### QUOTING SASHA SCHMID

"I am really pleased with the way we are competing. I think the tennis aspect will grow from week to week and we will continue to get better the more we play. From a foundation standpoint, for us to show a lot of competitiveness and grit are positives for us and will help us turn matches and be the difference makers. We are looking forward to our first tough road test of the season this weekend with Dartmouth and Brown. We are getting back to focused practice this week, so we can be prepared to build of last weekend's momentum and work hard to keep improving with great competition."
