Iowa Swimming and Diving

2009-10 Season Preview

The 2009-10 season will be one of excitement, mixed with sentimental reflection for the University of Iowa swimming and diving team. It will be the Hawkeyes' final competitive season in their home Field House pool as the team will be moving into the brand new Campus Recreation and Wellness Center for the 2010-11 season. The new facility will include a 50-meter competition pool, a separate diving well, a leisure pool with lap lanes and 24,000 square feet of fitness space.

"While we are extremely excited to move into our new facility, the Field House pool has so much wonderful history that needs to be remembered," said Head Swimming Coach **Marc Long**. "From the Dolphin Shows to the military training exercises to the numerous outstanding swimming and diving performances. It is definitely a place on campus with a rich history."

The Field House pool was the world's largest indoor pool when it was dedicated in January 1927. Head Coach **Dave Armbruster**, who founded the team in 1917 and coached until 1957, designed the facility. Iowa hosted the NCAA Championships that year. The facility was also the birthplace of the butterfly stroke. Armbruster and Hawkeye swimmer **Jack Sieg** collaborated in its development in the 1930s.

Former Hawkeyes will have one last chance to take a dip in the pool at the Iowa Alumni Meet, set for April 17, 2010. It will be the final official event to be held in the facility.

The Hawkeyes want their last season in the Field House pool to be a strong one, and both the men and women's teams have the potential to make that happen.

"We had a strong year last season, and we want to continue that positive momentum through 2009-10," explained Long. "Some of our student-athletes competed at national and international meets during the summer. That extra training should be reflected in even faster times this season."

Junior Katarina Tour

Senior Nick Divan

The Hawkeye women return the team leader in 12 of 14 individual events, the entire 200 and 400 medley relay squads and three of four legs of the three freestyle relay teams from 2008-09. They also have a solid class of newcomers to add depth and talent in every event. Last season, Iowa set school records in four individual events and three relays and posted NCAA "B" cuts in three individual events and three relays.

The Iowa men's squad returns the team leader in 14 of 17 individual events and at least three legs in four of the five relays. In 2008-09, the Hawkeye men set school records in two individual events and posted NCAA "B" cuts in five individual events and three relays. The Hawkeyes also posted their best dual record since 1995 (7-1), going undefeated in the Field House pool (4-0). The team will also have a strong group of newcomers that will immediately help out in several events and relays.

Iowa will open the 2009-10 season Oct. 3 with its annual Black and Gold Intrasquad meet, which will also be this season's "Pink Meet" to focus on breast cancer awareness. The Hawkeyes will swim at Truman State Oct. 9 before opening Big Ten competition at Wisconsin Oct. 16.

Here is an event-by-event breakdown of the 2009-10 Hawkeyes:

Freestyle

The women's team returns seniors **Julie deBruin** and **Christine Kuczek**, sophomore **Daniela Cubelic** in the sprints, and junior **Verity Hicks** in the distance races. Kuczek set the school 100 free mark (50.21) last season, and also led Iowa in the 50 free (23.32). deBruin has the second-fastest 50 free time (23.18) in school history. Cubelic provided solid depth, posting times in the 50 (23.52) and 100 free (50.79) that rank in the top 10 on Iowa's all-time best performers list in her first season. Hicks, a native of Pukekoe, New Zealand, earned a spot on the New Zealand World University Games team

Sophomore Danielle Carty

last spring. She led Iowa in the 200 (1:49.48) and 500 free (4:53.94) last year, which rank third and sixth, respectively, all-time at Iowa. She also returns the top times in the 500 (4:48.65) and 1,000 free (10:02.82) for 2009-10. Freshman **Lauren Eytalis** (Bloomington, IL) looks to be the best bet to replace **Ashley Dell's** team-leading time in the 1,650 free.

The men's team will be led by sophomores **Ryan Phelan**, **Duncan Partridge** and **Paul Gordon** in the sprints, while freshman **Jordan Huff** (Dubuque, IA) brings in some outstanding times. Senior co-captain **Nick Divan** and freshman **Pawel Gilski** (Olsztyn, Poland) will lead Iowa in the distance freestyle races.

Phelan posted an NCAA "B" cut in the 50 free last year (19.98), which ranks fourth all-time at Iowa. Partridge cracked the all-time top 10 list in the 50 (20.24) and 100 free (44.18). Gordon and Huff will also be counted on to replace **Conor Dwyer**, who set the school 100 free record (43.67) and ranks second all-time at Iowa in the 200 free. Huff's best converted 100 free time to date of 43.50 actually breaks Dwyer's school record by .17 seconds and his best 200 free time of 1:36.62 would rank fifth all-time at Iowa.

Divan led Iowa in the 500 (4:21.25), 1,000 (9:27.50) and 1,650 free (15:14.78) last year, posting NCAA "B" cuts in the 500 and 1,650 races.

Backstroke

Sophomore **Danielle Carty** and Cubelic, and senior **Hilary Leigh** return after leading the Hawkeye women in the backstroke last season. Carty posted the team-best 100 back (55.31), while Cubelic led Iowa in the 200 back (2:00.67). All three Hawkeyes posted times that cracked the all-time top 10 last year. Carty competed at the 2009 Canadian World Championship trials in Montreal in July, earning a world ranking of 46th in the 50 back. She was also named team captain of the 2009 Canada Games in August. Freshman **Sarah Galvin** (Glen Ellyn, IL) and transfer **Grace Borchers** (Evanston, IL) will provide solid depth.

Junior co-captain **Max Dittmer**, junior **Bryan Hill**, Huff and freshman **Byron Butler** (New Berlin, WI) are expected to lead the Iowa men in the backstroke. Dittmer posted the team's top times in the 100 (49.41) and 200 back (1:48.33) last season, cracking Iowa's all-time top 10 in both races. Huff's best 100 back time of 49.25 would rank fourth all-time at Iowa, while Hill and Butler possess solid times in both races.

Breaststroke

Junior **Katarina Tour** returns after a phenomenal 2008-09 where she earned the Hawkeye women's swimming team MVP honors. She set school records in the 100 breast (1:01.45), 100 fly (54.61) and 200 IM (2:01.33), and swam on the school-record setting 200 medley (1:41.33) and 400 free (3:21.27) relays. She was Iowa's top swimming finisher at the Big Ten Championships, placing eighth in the 100 breast. Her school-record time of 1:01.45 in that event met an NCAA "B" cut. Senior **Julie Feingold** led the Hawkeyes in the 200 breast (2:20.18) last season, and her best times in the 100 and 200 breast rank in Iowa's all-time top 10. Sophomore **Dana Davidsen** and freshman **Madeline Scarborough** (Wheaton, IL) will provide depth.

Junior **Sean Hagan** posted the top 100 (54.93) and 200 breast (1:59.89) times for the men's team last season, becoming only the fourth Hawkeye in school history to break the 2:00 mark in the 200 breast. His best time in both events rank fourth all-time at Iowa. Phelan, senior **Matt Ryan** and junior **Zane Hugo** will also swim these events.

Butterfly

Tour led the women in the 100 fly with her school-record setting mark of 54.61, becoming the first Hawkeye to break 55 seconds in that event. Senior **Laura Mozdzen** led the Hawkeyes in the 200 fly (2:03.37), which ranks fourth all-time at Iowa, as does her best 100 fly mark of 55.66. Sophomore **Sophie Borchers** will add depth.

Sophomore **Brian Tremml** led the Hawkeyes in the 200 fly (1:50.53) last season, while Butler and Gordon will be called upon in both the 100 and 200 fly races.

