merel Beelen ranked 14th nationally competed in the national tournament at the end of the year. Molnar is a two-time all-Big Ten performer and was tabbed the league's Freshman of the Year in 2009.

Head Coach Mark Hankins continued to have his men's golfers play at a high level. The Hawkeyes finished second, only three strokes from first, at the Big Ten Championships and was only one stroke from advancing to its second-straight NCAA Championships when it placed sixth at Regionals this past spring.

The aforementioned list of team and individual accomplishments are just a sampling of the recent excellence achieved in Iowa City.

Whether it's the top-notch athletic or academic performances, the outstanding community and fan support or the impressive facilities, it's easy to understand why Iowa fans everywhere truly believe, "It's great to be a Hawkeye."

IOWA WOMEN'S SOCCER

Since its inception in 1979, Athletics Student Services has evolved from a two-person, academic support service to a broad-based, nationally prominent student support services operation. Its purpose is to offer academic and personal support services that will assist student-athletes in making timely progress toward their degrees while preparing to become tomorrow's leaders. Athletics Student Services focuses on four important areas - academic counseling and monitoring, educational and support programs, retention programs and compliance education and services - when working with student-athletes. Following are descriptions of some of the programs, services and opportunities available in those areas.

Gerdin Athletics Learning Center

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals. The Athletics Learning Center is a 20,000 square foot facility which provides a computer lab, study lounges, seminar and meeting places for all Hawkeye student-athletes. The Learning Center features an auditorium that converts into two classrooms, separate study rooms for under and upper-class student-athletes with 28 study carrels, a computer lab, tutorial rooms, the book loan repository, offices for Iowa's Student Services staff and a display area to recognize the academic and athletic accomplishments of Iowa's student-athletes.

Academic Counseling & Monitoring

Athletics coordinators work closely with student-athletes and their university-assigned advisors from the time they arrive on campus until the time they leave the University. Along with focusing on academic planning matters such as goal-setting, plans of study, choosing majors and degree requirements, athletics coordinators also help student-athletes understand NCAA, Big Ten and University academic policies. They also solicit feedback from instructors on academic progress made by student-athletes.

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals.

Career Guidance & Development

Planning a meaningful career and a fulfilling life is an ongoing process of expanding and narrowing choices, beginning when student-athletes arrive on campus and continuing throughout their college career and lifetime. The professional staff works with other career development professionals on campus to offer individual consultation, career development seminars, workshops, referrals to other campus offices and special events like the Senior Recognition Banquet for graduating student-athletes.

Educational Programs

A full menu of educational programs are offered to student-athletes to ensure their academic success and personal development as they grow from Today's Hawkeyes to Tomorrow's Leaders. Through collaboration with other University of Iowa student services offices, and in partnership with the NCAA CHAMPS/Life Skills Program, programs address such quality of life issues as alcohol safety, healthy lifestyles, tolerance and respect, career development, professional conduct and leadership development.

Retention

Through the retention program student-athletes, who may need tailored academic assistance and structure, are identified and receive individualized learning plans to help them succeed. Such plans may include daily and weekly planning sessions with athletics coordinators and retention staff, tutoring, study groups, mainstreaming into on-campus services like the writing center, math labs and services for students with learning disabilities.

Transition Seminar

All new student-athletes attend an eight-week transition seminar during the fall semester that is geared toward helping them make the transition from high school to college successfully. Seminar topics include time management skills, learning and study strategies, the culture and rules of the university and Division I Big Ten intercollegiate athletics, and personal leadership and life skills concerning alcohol safety, healthy relationships and intimacy, diversity and inclusion, tolerance, values and character.

IOWA WOMEN'S SOCCER

Located near the Hillcrest, Slater, Quadrangle and Reinow residence halls, the Russell A. and Ann Gerdin Athletics Learning Center is easily accessible to Hawkeye student-athletes. Some of the facility's features include a large computer lab, areas for group and independent study, and meeting rooms.

Minority Enrichment Program

This program offers a culturally supportive environment in which minority student-athletes develop friendships and a support network in the university. A core focus group of students and staff coordinate programs such as guest speakers, holiday celebrations, community service activities with the local neighborhood centers, events with Cultural Centers and networking with minority faculty, staff, professional and business leaders.

