## Minnesota Postgame Quotes Interim Head Coach Tracy Claeys

*During this run you talked about giving yourself a chance in the fourth quarter, you guys were able to do that again today, what did you think overall?*

"I thought our kids competed their butts off, we got down again and had to fight back. They gave us a chance but it's the third game in a row that we've had some tough luck. It was a tough atmosphere and our kids kept fighting and that's all you can ask for. You get a chance in the fourth quarter, and then you have to make the plays to win the game. It's not because of our effort, that's for sure."

*What do you think the key was for Iowa offensively?*

"I think that our two defensive tackles that are sitting out are All-Big Ten guys. Those guys have been playing and doing well. We have to give credit to them, they controlled the line of scrimmage in the middle. That was the difference in the game."

*C.J. Bethard had been injured before this game, and couldn't really run; did he surprise you at all that he was able to get outside the pocket?*

No, he is a pretty good athlete. He made the plays that he's made before and that is why everyone likes to have that mobile quarterback."

*On third down in the first half I think they were six-of-seven, was that where they made their move?*

"Yeah and they got to run the ball. The secondary I look up during warm-ups, we've got four corners, we've got two seniors and two true freshman, we're banged up there too. We just continue to find things that the kids do well and put them in those positions and make a few more plays. As coaches we know that injuries are a part of the game. We have to continue to work and find things that those kids can do best and make some plays."