Junior Max Dittmer

Iowa Swimming and Diving

2009-10 Season Preview

Individual Medley

Tour led the Hawkeyes with her school-record 2:01.33 in the 200 IM last season, while Feingold posted the fastest 400 IM time (4:26.49) of the year. Mozdzen, Galvin and Eytalis will also compete in these races.

Hagan led the Hawkeyes in the 200 IM (1:49.79), while Tremml posted the team-best 400 IM time of 3:59.24. Gordon, Divan, Dittmer, Huff and freshman **Donny Warren** (Dubuque, IA) will all provide quality depth in both races.

Relays

The only thing preventing all five women's relays from returning fully intact is the graduation of **Alison Gschwend**. Kuczek, deBruin and Cubelic return from the school-record setting 200 free relay (1:32.37), while Cubelic, Kuczek and Tour are back from the 400 free relay that posted a school record and an NCAA "B" cut of 3:21.27. Kuczek, Hicks and Cubelic return from the 800 free relay that posted the second-fastest time in school history (7:21.08). The 200 medley relay of Carty, Tour, Cubelic and deBruin is looking to drop their school-record setting and NCAA "B" cut time of 1:41.33 from last season. The 400 medley relay of Carty, Tour, Mozdzen and Kuczek also returns intact after posting a team-leading 3:43.73, which ranks second all-time at Iowa.

The Hawkeye men return three legs of the 200 and 400 free relays that posted NCAA "B" cuts, and two legs of the 800 free relay that qualified for nationals. Partridge, Phelan and Hagan swam on last year's team-leading 200 free relay (1:19.59) that ranks fourth in school history. Gordon joined Partridge and Phelan on the 400 free relay that swam a 2:55.19 to rank second all-time at Iowa. Divan

Junior Sean Hagan

and senior **Brian Farris** return from the team-leading 800 free relay (6:32.74). The entire team-leading 200 medley relay of Dittmer, Hagan, junior **Richard Salhus** and Partridge returns, while Dittmer, Hagan and Partridge swam on the team-leading 400 medley relay last season.

Diving

Junior **Veronica Rydze** returns to lead the Iowa women as senior **Deidre Freeman** is taking a redshirt season to study abroad. The duo placed seventh on three-meter synchro at the 2009 U.S. Diving Nationals in August, while Freeman placed 10th on three-meter. The pair also competed at the National Preliminary Zone C Diving Meet in Minneapolis in July. Freeman took home the meet's high point award, tallying 55 points after winning the one-meter, winning the three-meter synchronized event with Rydze and placing third on the three-meter board. Rydze placed seventh on one-meter. Freeman led Iowa in the one and three-meter events last year, placing eighth on three-meter and 12th on one-meter at the Big Ten Championships. She earned the team diving MVP award last season after scoring the most team points at the conference meet.

Rydze will be joined by senior **Brittany Logan** and freshman **Mary Sue LeMay** (Sterling, IL). Logan competed for the University of Iowa women's gymnastics team for two years, and is using her extra year of eligibility with the diving squad.

Seniors **Michael Gilligan** and **Frank Van Dijkhuizen** return for the men's team, and freshman **Jay Bell** (Cary, NY) will make his collegiate debut with the Hawkeyes. VanDijkhuizen led the team on the one and three-meter boards last season, while Gilligan led the Hawkeyes in the platform event.

Head Coach Marc Long

Marc Long

Head Coach

Sixth Season

Marc Long is in his sixth season as head coach for the University of Iowa swimming team and fifth leading both the men and women's squads. He served two seasons as the Iowa women's assistant coach (2003-04) before taking over the helm for the 2004-05 season. He also served as

the Hawkeye men's assistant coach from 1998-2001.

During his tenure as head coach of both programs, 19 school records have fallen and 70 Hawkeyes have automatically or provisionally qualified for the NCAA Championships.

In 2008-09, the Hawkeye women set school records in four individual events and three relays, while the men's squad set school bests in two individual events. The Hawkeyes posted NCAA "B" cuts in seven individual events and five relays. The Iowa men posted their best dual record since 1995 with a 7-1 mark, and went undefeated (4-0) at their own Field House pool. The women were named to the College Swimming Coaches Association of America (CSCAA) all-academic team for the fourth straight year, and 25 Hawkeyes earned academic all-Big Ten honors.

The 2007-08 season saw four school records set at the 2008 Big Ten Championships, including two relays. Wil Whaley and Christine Kuczek eclipsed Iowa's records in the 200 backstroke and 100 freestyle, respectively. Long also coached the women's 200 and 400 free relay teams to school records, while Whaley also placed 19th at the 2008 U.S. Olympic Trials.

In 2006-07, two more school records were broken and nine student-athletes posted NCAA "B" cuts. Dragos Agache led the Hawkeyes by competing at the NCAA Championships in both the 100 and 200 breast – the two events in which he set new school records.

In his first season with the combined program (2005-06), four student-athletes qualified for the NCAA Championships and four school records were broken. Five-time all-American and U.S. Olympic diver Nancilea Underwood completed her Hawkeye career by leading the women's team to a 27th-place finish at the NCAA meet. Agache led the men's squad, competing in the 100 and 200-yard breaststroke at the NCAA meet, setting the school 100-yard breaststroke record and posting Iowa's highest individual finishes at the Big Ten Championships.

In 2004-05, the women's team recorded their second-highest finish at the NCAA Championships (23rd) in school history. The Hawkeyes were led by Underwood and four-year NCAA

Long's Swimming Accomplishments

- Six-time NCAA all-American
- Two-time Big Ten 100 fly champion
- Swam second-fastest (at the time) 100 fly in Big Ten history
- Big Ten 400 free relay champion
- Multiple NCAA Championships finalist and all-Big Ten
- Set NCAA and Big Ten records in 200 free relay
- U.S. National 400 free relay champion (San Jose Aquatics, 1987)
- Participated in 1988 Olympic Trials

qualifier and all-American Jennifer Skolaski at the meet. The Hawkeyes set five school and two Field House pool records, posting a 5-4 overall dual mark.

While great individual and team performances are crucial, Coach Long also places a high priority on academic success. During Long's tenure, Iowa has crowned 17 academic all-Americans and 68 academic all-Big Ten selections, and the team has earned academic all-America honors four times.

As an assistant coach, Long helped Iowa to its highest placing and point total in school history (20th, 41 points) at the 2003 NCAA Championships. The Hawkeyes also posted an 8-4 overall season record, which was the first winning season for the program since 1999-2000.

Before his assistant coaching stints, Long served as head coach of the Iowa City Eels Swim Club (ICE) and the COHO Swim Club (Deerfield, IL). During his tenure, Long has helped produce numerous state champions, record holders, and NCAA and USS national qualifiers.

Long began his collegiate swimming career at the University of Northern Iowa (1986), winning the conference title and setting the 100 butterfly school record before joining the University of Iowa men's squad his sophomore season. As a Hawkeye swimmer (1987-89), Long was a multiple NCAA finalist, six-time all-American and three-time Big Ten Champion, winning two conference titles in the 100 fly and one as part of the 400 free relay. Long was voted a team captain in 1989 and helped lead the Hawkeyes to a Big Ten runners-up finish, and their highest team placing (eighth) in modern day history at the NCAA Championships. Long swam on Iowa's Big Ten and NCAA record setting 200 freestyle relay that year. He was also a member of the 1987 U.S. National Champion 400-meter freestyle relay team from San Jose (CA) Aquatics, and participated in the 1988 U.S. Olympic Trials.

Long is a member of the American Swimming Coaches Association and the College Swimming Coaches Association of America.

A native of Cedar Falls, IA, Long earned his B.S. in recreation education from Iowa in 1991. He and his wife, Beth, have two children, Ethan and Rhys, and a dog, PeeKay.

