# PLAYING WITH PASSION AND A LOVE OF THE GAME: PUSHING THE BALL AND AGGRESSIVELY ATTACKING THE BASKET; FINDING THE OPEN TEAMMATE; CHANGING DEFENSE AND DISRUPTING THE RHYTHM OF THE OPPONENTS; SINKING THE OPEN 3-POINTER; AND HELPING OUT TEAMMATES

When you add those components together, they add up to lowa basketball, a style of basketball that is all-out fun for 40 minutes, a style of play that is exciting to watch, but more importantly, a style of basketball that players love to play.

As the lowa Hawkeyes head into the 2012-13 season, the third year under Coach Fran McCaffery and his coaching staff, lowa basketball is in the midst of a new era that features exciting and fun basketball that players enjoy playing and fans enjoying watching.

"Hawkeye fans and our players will enjoy our style of basket-ball. We are going to compete and play the game the right way. We want to play an up-tempo style, push the ball, attack the basket and catch the defense off balance. We want to score in the 80s and 90s. Defensively, we will want to change defenses and disrupt rhythm. We want to give Hawkeye fans an exciting style of basketball to watch. Our players are going to have fun and enjoy what they do on the floor.

"We have a solid foundation and a tremendous environment to work with as we look to build on our 22 NCAA Tournament appearances and two Big Ten Tournament championships. We embrace the Hawkeye tradition and look forward to the challenges ahead."

#### FRAN MCCAFFERY Head Coach University of Iowa

Fran McCaffery took over the lowa basketball program in 2010 after rebuilding three basketball programs (Lehigh, UNC-Greensboro and Siena) as a head coach. McCaffery became just the 31st coach (15th active) to take three different programs to the NCAA Tournament. He is the first to do so with three programs from one-bid leagues.

McCaffery has one of the most experienced coaching staffs in the nation at the University of Iowa. Kirk Speraw, Sherman Dillard and Andrew Francis have over six decades of combined coaching experience.

In five seasons as the head coach at Siena, McCaffery led his team to an average of better than 22 victories per year, including back-to-back 27-win campaigns in 2009 and 2010. He led the Saints to three straight regular season championships and NCAA Tournament appearances (2008-10).

Ten of McCaffery's 16 teams boasted third place or better finishes in their respective conference, including capturing league titles four times. McCaffery coached teams have competed in five NCAA Tournaments and two NITs.

Consider these facts about Fran McCaffery and his coaching career:

He was named MAAC Coach of the Year in 2009 and District I Coach of the Year in 2010 by the National Association of Basketball Coaches

In 16 seasons as a college head coach, Fran McCaffery's teams have averaged 18 wins per year. While at Siena, the Saints averaged over 22 victories during his five-year tenure.

Every student-athlete that completed their eligibility under Head Coach Fran McCaffery has graduated and earned a degree.

In 16 seasons as a head coach, has led his teams to five conference tournament championships and seven postseason appearances.

Fran McCaffery's first head coaching position was at Lehigh. Hired in 1985 when he was 26 years-old, McCaffery was the nation's youngest Division I head coach.

Eric May is one of the most exciting, high-flying players in the Big Ten.
May is lowa's lone senior on this year's squad.

# 2012-13 THE UNIVERSITY OF IOWA

lowa City, lowa. It is the home for one of the nation's leading public universities, the University of lowa.

It's also the home of one of the nation's most successful college basketball programs, the lowa Hawkeyes.

Friends and fans of the University of lowa basketball program support Hawkeye basketball because lowa can boast of some of the most exciting, most successful, and most recognized teams in college basketball.

#### HERE IS A SAMPLING OF IOWA'S MOST **RECENT SUCCESS:**

Iowa basketball posted seven straight winning seasons between 2000-07, including 25 victories in 2006, second most in school history. Along with winning the 2006 Big Ten Conference Tournament, Iowa placed second during the regular season, just one game from first place.

The Hawkeyes won all 17 home games in 2006, posting the first-ever perfect record in Carver-Hawkeye Arena. Iowa has posted a 85-37 record in Carver-Hawkeye Arena over the past seven seasons.

Iowa advanced to the NCAA Tournament in both 2005 and 2006, and reached the NIT in 2012.

lowa has appeared in the NCAA Tournament 19 times over the past 34 years. The Hawkeyes have made three appearances in the NCAA Final Four and have advanced to the Sweet 16 three times since 1987.

The seven winningest seasons in Iowa basketball history, 30 wins in 1987, 25 wins in 2006, 24 wins in 1988 and 23 wins in 1989, 1993, 1996 and 2001, are an indication of the past successes of Iowa basketball. With 20 or more wins in eight of the past 17 seasons, Hawkeye fans are confident of bigger and better things to come.

Leading the Hawkeye program is Coach Fran McCaffery, who guided lowa to the postseason a year ago with a berth in the NIT. McCaffery led three former teams to conference championships and five NCAA Tournaments. He was tabbed the 2009 MAAC Coach of the year and 2010 NABC District I Coach of the Year. In 16 seasons as a college head coach, Fran McCaffery's teams have averaged 17 wins per year. While at Siena, the Saints averaged over 22 victories during his five-year tenure.

#### **IOWA BASKETBALL: GREAT SUCCESS AND GREAT TRADITION**

During the 2001-02 season, the University of Iowa celebrated 100 Years of Basketball. Iowa's basketball history includes 74 winning seasons, including 23 years in which the Hawkeyes have won 20 or more games.

ESPN released its 2009 college basketball encyclopedia and inside it included its ESPN/Sagarin all-time rankings. The University of Iowa's success on the court garnered the program a ranking on No. 10 in the country!!!

Iowa basketball teams have advanced to the NCAA Tournament 22 times, advancing to the NCAA Final Four in 1955, 1956 and 1980. In fact, lowa is one of just 40 Division I programs to advance to the NCAA Tournament on more than 20 occasions. In addition, lowa has made six appearances in the NIT postseason tournament.

The start of the Iowa basketball program can be traced back to January 18, 1896. On that date, lowa City was the site of the first college basketball game played with five players on a side. The historic event took place in Close Hall on the University of Iowa campus. In that first game, the University of Chicago defeated Iowa 15-12, with neither team using any substitutes.

From that first game in 1896, the lowa basketball program has been recognized as one of the best in the nation. Street & Smith's magazine recently selected its "100 Greatest College Basketball Programs of All Time". In its special publication, the magazine recognized the lowa program as No. 40 among over 300 Division I programs.

#### Fran McCaffery Q-and-A regarding the 2012-13 season:

#### What excites you the most about this team?

"We have terrific character on this team. The guys put the time in individually on a regular basis across the board. A lot of time you have 3-4 guys who are in the gym all the time, getting extra shots up, but with this team, it's everybody. When that happens, you have a chance to be really good. We're still young in a lot of ways, but I believe we are tough enough mentally to handle that."

## Eric May is the lone senior on this year's squad. What type of leadership qualities will he bring to this youthful team?

"Eric is going to be our captain. He's been a terrific worker and he's someone I know I can rely on for leadership. I know he's someone who is going to set a great example for our younger players."

## Talk about the growth and development of Zach and Devyn since their freshman season?

"Zach had a terrific sophomore season and had a great summer. He is in great shape and is shooting the ball extremely well. I think he's playing with a lot of confidence right now and that's what we need him to do.

