HENDERSON AND KENLIN NAMED BIG TEN GYMNASTS TO WATCH

- JerQuavia Henderson and junior Adeline Kenlin were named Big Ten Gymnasts to Watch.
- Henderson won 12 event titles and posted 27 top-three finishes in 2022. The two-time All-American tied the school record on floor, scoring a 9.975 a season ago. The Peoria, Illinois native was WGCA Second-Team All-American on floor and First Team All-Big Ten selection.

Larissa Libby enters her 19th year as head coach, and 23rd year overall, at the University of Iowa in the 2023 season.

During her tenure in Iowa City, the Hawkeyes have been a consistent top 25 team nationally, as she has led the program to 21 straight NCAA Regional appearances (individually or as a team). During the 2022 season, Libby led the Hawkeyes to the NCAA Regional Final and Adeline Kenlin to NCAA beam runner-up honors. It came on the heels of a 2021 season where Libby led Iowa to the Big Ten regular season title — the first in program history.

The three-time Big Ten and two-time NCAA Regional Coach of the Year has coached six WGCA All-Americans and five first-team All-Americans at the NCAA Championships, including national champion Alexis Maday and Adeline Kenlin. Maday was the Big Ten Freshman of the Year in 2001 and the Big Ten Gymnast of the Year in 2004. Kenlin was the Big Ten Freshman of the Year in 2021.

The three-time Big Ten and two-time NCAA Regional Coach of the Year has coached 11 WGCA All-Americans and six first-team All-Americans at the NCAA Championships. Libby has coached 14 Big Ten champions, six NCAA Regional champions, 11 NCAA Championships qualifiers, while 54 student-athletes have earned All-Big Ten honors, including 26 first-team selections.

The Hawkeyes have also excelled in the classroom and has had a strong community presence under Libby's watch. Forty-eight student-athletes have been Academic All-Americans.

The GymHawks' program surge continued during the 2022 season under Libby's watch. The Hawkeyes posted five of the top eight scores in program history during the season, won the first session and finished third at the Big Ten Championships before knocking off No. 6 LSU in NCAA Regionals to advance to the NCAA Regional Final for the first time under the current format. The Hawkeyes scored a 197.075 in the Regional Final — the second-highest score and just third 197 in program history.

• Kenlin is coming off a record-setting 2022 season and is a two-time All-American. The Iowa City native was NCAA runner-up on beam in 2022 after scoring a 9.950, the highest finish by a Hawkeye in program history. She was a second-team All-Big Ten selection and Academic All-Big Ten honoree.

KENLIN MAKES HISTORY

- Junior Adeline Kenlin finished as the NCAA runner-up on beam after scoring a 9.950 while competing as an individual at the 2022 NCAA Championships. The Iowa City, Iowa, native's finish is the highest by a Hawkeye all-time and the score is the highest beam score by a Hawkeye at the NCAA meet in program history.
- Kenlin earned first-team All-America honors at the NCAA Championships, becoming the sixth such All-American in program history. She is the second Hawkeye to earn All-America distinction on the beam.
- Kenlin was the first Hawkeye since 2017 to advance to the NCAA Championships and the 11th Iowa gymnast all-time.

HENDERSON EARNS WGCA ALL-AMERICAN HONOR

- Senior JerQuavia Henderson were named Women's Collegiate Gymnastics Association second-team All-Americans on floor on March 24. She is only the 12th All-Americans in program history.
- Henderson is the third Hawkeye to earn multiple All-America distinctions. She was a secondteam selection last season.

NCAA REGIONAL FUN

- The Hawkeyes overcame a .100 deficit on the final rotation to advance to the NCAA Regional Final for the first time under the current format. Iowa defeated No. 6 LSU and NC State to advance, joining Missouri out of the first session.
- Iowa posted a 196.900 to tie the fourth-best score in program history in the NCAA Regional competition.
- The GymHawks scored a 197.075 at the NCAA Regional Final, the program's second-highest score all-time (trailing only the 197.150 set in 2004). The 197 was just the third all-time in program history.