Kirk Hampleman

Assistant Coach

Fourth Season

Kirk Hampleman is in his fourth season as an assistant coach for the University of Iowa swimming team.

In 2008-09, the Hawkeye women set school records in four individual events and three relays, while the men's squad set school bests in two individual events. The

Hawkeyes posted NCAA "B" cuts in seven individual events and five relays. The Iowa men posted their best dual record since 1995 with a 7-1 mark, and went undefeated (4-0) at their own Field House pool. The women were named to the College Swimming Coaches Association of America (CSCAA) all-academic team for the fourth straight year, and 25 Hawkeyes earned academic all-Big Ten honors. Hampleman also coached Danielle Carty to a third-place finish at the 2009 Canadian National Championships where she qualified for a spot on the Canada Games Team.

Hampleman's second season saw four school records broken at the 2008 Big Ten Championships and the Hawkeyes post NCAA provisional qualifying performances in nine individual events and four relays. Wil Whaley and Christine Kuczek eclipsed Iowa's previous bests in the 200 back and 100 free, respectively, while the women's 200 and 400 free relay teams also set school records. Whaley placed 19th at the 2008 U.S. Olympic Trials.

In his first season at Iowa, two school records were broken and four student-athletes posted NCAA provisional marks. Hampleman and Assistant Coach Frannie Malone worked closely with the stroke group which included Dragos Agache who led the Hawkeyes by competing at the NCAA Championships in both the 100 and 200 breaststroke – the two events in which he set new school records. Agache posted Iowa's highest Big Ten finishes with third in the 100 and sixth in the 200.

Before joining the Hawkeyes, Hampleman served as a graduate assistant coach for Florida State University for two seasons. His specialties included training the stroke and sprint freestyle groups. In 2006, Florida State won its first ever women's ACC team championship. His other experience includes an assistant position at Tanoan Country Club in Albuquerque, NM, in 2002.

Hampleman was a nine-time all-American swimmer for Auburn University from 1998-2002. He helped the Tigers to a 1999 NCAA team title, and received the Auburn Swimming Award in 2002 which recognizes superior scholarship, leadership and performance. Kirk was third in the 200 backstroke and eighth in the 200 individual medley at the 2002 NCAA Championships and was also an SEC Champion.

Hampleman earned his B.A. in mass communication from Auburn in 2002. He received a M.S. in physical education-sport administration from Florida State in 2006. He and his wife, Kendra, have a son Pierce, and a French Bulldog named Beaux.

Frannie Malone Assistant Coach Sixth Season

Frannie Malone is in her sixth season as assistant coach with the University of Iowa swimming team.

In 2008-09, the Hawkeye women set school records in four individual events and three relays, while the men's squad set school bests in two

individual events. The Hawkeyes posted NCAA "B" cuts in seven individual events and five relays. The Iowa men posted their best dual record since 1995 with a 7-1 mark, and went undefeated (4-0) at their own Field House pool. The women were named to the College Swimming Coaches Association of America (CSCAA) all-academic team for the fourth straight year, and 25 Hawkeyes earned academic all-Big Ten honors.

In 2008, Malone coached events that broke four school records at the 2008 Big Ten Championships. Wil Whaley and Christine Kuczek eclipsed Iowa's previous bests in the 200 back and 100 free, respectively, while the women's 200 and 400 free relay teams also set school records. Whaley placed 19th at the 2008 U.S. Olympic Trials, and Iowa posted NCAA "B" cuts in nine individual events and four relays.

Malone's second season on the Hawkeye staff saw two school records broken and nine student-athletes qualify for the NCAA Championships. Dragos Agache led the Hawkeyes by competing at the NCAA Championships in both the 100 and 200 breast – the two events in which he set new school records. Agache posted Iowa's highest Big Ten finishes with third in the 100 and sixth in the 200.

In her first season with the combined program, four student-athletes qualified for the NCAA Championships and four school records were broken. Five-time all-American diver Nancilea Underwood completed her Hawkeye career by leading the women's team to a 27th-place finish at the NCAA meet. Agache led the men's squad, competing in the 100 and 200-yard breaststroke at the NCAA meet, setting the school 100-yard breaststroke record and posting Iowa's highest individual finishes at the Big Ten Championships.

In 2004-05, the women's team recorded their second-highest finish at the NCAA Championships (23rd) in school history. The Hawkeyes were led by Underwood and four-year NCAA qualifier Jennifer Skolaski at the meet. The Hawkeyes set five school and two Field House pool records, posting a 5-4 overall dual mark.

Before returning to Iowa, Malone served as an assistant women's swimming coach at Tulane (2003) and Fresno State (2002). At Tulane, she helped field the first Green Wave swimming

team since 1989-90, recruiting a class of 15 student-athletes. The fledgling team posted a 13-3 dual record, won three Conference USA individual titles and recorded 20 top eight finishes at the conference meet. Linda McEachrane won two conference titles to earn Conference USA Freshman of the Year accolades and posted NCAA performances in the 50 and 100 free. At Fresno State, Malone helped the Bulldogs to a 6-6 record and a fourth-place finish in the Western Athletic Conference with a team comprised of one senior and 18 freshmen.

Malone served as a graduate assistant coach at Ohio University (2001) and student assistant coach at the University of Iowa (1998-2000) after her swimming career was ended by a shoulder injury. Her club coaching experience includes leading the Willow Knolls Country Club and Ohio Master's Swimming Program, and serving as an age-group assistant with the Central Illinois Aquatics Program.

Malone is a USA Swimming Registered Coach, a Dimension I and II graduate of the NCAA Women's Coaches Academy and a member of the American Swimming Coaches Association and the College Swimming Coaches Association of America.

A native of Peoria, IL, Malone earned her bachelor's degree from Iowa in 2000 and her master's degree in physical education and sports science from Ohio University in 2004. She and her husband, Sean, have a son, Nathan.

Nathan Mundt
Assistant Coach
Second Season

Nathan Mundt is in his second season as assistant coach for the Hawkeye swimming team.

In his first season at Iowa, the Hawkeye women set school records in four individual events and three relays, while the men's squad set school

bests in two individual events. The Hawkeyes posted NCAA "B" cuts in seven individual events and five relays. The Iowa men posted their best dual record since 1995 with a 7-1 mark, and went undefeated (4-0) at their own Field House pool. The women were named to the College Swimming Coaches Association of America (CSCAA) all-academic team for the fourth straight year, and 25 Hawkeyes earned academic all-Big Ten honors.

Mundt joined the Iowa staff after serving as the head men's and women's swimming coach at Western Illinois University. He was named the 2006-07 Mid-Continent Conference Women's Coach of the Year. He coached swimmers to 13 school record-setting marks and six athletes to 12 Summit League individual event championships.

A native of Portage, IN, Mundt was a four-year letterwinner and academic all-conference honoree at the University of Tampa while earning a B.A. in Sport Management.

Mundt served as a graduate assistant coach at Valparaiso University from 2003-2005 and was named Interim Head Coach for the 2003-04 season. Mundt also added a M.S. in Sports Administration while at Valparaiso.

He and his wife, Erika, currently reside in Coralville.

Bob Rydze
Diving Coach
35th Season

Bob Rydze is in his 35th year as diving coach of the men and women's teams at the University of Iowa, and is dean of Big Ten diving coaches.

Rydze served as Team Leader for USA Diving at the 2008 Olympics in Beijing, China. He was elected chairman of USA Diving's board of directors, and also serves on the U.S. Aquatics Sports board of directors. Rydze has served as chairman of U.S. Diving's Competition Committee for Excellence (CCE).

During his tenure at Iowa, Rydze has coached three Olympians, 31 all-Americans, nine Big Ten Champions and one NCAA Champion. He has been named Big Ten Diving Coach of the Year three times (1985, 1986 and 1995).