"Devyn keeps getting better. He's grown two inches since arriving on campus. Nobody thought he could play the point; he did a fabulous job for two years at that position for us. He has great basketball IQ. I've played him at three different positions, which sounds a lot easier than it is, but you have to know where to line up on every offensive and defensive out of bounds play. He is a versatile player but he's accepted that role as being someone we move around and take advantage of his skillset."

#### Did you envision Aaron's skillset would blossom this quickly?

"I thought Aaron would be a really good player for us. The fact that he was one of the best freshmen in the entire country is a credit to his work ethic and preparation. He had a terrific summer and I believe he's going to have an even better sophomore campaign."

## Aaron really looked up to Matt Gatens last year... how beneficial was it for Aaron and others to have a leader and person with the work ethic and skillset of Gatens?

"The thing about Matt is that he had the unique ability to compete and give maximum effort on every possession of every practice and every game. If you're somebody that wants to be a good player at this level, that's the point you need to get to. To have someone right there doing it, is something that really benefited our young guys each of the last two years."

## What were some of the lessons the team learned from last year that they can take into this season?

"We grew up a lot. We lost five games early, all of them by more than 10 points. And even in some of our victories early, we weren't playing well as a team. We improved dramatically as individuals and collectively. We had to overcome injury, in particular Bryce, who had a very good year for us... early on he wasn't available for a number of games. We never really locked in defensively like I thought we were capable. That was the one thing that I thought kept us out of the NCAA Tournament. If we can make that correction this year, I believe we can take another step."

#### What are your goals for this team?

"To improve from where we were last year, be more consistent, better defensively and win more consistently. Hopefully that will translate into earning an NCAA Tournament berth, which is this league is very difficult. It's within our grasp."

## Having the 2 hours/week to work with the team this summer... how beneficial was that?

"In particular in having five new freshmen this year, it was a great benefit to us. If you have one freshman coming in, it's big but not as important. We expect these guys to impact our program. It was also great for Gabe. I think it impacted their ability to play well and be in great shape for PTL. To be able to expose our guys to drills, new terminology, our transition game, motion offense, defensive concepts and to have them already taught before they even came back to school was wonderful. But most importantly, to have that relationship with them here where we could work and be with them was invaluable.

#### What impact do you see the freshman class having this year?

"They will have a huge impact because a lot of them are going to play. Our two true point guards are both freshmen in Mike [Gesell] and Anthony [Clemmons]. I can also play those two together, if needed, which I will. I think they will play extremely well together. Both of them are competitors. I think Mike has a chance to be one of the best freshman point guards in the country. Anthony is terrific and might be our best defender, along with Patrick Ingram. Those two can flat-out guard people. We've addressed a need there. Patrick gives us a power-pack wing player who can defend and play in transition. We can press with him, he's an attack player. Adam has a chance to be special, as well. He's one of the best rebounders I've ever coached. He can run, move his feet, has versatility in the post and he's a tremendous passing big man... a very unselfish player. Kyle has a complete skillset at 6-foot-10. He can pass and shoot, and has a good frame. Those guys have a chance to impact our team tremendously."

#### Which players will see the most time at point guard?

"Mike and Anthony. But, I look to see who will be that guy that takes over for Gatens as a crunch time scorer. And, I'm looking at Devyn to be that guy. I want to keep Devyn in the two-spot as much as I can and a little less at three."

## Which players really improved their games over the summer from the previous year?

"Gabe is really going to burst onto the scene. He's much more comfortable this year. He's playing really well. He's running the floor and is in great shape. He puts the time in on his own. He has a nice skillset. He can pass and catch, score with either hand, make a face-up jumper, and he's also a tremendous shot-blocker with a 7-foot-3 wing span. The key for him is to get out on the court, have some success and settle down. Once he does that, I believe he be a major impact player for us. He's the fastest player on the team. He's really fast. To be 6-foot-10, have that length and be able to run like that is tremendous. His speed also helps when we are trapping ball screens or if we are showing ball screens, you have to have a big man who can contain that guard and if he can't, it breaks the defense down. But when he gets his feet and arms apart you can't go around him. That's good and will help our defense."

#### Melsahn had a roller coaster of a sophomore season... what did Melsahn learn about last year, do you expect him to return to expectations and what role will he have on this year's team?

"Melsahn is going to have a terrific season; he's in great shape. I think he can look back at the last two years as incredible experience to prepare him for his last two years of college. He learned a lot. He had great success and had some struggles. That toughens you up, makes you hungrier and it makes you appreciate what you have and have to do to get ready. He admitted he didn't put the time in that he felt he should have after the fact. He put some time in, but not the number of hours he did this summer and the summer before. That was all part of the maturation process for him... to understand what's potentially out there for him and do the necessary things to get there."

#### Devyn had a phenomenal game at Oregon, penetrating, dishing the basketball and shooting the ball better than he did all season. What has he improved upon this summer and what type of year do you see Devyn having this year?

"I think he's going to have a fabulous year. He's in great shape and he's playing with tremendous confidence. His jumper has improved, he's doing things off the dribble, he's athletically powerful, he's grown two inches, I think he's going to have a special season. For our team to take the kind of step we are hoping we take, he's going to be a big reason why we get there."

#### What's it going to be like to have height in the post this year?

"It's going to be a completely different experience for us because we didn't have it before. We will be able to have fresh legs on the floor all the time. I want our big guys running, that's going to help our running game tremendously. None of our big guys are going to be jogging down the floor."

#### Josh came on strong towards the end of last year and was lowa's second-leading 3-point shooter. What impresses you about Josh's shot and what role do you see him having on this year's team?

"Josh has one of the best strokes I've ever seen. Josh has game and the hard part for him is that we want him to shoot more. He'll shoot when he's open and gives it up when he's covered and he drives it into space... he knows how to play. He can and likes making other plays for other people. Most shooters that I've coached over the years have been a little more selfish. 'Give me the ball and I'll shoot it in the hole for you.' But Josh is someone who can really shoot, but he can also play. I think the thing that also helped us and him was many didn't think he could defend at this level. He was a good defender for us last year. He took advantage of his size, got in great shape, had to guard Matt Gatens every day in practice, which is a nightmare for anybody, but that made him better and tougher. What we saw was a young guy who was mentally tough enough to be a really good player in this league. I expect him to take another major step."

#### Talk about the match-up problems your guys will pose for opposing defenses?

"We have some unique skillsets. You look at Aaron and Zach who can play in-and-out. Gabe and Adam are two of the best big men you are going to find in terms of running the floor. Kyle also has a unique skillset when we take him away from the basket. We can utilize our big guys in a number of different ways. Melshan can play the five and four. Aaron can play the three and four. Zach can play the three-four-five. There are different combinations you will see. I can go small with Oglesby and Marble on the wings, or I can go with Aaron and Zach with either Adam or Gabe. We have a lot of different ways we can go, which will be fun to see that unfold. In particular, it will help us defensively."

#### lowa averaged and allowed 73 points last year... where do you want to see those numbers this season?

"I would like us to average close to 80 points, if possible. That's going to require a big jump. I believe we have the capability to do that because we have a lot of different offensive weapons. Defensively, that number has to go down. In addition to total points, you look at the opposition's shooting percentages... that number has to go down. That begins at the point of pressure. I think with Mike and Anthony, and Devyn playing the point some, we need to stop the ball early and pressure that ball to where teams aren't comfortably getting into their offense consistency. If we can start there and rebound, because we are much bigger now, in a way that we a limiting teams to one shot, you will see those percentages go down and then you will see the points go down."

#### Is defense going to be a main focal point this season?

"Has to be; last year wasn't good. It certainly wasn't consistent. It has to be good in this league because there are too many good players. So hopefully with increased size and depth we'll be substantially better."

