Nebraska vs. Iowa (Nov. 27, 2015)

Iowa Player Quotes

Senior Offensive Lineman Austin Blythe

On how long they are going to celebrate

"Until Sunday, when we find out who we are playing next week. We are going to enjoy this one especially since we played on Friday. Enjoy the games tomorrow and see who we play."

On how he felt going off the field as a senior

"I was a little emotional coming off the field just because I have never been a part of a team like this. Everyone fights for each other, no individuals, just a total team effort, and that's why we are here, 12-0 now."

On how the defense did

"They played their butts off, we needed them to make plays and stop the bleeding a little bit and they absolutely did. That just goes back to total team football, everyone playing for each other. One side of the ball picking up the other side of the ball."

On the two touchdown runs right after halftime

"It was just the mentality. We weren't playing like ourselves, especially up front in the first half. We just wanted to come out and make the same plays and execute them to the best of our ability."

On if the two touchdown plays were the same

"No they weren't, but they kind of looked like it."

On how this win felt

"It feels even better. Just total team effort and being able to share it with everybody is really nice."

On the big picture of their turn around

"At halftime we just reminded each other, we have been talking about finishing for 11 months now and it feels really good to go out and do it. Just to do it with this group and this team, who has been working together so hard and so long it feels really good."

On other trophies to go for

"Absolutely, we still have three more to go for but for right now we are going to enjoy this one."

On Nebraska's penalties and turnovers

"We didn't really talk about penalties, but defiantly the turnovers. For the most part I think we did a good job capitalizing on those turnovers today but that's an area we can definitely improve on next week"

On the fullbacks

"It's all 11 guys doing their job, the O-line and the fullbacks, all those guys taking it to the next level, those wide receivers blocking down field to make the explosive runs you know we can make, so it was a total team effort."

On what team effort means to their team

"I think we just constantly talk about it. We just really remind each other that you are playing for 105 other guys on the team and football is an 11-man game. So you get 11 guys working together and I think that is just what we've been doing well is keeping everyone together and that we need to win as a team."

On how much pressure they felt

"I didn't feel any pressure. I think the offensive line just understood that we needed to keep doing things that we have been doing. Just playing together playing tough and physical just like we did today."

On what their coach was like in the lockerroom

"He was emotional, just to be able to do that for him was really fun. Just knowing how he coaches and what he stands for. It isn't all about winning to him. He wants us to be better men when we are off the field and done. And just to be able to go out there and play for your team and play for a win is really satisfying."

Nebraska vs. Iowa (Nov. 27, 2015)

Iowa Head Coach Kirk Ferentz Postgame Quotes

Opening Statement

"We're thrilled to get the victory and it was hard fought. We knew that coming in it was going to be a tough environment and a tough team to play against. Just really excited about getting the victory and really happy for our players. I told them, I said, 'I don't really know what to say.' I've never been around a team that is 12-0. I'm a little bit speechless on that. It is just an unbelievable accomplishment. Unbelievable effort by the players today. We said back in August, our goal is to be a championship level team, a Big Ten championship level team. So today we moved one step closer and we are very happy about that. A couple of things this team has done this season, they've done a great job of taking each week by itself and they treat it with the importance it deserves to be treated with. I told them on Tuesday, they all know every game is as important as game 12. You talk about those kinds of things for players to understand and then act it out. That is impressive and they have done that. And beyond that this is a tough-minded group. They've been tough-minded really since the season began. They believe in each other and care about each other and that is a pretty good combination. We're just really proud of our football team and proud of the staff and what they've done to prepare the team, the adjustments they have been making. I'm happy about that. I also just want to say it was great in the fourth quarter to hear our fans having some fun up there. Them for the first time to be able to say 12-0, chanting that is just fantastic. I appreciate them being here and I know we'll see them in Indianapolis next week on top of it. All-in-all just a really special day and a really special achievement for our players. They deserved all of the good things that certainly came their way."

On where this game stands on an emotional standard

"It was pretty good. That's what makes this fun. The highs and the lows. If you're going to be involved in that you get both. Today just to see, look at our players and what they've accomplished. It's a pretty good feeling. I know our staff felt the same way. It's a great thing."

On recovering the onside kick, what was going through your mind

"First of all, all of us were nervous. You always run that situation, they still needed a two-point conversion. Unlike last week, this one came up big. Once that thing came up I felt pretty good. Then you know you got the game, that's always a good feeling. Anytime we can take a knee, that's as good as it gets in football. It's just been a special thing for all of us."

On how pretty a football team he thinks he has

"We're not trying to be pretty, we are just trying to be productive. That has been our goal from day one. Football is not gymnastics. Gymnastics is a very demanding sport, an outstanding sport. Here it's about having a little more point than your opponent. I'm trying to do it, day after day, week after week. That's a challenge. These guys were 12-for-12, you can't do anything better than that."