He and his wife, Elaine, have three children, Bo, Robin and Veronica. Veronica is a diver on the Hawkeye team.

Bill Maxwell
Strength Coach
13th Season

Bill Maxwell is in his 13th season with the University of Iowa strength and conditioning staff. He was named a Master Strength and Conditioning Coach by the Collegiate Strength and Conditioning Coaches Association (CSCC) in February 2009.

Prior to joining the Hawkeyes in 1997, Maxwell served as assistant strength and conditioning coach at the University of Kansas (1991-97). He oversaw strength and conditioning programs for the Jayhawk Olympic sports, including basketball, baseball and swimming and diving. He also assisted with the Kansas football program. In 1993, the Kansas football team won the Aloha Bowl, the basketball team advanced to the NCAA Final Four and the baseball team advanced to the College World Series.

Maxwell earned his bachelor's degree in physical education from East Carolina University in 1990, where he competed for the Pirate football team. Maxwell served as a graduate assistant strength and conditioning coach at Kansas before becoming a fulltime member of the Kansas staff.

Strength & Conditioning

The Hawkeye Strength Training Program

The program is designed to develop strength, explosiveness, speed, coordination, balance and flexibility. All qualities are developed through progression of exercises in four phases of training: **work capacity** - ability to perform work for a prolonged time and recover quickly, **strength** - ability to exert force, **power** - ability to exert strength quickly, and **speed** - ability to move the body in shortest time possible.

The highest level of performance is achieved by training under close supervision, in a year-round program. Improvement is monitored closely through the newest and best technology. Electronic timing devices are used to measure sprints, while a microcomputer device is used to monitor peak velocity and power outputs in weight training movements. With this technological support, the athletes are constantly receiving immediate feedback on their development.

Strength & Conditioning Philosophy

The philosophy of this program consists mainly of two components. The first is to continually develop a scientifically sound program that will maximize strength, power and explosiveness in order to allow the athlete to get the utmost out of their genetic potential, and to reduce the chance of injury. This will primarily be accomplished through the use of ground based free weight exercises and the progressive incorporation of functional movements and plyometrics. The second is to establish a culture which will develop the discipline, character and mental toughness within each athlete and team as a whole so that they are able to make the sacrifices in their training, leave their comfort zone and develop a Championship ATTITUDE. This will encourage them to make the most out of every situation and opportunity given to them in athletics, so that they might know what it is to be fully committed to something in at least one area of their life. When these two converge, they are not only able to reach their full potential; they become champions in and out of the pool.

Iowa Swimming and Diving

Team Awards

Armbruster/Patton MVP Award

The David Armbruster/Glenn Patton MVP Award is named in honor of two Hawkeye coaches. Armbruster was Iowa's first swimming coach (1917-1958). Patton coached the Hawkeyes from 1976-1998 and is Iowa's all-time winningest coach with a career record of 168-63. It is presented to the men's most valuable swimmer.

Success After Swimming

“My experience at Iowa was exceptional. I’m extremely proud to be a Hawkeye (and to have married one). I hope that one day our kids will follow in their parents’ footsteps. While at Iowa not only did I receive a first rate education and compete on an elite level, I had the time of my life. I made lifelong friends and always look forward to returning to Iowa City. The University of Iowa prepared me well for medical school and a rewarding career.”

Katy (Ketoff) Fethke, M.D.

B.S., Exercise Physiology, 1992

Ophthalmologist/Ophthalmic Surgeon in Boise, ID

“I will always view the years I spent within the academic and athletic facilities of the University of Iowa as some of the most rewarding and enjoyable times of my life. Looking back, I now realize how valuable the skill sets provided to me by the coaches and educators at Iowa have become in my daily activities. Acting as the managing partner of an engineering firm that operates in the City of Chicago’s most demanding and competitive construction market, requires that I continuously push the limits of my physical and intellectual abilities. I am convinced the foundation for this commitment level was built during the pursuit and award of both my engineering degree and four-year letterman recognition at the University of Iowa.”

Ronald G. Kaminski

President, HBK Engineering, LLC

Chicago, IL

“Memories and opportunities, both personally and professionally, are the greatest gifts that I took with me from the University of Iowa. I formed friendships that will last a lifetime and have memories that will keep me laughing and smiling for even longer. The dedication, determination and drive that I developed as a student-athlete have opened doors for me as I pursue my career as an engineer. Attending a university as an athlete develops skills and teamwork that are priceless in the workforce and will pay off in endless opportunities. It’s great to be a Hawkeye!”

Beth Katz

B.S. Engineering, 2001

Associate Engineer in the Assembly & Logistics Group at the Caterpillar Technical Center

“The University of Iowa and the Hawkeye swimming program opened the doors to the world, which I continue to walk through as I interact with colleagues and friends around the globe almost daily. I am proud of my tenure as a Hawkeye swimmer because of all the quality people I developed friendships with that continue today. As a high school student athlete from Iowa, I once naively thought I might need to leave the state of Iowa to obtain a high quality and unique student athlete experience. The 17 years since I became a Hawkeye has proven that I could not have been more wrong.”

As a close friend and former teammate of Coach Long, I am excited about the future of Hawkeye swimming. Marc’s unique passion for the University of Iowa and the swimming programs in particular will provide an outstanding experience for all involved in the future of Hawkeye Swimming. It is truly an exciting time to be a Hawkeye.”

University of Iowa Varsity Club Hall Of Fame

Inductees are selected by a vote of all dues-paying members of the National Iowa Varsity Club. All former Hawkeyes who have won at least one major letter and completed their eligibility at least 10 years prior to selection are eligible for the Hall of Fame. A coach or administrator must have retired or left the university at least five years prior to selection. A maximum of seven inductees may be selected to the Hall of Fame each year. Listed below each name is the individual's years of participation at Iowa and the year they were inducted into the Hall of Fame.

Iowa Field House Pool & Swimming Tradition

Iowa Swimming History & Tradition

Since 1917, the University of Iowa swimming and diving program has been rich in tradition. Iowa was one of the first schools in the nation to compete on a collegiate level, and competed at the first NCAA Championship. From 1937 to 1960, Iowa placed in the NCAA top 10 18 times, crowning nine NCAA and 22 Big Ten champions.

Iowa's facility, the Field House Pool, was the world's largest indoor pool when it was dedicated in January 1927. Head Coach Dave Armbruster, who founded the team in 1917 and coached until 1957, designed the facility. Iowa hosted the NCAA Championships that year.

The Field House pool was the birthplace of the butterfly stroke. Armbruster and swimmer Jack Sieg collaborated in its development in the 1930s. The acceptance of the new stroke encountered considerable controversy and was first used February 25, 1935, in Iowa City in the medley relay in a dual against Wisconsin. The relay included Dick Westerfield, Jack Sieg and Adolph Jacobsmeyer. Sieg's time was five second faster than the existing 100-yard world record.

The Iowa men's team has produced 17 Olympians, 26 NCAA champions, 382 all-Americans and 163 Big Ten champions in its 93-year history. Three Hawkeye men's teams have won the Big Ten team title and have a dual meet record of 382-297-4. The women's team boasts 108 NCAA qualifiers, 39 all-Americans and 16 Big Ten champions in its 35-year history. The women's team has a dual meet record of 175-150-2.

Field House Pool

Iowa's Field House Pool was built in 1927 and was, at the time, the world's largest indoor swimming pool. The pool has been the site of many national and international meets.

In 1979, the pool underwent a \$400,000 renovation, making it one of the fastest competitive pools in the midwest. Diving platforms were added in 1980.