The non-conference schedule... what was the thought process when putting that together for a team with eight underclassmen? "What we tried to do is put together some difficult opponents and play some home games to get this team ready for Big Ten play."

#### The Big Ten has one of the most demanding schedules in the country... what are your initial thoughts on our conference slate after looking it over?

"The first portion of our Big Ten schedule is very difficult. I've been coaching in this league for two years and I don't remember any part of the schedule not being difficult. I don't care who you are playing, home or on the road. Everyone has talent and a great coach; everyone has guys coming back and has a strong recruiting class. We will need to be mentally tough and focus on the next game. Put together a game plan, execute it and get ready for the next game."

#### The Carver-Hawkeye Arena crowds towards the end of the season were tremendous. Do you think they will be even better this year?

"Our fans are really excited about this team. They want to see how we develop. It's incumbent upon us now to give them a reason to come back and be excited and hopefully blow the roof off the place like the end of last year. That atmosphere was very conducive to us winning games. That's what we hope to see again. We have to give them the reason to get on their feet and get boisterous."

## Sally Mason President, The University of Iowa

Sally Mason became the 20th President of the University of Iowa on August 1, 2007. She holds a full professorship with tenure in the Department of Biology in the College of Liberal Arts and Sciences.

At lowa, President Mason has spearheaded a sustainable university initiative, making sustainability a central priority of all aspects of the University enterprise. Currently, she is overseeing campus rebuilding

in the wake of the historic 2008 flooding, especially the renewal of an arts campus for the 21st century. Under President Mason's leadership, the UI has successfully met the country's recent economic challenges through careful planning, strategic prioritization, and increased efficiency. Other major accomplishments during President Mason's tenure have been a student success initiative that has led to increased enrollment and student retention, and an expansion of partnership agreements with lowa's community colleges that offer UI degrees to students throughout the state through on-site and distance learning programs.

The daughter of an immigrant family and the first child to attend college, President Mason received her B.A. in zoology from the University of Kentucky in 1972, her M.S. from Purdue University in 1974, and her Ph.D. in cellular, molecular, and developmental biology from the University of Arizona in 1978. She spent two postdoctoral research years at Indiana University before joining the molecular biosciences faculty at the University of Kansas in 1981, where she received awards for outstanding undergraduate advising and teaching and was awarded a prestigious Kemper Teaching Fellowship. After stints as Acting Chair of the Department of Physiology and Cell Biology and Associate Dean in the College of Liberal Arts and Sciences, in 1995 she was appointed Dean of the College of Liberal Arts and Sciences, the largest academic unit on the KU campus. President Mason served as Provost of Purdue University from 2001–2007, where she was responsible for planning, managing, and reviewing all

academic programs at Purdue's West Lafayette campus and four affiliated branch campuses throughout Indiana.

President Mason is the author of many scientific papers and has obtained a number of research grants from the National Science Foundation, the National Institutes of Health, the Wesley Research Foundation, and the Lilly Endowment. Her research interests have focused on the developmental biology, genetics, and biochemistry of pigment cells and pigments in the skin of vertebrates, and she served as President of the PanAmerican Society for Pigment Cell Research. Since 2006, President Mason has been appointed by the President of the United States to three terms on the National Medal of Science President's Committee, including a term as chair. She has also served as Chair of the Advisory Committee to the National Science Foundation (NSF) Directorate for Education and Human Resources (EHR) and Chair of the American Association for the Advancement of Science (AAAS) review panel of the NSF Science and Technology Centers Program.

President Mason has held many leadership positions in higher education and national organizations: President of the Council of Colleges of Arts and Sciences; member of the Board of Directors of the American Council on Education (ACE); member of the Executive Committee of the Committee on Institutional Cooperation (CIC); Chair of the Iowa Coordinating Council for Post-High School Education (ICCPHSE); and co-chair of the Task Force on National Energy Policy and Midwestern Competitiveness of the Chicago Council on Global Affairs.

Currently, President Mason serves as Chair-Elect of the Board of Directors Executive Committee of the Association of Public and Land-grant Universities (APLU); member of the Board of Trustees of the Universities Research Association; member of the Board of Directors of Campus Compact, the national coalition of college and university presidents committed to fulfilling the civic purposes of higher education; member of the Board of Directors of the Big Ten Conference, Inc.; member of the Washington Center Council of Presidents; and member of the Board of Trustees of the Herbert Hoover Presidential Library Association.

President Mason is married to Ken Mason, an educator and textbook author who teaches biology at the University of Iowa.

"Welcome to a new season of lowa Hawkeye basketball! My husband Ken and I are enthusiastic fans, and we can't wait to cheer the lowa Black and Gold on to victory in 2012-13.

We are thrilled that our basketball program is under the leadership and guidance of Fran McCaffery and his experienced staff. Coach McCaffery has more than three decades of successful collegiate coaching experience that includes a championship pedigree, and we are excited to watch him lead our superb young student-athletes. He already has built a solid foundation at lowa and we are eager for him, and his staff, to guide the Hawkeyes back to championship contention and postseason prominence. In only two years as our head coach, he has brought enthusiasm and excitement back to the Hawkeye basketball.

In academics, in athletics, and in community service, our men's basketball team represents the very best in intercollegiate athletics. We are proud of how our student-athletes' dedication and hard work in the classroom and on the court exemplify the UI spirit. Coach McCaffery likewise has an impeccable reputation for leading his team to excel in all ways, and I am confident that he will continue that commitment with the Hawkeyes.

The enthusiasm for great ambitions and new possibilities is all around us on campus. We remain one of the top men's basketball programs nationwide in attendance, and I expect that our loyal and passionate fans will be rewarded this year with a great season of basketball excitement.

As lowa men's basketball strives for new levels of success, I will be there to support our fine student-athletes and coaches. I am proud to be a Hawkeye, and I hope you will join me for what promises to be another exciting season at Carver-Hawkeye Arena."

SALLY MASON
PRESIDENT
THE UNIVERSITY OF IOWA

#### **Gary Barta Director of Athletics** University of Iowa

Now in his seventh year as director of athletics at the University of Iowa and his 26th year in athletic administration, Gary Barta manages an athletics program that continues to gain momentum in two key areas -- on the playing field and in the classroom -- while enhancing the infrastructure that will serve as the foundation for future successes.

Academically, the UI's federal graduation rate of 74 percent (for student-athletes who enrolled in 2004-05) ties the best ever posted by UI athletics. That mark was a 13-point increase over the previous year and was nine points above the

national average; UI student-athletes will establish another record when the latest figures are released in October. Last fall, the NCAA confirmed that all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark for the fourth straight year.

In figures released last fall, lowa's score of 86 percent in the NCAA's "Graduation Success Rate" or GSR also matched a school record. Five different women's teams at the UI posted perfect 100 GSR scores. Iowa's GSR in football (83), men's (73) and women's (100) basketball all ranked above the national average for their respective sports.

Athletically, Hawkeye teams enjoyed another outstanding year in 2011-12. A significant number of Iowa's 24 programs reached postseason play. The Iowa football team reached bowl eligibility for the 11th straight season and competing in a bowl game for the fourth straight year and 10th time in the last 11 seasons. The women's basketball program participated in the NCAA Tournament for a fifth straight season and men's basketball returned to postseason action under second-year coach Fran McCaffery, recording an 84-75 win over Dayton in front of 13,190 re-energized fans in Carver-Hawkeve Arena.

