# BIG TEN CROSS COUNTRY CHAMPIONSHIPS

Big Ten Fans:

Since its founding in 1896, the Big Ten Conference has been firm in its commitment to excellence in all facets of the college experience, from academics and athletics to involvement in the community and helping to prepare the leaders of tomorrow.

Competition in intercollegiate athletics has long-lasting benefits. Students receive a top-quality education and cultivate key lessons in integrity, sacrifice and perseverance, while also competing at the highest level of Division I athletics.

The Big Ten's commitment to broad-based programs remains unwavering, providing support to more than 9,800 students who learn and grow while competing on more than 350 teams in 42 different sports. The conference continues to foster excellence in the athletic arena, having produced at least seven national titles in seven of the past 10 academic years, with an equally high level of success in the classroom with more than 1,700 students earning Academic All-America honors.

Each day, Big Ten students receive the tools they need to enter the future with confidence. As participants on the playing field, they honor those who came before them and strive to achieve the highest level of citizenship and sportsmanship. We encourage you, our Big Ten fans, to follow their lead. Cheer for your school, revel in victory and be gracious in defeat.

Today's competition is an experience that each of our participating students will cherish and remember forever. Please join us in supporting these fine young people as they work towards their goals, not only as members of the Big Ten, but in all their future endeavors.

Sincerely,

**James E. Delany**  
Commissioner | Big Ten Conference

## Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

### PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 65 universities in the nation according to the 2017 Academic Ranking of World Universities, including five in the top 25.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 37 honorees during the 2018-19 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

### A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 24 of the last 25 years including an average of seven per year over the last 13 years.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

### BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

### PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

### LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

### EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

### COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.

# WELCOME TO THE OHIO STATE UNIVERSITY

Welcome to Columbus, Ohio, the proud home of the 2019 Big Ten Cross Country Championships! We are honored that the Big Ten Conference and its member institutions chose the beautiful Ohio State University Golf Course to host this event.

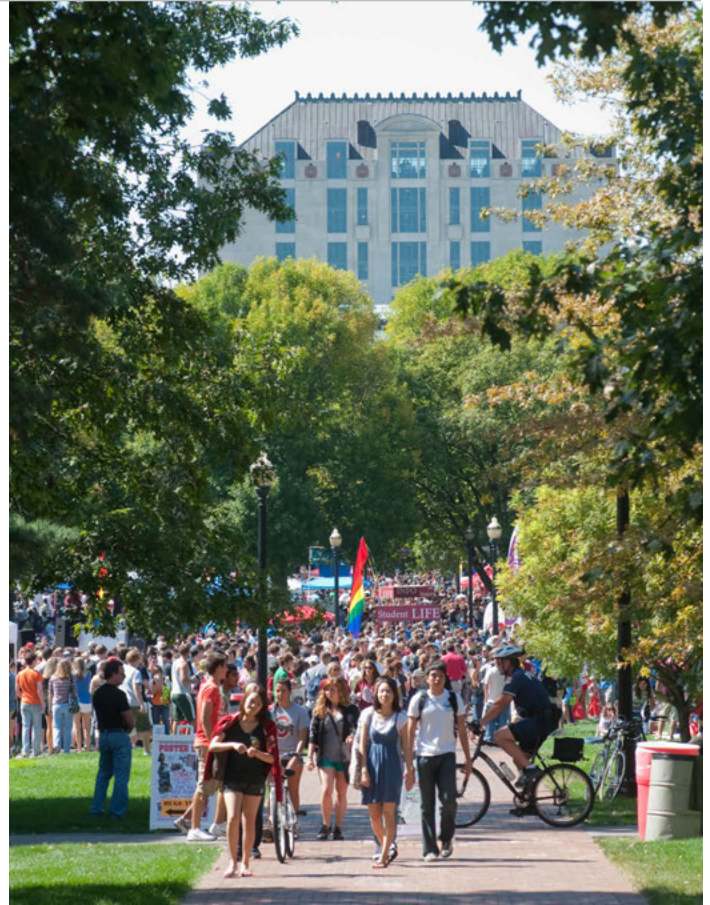

As with past events, we have worked with the Big Ten, the City of Columbus, and the university community to guarantee a great experience for student-athletes, coaches, administrators, alumni, and fans.

We have a great facility in the Ohio State University Golf Course, rich in tradition and history. Both our downtown and campus area offers a variety of dining and entertainment options. We want you to feel at home and enjoy our Buckeye hospitality. We are glad you'll be here and hope you enjoy the 2019 Big Ten Cross Country Championships!

Sincerely,

A handwritten signature in black ink that reads "Gene Smith".

# WELCOME TO THE OHIO STATE UNIVERSITY

**T**he Ohio State University is a dynamic community of diverse resources, where opportunity thrives and where individuals transform themselves and the world.

Founded in 1870, Ohio State is one of the world's most comprehensive public research universities and a leader among land-grant institutions. With 15 colleges — including seven health sciences colleges, a college of agriculture and more than 300 collaborative research centers — the university offers its students tremendous breadth and depth of opportunity and tackles some of the world's most crucial problems.