The pool is 150 feet long and 60 feet wide and has eight lanes (7-foot-3 wide) with a one-foot buffer lane on each side. The lanes in the competition end of the pool are separated by two Kiefer nonturbulent lines, and all four walls have recirculating gutters which make for very fast conditions.

The competitive end of the facility is separated from the shallow section by a four-foot wide Whitten bulkhead. The bulkhead allows 30 percent of the water to flow through, contributing to the calm water surface. Each lane is equipped with a Whitten starting block, which can be adjusted to permit competition at 25 meters or yards or long-course training. Diving facilities include a pair of one- and three-meter springboards, plus five- and ten-meter platforms. Automatic timing equipment is used in all eight lanes and a large readout board posts times for each swimmer.

Campus Recreation and Wellness Center

Campus Recreation and Wellness Center

The University of Iowa Athletic Department and the University of Iowa Recreational Services have partnered together to construct a new Campus Recreation and Wellness Center (CRWC), which will serve as the new home of the Hawkeyes. The facility, which is expected to cost \$69 million, is located at the corners of Burlington and Madison streets. Construction began in the fall of 2007 and is to be completed in June 2010.

The CRWC will include a 50-meter competition pool, a separate diving well, a leisure pool with lap lanes and 24,000 square feet of fitness space.

Iowa Swimming and Diving

Director of Athletics Gary Barta

Gary Barta Director of Athletics

Gary Barta is in his fourth year as the director of intercollegiate athletics at the University of Iowa and his 23rd year in athletics administration, eager to build on the achievements and progress made in a challenging but rewarding 2008-09.

The Hawkeyes enjoyed a successful 2008-09 year competitively. Iowa finished the 2009 sports season ranked 45th nationally in the Learfield Sports Directors'

Cup with a school-record 474.30 – an improvement fueled by Iowa's victory over South Carolina in the 2009 Outback Bowl, the Hawkeyes' second straight Big Ten Conference and NCAA titles in wrestling, a third straight Big Ten Tournament title and a berth in the national semi-finals by the field hockey team, and NCAA Tournament or national championship participation by Iowa's women's basketball, women's cross country and indoor track, men's golf, gymnastics and softball programs.

Under Barta's leadership, Iowa's long-standing commitment to the academic pursuits of the more than 700 student-athletes who annually represent the Hawkeye intercollegiate athletics competition continues. According to graduation statistics distributed each fall by the NCAA, the class of student-athletes who entered Iowa at the start of the 2001-02 academic year had a graduation rate of 68 percent, a mark that compared very favorably to the 66 percent rate compiled by the overall student population at the University.

The 2008 Iowa football team tied for first in NCAA Graduation Success Rate (75 percent) among the 10 programs that have played in five or more January bowl games since the 2002 season. Iowa's 75 percent graduation success rate ranked third among teams in the 2008 final top 25.

The Hawkeye men's cross country, women's golf, and softball teams were also singled out by the NCAA for ranking in the top 10 percent among their peers in the NCAA's 2008 Academic Progress Rate (APR), a real-time look at a team's academic success each semester or quarter, by tracking the academic progress of each student-athlete. All 24 of Iowa's teams exceed NCAA APR standards and compare favorably to their peers in the Big Ten Conference and nationally.

Construction of new and renovation of existing facilities also remain high priorities for Iowa. The UI is working hard to reach its goal of breaking ground on a \$47 million revitalization of Carver-Hawkeye Arena, a much-needed renovation that will greatly improve the practice, strength training and conditioning facilities for a myriad of Hawkeye sports programs, including, most notably, the men and women's basketball, volleyball and wrestling teams. The project will also provide locker room updates, team meeting facilities, and much needed office and meeting room space for more than 200 full-time coaches and staff. The enhancement project will also expand and improve the experience for fans.

The University of Iowa will complete construction of the \$7 million P. Sue Beckwith Boathouse in fall 2009. This addition to the physical plant will come fast on the heels of a \$3 million renovation of the portion of the UI Recreation Building used by Iowa's baseball, track and field, and cross country squads; the replacement of the drainage system for the playing field inside Kinnick Stadium and the installation of FieldTurf; and

the reconstruction of Bob Pearl Field, home of Iowa's nationally ranked softball team, and Francis X. Cretzmeyer Track, Iowa's track facility.

In fall 2010, Barta will join leaders across campus in celebrating the opening of the \$69 million Campus Wellness and Recreation Center, the new home of Iowa's men's and women's swimming and diving program.

The construction of the Ron and Margaret Kenyon Outdoor Practice Facility – a facility envied by many collegiate programs and NFL franchises – and the renovation of Kinnick Stadium were phases 1 and 2 of the master plan, respectively.

Barta has hired four head coaches since becoming Iowa's 11th director of athletics on Aug. 2, 2006 and all four have quickly built solid foundations for their respective programs.

Todd Lickliter's 2008-09 UI men's basketball team battled through one of the nation's toughest schedules to claim 15 victories with a roster dominated by underclassmen. The 2009 season will be the second for volleyball coach Sharon Dingman, who guided the Hawkeyes to win totals of 14 overall and six against Big Ten opponents, marks that were the best for Iowa in eight seasons.

Kelly Crawford and Mark Hankins have raised the bar for both of Iowa's golf programs. Crawford's women's team finished fifth at the 2009 Big Ten Conference Championship – the program's best finish in 14 seasons. Hankins' men's squad finished sixth at the 2009 league championship – just five strokes out of third place. The finish was the Hawkeyes' best in eight years and earned Iowa a spot in NCAA regional competition. The Hawkeyes finished fifth at NCAA Regionals, which garnered the Black and Gold their first NCAA Championships appearance since 1994. At the championships, Iowa placed 17th in the country.

As the director of athletics at the University of Wyoming for three years, seven different coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program \$11 million in private support and \$11 million in matching state funds. Among other things, these funds allowed for significant stadium renovations and construction of a new indoor practice facility.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several athletic facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility. During his time in Seattle, the Husky Athletics program generated nearly \$100 million in private support. In addition to almost doubling the amount of annual private contributions received by Washington, Barta also managed the department's external relations. His responsibilities expanded over time to include hiring of coaching and administrative staff and coordinating the schedule for the Huskies' men's basketball program.

The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a Bachelor of Science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the NCAA Division II national championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (11) and a daughter, Madison (9). He was born September 4, 1963, in Minneapolis, MN.

Hawkeye Athletics

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. This past season, the Hawkeyes enjoyed unprecedented success. Iowa scored a school-record number of points in the annual Learfield Sports Directors' Cup, a national program that honors institutions offering broad-based intercollegiate athletics programs that achieve at the highest level competitively.

Ten different UI teams accumulated a record total of 474.30 points as a result of their participation in postseason competition during the 2008-09 athletics year. Iowa's point total resulted in the Hawkeyes finishing in 45th place in the Directors' Cup standings for the NCAA Division I category that includes 271 participating institutions.

The support of their efforts and attendance by Hawkeye fans ranks among the best in the country.

While the Hawkeyes compete with the best in the nation in a variety of sports, Iowa boasts some of the most impressive athletic facilities in the nation, operated by one of the most respected departments.

Several new projects are underway on the Iowa campus. Some of the latest additions to the UI campus are the Roy G. Karro Athletics Hall of Fame and Visitors Center, the Russell and Ann Gerdin Athletic Learning Center and the Hawkeye Tennis and Recreation Center. Construction on the new Campus Recreation and Wellness Center has also begun and is scheduled for a summer, 2010 completion. Ground has also been broken on Iowa's \$7 million rowing boathouse. In addition, the UI expects to break ground on a \$47 million Carver-Hawkeye Arena renovation project this fall.