The Hawkeye wrestling program, led by national champion Matt McDonough, made another run at a national title before placing third. The men's golf team placed 22nd nationally in its third appearance in the NCAA Championships in the last four seasons. Additionally, the UI men's track and field placed 23rd in the nation and the Ul's men's swimming and diving program placed 26th at its national championship.

Iowa's field hockey team advanced to the NCAA Tournament and the Hawkeye softball team placed second in the Big Ten. Between the men's and women's track and field teams, 34 student-athletes competed at the NCAA Championships and 14 members of the UI men's and women's swimming and diving teams qualified for the Olympic Trials.

And, while the UI athletics department continues to earn high marks in integrity, academic excellence, and athletic performances. Barta also continues to oversee critical improvements and additions to the facilities used by the UI's talented student-athletes while maintaining a balanced and ever-growing operations budget that continues to be self-sustaining.

In addition to the competitive success the Hawkeyes recorded in 2011-12, the UI once again experienced tremendous success at the turnstiles. Iowa has sold every seat in historic Kinnick Stadium in each of the past two seasons, ranking 21st in national attendance both years. The UI will enter the 2012 home football season with all seven home games sold out once again and boasts waiting lists for not only season tickets, but also the premium seating options available inside the Paul W. Brechler Press Box. Attendance at home games of the UI's men's basketball team has climbed more than 30 percent the last two seasons. Iowa's attendance of 13,190 for a first round NIT game in Carver-Hawkeye Arena ranked as the highest attended game of the 2012 tournament.

The UI wrestling team set another national attendance record by averaging 9,014 fans per home meet in 2011-12, leading the nation in attendance for the sixth straight year. The economic impact of the 2012 U.S. Olympic Wrestling Team Trials, hosted by the UI in Carver-Hawkeye Arena, exceeded \$5 million, according to survey results released by the Iowa City/Coralville Area Convention and Visitors Bureau. Attendance at home games of the UI's women's basketball games also remained strong as the program once again ranked among national leaders in 2011-12. The UI also registered increases in attendance at home volleyball, soccer, field hockey, women's gymnastics, men's gymnastics, softball and baseball events.

Since 2006, the Hawkeyes have invested more than \$150 million in new and renovated athletic facilities. Upgrades include the restoration of historic Kinnick Stadium and Carver-Hawkeve Arena, as well as a new state-of-the-art aquatics center, a boathouse facility for the UI rowing program and an indoor and outdoor tennis complex. Another \$60 million worth of improvements are underway in the form of the two phase football training center project and an indoor golf performance facility.

In late summer 2011, the UI completed a \$47 million revitalization of Carver-Hawkeye Arena. That project included the construction of a practice facility for men's and women's basketball and volleyball, a 10,000-square-foot strength training and cardiovascular center, and an expansion to the Dan Gable Wrestling Complex, in addition

to new locker room and support facilities for men's and women's basketball, wrestling and volleyball programs, and office space for the majority of Iowa administrative and coaching staffs.

The Carver project included the installation of a statue of Gable at the facility's main entrance. That project was completed in time for the thousands of fans of the sport of wrestling to enjoy while attending the 2012 USA Wrestling Olympic Team Trials.

Phase I of a two-phase project for the UI football program was completed in August, 2012. Phase I includes the new indoor practice facility for Coach Kirk Ferentz' program that has competed on 10 bowl games over the past 11 seasons. Phase II includes construction of the new Iowa Football Operations Center, which will include new team locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support and revenue generated by the UI Athletics Department, the project is an important next phase of the master facilities plan for Hawkeye football. It will be constructed adjacent to the Ron and Margaret Kenyon Outdoor Practice Facility, immediately west of Kinnick Stadium and will be connected to the new indoor practice facility.

The 2010-11 season marked the first for the men's and women's swimming and diving teams in the UI's \$69 million Campus Recreation and Wellness Center. The Hawkeyes hosted the 2012 Big Ten Championships and the UI men's squad responded by earning its highest Big Ten finish in 15 seasons.

Another of the latest additions to the facilities available to the UI's student-athletes is the Varsity Golf Complex practice facility for the men's and women's golf programs. Located at the southern edge of the Ul's award-winning Finkbine Golf Course, the facility is expected to be completed for use this winter. It will provide the Hawkeyes a state-of-the-art facility that offers the opportunity for year-round training and practice. Barta's involvement in the UI campus community extends beyond intercollegiate athletics. He is a member of the President's Cabinet, comprised of vice presidents and other campus leaders, that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his first six years at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Nationally, Barta remains active in the Division IA Athletics Directors Association, the National Association of College Directors of Athletics, and currently serves on the NCAA Football Committee Board of Directors.

Barta often suggests to his staff that "Hope is not a strategy," which is why he is currently overseeing a comprehensive review of the strategic plan for the UI Athletics Department and has worked with the UI's leadership on a long-term financial plan. Another favorite saying of his is, "Vision without resources is irrelevant." Over the course of his career he has been directly involved in raising hundreds of millions of dollars in support of intercollegiate athletics. This has remained a primary focus during his tenure at lowa, where private support for the Hawkeyes continues to flourish despite a challenging economy.

Under Barta's leadership -- and thanks to a talented athletics development staff - the UI has seen year-over-year improvement in annual giving in spite of the difficult economic environment. In addition, under Barta's direction, the UI generated more than \$20 million of philanthropic and corporate sponsorship support for the revitalization of Carver-Hawkeye Arena and has already surpassed that level of support for the current football projects.

The UI also generated the \$2 million in private support necessary to fully fund the Hawkeyes' new practice facility for its men's and women's golf programs.

As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff, and the day-to-day oversight of several Huskie sport teams. The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (14) and a daughter, Madison (12). He was born Sept. 4, 1963, in Minneapolis.

In his first two years as the University of Iowa head men's basketball coach, Fran McCaffery has brought enthusiasm and excitement back to the Hawkeye basketball program. After 16 seasons as a head coach, he has earned a record of 280-214 (.567).

In 2012, McCaffery coached the Hawkeyes to 18 wins and an NIT bid. lowa improved by seven wins from 2011 to 2012. Additionally, McCaffery guided lowa to four more Big Ten victories in 2012 than a year ago, which is the best improvement for an lowa squad since 1994 to 1995.

lowa's NIT bid led to the Hawkeyes' first postseason appearance since 2006, and after beating Dayton 84-75, lowa had its first postseason win since 2003. Over 13,000 energized Hawkeye fans bought tickets on one-day notice for the NIT home game, which was the highest attended NIT game of 2012.

McCaffery was one of only four Big Ten coaches to record four wins over ranked opponents in 2012, and the only one to accomplish the feat with an unranked team.

The positive steps McCaffery has taken the Iowa men's basketball program in only two seasons is par-for-the-course for a coach who has demonstrated his ability to rebuild programs. His energy, work ethic, and coaching and recruiting ability have this program on track to return to national prominence. Fans have flocked back to Mediacom Court at Carver-Hawkeye Arena the past two seasons to watch the Hawkeyes; Iowa's attendance has increased by more than 20 percent since 2010.

McCaffery continues to get the most of his talent, coaching Matt Gatens and newcomers Melsahn Basabe, Bryce Cartwright and Aaron White to all-Big Ten status the past two seasons.

McCaffery, who has nearly three decades of collegiate basketball coaching experience, was named the University of Iowa's 22nd head men's basketball coach on Monday, March 29, 2010. McCaffery, 53, came to lowa after spending five successful seasons at Siena.