Leadership Development through Iowa SAAC

Through the Iowa SAAC (Student-Athlete Advisory Committee), student-athlete representatives selected by their coaches and teammates represent the interests and concerns of their teams to Athletics Administrators. They meet regularly to plan community service, personal development, career education and social programs advised and supported by Athletics Student Services staff. They are consulted about emerging department policies and NCAA proposed legislation. SAAC representatives learn about and participate in the athletics governance structure by serving on department advisory committees.

Tutoring

Tutoring is available free of charge to all student-athletes. Tutors, who are graduate and professional students, current and former teachers, help with course content as well as study strategies and are available in virtually all general education program subjects.

Compliance Education and Services

Athletics Student Services administers a comprehensive compliance program to ensure that all staff and student-athletes act in accordance with NCAA, Big Ten Conference and University of Iowa regulations. Staff members oversee and assist with the recruiting of prospective student-athletes. They monitor the continuing eligibility of student-athletes. They oversee and administer student-athlete financial aid. They conduct rules education programs for coaches, staff, student-athletes and boosters. They monitor staff and student-athlete behavior to ensure conformity with the NCAA, Big Ten Conference, University of Iowa and Athletic Department policies and rules.

Compare the Numbers
Iowa's student-athletes have outperformed the University's entire student population each year since the NCAA started requiring a report of student-athlete graduation rates.

IOWA WOMEN'S SOCCER

When student-athletes consider their future, they should consider prospects beyond athletics. A list of all University of Iowa alumni who have distinguished themselves professionally would be difficult to assemble and could never be complete. However, some are truly outstanding in their area of expertise.

Business

Leland C. Adams, Former president, Amoco Production Co.
John J. Balles, Former president, Federal Reserve Bank of San Francisco
Arthur A. Collins, Founder, Collins Radio (Rockwell Collins)
Kathleen A. Dore, Executive vice president and general manager, Bravo Television Network & the Independent Film Channel
John W. English, Former vice president and chief investment officer, Ford Foundation
H. John Hawkinson, Former president and director of funds, Kemper Financial Services Inc.
Richard O. Jacobson, President, Jacobson Warehouse Co.
Bill Krause, President, Krause Gentle Corp.

Jane Smiley, 1992, *A Thousand Acres*
Tennessee Williams, 1948, *A Streetcar Named Desire*; 1955, *Cat on a Hot Tin Roof*

IOWA WOMEN'S SOCCER

Athletic Training & Sports Medicine

Continuing to set the standard in athletic training and Sports Medicine Service, The University of Iowa provides the student-athlete with exemplary medical care. Athletic Training Services is the largest component of the University of Iowa Sports Medicine program. UI Sports Medicine is a multidisciplinary healthcare team housed within the UI Sports Medicine Center, as part of University Hospitals & Clinics (UIHC), striving to provide exemplary everyday care for all student-athletes. The team consists of Athletic Training, Orthopaedics, Primary Care, Physician Assistants, Radiology, Physical Therapy, and Nursing. In addition, Athletic Training Services connect student-athletes to UIHC resources and specialty areas. Iowa's staff of 12 full-time licensed athletic trainers and six graduate assistant licensed athletic trainers provide health care services within four athletic training rooms and other ancillary facilities, involving injury rehabilitation and prevention programs among other health care services. When injuries and illness occur Iowa's athletic trainers provide treatment and rehabilitation programs to facilitate appropriate return to participation.

Services from the UIHC, among the world's largest university-owned teaching hospitals, support the efforts of the athletic trainers and other specialty sports medicine staff. Located next to Kinnick Stadium, the hospital offers a cutting-edge environment where staff physicians, sports medicine fellows, sports physical therapists, and athletic trainers care for student-athletes and produce successful outcomes. Dedicated research and education result in outstanding care. In October 2009, the Institute for Orthopaedics, Sports Medicine and Rehabilitation (IOSMR) opened to further enhance the care for student athletes. This new facility houses the UI Sports Medicine Center.