Kinnick Stadium received a major up-grading and renovation that was completed just prior to the 2006 season. The \$89 million project included the replacing of the south end zone stands and building of a four-level press box that houses 47 guest suites. New scoreboards, video walls, concession stands and new rest rooms were also part of the project.

The graduation rate of Iowa's student-athletes has improved in each of the past 10 years and has consistently ranked above the graduation rate of all UI students. Hawkeye athletes have garnered 76 academic All-America honors since 1992. The 2008-09 school year saw the University of Iowa produce 166 academic all-Big Ten athletes.

The 2009 Iowa Hawkeye wrestling team won its 22nd NCAA championship along with its 33rd Big Ten title. Iowa crowned five all-Americans en route to its second-straight national and league championships.

Iowa athletes have been recognized as all-Americans in their sport on 253 occasions during the past 17 years, including 15 this past season.

During the 2008-09 athletic year, the Hawkeyes continued their trend of success on the playing fields and in academic pursuits. Below are some examples of Hawkeyes success last year.

The Iowa football team won five of its last six games, including a 31-10 victory over South Carolina in the 2009 Outback Bowl. The Iowa Hawkeyes was the only Big Ten team to win its bowl game.

Carolina in the Outback Bowl. Iowa was the only Big Ten football team to win its bowl game. The return trip to Tampa for the Outback Bowl marked Iowa's fifth January bowl game in seven years. Hawkeye running back, Shonn Greene, earned the Doak Walker Award given to the nation's top running back and was also tabbed as the Big Ten's MVP.

Iowa's field hockey team won its third-consecutive Big Ten Tournament championship and finished third nationally, advancing all the way to the National Semifinals. The Hawkeyes were ranked in the top 10 nationally the entire season and had three players named all-America. A total of 37 Hawkeyes have garnered all-Big Ten accolades under Head Coach Tracey Griesbaum.

The Hawkeye men's golf team surged last season climbing from a national ranking of 152nd in 2008 to 17th in 2009. Iowa placed fifth at the NCAA Southeast Regional and earned its first spot at the NCAA Championships since 1995.

The women's basketball team had another successful season, finishing second and hosting first and second round NCAA Tournaments games in Carver-Hawkeye Arena. All five Hawkeye starters garnered all-Big Ten recognition for the first time in school history. The women's team has advanced to post-season play eight of the nine years under Head Coach Lisa Bluder, who is a two-time Big Ten and WBCA Regional Coach of the Year.

Head Coach Gayle Blevins and the Iowa softball team finished in the upper-division of the Big Ten standings, again, and also competed in the NCAA Tournament. Two Hawkeyes earned first team all-region laurels, while senior pitcher Brittney Weil was also tabbed second team all-America. She became the 16th Iowa softball student-athlete to be named all-America.

Iowa's women's cross country team competed at the NCAA Championships. Racheal Marchand became the third-straight Hawkeye to win the Midwest Regional race and be named the Midwest Region Women's Athlete of the Year.

Gymnast Geoff Reins earned all-America status on vault, while his Hawkeye teammates competed, again, in the NCAA Championships. The women gymnasts were ranked nationally most of the season and hosted the North Central Regional in Carver-Hawkeye Arena.

Whether it's the top-notch athletic or academic performances, the outstanding community and fan support or the impressive facilities, it's easy to understand why Iowa fans everywhere truly believe, "It's great to be a Hawkeye."

The Iowa men's golf team placed fifth at NCAA Regionals and earned its first spot in the NCAA Championships since 1995. At the championships, the Hawkeyes finished 17th.

Athletic Student Services

Since its inception in 1979, Athletics Student Services has evolved from a two-person, academic support service to a broad-based, nationally prominent student support services operation. Its purpose is to offer academic and personal support services that will assist student-athletes in making timely and satisfactory progress toward their degrees and becoming tomorrow's leaders. Athletics Student Services focuses on four important areas - academic counseling and monitoring, educational and support programs, retention programs and compliance services - when working with student-athletes. Following are descriptions of some of the programs, services and opportunities available in those areas.

Gerdin Athletics Learning Center

The \$4.6 million Russell A. and Ann Gerdin Athletics Learning Center opened in August of 2003 and gives all Iowa student-athletes a state of the art facility to support their educational goals. The Athletics Learning Center is a multi-level, 20,000 square foot facility which provides a computer center, study areas, classes and meeting places for all Hawkeye student-athletes. The Learning Center features an auditorium that converts into two classrooms, separate study rooms for under and upper-class student-athletes with 28 study carrels, a computer lab, five tutorial rooms, the book loan repository, office space for Iowa's Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

Academic Counseling & Monitoring

Athletics coordinators work closely with student-athletes and their university-assigned advisors from the time they arrive on campus until the time they leave the University. Along with focusing on academic planning matters such as goal-setting, plans of study, choosing majors and degree requirements, athletics coordinators also help student-athletes understand NCAA, Big Ten and University academic policies. They also solicit feedback from instructors on academic progress made by student-athletes.

Tutoring

Tutoring is available free of charge to all student-athletes. Tutors, who are post-graduates and teachers, help with course content as well as study strategies and are available in virtually all general education program subjects.

Retention

A full-time staff member directs the retention program, which identifies student-athletes who may need tailored academic assistance and structure, and implements individualized learning plans to help them succeed. Such plans may include daily and weekly planning sessions with athletics coordinators and retention staff, tutoring, study groups, mainstreaming into on-campus services like the writing center, math labs and services for students with learning disabilities.

CHAMPS/Life Skills

Life skills programs are conducted throughout the year with and for student athletes on quality of life issues critical to personal growth, such as personal accountability, healthy lifestyles, alcohol safety, diversity and gambling.

Minority Enrichment Program

This program offers a culturally supportive environment in which minority student-athletes develop friendships and a support network in the university. A core focus group of students and staff coordinate programs such as guest speakers, holiday celebrations, community service activities with the local neighborhood centers, events with Cultural Centers and networking with minority faculty, staff, professional and business leaders.

Transition Seminar

All new student-athletes attend an eight-week transition seminar during the fall semester that is geared toward helping them make the transition from high school to college successfully. Seminar topics include time management skills, learning and study strategies, the culture and rules of the university and Division I Big Ten intercollegiate athletics, and personal leadership and life skills concerning alcohol safety, healthy relationships and intimacy, diversity and inclusion, tolerance, values and character.

Career Guidance & Development

Planning a meaningful career and a fulfilling life is an ongoing process of expanding and narrowing choices, beginning when student-athletes arrive on campus and continuing throughout their college career and lifetime. The professional staff works with other career development professionals on campus to offer individual consultation, career development seminars, workshops, referrals to other campus offices and special events like the Senior Recognition Banquet for graduating student-athletes.

Distinguished Alumni

When student-athletes consider their future, they should consider prospects beyond athletics. A list of all University of Iowa alumni who have distinguished themselves professionally would be difficult to assemble and could never be complete. However, some are truly outstanding in their area of expertise.

Sports Medicine & Athletic Training

Sports Medicine

Continuing to set the standard in Sports Medicine Service, the University of Iowa provides each student-athlete with the most up-to-date and highest quality medical care available. The 11 full-time certified and licensed athletic trainers of the Athletic Training Services department are committed to a multidisciplinary approach to sports medicine.

By providing quality health care, injury rehabilitation programs, and prevention programs, the University of Iowa swimming and diving student-athlete is guaranteed to receive timely and adequate medical care whenever necessary. A well-equipped athletic training room in the Field House is available for use by the men and women's swimming and diving teams.

