21. Occupancy Agreements shall take the form of either a Licence to Occupy or a Lease.
22. Occupancy Agreements in relation to Land that is subject to the Reserves Act 1977 will reflect the requirements of the Reserves Act 1977 and any applicable regulations.
23. A Group must not assign, sublet or dispose of their interest in an Occupancy Agreement without approval from the Council.

Maximum Tenure

24. Occupancy Agreements shall be granted for a defined period no greater than the maximum occupancy as outlined in the following table:

TYPE OF AGREEMENT	CATEGORY	MAXIMUM OCCUPANCY
Community Group Licence to Occupy	Non-exclusive occupation of Council-owned (or administered) land only or land and buildings or space within a multi occupancy Council-owned building	Five years

25. A shorter occupancy term may be recommended to the Council by Staff as deemed appropriate.

26. Occupancy Agreements shall have no automatic right of renewal.

Rental

27. The rental that shall be paid by a Group for use of Buildings and/or Land is calculated by first determining a market rate (Step 1) and then applying a rental subsidy (Step 2).

Market Rates (Step 1)

28. Market rates for Buildings and Land, as well the category ranks for all Buildings shall be reviewed by a Valuer three months prior to a policy review.

29. A Building is assessed against the following criteria to determine a category rank:

- a. Amenity (décor, fit out, heating, ventilation, air conditioning, lighting, accessibility, security, car parking, surrounds)
- b. Location
- c. Market Value (taking into account any restrictions on use)
- d. Quality (age, construction, presentation, maintenance, design, utilisation)
- e. Best and Highest Use
- f. Type (office, commercial, industrial, other use)

30. The Building category rank assigned to a Building will determine the square metre market rate as set out in the following table:

Building Category Rank	Market Rate/m2 (per annum)
1	\$120.00
2	\$80.00
3	\$55.00
4	\$40.00
5	\$22.50

6	\$15.00
---	---------

31. A full description of each category rank is outlined in the Guidelines.
32. The land area square metre market rates for Land are set out in the following table:

Land Area (m ²)	Market Rate/m ² (per annum)
0 - 100	\$6.75
101 – 500	\$5.75
501 – 1000	\$4.50
1001 – 10,000	\$1.30
10,001 – 100,000	\$0.60
100,001 +	\$0.05

33. The square metre market rate for Land will be calculated using a sliding scale. For example, the rental for 500m² of land would be calculated at \$6.75/m² for the first 100m² and \$5.75/m² for the remaining 400m².

Rental Subsidy (Step 2)

34. A rental subsidy shall be applied to the market rate to determine a rental for an Occupancy.
35. To assist Staff in determining a rental subsidy, financials for the past three year-end periods must be provided upon application for Occupancy.
36. A standard rental subsidy to the Buildings and/or Land market rates will apply to all Groups unless a Group meets the following criteria:
- The Group has a total revenue more than \$2,000,000; **AND**
 - The Group has a financial surplus more than \$100,000; **AND**
 - The Group receives Central Government Funding
37. A reduced rental subsidy to the Buildings and/or Land market rates will apply where a Group meets the criteria in the above clause.
38. A Commercial Occupancy Agreement (for an approved commercial activity operated by a commercial entity), will receive a further ¼ reduction in rental subsidy for that area of the Occupancy.
39. The subsidy percentages are set out in the following table:

Type of Agreement	Standard Subsidy	Reduced Subsidy
Occupancy Agreement (may include an approved commercial activity operated by a Group)	87.5%	50%
Commercial Occupancy Agreement (with an approved commercial activity operated by a commercial entity)	65.5%	37.5%

40. The Council may use its discretion to approve a further rental subsidy where exceptional

circumstances apply.

41. An application for exceptional circumstances will be assessed in accordance with the criteria outlined in the Guidelines.

Rental Reviews

42. Where agreements allow for rent review, any change in annual rental shall be applied from 1 January on the anniversary of the Occupancy Agreement, following approval of the change.

Occupancy Responsibilities

43. Groups standard outgoing occupancy responsibilities (e.g utilities, rates, building repairs) are set out in the Guidelines.

Shared/multi-use

44. Groups will be encouraged to share/multi-use Land and/or Buildings in order to;
 - a. optimise use and resources;
 - b. improve sustainability;

46. The Outcomes Plan shall form part of the Community Occupancy Agreement.
47. The Outcomes Plan shall be monitored by Staff in partnership with the Group.
48. If Staff identify any issue(s) that may prevent an Outcomes Plan from being met then Staff will discuss with the Group possible options for dealing with such issues.

Commercial Activity

49. All applications to operate a Commercial Activity shall be assessed in accordance with the Guidelines.
50. Any Commercial Activity operated by a commercial entity must be approved by the Council before it can be operated within an Occupancy.
51. Any Commercial Activity operated by a Group must be approved by Staff before it can be operated within an Occupancy.
52. If the Land is subject to the Reserves Act 1977, the proposed Commercial Activity must enable the public to obtain benefit and enjoyment of the reserve and/or for the convenience of persons using the reserve.
53. A Commercial Activity that the Council considers to exclusively occupy a significant part of a Building within an Occupancy will be considered a commercial lease and therefore does not apply under this Policy.

Facility Development Proposals

54. All facility development proposals will be assessed in accordance with the criteria outlined in

the Guidelines.

55. Any new or significant facility development or redevelopments within an Occupancy will require approval by the Council.
56. Any minor facility development or redevelopments within an Occupancy will require approval by Staff.

 - a. achievements in line with an Outcomes Plan;
 - b. statement of service performance (where applicable);