McCaffery's five years at Siena have been the best in its 70-year history. He led the Saints on an incredible run that ended with three straight Metro Atlantic Athletic Conference championships and NCAA Tournament appearances. In so doing, Siena became the only program in the country to win its regular season and postseason title 2008-2010.

McCaffery's Saints owned a 112-51 record in his five years with the program. After orchestrating the fifth greatest turnaround in Division I play his first year, McCaffery led Siena to a 20-win season and a MAAC Championship game appearance in his second. In 2007-08, Siena took its biggest step forward under his direction, earning the

MAAC regular-season and tournament championship, as well as an NCAA Tournament first round win over Vanderbilt. In 2008-09, Siena repeated the feat, winning the regular-season title outright before capturing the tournament crown. The Saints went on to defeat Ohio State 74-72 in double overtime in one of the NCAA tournament's most exciting games.

In 2010, McCaffery led Siena to its fourth straight 20-win season, something never before achieved in program history. Siena ran away with the league title, clinching the No. 1 seed in the tournament on Feb. 8 with four conference games remaining. The Saints came from behind in each of their three MAAC Tournament games, culminating with a 72-65 overtime win against Fairfield in the MAAC Championship. Siena's bid for a third consecutive NCAA Tournament first round victory was ended by No. 4 seed Purdue in Spokane, Wash. Down 15 points with five minutes left, the Saints rallied to within three points with one minute remaining, but eventually fell 72-64. For his efforts, he was named the NABC District I Coach of the Year.

The 2009 MAAC Coach of the Year is the third winningest coach, by percentage, in league history (68-22, .756). He is the only coach to guide a MAAC program to two NCAA Tournament wins.

In 2008, McCaffery became just the 31st coach (15th active) to take three different programs to the "Big Dance", and he is the first to do so with three programs from one-bid leagues (conference's that sent just one team the year his program advanced). He also boasts a 100% graduation rate among student-athletes he has recruited who have exhausted their eligibility during his tenure.

In 2008-09, the Siena program enjoyed unprecedented success. McCaffery challenged the Saints with the most difficult schedule in program history and Siena responded by equaling a program-record with 27 wins. For the second straight year, the Saints captured the hearts of college basketball fans across the country by advancing to the second round of the NCAA Tournament with a breathtaking 74-72 double-overtime win over Ohio State in Dayton, Ohio. In the second round, Siena nearly scored an upset of epic proportions, leading top overall seed Louisville late in the second half. Siena became a household name as the team performed against the country's elite under the spotlight of 10 nationally televised games. Siena claimed its second straight MAAC Tournament title and finished the season ranked 28th in the ESPN/USA Today Coaches Poll and 19th in the final RPI. The Saints received votes in the Associated Press top-25 poll eight times and in the ESPN/USA Today Coaches' poll six times during the season.

The 2007-08 season will also go down as one of the most memorable in Siena basketball history. The regular-season featured a home win over No. 20 Stanford, a third straight victory over cross-town rival Albany before over 13,000 fans in the annual Albany Cup and a Bracket Busters win at WAC Champion Boise State. The Saints also rallied to earn a share of the MAAC regular-season title and the No. 1 seed in the MAAC Tournament with late season wins at contenders Rider and Marist, as well as a Senior Day home victory over Niagara. But it was Siena's postseason run that would turn the season into a breakthrough year.

After rallying from 17 points down in a semifinal win over Loyola, Siena pounded Rider in the MAAC title game on its home floor to earn the MAAC's automatic bid. Less than two weeks later, McCaffery put together the perfect game plan and Siena led from start to finish in an 83-62 victory over Vanderbilt. Many considered the victory the greatest in school history, challenged at the time only by the program's 1989 upset of Stanford in the NCAA first round. Despite a second round loss to Villanova, McCaffery and the Saints had made a statement the college basketball world could not ignore: Siena Basketball had arrived.

McCaffery inherited a depleted Siena team that was picked last in the 10-team MAAC in 2005-2006. Instead, the Saints finished conference play in fourth place, earning a bye to the quarterfinals of the MAAC Tournament.

Siena showed steady improvement under McCaffery's tutelage in 2006-2007, posting a 20-12 overall record and tying for third place in the MAAC with a 12-6 finish. McCaffery's Saints were the highest scoring team in the league, and they peaked at the right time, winning seven of their last eight regularseason games and advancing to play for the league championship with a semifinal upset of top-seed Marist.

McCaffery orchestrated the turnaround with stellar recruiting and bold vision. His first recruit - senior Kenny Hasbrouck - graduated as the most important player in program history. He was named MAAC Rookie of the Year as a freshman, MAAC second team and all-Tournament team as a sophomore, collegeinsider.com Mid Major Player of the Year, MAAC first team and MAAC Tournament MVP as a junior, and MAAC Player of the Year, MAAC Tournament MVP, NABC All-District and MAAC first team as a senior. He signed an NBA contract with the Miami Heat after a successful stint with the Rio Grande Valley Vipers of the NBA Development League.

His second class (first full class) is widely regarded as the best in program history. Edwin Ubiles, Alex Franklin and Ronald Moore finished their four-year careers with a 97-38 (.719) overall record, three MAAC Championships in four title game appearances, three straight NCAA Tournament appearances and two NCAA Tournament First Round victories. Ubiles is a two-time MAAC first team, NABC All District first team and MAAC Tournament team selection and the 2007 MAAC co-Rookie of the Year. Alex Franklin, a two-time NABC All District selection, earned 2008 and 2009 MAAC second team and MAAC Tournament team honors. He won the 2010 MAAC Player of the Year award (Siena's second straight) and the 2010 MAAC Tournament MVP. Ronald Moore, the pulse of the team, earned 2009 MAAC second team and 2010 MAAC first team honors as well as a spot on the 2010 MAAC Tournament team. He became the MAAC's all-time assists leader in the 2010 MAAC Championship game, surpassing Marist's Jared Jordan (813).

In total, four Saints were named to either the first or second All-MAAC team in 2009, newcomer Kyle Downey was an All-Rookie selection and Clarence Jackson was named MAAC Sixth Man of the Year.

McCaffery was introduced as Siena's 14th head men's basketball coach on April 1, 2005. For over 20 years, he has enjoyed great success coaching Division I basketball and developing student-athletes on and off the court. McCaffery has recruited and coached several players who have gone on to play basketball professionally, some at the highest level.

McCaffery took over at Siena from UNC-Greensboro, where he posted a 90-87 record in six seasons. In his first year at the helm, Greensboro compiled a 15-13 record overall and a 9-7 Southern Conference mark, good for third place in the North Division. It was the 18th-most improved record nationally among NCAA Division I teams.

In McCaffery's second season, he guided the Spartans to unprecedented heights with a 19-12 record and the 2001 SoCon Tournament Championship. The Spartans defeated Chattanooga, 67-66, in the finals and received the SoCon's automatic bid to the NCAA Tournament. The following year (2001-2002) McCaffery led the Spartans to their first 20-win season since joining the conference. It marked the first time the program claimed a share of the SoCon North Division title as well. After falling to eventual tournament champion Davidson in the conference tournament semifinals, the Spartans were awarded a berth into the 2002 NIT, where they lost to eventual champion Memphis.

In his final year in Greensboro, McCaffery brought the Spartans to the brink of the NCAA Tournament before a SoCon Championship game loss to Chattanooga. He led UNCG to a victory over Davidson in the semi

finals, defeating a team that had been 16-0 in conference play. A big part of that success was SoCon Freshman of the Year Kyle Hines. Hines set UNCG and SoCon records for blocked shots, and also broke several other UNCG single-game and freshman single-season marks.