Athletic trainers form a team with orthopaedic and primary care physicians for every Hawkeye sport. Many of the physicians are fellowship trained in their specialty area and lecture locally, nationally, and around the world. In addition, each athlete has access to orthodontists, nutritionists, psychologists, and specialty physicians at the UIHC. Priority access to see physicians and other health care professionals provides expertise for comprehensive health care that returns the student-athlete to practice and competition promptly and safely.

The Hawkeye Tennis and Recreation Complex Athletic Training Room has excellent facilities to conduct evaluations, treatments, and rehabilitation for the student-athlete.

The Hawkeye Strength Training Program

The University of Iowa Strength and Conditioning Department is committed to providing the ultimate training experience for each Hawkeye student-athlete. Our focus is the development of the complete student-athlete through the use of proven scientific methods for reducing the risk of injury, as well as maximizing each student-athletes' athletic potential. Equally as important, our staff will foster a culture of relationship building in which we will seek to enhance the intangible character traits required for each Hawkeye to reach his or her championship potential on and off the playing stage.

Strength & Conditioning Philosophy

The philosophy of this program consists of two components. The first is to continually develop a scientifically sound program that will maximize strength, power and explosiveness in order to allow the athlete to get the utmost out of their genetic potential, and to reduce the chance of injury. This will primarily be accomplished through the use of ground based free weight exercises and the progressive incorporation of functional movements and plyometrics. The second is to establish a culture which will develop the discipline, character and mental toughness within each student-athlete and team as a whole so that they are able to make sacrifices in their training, leave their comfort zone and develop a Championship ATTITUDE. This will encourage them to make the most out of every situation and opportunity given to them in athletics and academics, so that they might know what it is to be fully committed to something. When these two converge, they are not only able to reach their full potential; they become champions on and off the playing field.

The 1,800-square foot Recreation Building strength training facility is equipped with eight Olympic platforms, squat racks, medicine balls, physio balls and over 10,000 pounds of free weights.

IOWA WOMEN'S SOCCER

An Exceptional Choice

Since 1847, The University of Iowa has distinguished itself as a leader among public universities. Today its programs in health, business, engineering, education, law, the arts, communications, and the sciences are known worldwide for their excellence and innovation.

Outstanding Academic Opportunities

Iowa offers degrees in 11 colleges: Business, Dentistry, Education, Engineering, Law, Liberal Arts and Sciences, Medicine, Nursing, Pharmacy, Public Health, and the Graduate College. Undergraduates can choose from more than 100 areas of study.

A Fun Place to Call Home

Iowa City is a classic university town where learning and creating truly matter. The city blends the vibrant University campus and the natural beauty of the Iowa River with nearby shopping, entertainment, and residential areas.

Commanding Resources

The University operates one of the largest research library systems in the country. Iowa equips its classrooms and laboratories with the latest in computer technology. Students benefit from this technology-rich environment coupled with the high personal attention of University faculty and staff. Visit the University's web site at www.uiowa.edu to about its multifaceted education, research and service programs.

More Than a Taste of the Arts

Although temporarily displaced from their buildings by a summer 2008 flood, Hancher Auditorium and the UI Museum of Art continue to offer performances, exhibits and special events in alternate venues. Premier works of art are displayed in most University buildings and plazas throughout campus. Students may participate in theater, music, and dance groups.

Time and Space to Play

Every year about 90 percent of Iowa's students make use of the University's recreational facilities. Each season offers a full schedule of intramural and club sports, ranging from rugby, tennis, and golf to volleyball, soccer, and swimming. Individual workouts are a part of many students' daily routines. Students also make use of campus walking and running trails, bikeways, ski trails, golf courses, and canoe and sailboat rentals to relax and enjoy leisure time.

What Distinguishes an Iowa Education?

Success. Iowa's philosophy is that if students meet the entrance requirements, the University is going to do everything it can to help students to graduate. An Iowa degree spells success in the job market, giving students the skills to continue learning and growing throughout their careers.

Excellence. The faculty is stellar. Students are amazed not only at how much they know but at how enthused they are about sharing that knowledge and getting students excited about their subject.