Services from the University of Iowa Hospitals and Clinics, among the world's largest university-owned teaching hospitals, support the efforts of the athletic training staff. The UI Institute for Orthopaedics, Sports Medicine and Rehabilitation employs a staff of team physicians, orthopaedic surgeons, physician assistants, and physical therapists. A team physician and orthopaedic surgeon are assigned to the men and women's swimming and diving teams. In

the event it is necessary for a swimming or diving student-athlete to receive advanced medical care, the athletic training staff makes referrals to the staff of the UI Institute for Orthopaedics, Sports Medicine and Rehabilitation where the student-athlete is assured of being seen by a physician within 24 hours.

Field House Athletic Training Room

The Field House athletic training room (pictured below) is conveniently located near the natatorium and is staffed by Mike Lawler, M.A., ATC, LAT, a full-time athletic trainer certified by the National Athletic Trainers' Association and licensed in the state of Iowa, one intern certified athletic trainer, two certified graduate assistant athletic trainers, and students from the athletic training curriculum program. A senior athletic training student is assigned to the swimming and diving teams for the entire year and, along with the certified athletic trainers, provide individualized care on a daily, 24-hour basis. The athletic training staff utilize current and traditional rehabilitation and treatment technology, including whirlpools, hot hydrocollator units, ultrasound, electrical stimulation, ice, rehabilitation weights, Physio-gymnic balls, Stairmaster, Cybex isokinetic exercise, and Life Fitness exercise cycles.

The University of Iowa

An Exceptional Choice

Since 1847, The University of Iowa has distinguished itself as a leader among public universities. Today its programs in health, business, engineering, education, law, the arts, communications, and the sciences are known worldwide for their excellence and innovation.

Outstanding Academic Opportunities

Iowa offers degrees in 11 colleges: Business, Dentistry, Education, Engineering, Law, Liberal Arts and Sciences, Medicine, Nursing, Pharmacy, Public Health, and the Graduate College. Undergraduates can choose from more than 100 areas of study.

A Fun Place to Call Home

Iowa City is a classic university town where learning and creating truly matter. The city blends the vibrant University campus and the natural beauty of the Iowa River with nearby shopping, entertainment, and residential areas.

Commanding Resources

The University operates one of the largest research library systems in the country. Iowa equips its classrooms and laboratories with the latest in computer technology. Students benefit from this technology-rich environment coupled with the high personal attention of University faculty and staff. Visit the University's web site at www.uiowa.edu to about its multifaceted education, research and service programs.

More Than a Taste of the Arts

Although temporarily displaced from their buildings by a summer 2008 flood, Hancher Auditorium and the UI Museum of Art continue to offer performances, exhibits and special events in alternate venues. Premier works of art are displayed in most University buildings and plazas throughout campus. Students may participate in theater, music, and dance groups.

Time and Space to Play

Every year about 90 percent of Iowa's students make use of the University's recreational facilities. Each season offers a full schedule of intramural and club sports, ranging from rugby, tennis, and golf to volleyball, soccer, and swimming. Individual workouts are a part of many students' daily routines. Students also make use of campus walking and running trails, bikeways, ski trails, golf courses, and canoe and sailboat rentals to relax and enjoy leisure time.

What Distinguishes an Iowa Education?

Success. Iowa's philosophy is that if students meet the entrance requirements, the University is going to do everything it can to help students to graduate. An Iowa degree spells success in the job market, giving students the skills to continue learning and growing throughout their careers.

Excellence. The faculty is stellar. Students are amazed not only at how much they know but at how enthused they are about sharing that knowledge and getting students excited about their subject.

Comfortable class sizes

Here are average class sizes for some typical first-year courses:

Biology: 600 in lecture, 24 in lab; **Rhetoric:** 22 in class; **Calculus:** 25 in class; **Western Civilization:** 260 in lecture, 22 in discussion group;

German: 15 in class; **First-year seminar:** 13 in class

U.S. News & World Report ranked *The University of Iowa* as the 26th best public university in the nation in 2009.

Consider Iowa's Advantages

- According to the Fiske Guide to Colleges, the University of Iowa is a "Best Buy" for an outstanding, affordable education.
- Iowa celebrates diversity—the University attracts students from 100 countries and all 50 U.S. states.
- Iowa's students and faculty have an enthusiasm for learning and for having fun.
- Iowa is part of the Big Ten Conference, sharing academic and athletic traditions among a group of America's leading universities.
- Iowa's faculty members not only offer a full range of academic offerings for students, they actively engage in innovative research projects within their specialty areas.
- Students can easily travel a half day by car to a number of large American cities, including Chicago, Minneapolis/St. Paul, Kansas City, St. Louis, and Omaha.
- Iowa City holds a cosmopolitan charm all its own as a gathering place for the world's writers, for world-renowned artists, and for noted visiting lecturers.
- The University's 400+ student organizations include fraternities, sororities, and many professional and cultural societies.
- The University's career and placement services match students with companies for internships and other professional experiences throughout their education.
- The University's graduates excel in their careers, often holding leadership positions within their professions and communities.

The Colleges

Most freshmen who enroll at The University of Iowa are admitted to either the College of Liberal Arts and Sciences or the College of Engineering. The General Education Program allows students to sample courses in more than 100 areas of study. At Iowa, students are required to take electives, major courses, and general education course work.

Liberal Arts & Sciences

Undergraduate Degrees Offered - Bachelor of Arts (BA) and Science (BS) in 58 major fields; Bachelor of Fine Arts (BFA) in Music (BM) and of Liberal Studies (BLS). **Admission** - Freshmen and transfer students are to meet the college's admissions requirements.

Engineering

Undergraduate Degrees Offered - Bachelor of Science in Engineering (BSE) in six majors- biomedical, chemical, civil, electrical, industrial, and mechanical engineering. **Admission** - Students must meet the college's high admissions requirements.

Business

Undergraduate Degrees Offered - Bachelor of Business Administration (BBA) in six majors: accounting, economics, finance, management, management information systems, and marketing. **Admission** - Usually requires two years of pre-business study in the College of Liberal Arts and Sciences. Details at www.biz.uiowa.edu/upo/admissions/.

Education

Teacher Education Programs - Elementary Education, Art Education, English Education, Foreign Language Education, Mathematics Education, Music Education, Science Education, and Social Studies Education. Additional teaching minors in Coaching, ESL (English as a Second Language), Hearing Impaired, Journalism, and Talented and Gifted. **Admission** - Review all admission requirements and program guides at www.education.uiowa.edu/tess/

Nursing

Undergraduate Degrees Offered: Bachelor of Science in Nursing (BSN). **Admission:** Students typically complete one year of pre-requisite courses in the College of Liberal Arts and Sciences and apply for admission during the second semester of the first year. The College of Nursing has competitive admission. The BSN requires three years of study once the student earns admission.

Pharmacy

Professional Degree Offered - Doctor of Pharmacy (PharmD). **Admission** - Students must successfully complete required pre-pharmacy course work in the College of Liberal Arts and Sciences. These requirements may be met in two years but do not guarantee admission. Students must also complete the Pharmacy College Admission Test (PCAT).

Graduate and Professional Degrees

Many student-athletes who have attended The University of Iowa and completed their undergraduate degrees continue their education at the University. Student-athletes who attend graduate or professional school must first complete course work toward a bachelor's degree in their field of study. The University also offers undergraduates the opportunity to participate in research and overseas study programs, as well as internships that will help prepare them for graduate school.

The Tippie School of Management's MBA program was recently ranked 20th best in the country by Forbes magazine.

The University of Iowa

Housing

Each athletics team has its own rules regarding residence of incoming freshmen. Across the University, about 90 percent of freshmen choose to live on campus in one of the 10 residence halls. Most student-athletes live at least two years on campus.