McCaffery spent the 11 years prior to his arrival at Greensboro at the University of Notre Dame as an assistant coach and recruiting coordinator, working on the staffs of Richard "Digger" Phelps and John MacLeod.

Among the players he recruited to play for Notre Dame were Pat Garrity, CoSIDA Academic All-American of the Year in 1998, and Troy Murphy, the Big East Player of the Year in 2000 and an eventual first-round NBA draft pick. Garrity was also a first-round NBA draft pick and the Big East Player of the Year in 1997. In addition to Murphy and Garrity, Mc-Caffery was involved in recruiting NBA First Round picks LaPhonso Ellis (1992 Draft, #5 Denver), Monty Williams (1994 Draft, #24 New York) and Ryan Humphrey (2002 Draft, #19-Utah Jazz).

He helped the Irish to NCAA Tournament appearances in 1989 and 1990. Notre Dame reached the NIT finals in 1992, losing to Virginia in overtime, and advanced to the quarterfinals of the event in 1997.

At 26, McCaffery was the nation's youngest Division I head coach when he was hired Sept. 11, 1985, at Lehigh. McCaffery capped his three-year tenure with the Engineers with a 21-win season and an NCAA berth in 1988.

In three seasons as head coach at Lehigh, he compiled a 49-39 overall record and guided the team to the NCAA Tournament in 1988. At the time he was the youngest head coach to reach the NCAA Tournament. His Lehigh teams had two winning seasons in three years and the 1987-88 squad's 21-10 record remains the best in program history. Lehigh had just four winning seasons in the 55 years prior to his arrival.

McCaffery was assistant coach and recruiting coordinator at Lehigh from 1983-85 and helped the team to its first NCAA Tournament appearance in 1985. As recruiting coordinator, he helped sign Darren Queenan '88, who remains Lehigh's all-time leading scorer.

Queenan was second in the nation in scoring in 1988, and went on to play in the USBL.

McCaffery was assistant varsity coach and head sub-varsity coach at his alma mater, Pennsylvania, during the 1982-83 season. At Penn, he worked for Craig Littlepage, who is now the director of athletics at the University of Virginia.

#### WHAT OTHERS ARE SAYING ABOUT FRAN MCCAFFERY

"We are thrilled to have Fran McCaffery lead our men's basketball program. From the first day I met Coach McCaffery he said, 'I want to be the coach at lowa.' He is a proven winner, a leader, has competed for championships and will continue to do so. Coach McCaffery is committed to student-athletes, their personal lives, and their education. Every one of his student-athletes who has completed their eligibility has graduated."

Gary Barta **Director of Athletics** University of Iowa

"Fran McCaffery adds a different flavor and is good for the Big Ten. This is going to be a very attractive program for highly skilled players. He comes in with a system that advocates putting the biscuit in the basket, putting points on the board. That's going to be fun. There's no doubt in my mind that when Frangets this thing going, Iowa City is going to be on fire. He's going to get players, not just because of his system but because he can coach. They're going to score in the 90s, or the high 80s." **Gus Johnson** 

College Basketball Analyst, BTN

"Coach McCaffery did one of the best coaching jobs in the Big Ten this season (2011)."

Wavne Larrivee College Basketball Announcer, BTN

"I'm a big fan of Fran McCaffery. He does things the right way." Eric Collins, BTN broadcaster

"I love the direction Fran McCaffery is taking this program." Tim McCormick, ESPN College Basketball Analyst

"Fran McCaffery has done an outstanding job rebuilding this program and making (lowa) relevant."

Andy Katz, ESPN.com Senior College Basketball Writer

"If Iowa's rationale was hiring a quality person who recruits quality people, who doesn't cheat, does it the right way and is into developing young men while recognizing that he wants to have a winning team on the floor... then Fran is the perfect guy for the job."

LaPhonso Ellis, ESPN College Basketball Analyst

"When a parent passes their kid over to Fran they can rest assured a few things. One, he's going to make sure, to the best of his ability, that he gets a quality degree. Secondly, he is going to do his very best to develop that individual player within the team context. And finally, because of the vast resources of people that he knows outside of the game that he will do his very best, for those who aren't fortunate to play at the next level, to use his influence to make sure they get jobs and have an opportunity to have upward mobility. That's what makes him special."

LaPhonso Ellis, ESPN College Basketball Analyst

"I was really impressed watching lowa the other day. I thought they paid attention to (Fran McCaffery) and did what he wanted them to do." **Brent Musburger** 

College Basketball Announcer, ESPN

"I think Iowa made an outstanding choice. Fran McCaffery-coached teams are well coached and very well organized."

Ronnie Lester **UI All-American** 

"Fran McCaffery is a good solid hire for the University of Iowa. Iowa has been hoping for a winner and I believe one has arrived. He's won at Lehigh, UNC-Greensboro and Siena -- if you can win at those places, you can win anywhere. His teams are enjoyable to watch with their style of play; he lets his kids play free. If Iowa fans give Fran a little time, he'll get the Hawkeyes back to the NCAA Tournament on a yearly basis."

Doug Gottlieb

College Basketball Analyst, CBS

"Fran McCaffery is a fine basketball coach, and an even finer person. He can teach the game, identify and attract talent, and he is a man of great substance and integrity. Iowa made a great hire in McCaffery."

Jay Bilas

College Basketball Analyst, ESPN and CBS

"Fran McCaffery is a great hire for Iowa. He was a great assistant coach and dida great job in making Siena the Gonzaga of the east. He will bring back the traditions of Iowa basketball."

Digger Phelps

College Basketball Analyst, ESPN Former Head Coach, Notre Dame

"lowa hired a class act. Respected by his coaching peers, Coach McCaffery is a proven winner who rebuilt the Siena Saints program in quick fashion by being a relentless recruiter who instilled an up tempo style that fans loved and players embraced. During the search process he expressed his vision for the future of the Hawkeye program, while understanding the proud tradition of University of Iowa Basketball."

**Bobby Hansen** UI Final Four Member, 1980 World Champion, Chicago Bulls

Hawkeye Radio Network Analyst

"The number one thing about Fran, is that he has a great feel for the game, and, he understands players. He and I spent a lot of time in traversing the state of lowa, trying to get lowa kids to come to Notre Dame. Fran has a great knack for setting an offense and he is a great defensive coach. He has great relationships with his players. This is a great fit for Iowa and a great fit for Fran."

John MacLeod Former Head Coach, Notre Dame Former Head Coach, Golden State

"I have been impressed with Coach McCaffery's consistent success, most recently at Siena. His teams are well prepared and his development of players, particularly on the perimeter, should fit in well with the young roster in Iowa City."

**Shon Morris** 

College Basketball Analyst, BTN

"I think Fran McCaffery is a good choice for Iowa and I think Iowa is a good choice for Fran. I hope he does well. He guided Siena to NCAA Tournament appearances three straight years and posted good tournament wins over Vanderbilt (2008) and Ohio State (2009)."

John Feinstein

Sportswriter and author

"Fran is a tireless worker, who is going to go out and grind, and that's someone lowa needed. He won't be afraid to say, 'Hey, this guy is a top-10 recruit and we're going after him because we're Iowa'."

Note: Number in parenthesis following opponent is national ranking

Kirk Speraw is in his third year as an assistant coach at Iowa. Speraw, who has over three decades of coaching experience, assists in all aspects of the program including recruiting, opponent scouting, practices, player development and game preparation.