Comfortable class sizes

Attending a large university does not necessarily mean having large class sizes. More than 30,000 students are enrolled at Iowa, but the UI has a student-to-faculty ratio of 15:1. Large lecture halls host a few of the most popular undergraduate courses, with several hundred students in attendance. However, most lectures are complemented by classroom discussions among smaller groups. Altogether, 92 percent of undergraduate classes have fewer than 50 students in them; 80 percent have fewer than 30 students. Less than 4 percent of undergraduate classes have more than 100 students in them.

50

U.S. News & World Report ranked The University of Iowa as the 26th best public university in the nation in 2009.

Consider Iowa's Advantages

- According to the Fiske Guide to Colleges, the University of Iowa is a "Best Buy" for an outstanding, affordable education.
- Iowa celebrates diversity—the University attracts students from 100 countries and all 50 U.S. states.
- Iowa's students and faculty have an enthusiasm for learning and for having fun.
- Iowa is part of the Big Ten Conference, sharing academic and athletic traditions among a group of America's leading universities.
- Iowa's faculty members not only offer a full range of academic offerings for students, they actively engage in innovative research projects within their specialty areas.
- Students can easily travel a half day by car to a number of large American cities, including Chicago, Minneapolis/St. Paul, Kansas City, St. Louis, and Omaha.
- Iowa City holds a cosmopolitan charm all its own as a gathering place for the world's writers, for world-renowned artists, and for noted visiting lecturers.
- The University's 400+ student organizations include fraternities, sororities, and many professional and cultural societies.
- The University's career and placement services match students with companies for internships and other professional experiences throughout their education.
- The University's graduates excel in their careers, often holding leadership positions within their professions and communities.

IOWA WOMEN'S SOCCER

The Colleges

Most freshmen who enroll at The University of Iowa are admitted to either the College of Liberal Arts and Sciences or the College of Engineering. The General Education Program allows students to sample courses in more than 100 areas of study. At Iowa, students are required to take electives, major courses, and general education course work.

Liberal Arts & Sciences

Undergraduate Degrees Offered - Bachelor of Arts (BA) and Science (BS) in 58 major fields; Bachelor of Fine Arts (BFA) in Music (BM) and of Liberal Studies (BLS). Admission - Freshmen and transfer students are to meet the college's admissions requirements.

Engineering

Undergraduate Degrees Offered - Bachelor of Science in Engineering (BSE) in six majors- biomedical, chemical, civil, electrical, industrial, and mechanical engineering. Admission - Students must meet the college's high admissions requirements.

Business

Undergraduate Degrees Offered - Bachelor of Business Administration (BBA) in six majors: accounting, economics, finance, management, management information systems, and marketing. Admission - Usually requires two years of pre-business study in the College of Liberal Arts and Sciences. Details at www.biz.uiowa.edu/upo/admissions/.

Education

Teacher Education Programs - Elementary Education, Art Education, English Education, Foreign Language Education, Mathematics Education, Music Education, Science Education, and Social Studies Education. Additional teaching minors in Coaching, ESL (English as a Second Language), Hearing Impaired, Journalism, and Talented and Gifted. Admission - Review all admission requirements and program guides at www.education.uiowa.edu/tess/

Nursing

Undergraduate Degrees Offered: Bachelor of Science in Nursing (BSN).

Admission: Students typically complete one year of pre-requisite courses in the College of Liberal Arts and Sciences and apply for admission during the second semester of the first year. The College of Nursing has competitive admission. The BSN requires three years of study once the student earns admission.

Pharmacy

Professional Degree Offered - Doctor of Pharmacy (PharmD).

Admission - Students must successfully complete required pre-pharmacy course work in the College of Liberal Arts and Sciences. These requirements may be met in two years but do not guarantee admission. Students must also complete the Pharmacy College Admission Test (PCAT).

Graduate and Professional Degrees

Many student-athletes who have attended The University of Iowa and completed their undergraduate degrees continue their education at the University. Student-athletes who attend graduate or professional school must first complete course work toward a bachelor's degree in their field of study. The University also offers undergraduates the opportunity to participate in research and overseas study programs, as well as internships that will help prepare them for graduate school.

The Tippie School of Management's MBA program was recently ranked 20th best in the country by Forbes magazine.