The residence halls have full-service dining rooms, study lounges, laundry facilities, recreational facilities, vending, and bank machines. Each room has high-speed computer connections for e-mail and Internet access, plus there are wireless networking hot spots in a variety of locations across campus. Iowa also offers wireless networking in 52 buildings and several outdoor areas, providing more than 265 access points across campus.

Safety

- 11:55 p.m. - 2:10 a.m.: Free SafeRide buses take students home Fridays and Saturdays during the fall and spring semesters.
- Special telephones with blue lights are stationed across campus with a direct link to the UI Department of Public Safety.
- University of Iowa Police personnel educate students on safety during summer orientation.
- The Rape Victim Advocacy Program cooperates with the UI Department of Public Safety and participates in Sexual Crime Awareness Week.

Cambus

There are six primary bus routes throughout the Iowa campus. The University Cambus provides over three million free rides to class and to the dorms for students each year. Some routes run seven days a week, and some run until 2:30 a.m. Cambus also operates a specialized transportation service for persons with disabilities.

Health Services

The University of Iowa provides the student-athlete with the most up-to-date and highest-quality medical care available. Students at Iowa can go to Student Health Service, which is open Monday through Friday. The service is supported by a fee paid by all full-time students. It offers students unlimited free office visits (there is a charge for other procedures done in the office, such as blood tests).

Libraries

The University of Iowa Libraries supports the academic achievement of all student-athletes with specialized courses, one-on-one consultations with librarians, 24/7 access to electronic resources through the web site (www.lib.uiowa.edu), and extended hours, which can accommodate complicated practice and travel schedules. UI Librarians help students find answers, whether they're on a web site, in a book, journal, government document, or database. Librarians also plan and teach students how to find, evaluate, and use information from a variety of sources--skills they will use throughout their lives.

Career Planning

Finding and pursuing a career takes careful planning. The Pomerantz Career Center is extremely valuable for student-athletes and can help identify skills that transfer from athletics to the workplace. The program suggests a timeline each student-athlete may follow throughout his or her stay at Iowa. The components of the program include:

- Individualized career advising
- Career education programs
- Summer job/internship opportunities
- Resume and cover letter development
- Preparing for life after college athletics

Computers

There are 26 Instructional Technology Centers all over the campus which are filled with 1,200 computers. These facilities are open at least 50 hours a week. Some are open 24 hours. Also, the Information Arcade in the Main Library provides a variety of specialized computing tools. The Computer Demo Center provides information for students who want to purchase computers and software.

Skills Labs & Support

Many academic departments offer skills labs to help students improve skills necessary to succeed at Iowa, such as writing, speaking, math, science, and foreign language. Assistance with skills such as note-taking, time-management, and test-taking are available through resources such as the College Transition Seminar (a credit-bearing course offered through University College), University Counseling Services, and Athletic Student Services staff.

Cultural Centers

Four cultural centers on campus provide a welcoming setting where students from various cultures can find cultural, academic, and personal support services: the Latino and Native American Cultural Center, the Afro American Cultural Center, the Asian Pacific American Cultural Center, and the Lesbian, Gay, Bisexual, and Transgender Resource and Education Center.

The Iowa City Community

Iowa City is a diverse, highly cosmopolitan community of 60,000 set in the natural scenic beauty of Iowa's rolling hills and woods along the tree-lined banks of the Iowa River. Iowa City has all the art galleries, ethnic foods, historic architecture and vibrant atmosphere of a much larger city, but with the compactness and friendly feeling of a small town.

As a place to live, Iowa City keeps winning awards and accolades - Named one of the 10 most enlightened towns in the country by *Utne Reader*, listed in the book *The 100 Best Small Art Towns in America* and selected the number-one place to live in the nation by *Editor & Publisher* magazine.

Economically, businesses such as Rockwell Collins, American College Testing and Procter & Gamble help keep the city booming. In Coralville, a branch office of Geico Auto Insurance has provided many residents with employment opportunities.

Culturally, Iowa City is alive with concerts, art exhibits, readings, plays and art events of all kinds. Located on the University of Iowa campus, Hancher Auditorium is a nationally-known performance center that brings in the best of Broadway, classical and jazz music, dance and other performances. The University of Iowa Theatre Arts department also produces a full schedule of plays each year, featuring the work of student performers and directors. So whether you enjoy the arts as a spectator or as an outlet for your own creativity, Iowa City has the opportunities.

Residents of Iowa City are not only economically and culturally enriched, they also take advantage of the numerous recreational facilities offered around town. The area's more than 30 parks provide opportunities for year-round activities including boating, hiking, swimming, fishing and skiing. The city's greatest charm, however, remains the sincere friendliness of its citizens, the cosmopolitan atmosphere and the successful partnership built between the community and the University.

Old Capitol

One of the most recognizable sites in Iowa City is the gold dome of the Old Capitol which is situated in the heart of downtown. Built in 1840, it is Iowa City's most historic building. The Old Capitol was the site of the first governor inauguration as well as the first six Iowa General Assemblies. It is also where the state's Constitution was drafted. When the capital was moved to Des Moines in 1857, the Old Capitol was dedicated to The University of Iowa, becoming the first building owned by the University.

Coralville Lake

Just north of Iowa City is Coralville Lake, an outdoor recreational area that offers a variety of opportunities for the public. Coralville Lake offers picnic shelters, biking, hiking, fishing, boating, swimming, hunting, camping, snowmobiling, cross country skiing, golf and disc golf.

City Plaza

Located downtown and in walking distance of many of the University's dormitories is the City Plaza. It is a perfect place to sit outside and study or hang out with friends. During the fall, spring and summer months there are concerts and art festivals in the "Ped" Mall.

Coral Ridge Mall

The Coral Ridge Mall is a 1.2-million-square-foot shopping center located just minutes from campus. The center combines a mix of over 120 specialty shops and strong department stores including Dillard's, JC Penney, Sears, Target and Younkers. Coral Ridge also offers entertainment features such as an NHL-regulation-sized indoor ice arena, state-of-the-art 10-screen movie theatre and a large carousel along with a 1,000-seat food court with sit-down restaurants. Specialty stores include Abercrombie & Fitch, Barnes & Noble, Gap, Old Navy, Scheels All Sports and Pier 1 Imports.

Iowa City is located in eastern Iowa and is an easy trip to such cities as Des Moines (the capital of Iowa), Chicago, St. Louis, Kansas City, and Minneapolis. Also, Cedar Rapids, a city of more than 150,000, is just a short drive north of Iowa City. The Eastern Iowa Airport, which links residents to every major airport in the Midwest, nation and world, is only 20 minutes away.

Hawkeye Traditions

The Hawkeye Nickname

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the *Fort Madison Patriot*, moved his paper to Burlington in 1843 and renamed it the *Burlington Hawkeye*. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.

Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.

School Colors

For 40 years Iowa was without school colors, but in 1887 a group of 50 seniors met on the steps of the Old Capitol to decide what are now the school official colors. They chose Old Gold, the color of Iowa's vast corn fields and Black, the color of the rich soil.

School Fight Song

The Iowa Fight Song was written in 1950 by Mason City, Iowa, native Meredith Willson. Best known as the creator of Broadway's *"The Music Man,"* Willson was awarded a 1963 University of Iowa Alumni Association Distinguished Service Award for "setting the spirit of Iowa to music." The lively cheer is sung hundreds of times during Iowa athletics events the year around.

*The word is Fight, Fight, Fight for IOWA
Let every loyal Iowan sing;
The word is Fight, Fight, Fight for IOWA
Until the walls and rafters ring (Go Hawks!)
Come on and cheer, cheer, cheer for IOWA
Come on and cheer until you hear the final gun.
The word is Fight, Fight, Fight for IOWA
Until the game is won.*