Speraw has helped revitalize the Iowa basketball program the last two seasons. Not only has the attendance at Carver-Hawkeye Arena increased by more than 20 percent, but Speraw and the Hawkeye coaching staff guided the

team to the 2012 National Invitation Tournament and the program's first postseason victory since 2003. Additionally, the coaching staff led lowa to four wins over top 25 teams a year ago, something only three other Big Ten teams accomplished.

He helped coach the Hawkeyes to 18 wins in 2012, which was seven more victories than the previous season, which ties for the fourth-best turnaround, after the second year, of a new coaching staff in lowa men's basketball history. The seven-win turnaround was the third-best in the Big Ten in 2012. Furthermore, Speraw helped coach the Hawkeyes to four more Big Ten victories in 2012 than a year ago, which is the best improvement for an lowa team since 1994 to 1995.

Speraw helped mentor Melsahn Basabe, Bryce Cartwright, Matt Gatens and Aaron White to all-Big Ten status the past two seasons.

Speraw, who is a Sioux City, Iowa, native was a Hawkeye letterman who played for head coach Lute Olson. He was a member of the 1978-79 squad that won 20 contests and a Big Ten title. As a senior, he was named the team's most inspirational player.

As both an assistant and head coach, Speraw has mentored dozens of players who have played professionally, including Hawkeyes Ronnie Lester, Steve Krafcisin, Vince Brookins, Steve Waite, Kenny Arnold, Kevin Boyle, Mark Gannon and Bobby Hansen.

Speraw began his coaching career with the Hawkeyes, serving as a graduate assistant with lowa's 1979-80 team that advanced to the Final Four. The Hawkeyes went 23-8 that season. Speraw then moved to Denver University, where he was an assistant coach and recruiting coordinator for two years (1980-82).

Speraw joined the Hawkeyes after serving 17 years as head coach at the University of Central Florida (1993-2010). During his tenure, 18 of his players received all-league honors, including four first team honorees. Additionally, since the start of the 1993-94 season, 54 of Speraw's UCF student-athletes earned academic all-conference recognition.

His tenure included four NCAA Tournament berths (1994, '96, '04 and '05). In 2006-07, he was recognized as Conference USA Coach of the Year after guiding the Knights to 22 victories and a second place league finish. His most successful season at UCF was in 2003-04, when the Knights finished 25-6, received votes in the top 25 and won the Atlantic Sun championship, earning an automatic bid to the NCAA Tournament.

Prior to his head coaching job at UCF, he served as an assistant coach at the University of Florida for three seasons (1990-93) under Head Coach Lon Kruger. While on the Florida staff, the Gators participated in two NIT's, including advancing to the semifinals in 1992.

Prior to his three years in Gainesville, Speraw was the head coach at Pensacola Junior College (PJC) from 1987-90. At PJC, he led the Pirates to an 82-21 record and three consecutive Panhandle Conference titles. His 1989-90 team won 31 games and finished fifth nationally. The team's success that year earned Speraw national recognition. He was tabbed the NABC/Kodak National Junior College Coach of the Year, as well as the state's Coach of the Year.

Speraw also had a coaching stop at Florida Southern, serving as an assistant from 1982-87. The Moccasins posted a 100-46 record and made four appearances in the Division II NCAA Tournament, including a third-place finish in 1986.

Speraw and his wife, Tracy (an Iowa City native), have two sons, Drew and Dustin, and two daughters, Brooke and Bailey. Drew played for his dad at UCF for four years and is currently the video coordinator for the Kansas State men's basketball team.

Sherman Dillard is in his third year with the University of Iowa men's basketball staff bringing a wealth of expertise on and off the court.

Dillard has helped revitalize the Iowa basketball program the last two seasons. Not only has the attendance at Carver-Hawkeye Arena increased by more than 20 percent, but Dillard and the Hawkeye coaching staff guided the team to the 2012 National Invitation Tournament and the program's first postseason victory since 2003. Ad-

ditionally, the coaching staff led lowa to four wins over top 25 teams a year ago, something only three other Big Ten teams accomplished.

He helped coach the Hawkeyes to 18 wins in 2012, which was seven more victories than the previous season, which ties for the fourth-best turnaround, after the second year, of a new coaching staff in lowa men's basketball history. The seven-win turnaround was the third-best in the Big Ten in 2012. Furthermore, Dillard helped coach the Hawkeyes to four more Big Ten victories in 2012 than a year ago, which is the best improvement for an Iowa team since 1994 to 1995.

Dillard helped mentor Melsahn Basabe, Bryce Cartwright, Matt Gatens and Aaron White to all-Big Ten status the past two seasons.

Dillard has nearly three decades of coaching experience, serving as a college assistant or head coach for 27 years. He spent his first 15 years as an assistant coach at three institutions. Dillard began his coaching career under Head Coach Lefty Driesell at Maryland. From 1979-85, he helped coach the Terrapins to four 20-plus win seasons and six postseason appearances, including five NCAA Tournament berths.

The 1980, 1984 and 1985 squads reached the Sweet 16, while the 1984 team won the ACC Tournament.

He then spent three years at California (1985-88) under Lou Campanelli, who was his collegiate coach at James Madison. The Bears posted two third-place Pac-10 finishes and two NIT appearances during his tenure in Berkeley. After three seasons at California, he returned to the ACC and Georgia Tech for six seasons (1988-94). While in Atlanta, he helped Head Coach Bobby Cremins lead the Yellow Jackets to six winning seasons and postseason appearances. Georgia Tech played in five NCAA Tournaments, including the Final Four in 1990 and Sweet 16 in 1992.

Dillard received his first head coaching opportunity at Indiana State of the Missouri Valley Conference (1994-97). During his three seasons in Terre Haute, the Sycamores improved each season and posted a 29-52 record. He then left Indiana State to return to his alma mater. He replaced Driesell, who served as head coach the previous nine seasons (1988-97). Dillard was the Dukes' head coach for seven years (1997-2004). He posted a 93-106 record, sharing a league title and recording three first-division finishes in the Colonial Athletic Association (CAA). During his tenure, he earned CAA Coach of the Year and NABC District Coach of the Year laurels. His 10-year head coaching record stands at 122-158.

Dillard, a three-time academic all-American and four-time honorable mention all-American by the Associated Press, played guard at James Madison (1973-78). He led the Dukes in scoring in each of his four years (missed 1976-77 with an injury) and was the team's top rebounder as a freshman. Dillard is the second-leading scorer (2,065 points) in James Madison history, and his academic excellence merited him an NCAA post-graduate scholarship. After his collegiate career, he was drafted by the Indiana Pacers in the 1978 NBA Draft. Additionally, Dillard was honored as a CAA "Legend" in 2009.

Dillard worked as a basketball marketing representative for Nike for six years (2004-10). He served as Global Camp Director, responsible for administrative and operational facets of a series of highly acclaimed camps and academies sponsored by Nike. Those camps included the Nike All-America Camp and select skills academies hosted by NBA stars such as Kobe Bryant, Steve Nash, Vince Carter, Amaré Stoudemire and LeBron James (until January, 2009).

Dillard is a 1978 magna cum laude James Madison graduate earning a bachelor's degree in physical education and minor in business, and is a member of the school's sports hall of fame.

Dillard and his wife Dena have two sons, Ben (19) and Langston (17). His son Ben is a sophomore on the UALR basketball team.

Andrew Francis is in his third year as an assistant coach with the Hawkeves and sixth season on head coach Fran McCaffery's staff. He was the first hire for McCaffery at Iowa, joining the staff on April 8, 2010.