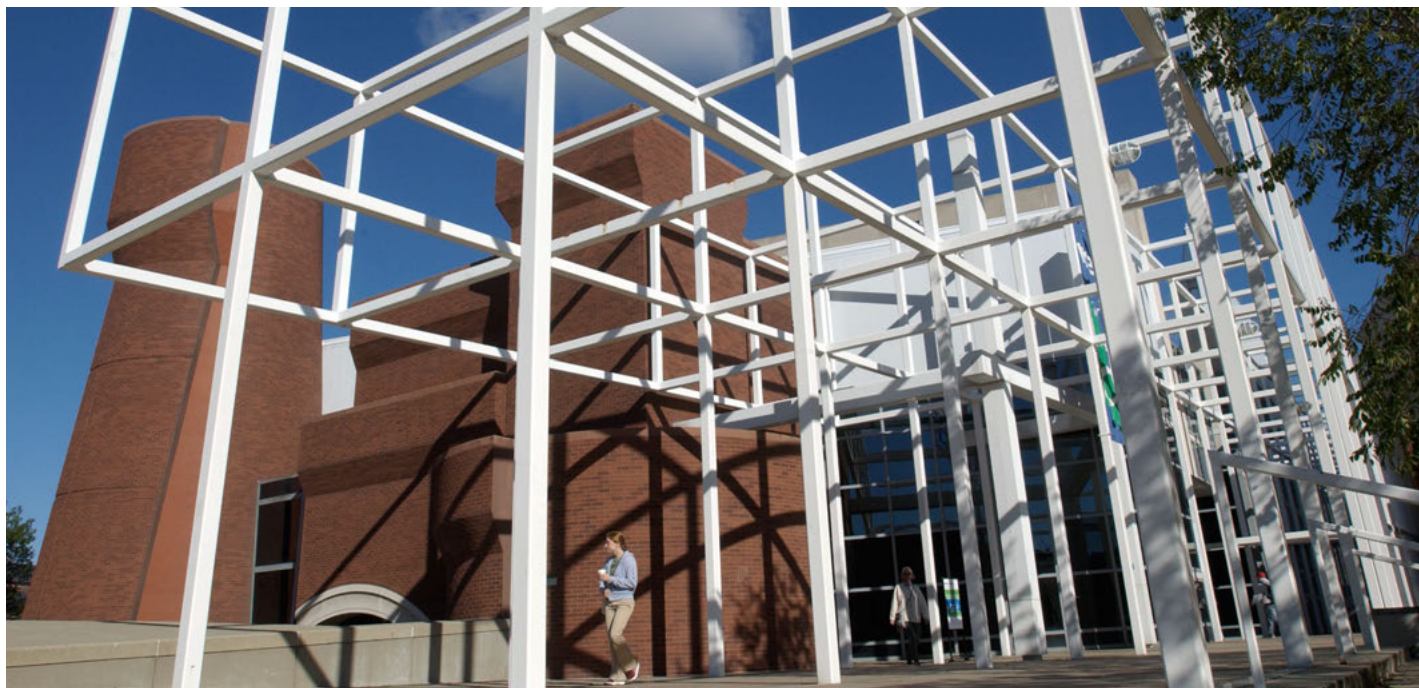

More than 65,000 students from across six campuses — Columbus, Lima, Mansfield, Marion, Newark and Wooster, select from 200-plus undergraduate majors and more than 280 master's, doctoral and professional degree programs, including highly ranked programs in the College of Education and Human Ecology, Fisher College of Business, College of Medicine, College of Nursing and Moritz College of Law. As Ohio's best and one of the nation's top-20 public universities, Ohio State is further recognized by its top-rated academic medical center and a premier cancer hospital.

Ohio State welcomed its brightest and most diverse incoming class in autumn 2014: 95 percent of incoming freshmen were in the top quarter of their high school classes and hail from all 88 counties in Ohio, 49 states and 33 countries around the world. A record number of Buckeyes in the 2016 freshman class graduated in the top 10 percent of their high school classes; and is the most

diverse ever. The demand for an Ohio State education is at an all-time high, with the most applications received in university history.

The Ohio State University's Alumni Association is one of the oldest in the nation. With the 6th largest endowment among public universities, Ohio State's ability to elevate society is greater than it has ever been, thanks to the continuous support from alumni and friends.

# THE OHIO STATE UNIVERSITY SCARLET GOLF COURSE

**E**stablished in 1938, the Ohio State University Scarlet Golf Course is rated the best collegiate facility in the country by Golf Digest, and ranked 81st among all golf courses in the United States.

Located two miles northwest of the main campus at the corner of Kenny and Tremont roads, the Par-71 course carries a rating of 73.9 with a slope of 125. From the championship tees, it stretches out to 7,236 yards of rolling terrain and contains a 9 1/2 acre lake and winding stream that creates challenging play on several holes. The large

contoured greens are surrounded by strategically placed bunkers, adding to the difficulty of the course.

Besides the Scarlet Course, the University Golf Club boasts a second course, the Gray Course, a pro shop, a restaurant, a driving range, numerous practice greens and the OSU Men's and Women's Golf coaches's offices.

The cross country course starts and finishes near the driving range. It heads out 1000m before connecting with a 2000m loop that the women will run two times and the men three times.