IOWA WOMEN'S SOCCER

Housing

Each athletics team has its own rules regarding residence of incoming freshmen. Across the University, about 90 percent of freshmen choose to live on campus in one of the 10 residence halls. Most student-athletes live at least two years on campus.

The residence halls have full-service dining rooms, study lounges, laundry facilities, recreational facilities, vending, and bank machines. Each room has high-speed computer connections for e-mail and Internet access, plus there are wireless networking hot spots in a variety of locations across campus. Iowa also offers wireless networking in 110 buildings and several outdoor areas, providing more than 2,000 access points across campus.

Safety

- 11:55 p.m. - 2:10 a.m.: Free SafeRide buses take students home Fridays and Saturdays during the fall and spring semesters.
- Public Safety offers Nite Ride, a safe means of late night transportation for women only. Nite Ride operates 10 p.m.-3 p.m. Thursday, Friday and Saturday.
- Special telephones with blue lights are stationed across campus with a direct link to the UI Department of Public Safety.
- University of Iowa Police personnel educate students on safety during summer orientation.
- The Rape Victim Advocacy Program cooperates with the UI Department of Public Safety and participates in Sexual Crime Awareness Week.

Cambus

There are six primary bus routes throughout the Iowa campus. The University Cambus provides over three million free rides to class and to the dorms for students each year. Some routes run seven days a week, and some run until 2:30 a.m. Cambus also operates a specialized transportation service for persons with disabilities.

Health Services

The University of Iowa provides the student-athlete with the most up-to-date and highest-quality medical care available. Students at Iowa can go to Student Health Service, which is open Monday through Friday. The service is supported by a fee paid by all full-time students. It offers students unlimited free office visits (there is a charge for other procedures done in the office, such as blood tests).

Libraries

The University of Iowa Libraries supports the academic achievement of all student-athletes with specialized courses, one-on-one consultations with librarians, 24/7 access to electronic resources through the web site (www.lib.uiowa.edu), and extended hours, which can accommodate complicated practice and travel schedules. UI Librarians help students find answers, whether they're on a web site, in a book, journal, government document, or database. Librarians also plan and teach students how to find, evaluate, and use information from a variety of sources--skills they will use throughout their lives.

Career Planning

Finding and pursuing a career takes careful planning. The Pomerantz Career Center is extremely valuable for student-athletes and can help identify skills that transfer from athletics to the workplace. The program suggests a timeline each student-athlete may follow throughout his or her stay at Iowa. The components of the program include:

- Individualized career advising
- Career education programs
- Summer job/internship opportunities
- Resume and cover letter development
- Preparing for life after college athletics

Computers

There are 26 Instructional Technology Centers all over the campus which are filled over 1,000 computers. These facilities are open at least 50 hours a week. Some are open 24 hours. Also, the Information Arcade in the Main Library provides a variety of specialized computing tools. The Computer Demo Center provides information for students who want to purchase computers and software.

Skills Labs & Support

Many academic departments offer skills labs to help students improve skills necessary to succeed at Iowa, such as writing, speaking, math, science, and foreign language. Assistance with skills such as note-taking, time-management, and test-taking are available through resources such as the College Transition Seminar (a credit-bearing course offered through University College), University Counseling Services, and Athletic Student Services staff.

Cultural Centers

Four cultural centers on campus provide a welcoming setting where students from various cultures can find cultural, academic, and personal support services: the Latino and Native American Cultural Center, the Afro American Cultural Center, the Asian Pacific American Cultural Center, and the Lesbian, Gay, Bisexual, and Transgender Resource and Education Center.

IOWA WOMEN'S SOCCER

Iowa City is a diverse, highly cosmopolitan community of 60,000 set in the natural scenic beauty of Iowa's rolling hills and woods along the tree-lined banks of the Iowa River. Iowa City has all the art galleries, ethnic foods, historic architecture and vibrant atmosphere of a much larger city, but with the compactness and friendly feeling of a small town.

As a place to live, Iowa City keeps winning awards and accolades - Named one of the 10 most enlightened towns in the country by Utne Reader, listed in the book *The 100 Best Small Art Towns in America* and selected the number-one place to live in the nation by Editor & Publisher magazine.