Francis has helped rejuvenate the Iowa basketball program since arriving at Iowa in 2010. Not only has the attendance at Carver-Hawkeye Arena increased by more than 20 percent, but Francis and the Hawk-

eye coaching staff guided the team to the 2012 National Invitation Tournament and the program's first postseason victory since 2003. Additionally, the coaching staff led lowa to four wins over top 25 teams a year ago, something only three other Big Ten teams accomplished.

He helped coach the Hawkeyes to 18 wins in 2012, which was seven more victories than the previous season, which ties for the fourth-best turnaround, after the second year, of a new coaching staff in Iowa men's basketball history. The seven-win turnaround was the third-best in the Big Ten in 2012. Furthermore, Francis helped coach the Hawkeyes to four more Big Ten victories in 2012 than a year ago, which is the best improvement for an Iowa team since 1994 to 1995.

Francis helped mentor Melsahn Basabe, Bryce Cartwright, Matt Gatens and Aaron White to all-Big Ten status the past two seasons.

Francis served three years on McCaffery's staff as an assistant coach at Siena (2007-10). While at Siena, Francis assisted in all aspects of the program, including recruiting, player development and scouting. He helped guide Siena to three straight conference titles and NCAA Tournament berths, and four consecutive 20-plus win seasons. Francis helped coach six all-conference student-athletes, two Player of the Year honorees and the league's Sixth Man of the Year.

He arrived at the Siena program after a two year stint at Villanova University, where he served as an administrative assistant and video coordinator on Jay Wright's staff.

A Brooklyn, NY, native, Francis joined Villanova's staff in August, 2005. He assisted the program in a variety of roles while directing the video operations of the basket ball office.

Francis is a 1992 graduate of Brooklyn's Abraham Lincoln High School. He played basketball at Fulton Montgomery Community College in Johnstown, NY, before completing his college career under Coach Sidney Green at Long Island University-Southampton. Francis graduated in 1998 with a degree in marketing and management.

After a knee injury ended his professional playing career, Francis became a volunteer assistant coach at Concordia College. From 2003-05, he served as the head women's coach at Mt. #### **MARKED IMPROVEMENT IN YEAR TWO**

Fran McCaffery guided Iowa to 18 wins (18-17) in his second season as head coach of the Hawkeyes, with four of the 18 victories coming against top 20 opponents. McCaffery is one of only four Big Ten coaches to record four or more wins over ranked opponents, and the only coach to do so with an unranked team

McCaffery's seven-win improvement following his second season, ties Pops Harrison (1943-44) for the fourth best improvement following his second year as Iowa head coach. Steve Alford (2000-01) and Lute Olsen (1975-76) rank first (+9), while George Raveling (1984-85) is third (+8). Furthermore, the seven-win improvement ranked third-best in the Big Ten in 2012 behind Indiana (+12) and Michigan State (+10).

lowa improved by four wins in conference play from 2011 (four) to 2012 (eight), its best improvement since 1994-95. Tom Davis' 1994 team won five, while his 1995 squad collected nine victories.

## **GATENS AND WHITE HONORED BY BIG TEN**

Senior Matt Gatens and freshman Aaron White earned postseason allconference recognition by the Big Ten. Gatens was named to the second team by the media voting panel and was a third team pick by the coaches. He was also named the team's Big Ten Sportsmanship Award honoree. White was named to the coaches' all-Freshman team and earned honorable mention all-league recognition by the media. Gatens became the first Hawkeye since Tony Freeman earned third team honors in 2008 to be named to a first, second or third team. Adam Haluska was a first team selection in 2007.

The all-Big Ten honor was the first of Gatens' career. He was honorable mention in 2010 and was named to the all-Freshman team in 2009. White becomes the fourth Hawkeye to be named to the all-Freshman team the last four years (Gatens in 2009; Eric May in 2010; Melsahn Basabe in 2011; and White in 2012).

Gatens led the team in scoring (15.2), 3-pointers (75), free throws (111); ranked second in steals (48); and third in assists (69). White ranked first in team rebounding (5.7); second in blocks (23); and third in scoring (11.1) and steals (30).

#### HAWKEYES ADVANCE TO SECOND ROUND OF NIT

#### **WHITE EARNED STARTING SPOT**

Aaron White earned a number of accolades his freshman season. He was a Kyle Macy Freshman All-American, named to the coaches' all-Big Ten Freshman team and was an honorable mention all-league honoree. He was lowa's most productive player off the bench the first 21 games, but started the last 14. As a starter, he averaged 13.2 points and 6.9 rehounds

White earned his first career start at No. 16 Indiana on Jan. 31. He stuffed the stat sheet with 17 points, nine rebounds, four assists, three blocks and two steals in lowa's triumph over Penn State (Feb. 4). His efforts earned him Big Ten co-Freshman of the Week accolades, which was the third time (Nov. 14, Dec. 26 and Feb. 6) he earned the weekly distinc-

White scored in double digits 17 times, including 16 of the last 25 games. White led the team in rebounding 10 of the last 15 contests. For the season he amassed a team-best 199 boards, which are the fourth most by an Iowa freshman in a single season.

Overall, White averaged 11.1 points, ranking second on the team, in 35 games. The 389 points rank as the fifth most by a Hawkeye rookie. His 23 blocks tie Michael Payne (1981-82) and Kenyon Murray (1992-93) for eighth by an Iowa freshman.

White's numbers the last 12 games were impressive, averaging 13.9 points and 7.3 rebounds. He posted consecutive doubles at Northwestern (Feb. 9) and Penn State (Feb. 16). The rookie scored 17 points (7-of-10 FG, 2-of-3 3-pt FG) and corralled a personal-best 12 boards against the Wildcats. White totaled 16 points and a game-high 10 rebounds to go along with career-best three rejections at Penn State. He notched his fourth double-double of the year against Dayton in the first round of the NIT when he scored a career-high 25 points (10-of-15 FG and 4-of-4 FT) to go along with 11 rebounds. He contributed 22 points and eight rebounds in Iowa's last game at Oregon in the second round of the NIT.

The 19 points are the most by an lowa freshman in an opener, equaling Dick Ives' 19 scored against Nebraska in his debut on Dec. 10, 1943. Furthermore, White's performance marked the first time a Hawkeye posted a double-double, in a season opener, since Dean Oliver had 10 points and 12 assists in a victory over Chicago State in 1997. It was the first time a Hawkeye freshman had a double-double, points and rebounds, since Jess Settles had 13 points and 11 rebounds versus Drake in 1993.

Roy Devyn Marble scored a game and career-best 31 points on 10-of-15 shooting from the field, including 7-of-8 from 3-point range, in lowa's second round NIT game at Oregon in 2012. The 31 points are the most points by a Hawkeye in an NIT game and the most in a postseason game since Ed Horton netted 32 against NC State, in double overtime, in the second round of the 1989 NCAA Tournament.

# FIRST BASKETBALL GAME PLAYED IN IOWA CITY

lowa City was the site of the first college basketball game played with five players on a side. The historic event took place in Close Hall on the University of Iowa campus on January 18, 1896.

In that first game, the University of Chicago defeated lowa 15-12, with neither team using any substitutes.

The game was arranged by lowa professor H.F. Kallenberg, who had earlier attended Springfield College, and wrote James Naismith for a copy of the rules of the game, and Amos Alonzo Stagg, a friend of Kallenberg who had become the athletic director at Chicago.
