HAWKEYE INVITATIONAL TOURNAMENT HISTORY

2024 marks the 30th edition of the historic Hawkeye Invitational as Iowa seeks its 18th championship in the tournament's history. The Hawkeyes have won three of the last four team titles dating back to 2019 (event was canceled in 2020). Iowa had three top-ten finishers at the event last season, placing first as a team. Mac McClear was the individual medalist at 10-under par.

Iowa claimed the inaugural team title in 1970, as well as the next seven in a string lasting through 1981. Other champions include Wisconsin, Kent State, Western Illinois, and Kansas.

Iowa has won 17 Hawkeye Invitational titles and has crowned 16 individual champions in the tournament's history, including the 2019 season when Matthew Walker and Alex Schaake claimed co-medalist honors. The duo each posted a program record, tournament record, and career-best 54-hole score of 199 (-14), topping the previous school mark by four strokes. Schaake defended his individual crown in 2021, finishing two strokes ahead of teammate Mac McClear, who was runner-up.

The tournament has hosted a number of different teams and has been played in a number of different formats, but two things have remained the same: Finkbine Golf Course has always been home to the invite and many of the Midwest's best teams have been showcased.