Economically, businesses such as Rockwell Collins, American College Testing and Procter & Gamble help keep the city booming. In Coralville, a branch office of Geico Auto Insurance has provided many residents with employment opportunities.

Culturally, Iowa City is alive with concerts, art exhibits, readings, plays and art events of all kinds. Located on the University of Iowa campus, Hancher Auditorium is a nationally-known performance center that brings in the best of Broadway, classical and jazz music, dance and other performances. The University of Iowa Theatre Arts department also produces a full schedule of plays each year, featuring the work of student performers and directors. So whether you enjoy the arts as a spectator or as an outlet for your own creativity, Iowa City has the opportunities.

Residents of Iowa City are not only economically and culturally enriched, they also take advantage of the numerous recreational facilities offered around town. The area's more than 30 parks provide opportunities for year-round activities including boating, hiking, swimming, fishing and skiing.

The city's greatest charm, however, remains the sincere friendliness of its citizens, the cosmopolitan atmosphere and the successful partnership built between the community and the University.

Old Capitol

One of the most recognizable sites in Iowa City is the gold dome of the Old Capitol which is situated in the heart of downtown. Built in 1840, it is Iowa City's most historic building. The Old Capitol was the site of the first governor inauguration as well as the first six Iowa General Assemblies. It is also where the state's Constitution was drafted. When the capital was moved to Des Moines in 1857, the Old Capitol was dedicated to The University of Iowa, becoming the first building owned by the University.

Coralville Lake

Just north of Iowa City is Coralville Lake, an outdoor recreational area that offers a variety of opportunities for the public. Coralville Lake offers picnic shelters, biking, hiking, fishing, boating, swimming, hunting, camping, snowmobiling, cross country skiing, golf and disc golf.

City Plaza

Located downtown and in walking distance of many of the University's dormitories is the City Plaza. It is a perfect place to sit outside and study or hang out with friends. During the fall, spring and summer months there are concerts and art festivals in the "Ped" Mall.

Coral Ridge Mall

The Coral Ridge Mall is a 1.2-million-square-foot shopping center located just minutes from campus. The center combines a mix of over 120 specialty shops and strong department stores including Dillard's, JC Penney, Sears, Target and Younkers. Coral Ridge also offers entertainment features such as an NHL-regulation-sized indoor ice arena, state-of-the-art 10-screen movie theatre and a large carousel along with a 1,000-seat food court with sit-down restaurants. Specialty stores include Abercrombie & Fitch, Barnes & Noble, Gap, Old Navy, Scheels All Sports and Pier 1 Imports.

Iowa City is located in eastern Iowa and is an easy trip to such cities as Des Moines (the capital of Iowa), Chicago, St. Louis, Kansas City, and Minneapolis. Also, Cedar Rapids, a city of more than 150,000, is just a short drive north of Iowa City. The Eastern Iowa Airport, which links residents to every major airport in the Midwest, nation and world, is only 20 minutes away.

IOWA WOMEN'S SOCCER

The Hawkeye Nickname

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the *Fort Madison Patriot*, moved his paper to Burlington in 1843 and renamed it the *Burlington Hawkeye*. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.

Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.

School Colors

For 40 years Iowa was without school colors, but in 1887 a group of 50 seniors met on the steps of the Old Capitol to decide what are now the school official colors. They chose Old Gold, the color of Iowa's vast corn fields and Black, the color of the rich soil.

School Fight Song

The Iowa Fight Song was written in 1950 by Mason City, Iowa, native Meredith Willson. Best known as the creator of Broadway's "The Music Man," Willson was awarded a 1963 University of Iowa Alumni Association Distinguished Service Award for "setting the spirit of Iowa to music." The lively cheer is sung hundreds of times during Iowa athletics events the year around.

*The word is Fight, Fight, Fight for IOWA
Let every loyal Iowan sing;
The word is Fight, Fight, Fight for IOWA
Until the walls and rafters ring (Go Hawks!)
Come on and cheer, cheer, cheer for IOWA
Come on and cheer until you hear the final gun.
The word is Fight, Fight, Fight for IOWA
Until the game is won.*
